**NOTICE OF MOTION – (MAJ. (RTD.) JOHN WALUKE)**

Mr. Speaker Sir, I beg to give notice of the following motion:-

**THAT**, aware that over 90% of the raw materials for the agro-based parastatals such as Nyayo Tea Zones, sugar and cotton factories comes from rural farmers residing in counties; noting that the farmers produce all the inputs but do not receive any benefits from their activities; deeply concerned that county governments are likely to face numerous financial challenges due to limited sources of revenue; this House urges the government to write off all the liabilities of these parastatals and hand over the management of the same to the county governments to form part of the income generating activities for the respective County Governments.

**NOTICE OF MOTION – (MR. FRANCIS CHACHU GANYA)**

Mr. Speaker Sir, I beg to give notice of the following motion:-

**THAT**, aware that over 600 pieces of ivory worth Kshs 100 million were intercepted at the port of Mombasa in March 2013 headed for Indonesia; concerned that 1000 elephants have died in a span of 3 years; further aware that the Government declared poaching in the country as an international disaster; noting that a pound of ivory can now fetch more than 1000 dollars in Beijing, and as result tens of thousands of elephants are slaughtered across Africa; also aware that the Far East, and China in particular is a market hub for this poached ivory; further concerned that 211 elephants were poached in 2011, with 384 elephants poached in 2012, and another 74 elephants lost since the beginning of 2013; deeply concerned with the negative impact this will have on the tourism industry in particular, and the entire economy in general; this House urges the Government to tighten the measures in place for curbing poaching by increasing the number of game rangers deployed to the game parks and by coming up with more punitive measures to deter poaching.

**NOTICE OF MOTION – (MR. MUSTAFA IDD)**

Mr. Speaker Sir, I beg to give notice of the following motion:-

**THAT**, aware that according to the statistics released by the National Council of Population and Development (NCPD) in Policy Brief No. 25 of June 2012, Kenya's population, as that of all other Sub-Saharan African countries, is rapidly ageing and the population of persons aged 60 years and above increased steadily from 1 million in 1989 to 1.9 million by 2009, and is projected to reach about 3 million people by year 2030; concerned that there is an increase in the number of neglected and/or abandoned elderly members of the society as a result of the financial inability of their immediate kin or lack of capacity to handle the health conditions of such senior citizens; noting that despite the legislation enacted to cater for the elderly, little further comprehensive action to enhance their well-being and specifically the health of older Kenyans has ensued, this House urges the Government to establish a free nursing unit for the aged in every hospital in all the counties.
