	SUBJECT	NOTICE OF MOTION	PROPOSER	SECONDER	DIVISION	DEBATED AND CONCLUDED	REMARKS
	that these roads and highways lack dedicated lanes for use by emergency vehicles such as police, ambulances and fire engines and other such vehicles in emergency situations; cognizant of the fact that lack of dedicated lanes have many times led to loss of lives when emergency vehicles are not able to get smooth passage due to traffic congestion, this House urges the Ministry of Transport and Infrastructure through the Kenya Urban Roads Authority, Kenya Rural Roads Authority and the Kenya National Highways Authority to provide for service lanes in future road design plans and designate service lanes for emergency vehicles along the urban roads and highways throughout the country.						
42.	THAT , aware that Article 42 of our Constitution accords every person the right to a clean and healthy environment and that Article 69(1)(d) mandates the State to encourage public participation in the management, protection and conservation of the environment; further aware that deforestation is one of the main contributors to climate change; noting that Kenya has not been spared by the effects of global warming and climate change as a result of deforestation amongst other aspects; deeply concerned that this has adversely affected the agriculture sector which is the backbone of the rural economy, and also led to severe drought being experienced in all parts of this country; this House urges the Government to introduce compulsory tree planting programmes in all learning institutions and individual households.	29/11/2017	Hon. 50.	<p>THAT, aware that Kenya is a super power in the world of sports, particularly in athletics; further aware that most of the sportsmen and women participate as national representatives at the local and international stages while still very young and not endowed with much income; deeply concerned that over the years,</p>	06/12/2017	Hon. 	these sportspersons have brought glory to the country with minimal long-term recognition and rewards from the Government, resulting in many of them retiring in abject poverty; cognizant of the fact that there is a need to establish a supportive mechanism for these athletes after their departure from the sports arena, this House urges the Government to establish an Athletics Remuneration and Endowment Fund for the sole purpose of pooling resources to support the performing and retired sportspersons.						
51.	THAT, aware that sugar cane production in the country has declined significantly in the past few years due to the numerous problems facing the sector including high cost of sugar production, cane poaching, low productivity and heavy indebtedness of the publicly owned sugar milling plants, imprudent business decisions, and corruption; concerned that the drop in the sugarcane production has resulted in shortage as well as high cost of sugar in the country; noting that traditionally, the Kenyan cane growing model has operated on an out-growers model whereby farmers are supported to grow cane on their farms and in turn, they are expected to supply the cane to the millers who facilitated cane development; concerned that that the genesis of cane poaching is attributable to weak and non-adherence of regulations regarding licensing of new factories and failure to honour contractual agreements by both the millers and farmers; this House urges the Government through the State Department of Agriculture and the Kenya Sugar Board to consider writing off debts owed by the publicly owned by sugar companies; reintroduce the sugar development fund; revive out growers companies; review regulations regarding licensing of new sugar factories to ensure supply contracts are provided as proof of availability and adequacy of sugarcane supply, and are adhered to as	06/12/2017	Hon. 52.	THAT, aware that Article 37 of the Constitution guarantees every person the right, peaceably and unarmed, to assemble, to demonstrate, to picket, and to present petitions to public authorities; noting that there is need to guarantee that the enjoyment of rights and fundamental freedoms by any individual should not prejudice the rights and fundamental freedoms of others; noting that demonstrations and picketing in cities and major towns in the Country, particularly in Nairobi, Mombasa and Kisumu have on many occasions resulted in destructions, loss of lives and property, public disorder, and creation of an unfavourable business environment; noting that the rights and freedoms are <i>not</i> unconditional because the government has a duty and responsibility to ensure maintenance of peace and public order, and protection of the rights, life and property of all its citizens; this House resolves that the Government should designate and <i>gazette</i> specific areas and streets for demonstrations and picketing with a view to ensuring that individuals enjoy their rights and freedoms as enshrined in the Constitution without infringing on the freedoms and rights of others.	06/12/2017	Hon.
