11. MOTION – SITTINGS OF THE SENATE OUTSIDE THE PARLIAMENT BUILDINGS, NAIROBI

(The Senate Majority Leader)

THAT AWARE that the Senate of Kenya is established by Article 93 of the Constitution and its main role, as set out in Article 96 of the Constitution, is to represent and serve the interests of the counties and their governments;

FURTHER AWARE that the Senate plays a critical role in the linkage of the devolved governments and the national government;

NOTING that since its inception the Senate has held its sittings in Nairobi with its committees occasionally visiting the devolved governments on fact finding missions;

COGNIZANT of the need to enhance the interaction between the Senate and county governments as a means of bringing the Senate closer to the counties and the general public;

APPRECIATING the recommendation of the Senate Business Committee that a Sitting of the Senate be held away from the traditional premises in Parliament Buildings, Nairobi, in order to-

- i) provide an opportunity to members and staff of county assemblies to learn and borrow best practices from the Senate;
- ii) promote the role and work of the Senate;
- iii) highlight existing opportunities for people to get involved in the work of the Senate; and
- iv) develop and strengthen partnerships at the county level and enhance public awareness regarding the Business of the Senate.

NOW THEREFORE, pursuant to Article 126 (1) of the Constitution and Standing Order 31 (1) of the Senate Standing Orders, the Senate resolves that its plenary and committees sittings be held in Uasin Gishu County from 24th to 28th September, 2018.

(Resumption of Debate interrupted on Wednesday, 20th June, 2018)

12. MOTION – REGISTRATION OF PERSONS WITH DISABILITIES (PWDS)

(Sen. George Khaniri, MP)

THAT, AWARE that the National Council for Persons with Disabilities was established through the Persons with Disabilities Act, 2003;

FURTHER AWARE that registration of persons living with disabilities is a function of the National Council for Persons with Disabilities;

ALSO AWARE that persons living with disabilities are estimated to be about 10% of any given population;

COGNIZANT that for purposes of registration of persons living with disability, it is a mandatory requirement for one to undergo medical examination by a registered medical officer in a registered and certified health facility;

...../Motion

CONCERNED that of the nearly 4 million Kenyans living with disabilities who reside in Kenya, there is a very small fraction of the number which is duly registered;

AWARE that medical services are now a devolved function;

FURTHER CONCERNED that without proper registration, many persons living with disabilities are denied services because they lack the necessary proof of disability;

ALSO CONCERNED that owing to lack of accurate data on persons living with disabilities, the government at both levels cannot plan properly for this category of people;

NOW THEREFORE, the Senate calls upon the National Council for Persons with Disabilities in collaboration with Ministry of East African Community, Labour and Social Protection and county governments, to carry out a nationwide registration of all persons living with disabilities in order to determine their exact population to facilitate effective service for this marginalized group of our society.

(Resumption of Debate interrupted on Thursday, 7th June, 2018)

(Balance of time: 1hr 48 minutes)

13. **MOTION – FLOOD SITUATION IN THE COUNTRY**

(Sen. Fatuma Dullo, MP)

THAT, aware that several days of heavy rains recently have caused severe flooding in many parts of the country, resulting in multiple deaths and devastating damage to property and infrastructure;

NOTING with concern that, whenever Kenya experiences periods of severe drought, torrential rains usually follow;

CONCERNED that year in year out, the challenge of floods continues to recur, leading to loss of human and animal life, displacement of people and wanton destruction of property;

COGNIZANT that the number of Kenyans needing emergency food aid as a result of displacement caused by the current floods continues to rise by the day, and that the floods have also washed away many bridges and destroyed roads in many parts of Kenya;

ALSO CONCERNED that no effective measures, such as improved storm water harvesting, proper drainage infrastructure and preventing the destruction of riparian reserves and natural water courses, to mitigate and/or provide a lasting solution to the menace of flooding, have been taken;

NOW THEREFORE, the Senate calls upon the National Government to develop a lasting framework to permanently address the challenge of effects of floods by, among other things-

...../Motion

- i) developing and enforcing regulations for preventing the obstruction of riparian reserves and natural water courses; and
- ii) preventing and regulating the construction of informal settlements and ensuring prevention of construction on low lying areas and flood plains.

And further that the relevant government agency to execute this task submits a report to the Senate within three months of the adoption of this Motion.

14. **MOTION – NEED TO REVIEW AND EVALUATE THE STATE OF EDUCATION IN NORTHERN KENYA**

(Sen. (Dr.) Abdullahi Ali, MP)

THAT, AWARE that Article 43 (f) of the Constitution of Kenya stipulates that every person has the right to education, and Article 53(1)(b) provides that every child has the right to free and compulsory basic education;

ALSO AWARE that education is a basic need and a tool for intellectual empowerment and social-political development;

FURTHER AWARE that education is a shared function between the National and the County levels of Government with the National Government being responsible for Primary, secondary and Higher education while the County Government is responsible for preprimary education, village polytechnics and home craft centers;

COGNISANT that both levels of Government complement each other in promoting sustainable education;

CONCERNED that the intake, uptake and quality of education in the Northern Kenya have adversely been affected owing to discrepancies in public resources allocation, insecurity, skewed staffing and teacher training in the region;

FURTHER CONCERNED that both the school completion rate and the national examination outcomes in region are poor and that the number of students from Northern Kenya who qualify for core courses in universities, colleges, technical schools and village polytechnics is minimal compared to other parts of the country;

NOTING WITH CONCERN that due to insecurity and other related concerns, the Teachers Service Commission (TSC) which is the body responsible for the employment and deployment of teachers, has in the recent past, taken steps to transfer non-local teachers from the northern region of Kenya to other parts of the country;

CONCERNED THAT, the transfers have led to shortage of skilled teachers which has been a major cause of the dismal performance in examinations in schools in the region;

NOW THEREFORE, the Senate resolves to task the Standing Committee on Education to conduct an inquiry into the challenges facing the education sector in Northern Kenya with a view to-

1. evaluating the effect of the teacher transfers from the region and recommending to the Ministry of Education, policy measures to address the challenge;

...../Motion

2. evaluating the status of the education infrastructure in the region and proposing solutions to mitigate the current and looming challenges;
3. proposing mechanisms for enhanced resource allocation at both levels of government to facilitate improved education facilities; and
4. assessing school intake compared completion levels in the region in order to ascertain the impact of the challenges facing the schools and how these disadvantages the region compared to other parts of Kenya and proposing ways of addressing the challenges.

(Sen. John Kinyua, MP)

THAT AWARE that National Forum of Former Councilors petitioned the Senate regarding the need for legislative interventions to address the plight and welfare of former Councilors;

FURTHER AWARE that the Senate Standing Committee on Labour and Social Welfare considered the Petition and tabled its report on Tuesday, 16th February, 2016;

ACKNOWLEDGING that the Committee's report on the Petition made five recommendations among them that-

1. one-off honorarium of Kshs. 1.5 Million be paid to former councilors who served a minimum of one term since independence; and
2. monthly pension of at least Kshs. 30,000 be paid to former councilors.

APPRECIATING that the recommendations were based on the fact that former Councilors did not receive fixed emoluments and experienced disparities with regard to access to pension services and terms and conditions of pension schemes over the years, which made it difficult to fairly and equitably determine each councilor's rightful benefits retrospectively;

CONCERNED that the State Department for Social Services and Security, State Department for Devolution and the National Treasury have to date not implemented the Committee's recommendations on the Petition;

ACKNOWLEDGING that hearing impaired learners have linguistic challenges and perform dismally in academics since all subjects other than Kiswahili and foreign languages are taught and examined in English;

COGNIZANT that hearing impaired learners who are educable can master the essentials of English language as they are able to sign sing the National Anthem in Signing Exact English (SEE);

NOW THEREFORE, the Senate calls upon the Ministry of Education, Science and Technology to-
