## **G. MOTION –ESTABLISHMENT OF SELECT COMMITTEE TO INVESTIGATE THE CIRCUMSTANCES THAT LED TO THE SOLAI DAM TRAGEDY**

(Sen. Susan Kihika, MP)

**AWARE THAT**, on Wednesday, 10<sup>th</sup> May, 2018, Kenyans woke up to the tragic news of the Solai Dam Tragedy following the bursting of the banks of the privately owned Solai Dam the previous night;

**CONCERNED THAT**, as result of the tragedy, approximately fifty (50) people lost their lives - most of them being small school-going children - in the most unfortunate circumstances and that many more who survived are now hospitalized due to the bodily and psychological injuries inflicted on the them;

**FURTHER CONCERNED THAT** hundreds of families are now homeless with orphans and destitute among them and that majority of the people who had their own habitations, whether own homes, rental or farm quarters, have not been resettled;

**APPRECIATING** the good work of the Red Cross Society of Kenya and the National Government for their swift response upon receiving the information of the dam tragedy;

**DEEPLY CONCERNED THAT** this human catastrophe occurred despite the existence of the Water Resources Management Authority (WARMA), an institution created by the Water Act of 2002 and mandated to ensure rational and effective management of water resources;

**FURTHER CONCERNED THAT WARMA** does not have a framework on licensing, construction, usage, sharing of dam water resources, insurance and inspection of earth dams and that currently there are no standards which dam owners are required to adhere to and comply with;

**ALSO CONCERNED THAT** although WARMA knew that the Solai Dam posed a great risk to Kenyans living downstream, they did little or nothing to avert the danger and that the Solai Dam tragedy appears to have occurred as a result of negligence;

**NOTING WITH CONCERN** the sad revelations following an investigative report by Kenya Human Rights Commission (KHRC) on the Solai Dam tragedy that point to ignorance and a suspicious relationship between the owners of the Dam (the Mansukh Patel family), the National Environmental Management Authority (NEMA) and WARMA officials in their singular and joint omission that resulted in failure to act on early warning information given to them about the impending danger, and the continued failure by NEMA to put in place standards on quality of dam walls and regulations to address the downstream effects and impact of dams whose walls burst, especially the protection and restoration of the flora and fauna and the environment in general;

**APPREHENSIVE THAT** with the continuing heavy rainfall, now and in future, such incidents as the Solai one could happen elsewhere in Kenya;

**DESIREOUS** of the need to take steps towards ensuring that similar man-made disasters are prevented from recurring;

**NOW THEREFORE** the Senate resolves to establish a select committee to-

- a) holistically investigate and establish the circumstances leading to the Solai Dam Tragedy;
- b) propose modalities for compensation of all the families of the deceased victims and the surviving families;
- c) ensure the Dam owner makes compensation in regard to the destroyed environment, especially trees and other vegetation and top fertile soils; and
- d) propose measures to mitigate any such eventual disasters especially for Counties that are prone to floods and landslides.

**AND THAT** the following Senators be members of the Select Committee-

- i) Sen. Fatuma Dullo, CBS, MP;
- ii) Sen. Mithika Linturi, MP;
- iii) Sen. Sakaja Johnson, MP;
- iv) Sen. (Eng.) Ephraim Maina, EBS, MP;
- v) Sen. Mutula Kilonzo Junior, MP;
- vi) Sen. (Prof.) Imana Malachy, MP;
- vii) Sen. (Arch.) Sylvia Kasanga, MP;
- viii) Sen. Ledama Olekina, MP; and
- ix) Sen. Susan Kihika, MP.

**AND FURTHER THAT** the Select Committee reports back to the Senate within 60 calendar days after its establishment.

## **H. MOTION – FLOOD SITUATION IN THE COUNTRY**

(Sen. Fatuma Dullo)

**THAT**, aware that several days of heavy rains recently have caused severe flooding in many parts of the country, resulting in multiple deaths and devastating damage to property and infrastructure;

**NOTING** with concern that, whenever Kenya experiences periods of severe drought, torrential rains usually follow;

**CONCERNED** that year in year out, the challenge of floods continues to recur, leading to loss of human and animal life, displacement of people and wanton destruction of property;

**COGNIZANT** that the number of Kenyans needing emergency food aid as a result of displacement caused by the current floods continues to rise by the day, and that the floods have also washed away many bridges and destroyed roads in many parts of Kenya;

**ALSO CONCERNED** that no effective measures, such as improved storm water harvesting, proper drainage infrastructure and preventing the destruction of riparian reserves and natural water courses, to mitigate and/or provide a lasting solution to the menace of flooding, have been taken;

**NOW THEREFORE**, the Senate calls upon the National Government to develop a lasting framework to permanently address the challenge of effects of floods by, among other things-

1. developing and enforcing regulations for preventing the obstruction of riparian reserves and natural water courses; and
2. preventing and regulating the construction of informal settlements and ensuring prevention of construction on low lying areas and flood plains.

And further that the relevant government agency to execute this task submits a report to the Senate within three months of the adoption of this Motion.

## **I. MOTION – REGISTRATION OF PERSONS WITH DISABILITIES (PWDS)**

(Sen. George Khaniri)

**THAT AWARE THAT** the National Council for Persons with Disabilities was established through the Persons with Disabilities Act, 2003;

**FURTHER AWARE THAT** registration of persons living with disabilities is a function of the National Council for Persons with Disabilities;

**ALSO AWARE THAT** persons living with disabilities are estimated to be about 10% of any given population;

**COGNIZANT THAT** for purposes of registration of persons living with disability, it is a mandatory requirement for one to undergo medical examination by a registered medical officer in a registered and certified health facility;

**AWARE THAT** medical services are now a devolved function;

**CONCERNED THAT** of the nearly 4 million Kenyans living with disabilities who reside in Kenya, there is a very small fraction of the number which is duly registered;

**FURTHER CONCERNED THAT** without proper registration, many persons living with disabilities are denied services because they lack the necessary proof of disability;

**ALSO CONCERNED THAT** owing to lack of accurate data on persons living with disabilities, the government at both levels cannot plan properly for this category of people;

**NOW THEREFORE**, the Senate calls upon the National Council for Persons with Disabilities in collaboration with Ministry of East African Community, Labour and Social Protection and county governments, to carry out a nationwide registration of all persons living with disabilities in order to determine their exact population to facilitate effective service for this marginalized group of our society.

## **J. MOTION –NEED TO REVIEW AND EVALUATE THE STATE OF EDUCATION IN NORTHERN KENYA**

(Sen. (Dr.) Abdullahi Ali)

**THAT, AWARE** that Article 43 (f) of the Constitution of Kenya stipulates that every person has the right to education, and Article 53(1)(b) provides that every child has the right to free and compulsory basic education;

**ALSO AWARE** that education is a basic need and a tool for intellectual empowerment and social-political development;

**FURTHER AWARE** that education is a shared function between the National and the County levels of Government with the National Government being responsible for Primary, secondary and Higher education while the County Government is responsible for preprimary education, village polytechnics and home craft centers;

**COGNISANT** that both levels of Government complement each other in promoting sustainable education;

**CONCERNED** that the intake, uptake and quality of education in the Northern Kenya have adversely been affected owing to discrepancies in public resources allocation, insecurity, skewed staffing and teacher training in the region;

**FURTHER CONCERNED** that both the school completion rate and the national examination outcomes in region are poor and that the number of students from Northern Kenya who qualify for core courses in universities, colleges, technical schools and village polytechnics is minimal compared to other parts of the country;

**NOTING WITH CONCERN** that due to insecurity and other related concerns, the Teachers Service Commission (TSC) which is the body responsible for the employment and deployment of teachers, has in the recent past, taken steps to transfer non-local teachers from the northern region of Kenya to other parts of the country;

**CONCERNED THAT**, the transfers have led to shortage of skilled teachers which has been a major cause of the dismal performance in examinations in schools in the region;

**NOW THEREFORE**, the Senate resolves to task the Standing Committee on Education to conduct an inquiry into the challenges facing the education sector in Northern Kenya with a view to-

1. evaluating the effect of the teacher transfers from the region and recommending to the Ministry of Education, policy measures to address the challenge;
2. evaluating the status of the education infrastructure in the region and proposing solutions to mitigate the current and looming challenges;
3. proposing mechanisms for enhanced resource allocation at both levels of government to facilitate improved education facilities; and
4. assessing school intake compared completion levels in the region in order to ascertain the impact of the challenges facing the schools and how these disadvantages the region compared to other parts of Kenya and proposing ways of addressing the challenges.

And that the Committee submits a report to the Senate within three months of adoption of this Motion by the Senate.

## **K. MOTION - NEED FOR STANDARD POLICY REGULATION FOR CONSTRUCTION AND MAINTENANCE OF RURAL ACCESS ROADS**

(Sen. (Arch.) Sylvia Kasanga)

**AWARE** that infrastructure development and specifically, construction of roads is a key pillar of Kenya's vision 2030 whose objective is to spur movement of people and goods, promote trade and economic activities, encourage development and attract investments;

**NOTING** that there is a very strong correlation between a country's economic development and the quality of its road network;

**CONCERNED** that Government's efforts to expand the roads infrastructure are mainly focused on the urban and peri-urban areas of the country thus leaving rural areas with dilapidated or no access roads;

**FURTHER CONCERNED** that fifty five years since independence and over five years after institutionalization of devolution, the Country's roads infrastructure is to a large extent still underdeveloped with only slightly above 9,000 kilometres of the about 178,000 kilometres of roads paved;

**COGNISANT** that, Part Two of the Fourth Schedule to the Constitution of Kenya (2010) mandates County Governments to manage county transport, including; roads, street lighting, traffic and parking, amongst other county public transport matters;

**DEEPLY CONCERNED** that, County Governments are continuously prioritizing routine maintenance works over sustainable and durable road quality works due to budgetary constraints;

**NOW THEREFORE** the Senate calls upon the Ministry of Transport, Infrastructure, Housing and Urban Development to develop and adopt standard policy regulations prescribing modern, eco-friendly and inexpensive technologies to be applied across the 47 counties for construction, upgrading and maintenance of rural access roads in order to ensure durability and sustainability of the access roads and also to reduce maintenance expenses.

**L. MOTION - REPORT OF THE SENATE DELEGATION TO THE CONFERENCE ON THE GREAT LAKES REGION (FP-ICGLR) HELD IN KINSHASHA, DEMOCRATIC REPUBLIC OF CONGO**

(Sen. Samuel Poghisio)

## **B. MOTION - DEVELOPMENT AND IMPLEMENTATION OF A NATIONAL DISASTER RISK FINANCING**

(Sen. George Khaniri)

**THAT, WHEREAS** Kenya's disaster profile is dominated by droughts, fire, floods, terrorism, diseases and epidemics that disrupt livelihoods, destroy infrastructure, divert planned use of resources, interrupt economic activities and retard development;

**FURTHER WHEREAS** the government, through its various agencies, is ultimately responsible for disaster reduction, preparedness and management;

**COGNIZANT** of the fact that government agencies involved in disaster management are usually overwhelmed when called upon to provide response services during disasters and emergencies;

**AWARE** that the Kenya Red Cross Society Act, Cap 256 of the Laws of Kenya establishes the Kenya Red Cross Society, a sole national Red Cross Society in Kenya, as a voluntary aid society;

**RECOGNIZING**, the efforts of the Kenya Red Cross Society to provide first-line disaster response services in incidences of disasters and other emergencies across the country;

**OBSERVING**, the huge financial resources required to finance disaster reduction, preparedness and other emergency services;

**NOTING** that one of the sources of the Kenya Red Cross Society in financing its operations is through accepting unrestricted contributions and assistance, in any form, from individuals, public authorities and private bodies;

**APPRECIATING**, the efforts made by the prudent management of funds by the Kenya Red Cross Society;

**FURTHER AWARE** that emergency fund is a substantial proportionate Vote Head in both the national and county government budgets;

**CONCERNED**, that the Kenya Red Cross Society has not been allocated a budget from the national and county governments despite the huge contribution in disaster and emergency response across the country;

**NOW THEREFORE**, the Senate urges the national and county governments to explore collaborative mechanisms for the Kenya Red Cross Society to support and implement a paradigm shift from post disaster response to risk reduction by developing and implementing a national disaster risk financing strategy across all sectors and incorporate it into the national and county development planning and financing processes.

## **C. MOTION - ON THE NEED TO REVIEW AND EVALUATE THE STATE OF EDUCATION IN NORTHERN KENYA**
