**NOTICE OF MOTION – (MR. MUSTAFA IDD)**

Mr. Speaker Sir, I beg to give notice of the following motion:-

**THAT**, aware that the land tenure in the coast region has historically been a contentious issue; further aware that huge tracts of land are owned by absentee landlords and many households in areas such as Vipingo, Kikambala, Mtwapa, Majengo and Shariani in Kilifi county are living as squatters on the land; concerned that this issue hinders sustainable development, since the poor are likely to engage in unsustainable resource-use practices in an effort to meet immediate survival needs, this House urges the Government through the National Land Commission to register, adjudicate and issue title deeds to all squatters residing on the lands owned by government, all absentee landlords, ancestral and all other community land that has not been adjudicated.

**NOTICE OF MOTION – (MR. JAMES OPIYO WANDAYI)**

Mr. Speaker Sir, I beg to give notice of the following motion:-

**THAT**, aware that Goldenberg saga almost brought the country's economy to its knees through false compensation claims on fictitious export of gold and diamonds; noting that the tax payers lost about Ksh. 5.8 billion that is documented so far ; further aware that a Judicial Commission of Inquiry set up to probe the matter established impropriety on the part of Goldenberg company and its architects ;noting that the report of the Judicial Commission of Inquiry has not been acted upon conclusively to date ; further aware that the Kenya Public continues to bear the burden of old and emerging claims arising from the Goldenberg and related schemes, this House urges the Government to put in place measures to ensure that no further irregular payments are effected in regard to such schemes to avoid further loss of public funds.

**NOTICE OF MOTION – (MR. ALI WARIO)**

Mr. Speaker Sir, I beg to give notice of the following motion:-

**THAT**, aware that the heavy rains experienced across the country has caused flooding in many areas such as Tana River; concerned that the Tana And Athi River Development Authority (TARDA) and the Kenya Electricity Generating Company (KENGEN) have been draining water from their dams to River Tana; deeply concerned that people living downstream have been displaced, property destroyed and loss of livelihood following the artificial flooding occasioned by these two government agencies, this House resolves that TARDA and KENGEN to immediately stop draining water from their dams to River Tana, come up with a mechanism to control the flooding and consider compensating the people who have been affected.

**NOTICE OF MOTION – (MR. DAVID KANGOGO BOWEN)**

Mr. Speaker Sir, I beg to give notice of the following motion:-

**THAT**, aware that Kenya as East Africa's largest economy remains a minor electricity supplier with a low penetration level of about 15%; concerned that Kenya Power, as a strategic national agency, appears to be grossly inefficient in its operations, still having 85% of the population unconnected and facing a fast-growing population of 3% annually; also noting that power outages and surges have become the norm especially with the onset of long rains, sometimes causing electrical faults that result in fires and loss of property which is never compensated by Kenya Power; and further concerned that Kenya Power has portrayed a lackluster approach to handling customer complaints which leaves customers disadvantaged due to a lack of alternatives in electricity providers, this House urges:

- (i) the Government to liberalize power distribution thereby breaking the monopoly of Kenya Power in order to encourage competition, improve efficiency, and reduce the cost of power; and
- (ii) Kenya Power to offer compensation to those who have encountered fires and loss of property due to power outages and surges.
