013	<b>THAT</b> , aware that health facilities in the country invariably decline to attend to patients who are in critical emergency conditions without admission deposits or payment leading to worsening of patients' conditions and sometimes leading to loss of life; concerned that most Kenyans are poor and lack medical insurance; noting that Article 43(2) of the Constitution of Kenya states that "a person shall not be denied emergency medical treatment," this House urges the Government to ensure that all health facilities provide emergency medical care to victims of accidents and those in emergency medical condition without denying them admission on grounds that they are not able to pay deposits.	23/4/2013	Hon. Paul Koinange	Hon. (Dr.) James Nyikal		25/4/2013	Adopted
014	Procedural Motion to exempt business appearing in today's Order Paper from the provisions of Standing Order 40(3) being a Wednesday Morning, a day allocated for Business not sponsored by the Majority or Minority Party or a Member belonging to the Majority or Minority Party or Business sponsored by a Committee.	24/4/2013	Hon. Aden Duale, the Leader of the Majority Party	Hon. (Dr.) Paul Otuoma		24/4/2013	Adopted
015	<b>THAT</b> , aware that livestock farming is the major source of income for the people living in the arid	24/4/2013	Hon. Abdulaziz	Hon. Ali Wario		7/5/2013 9/5/2013	Adopted

	and semi-arid (ASAL) areas in the country; deeply concerned about the devastation caused by perennial droughts in most parts of the country, especially in the ASAL areas, that has occasioned heavy losses to livestock farmers thus greatly affecting them financially; noting that many farmers have lost almost all their livestock and experienced a sharp reduction in the quantity and quality of produce due to the harsh climatic conditions in the ASAL areas; convinced that unless these farmers are protected from the harsh climatic conditions, livestock farming is likely to face the risk of irreversible economic ruin; this House urges the Government to urgently establish a Livestock Insurance Fund to cushion livestock farmers in all the ASAL areas against losses occasioned by drought. 016	<b>THAT</b> , aware that the National Hospital Insurance Fund (NHIF) defaulters continue to be surcharged a penalty of 500% of the outstanding amount; and further aware that the penalty is barely affordable to majority of Kenyans, this House urges the Government to consider reducing the NHIF penalty surcharge to defaulters from the current 500% to 25%.	24/4/2013	Hon. Joseph Gitari	Hon. Charles Nyamai		25/4/2013; 2/5/2013; 7/5/2013.	Adopted
017	<b>THAT</b> , aware that according to statistics released by the Kenyan Government in July 2012, cancer and renal diseases are currently the highest killer diseases in the country with at least 22,000 cancer related deaths; concerned that kidney disease deaths in Kenya have reached 2,912 or 0.92% of total deaths according to World Health Organization (WHO) data released in April 2011; noting that there is limited access to cancer screening and treatment, and kidney dialysis at affordable costs at county level, this House urges the Government to consider	24/4/2013	Hon. Joseph Gitari	Hon. Wilberforce Ottichilo		4/6/2013 5/6/2013	Adopted with amendments

	upgrading at least one (1) hospital in every county, and supply equipment to handle both chemotherapy and dialysis treatment procedures.						
018	Motion, pursuant to the provisions of Standing Orders 175 and 208 on the appointment of Members to the Procedure & House Rules Committee.	24/4/2013	Hon. Aden Duale, the Leader of the Majority Party	Hon. John Mbadi		24/4/2013	Adopted
019	<b>THAT</b> , pursuant to Standing Order 28, this House approves the Calendar of the House (Regular Sessions) for the First Session of the Assembly, as contained in the Schedule attached to the Order Paper.	24/4/2013	Hon. Aden Duale, the Leader of the Majority Party	Hon. Francis Nyenze, the Leader of the Minority Party		24/4/2013	Adopted
020	, this House approves the First Report of the Procedure and House Rules Committee on Amendments to the Standing Orders laid on the Table of the House on Thursday, 25th April, 2013 and resolves that the amendments to the Standing Orders as approved by the House takes effect from 25th April, 2013 and that an addendum be made to the Standing Orders to reflect the amendments.	25/4/2013	Hon. Moses Cheboi	Hon. Abdikadir Aden		25/4/2013	Adopted
021	<b>THAT</b> , aware that over 90 % of the raw materials for the agro-based parastatals such as Nyayo Tea Zones, sugar and cotton factories comes from rural farmers residing in counties; noting that the farmers produce all the inputs but do not receive any benefits from their activities; deeply concerned that county governments are likely to face numerous financial challenges due to limited sources of revenue; this House urges the government to write off all the liabilities of these parastatals and hand over the management of the same to the county governments to form part of the income	2/5/2013	Hon. 	generating activities for the respective County Governments.						
022	<b>THAT</b> , aware that according to the statistics released by the National Council of Population and Development (NCPD) in Policy Brief No. 25 of June 2012, Kenya's population, as that of all other Sub-Saharan African countries, is rapidly ageing and the population of persons aged 60 years and above increased steadily from 1 million in 1989 to 1.9 million by 2009, and is projected to reach about 3 million people by year 2030; concerned that there is an increase in the number of neglected and/or abandoned elderly members of the society as a result of the financial inability of their immediate kin or lack of capacity to handle the health conditions of such senior citizens; noting that despite the legislation enacted to cater for the elderly, little further comprehensive action to enhance their well-being and specifically the health of older Kenyans has ensued, <b>this House urges the Government to expand the current cash transfer for the elderly persons to cover all the needy persons over 65 years within the next 5 years, provide free NHIF coverage to all elderly persons currently receiving cash transfer with immediate effect, and expedite the completion and implementation of the National Social Protection Policy on Older and Aging Persons within the tenure of the current Jubilee Government.</b>	2/5/2013	Hon. Mustafa Idd	Hon. Rashid J Bedzimba		8/5/2013 15/5/2013	Adopted with amendments (amendments in bold)
023	<b>THAT</b> , aware that over 600 pieces of ivory worth Kshs 100 million were intercepted at the port of Mombasa in March 2013 headed for Indonesia; concerned that 1000 elephants have died in a span of 3 years; further aware that the Government declared poaching in the country as	2/5/2013	Hon. Francis Chachu Ganya	Hon. Andrew Toboso		22/5/2013	Adopted

	<p>an international disaster; noting that a pound of ivory can now fetch more than 1000 dollars in Beijing, and as result tens of thousands of elephants are slaughtered across Africa; also aware that the Far East, and China in particular is a market hub for this poached ivory; further concerned that 211 elephants were poached in 2011, with 384 elephants poached in 2012, and another 74 elephants lost since the beginning of 2013; deeply concerned with the negative impact this will have on the tourism industry in particular, and the entire economy in general; this House urges the Government to tighten the measures in place for curbing poaching by increasing the number of game rangers deployed to the game parks and by coming up with more punitive measures to deter poaching.</p>						
024	<p>Procedural Motion to exempt business appearing in today's Order Paper from the provisions of Standing Order 40(3) being a Wednesday Morning, a day allocated for Business not sponsored by the Majority or Minority Party or a Member belonging to the Majority or Minority Party or Business sponsored by a Committee.</p>	8/5/2013	Hon. Aden Duale, the Leader of the Majority Party	Hon. Chris Wamalwa Wakhungu		8/5/2013	Adopted
025	<p><b>THAT</b>, aware that the fishing industry makes a major contribution to the economy by producing over Ksh 10 bilion in foreign exchange and further aware that the industry provides employment both directly and indirectly to many people; noting that the potentiality of this sector is under threat due to use of non-scientific ways of fishing and continued use of wrong fishing gears due to poverty levels affecting the fishermen, this House urges the Government to establish a fund from which fishermen <b>can be given grants to buy the</b></p>	8/5/2013	Hon. 	recommended fishing gear to help them acquire correct and scientific fishing gears, and further urges that the annual closure season for fishing to be reduced from four months to one month commencing from 1 <sup>st</sup> April to 1 <sup>st</sup> May.						
026	<b>THAT</b> , aware that the National Cereals and Produce Board (NCPB) is now procuring fertilizers, which is not its core mandate; cognizant of the fact that this had led to delays in the importation and procurement of the necessary inputs for the farmers in a timely manner; noting with concern that fertilizers are arriving after the planting season; deeply concerned that this is affecting food security in the country as fertilizers are key inputs in farming; also noting that this lack of inputs is affecting farm yields, and impoverishing farmers, this House urges the Government to set up a fertilizer board that manages issues of fertilizers and other farming inputs, while offering subsidized inputs to farmers, and also fast-track the process of setting up a factory to produce fertilizers and other farming inputs locally in the long-term.	8/5/2013	Hon. Chris Wamalwa	Hon. Mary Emaase Otucho		4/6/2013; 5/6/2013.	Adopted
027	<b>THAT</b> , aware that the road network in the country currently stands at approximately 160,886 kilometres, out of which only approximately 11,189 kilometres are paved; noting that the extent of the unclassified rural and urban roads remain unknown with most of such roads in bad condition; aware that good infrastructure facilitate trade, economic development and improvement in the quality of life; this House urges the Government, through Kenya Rural Roads Authority (KERRA), Kenya National High Authority (KENHA) and Kenya Urban Roads Authority (KURA) to upgrade a	8/5/2013	Hon. 	minimum of twenty (20) kilometres of roads to bitumen standards in every constituency across the country in every financial year to enhance the road network in the country, and subsequently, enhance agricultural productivity and job creation.						
028	<b>THAT</b> , aware that the National Youth Council was established by the National Youth Council Act 2009; further aware that the Council was gazetted in November 2012; concerned that the Treasury is yet to release the required funds to establish the Council Secretariat as provided by Section 10 of the Act. Noting that the council is unable to perform its functions as stated in Section 4 of the Act due to lack of funds thus disadvantaging the youth of this country; this House urges the Government to immediately allocate and release funds to the Council for it to discharge its mandate.	15/5/2013	Hon. Zuleikha Juma Hassan	Hon. Isaac Mwaura		12/6/2013; 19/6/2013.	Adopted
029	<b>THAT</b> , noting the tragic events that occurred at the Boston Marathon where two bombs went off, killing and injuring a number of people; aware that there were Kenyan athletes also present at the event who had no established network of reporting in to confirm their status; deeply concerned that there was no mechanism available to account for the safety and well-being of each member of the Kenyan athletic delegation, this House urges the Government to establish a register or other mode of tracking and accounting for all athletes who leave the country to attend various international athletic events, to ensure their safety at all times.	15/5/2013	Hon. Wesley Korir	Hon. Johana Ngeno Kipyegon		19/6/2013; 20/6/2013.	Adopted
030	<b>THAT</b> , aware that the National Irrigation Board of Kenya (NIB) has utilized only 5,000 hectares for crop production in Hola Irrigation Scheme;	15/5/2013	Hon. Hassan Dukicha				Awaiting debate

	<p>further aware that there is a lot of land available in Galole which can be put into use; noting that River Tana passes through Galole; cognizant that food production is critical in ensuring food security in the country, this House urges the Government through the National Irrigation Board to expand the acreage of land from the current 5,000 hectares to 25,000 hectares to enhance food production in Galole, Tana River County and in the country at large.</p>						
031	<p><b>THAT</b>, aware that the number of girls dropping out of school is very high in the Arid and semi-arid areas (ASAL) because of the limited number of schools in these areas; concerned that most of the girls dropping out of school opt for early marriages, thus affecting the education standards of the girl child; noting that lack of boarding schools in most of these areas has greatly contributed to increased number of school drop outs, this House urges the Government to establish girl boarding schools for both primary and secondary in all ASAL areas.</p>	15/5/2013	Hon. Hassan Dukicha	Hon. Mohamed Diriye		19/6/2013	Adopted
032	<p><b>THAT</b>, aware that the now dissolved local authorities across the country were owed huge debts by government agencies and departments; further noting that the Government has not remitted payments in lieu of rent, water, way leaves, among others; deeply concerned that these debts were amounting to approximately Kshs 3 billion as at 2011, with no payments forthcoming; also aware that the new county governments are expected to take over these debts, and most of the expected revenue allocations they receive could go towards payment of these historical debts, this House urges the National Government to speedily pay outstanding rates, rents, water and other arrears</p>	15/5/2013	Hon. Benson Mutura				Awaiting debate

	owed to the county governments, to prevent resources meant for development being used to pay off outstanding debts.						
033	<b>THAT</b> , aware that bright students from poor family backgrounds who score seventy percent or more of the total marks in the Kenya Certificate of Primary Education (KCPE) fail to join form one in every year for lack of school fees; noting that if such trend is not checked, bright students from poor families will be left out of the learning process hence ruining their future; aware that Article 53 (I) (b) of the Constitution guarantees every child the right to free and compulsory basic education; recognizing the need to identify bright students from poor backgrounds and support them in pursuing and completing their studies in public secondary schools; this House urges the Government, to establish a public databank of all bright and poor students to be in the custody of the County Director of Education, and such information be disseminated and made available to the public institutions including the respective Constituencies Development Fund Committees which shall take into consideration when disbursing bursaries and such other institutions that may be willing to support such students.	15/5/2013	Hon. Gatobu Kinoti	Hon. Stephen Mutinda Mule		20/6/2013; 26/6/2013 2/7/2013.	Adopted
034	<b>THAT</b> , aware that the country produces only about a third of its annual rice demand of 300,000 tonnes with a bulk of the shipments to fill the deficit imported from Pakistan according to a research done by the Ministry of Agriculture on National Rice development strategy; further aware that locally produced rice is of high quality compared to imported rice and is preferred by consumers; and further appreciating that with improved water harvesting and	15/5/2013	Hon. Joseph Gitari				Awaiting debate

	innovative management technologies, the current irrigation potential of about 540,000 hectares irrigable can be increased by a further 800,000 hectares to 1.3 million hectares, this House urges the Government to consider increasing the acreage of both the irrigated and rain-fed rice production by 800,000 ha in order to promote increased production of rice which will ensure food security and save the much needed foreign exchange.						
035	<b>THAT</b> , aware that good health to the people is crucial for the development of their livelihood; noting that North Horr constituency with an area of 38,572 square kilometers and a diameter of 800 kms lacks a single referral hospital; further noting that residents of the constituency have to travel for over 600 kilometers to access the services of the nearest government hospital in Marsabit town; concerned that the impact of lack of access to health care impedes people's ability to reach their full potential and negatively affect their quality of life which in turn affects the economy of the country; convinced that unless health care is made available to the people their development and livelihood will continue to be affected immensely, this House urges the Government to establish health centres and hospitals where such facilities are lacking in all the 290 constituencies across the country.	15/5/2013	Hon. Chachu Ganya				Awaiting debate
036	<b>THAT</b> , aware that the Industrial Training Act, 2007 provides for the deduction and submission of levy from each employee by the employer to the Industrial Training Levy Fund to facilitate the training of persons involved in the industry; concerned with the increasingly high number of apprentices engaging in drug and alcohol abuse after the programme due to lack of	15/5/2013	Hon. 	employment; noting further that the youth continue to have limited access to training and employment opportunities, this House resolves that the Government enforces compliance with Article 55 of the Constitution and Vision 2030 in regard to the youth by expanding the structure of the Fund to include SMEs and sets up a Fund for the purposes of utilizing part of the Training Levy Fund to provide capital for the apprentices who have undergone instruction using the Training Levy to start businesses.						
037	<b>THAT</b> , aware that dozens of families in the country especially in Isiolo County have been marooned by floods; concerned that the flooding menace has led to immense negative impact on the economy which <i>inter alia</i> include widespread destruction of property, crops and infrastructure such as bridges and roads hence curtailing the movement of people and goods from one place to another; deeply concerned that flooding has led to the outbreak of waterborne diseases in some parts of the country; this House urges the Government to speedily establish a Disaster Management Authority to handle, prepare and create awareness of disasters, including the rehabilitation of all facilities and infrastructure destroyed by floods.	15/5/2013	Hon. Tiyah Galgalo	Hon. Roselinda Soipan Tuya		2/7/2013; 3/7/2013; 4/7/2013.	Adopted with amendments (amendment in bold)
038	<b>THAT</b> , this House adopts the Second Report of the Procedure and House Rules Committee on amendments to the Standing Orders laid on the Table of this House today, Thursday, 16th May, 2013.	16/5/2013	Hon. Moses Cheboi	Hon. TJ Kajwang		16/5/2013	Adopted

040	<b>THAT</b> , Pursuant to Article 127(2) of the Constitution, the National Assembly appoints the Members of the National Assembly and Senators to the Parliamentary Service Commission.	16/5/2013	Hon. Aden Duale, the Leader of the Majority Party	Hon. Francis Nyenze, the Leader of the Minority Party		16/5/2013.	Adopted
041	<b>THAT</b> , notwithstanding the resolution of the House of 16th May, 2013, regarding appointment of Members to respective Committees, this House further approves changes to the membership of some Select Committees.	21/5/2013	Hon. Aden Duale, the Leader of the Majority Party	Hon. Gideon Mung'aro, the Minority Whip		21/5/2013.	Adopted
042	<b>THAT</b> , aware that the land tenure in the coast region has historically been a contentious issue; further aware that huge tracts of land are owned by absentee landlords and many households in areas such as Vipingo, Kikambala, Mtwapa, Majengo and Shariani in Kilifi county are living as squatters on the land; concerned that this issue hinders sustainable development, since the poor are likely to engage in unsustainable resource-use practices in an effort to meet immediate survival needs, this House urges the Government through the National Land Commission to register, adjudicate and issue title deeds to all squatters residing on the lands owned by government, all absentee landlords, ancestral and all other community land that has not been adjudicated.	22/5/2013	Hon. Mustafa Idd				Awaiting debate
043	<b>THAT</b> , aware that Goldenberg saga almost brought the country's economy to its knees through false compensation claims on fictitious export of gold and diamonds; noting that the tax payers lost about Ksh. 5.8 billion that is documented so far; further aware that a Judicial	22/5/2013	Hon. 	Commission of Inquiry set up to probe the matter established impropriety on the part of Goldenberg company and its architects ;noting that the report of the Judicial Commission of Inquiry has not been acted upon conclusively to date ; further aware that the Kenya Public continues to bear the burden of old and emerging claims arising from the Goldenberg and related schemes, this House urges the Government to put in place measures to ensure that no further irregular payments are effected in regard to such schemes to avoid further loss of public funds.						
044	<b>THAT</b> , aware that the heavy rains experienced across the country has caused flooding in many areas such as Tana River; concerned that the Tana and Athi River Development Authority (TARDA) and the Kenya Electricity Generating Company (KenGen) have been draining water from their dams to River Tana; deeply concerned that people living downstream have been displaced, property destroyed and loss of livelihood following the artificial flooding occasioned by these two government agencies, this House resolves that TARDA and KenGen should immediately stop draining water from their dams to River Tana, <b>undertake to construct a dam to regulate and control floods and forthwith compensate the people who have been affected.</b>	22/5/2013	Hon. Ali Wario	Hon. Mohamed Abass		16/7/2013; 17/7/2013; 18/7/2013.	Adopted with amendments (amendments in bold)
045	<b>THAT</b> , aware that Kenya as East Africa’s largest economy remains a minor electricity supplier with a low penetration level of about 15%; concerned that Kenya Power, as a strategic national agency, appears to be grossly inefficient in its operations, still having 85% of the population unconnected and facing a fast-	22/5/2013	Hon. David Kangogo Bowen	Hon. Isaac Mwaura		9/7/2013; 10/7/2013; 11/7/2013.	Adopted

	growing population of 3% annually; also noting that power outages and surges have become the norm especially with the onset of long rains, sometimes causing electrical faults that result in fires and loss of property which is never compensated by Kenya Power; and further concerned that Kenya Power has portrayed a lackluster approach to handling customer complaints which leaves customers disadvantaged due to a lack of alternatives in electricity providers, this House urges the Government to liberalize power distribution thereby breaking the monopoly of Kenya Power in order to encourage competition, improve efficiency, and reduce the cost of power; and Kenya Power to offer compensation to those who have encountered fires and loss of property due to power outages and surges.						
046	<b>THAT</b> , this House adopts the Report of the Select Committee on Delegated Legislation on the constitutionality of the <i>Kenya Gazette Notice</i> Nos.2885, 2886, 2887 and 2888 published in the <i>Kenya Gazette</i> on 1 <sup>st</sup> March, 2013, by the Salaries and Remuneration Commission.	23/5/2013	Hon. 	that these children also face police harassment, and sexual molestation, this House resolves that the Government creates community and family re-integration programmes to divert the children from the streets.						
101	<b>THAT</b> , aware that there is an alarming increase in the number of persons requiring rehabilitation from alcohol, hard drugs and other substances abuse resulting from the influx of cheap alcohol and drugs in almost every corner of human settlement in the country; deeply concerned that the drug and alcohol menace has contributed to broken families, increase in crime, moral decadence and apathy amongst our young people; noting that there is need for urgent interventions in terms of rehabilitation services which then require that there be rehabilitation centres; cognizant of the fact that the existing rehabilitation centres and private entities are few, this House urges the Government to establish at least one fully fledged rehabilitation centre, to be used for rehabilitation and training of drugs and alcohol addicted persons in every county in the country.	24/7/2013	Hon. 102	<b>THAT</b> , this House adopts the Report of the Departmental Committee on Environment and Natural Resources on investigations into the sacking of staff at the Kenya Wildlife Service, laid on the Table of the House today, Tuesday, July 30, 2013.	30/7/2013	Hon. Amina Abdallah				Awaiting debate
103	<b>THAT</b> , aware that there is heavy traffic on Jogoo and Landhies Roads due to congestion; deeply concerned that these snarl-ups are an inconvenience to road users and a source of atmospheric pollution from hazardous motor vehicle carbon emissions; further aware that	31/7/2013	Hon. James Gakuya				Awaiting debate

	there are approximately 50 acres of land on which the former Muthurwa Railway Estate stands and that this land is adequate for purposes of modernization and expansion of the existing roads and infrastructure to ease the congestion and traffic jams; this House urges the Government to urgently acquire the land from the Railway Pensioners Scheme for the expansion and modernization of the Jogoo and Landhies roads.						
104	<b>THAT</b> , aware that millions of Kenyans suffer serious jigger infestation that has greatly impacted their livelihoods; deeply concerned that severe jigger infestation has forced children to drop out of school through persistent absenteeism and rendered parents incapable of providing for their families yet the Government has given the problem little to no attention; further concerned that despite ongoing efforts by non-governmental organizations to mitigate the situation there still remains a lot to be done; this House resolves that the Government establishes a department in the relevant ministry to address the jigger menace by ensuring sufficient funding and to complement the efforts of other stakeholders in addressing this matter.	31/7/2013	Hon. Benjamin Washiali				Awaiting debate
105	<b>THAT</b> , aware that the Republic of Kenya promulgated a new Constitution on 27th August, 2010 which has fundamental changes in the circumstances relating to the governance of the Republic; aware that the Republic conducted its general elections on the 4th of March, 2013 at which the President and Deputy President were lawfully elected in accordance with the Constitution of Kenya; this House resolves to introduce a Bill within the next thirty days to repeal the International Crimes Act (No.16 of	5/9/2013	Hon. 	2008) and that the Government urgently undertakes measures to immediately withdraw from the Rome Statute of the International Criminal Court, adopted by the United Nations Diplomatic Conference of Plenipotentiaries on 17th July, 1998.						
106	<b>THAT</b> , aware that the Government adopted the free primary education policy and subsequently subsidized secondary education fees; deeply concerned with the rising number of school drop outs at secondary school level due to lack of school fees as a result of the high cost of living; noting that according to Article 53 of the Constitution (2010), every child has a right to education, this House urges the Government to double the amount subsidized to ensure transitional success of students in acquiring basic secondary education.	18/9/2013	Hon. Benjamin Andayi				Awaiting debate
107	<b>THAT</b> , aware that the ever increasing cost of power remains a burden to many Kenyans who find themselves struggling to pay or have their power disconnected; noting that numerous community driven water projects, especially water boreholes have stalled due to the high costs of electricity; further aware that these challenge has the potential to greatly impact livelihoods given that water is a necessity for life; this House resolves that the Government subsidizes power supply for community water projects to enable Kenyans without access to tapped water benefit from this crucial resource.	18/9/2013	Hon. Jacob Macharia				Awaiting debate
108	<b>THAT</b> , aware that during the year of 2003, the Government enforced the Community Service Order (CSO) Act, 1998 as part of the ongoing prison reforms; deeply concerned that most police stations and prisons are still crowded with	18/9/2013	Hon. Rachel Shebesh				Awaiting debate

	petty offenders as Magistrates are still not fully utilizing the Community Service as an alternative to custodial sentences for petty offenders; also noting that Article 49(2) of the Constitution states that such people should not be held in custody if an offence is punishable by a fine or by imprisonment for not more than six months, this House urges the Government to reinforce the Community Service Order Act, 1998.						
109	<b>THAT</b> , aware that the National Social Services Fund (NSSF) has massive savings from members accumulated over the years; Concerned that over the years the said funds have not been well invested or utilized; Noting that home ownership is a basic necessity in life, this House resolves that NSSF uses 20% of a member's savings to construct homes for members.	18/9/2013	Hon.
