17. **MOTION – REGISTRATION OF PERSONS WITH DISABILITIES (PWDS)**  
(Sen. George Khaniri, MP)

**THAT, AWARE** that the National Council for Persons with Disabilities was established through the Persons with Disabilities Act, 2003;

**FURTHER AWARE** that registration of persons living with disabilities is a function of the National Council for Persons with Disabilities;

**ALSO AWARE** that persons living with disabilities are estimated to be about 10% of any given population;

**COGNIZANT** that for purposes of registration of persons living with disability, it is a mandatory requirement for one to undergo medical examination by a registered medical officer in a registered and certified health facility;

**CONCERNED** that of the nearly 4 million Kenyans living with disabilities who reside in Kenya, there is a very small fraction of the number which is duly registered;

**AWARE** that medical services are now a devolved function;

**FURTHER CONCERNED** that without proper registration, many persons living with disabilities are denied services because they lack the necessary proof of disability;

**ALSO CONCERNED** that owing to lack of accurate data on persons living with disabilities, the government at both levels cannot plan properly for this category of people;

**NOW THEREFORE**, the Senate calls upon the National Council for Persons with Disabilities in collaboration with Ministry of East African Community, Labour and Social Protection and county governments, to carry out a nationwide registration of

all persons living with disabilities in order to determine their exact population to facilitate effective service for this marginalized group of our society.

**18. MOTION – FLOOD SITUATION IN THE COUNTRY**

(Sen. Fatuma Dullo, MP)

**THAT**, aware that several days of heavy rains recently have caused severe flooding in many parts of the country, resulting in multiple deaths and devastating damage to property and infrastructure;

**NOTING** with concern that, whenever Kenya experiences periods of severe drought, torrential rains usually follow;

**CONCERNED** that year in year out, the challenge of floods continues to recur, leading to loss of human and animal life, displacement of people and wanton destruction of property;

**COGNIZANT** that the number of Kenyans needing emergency food aid as a result of displacement caused by the current floods continues to rise by the day, and that the floods have also washed away many bridges and destroyed roads in many parts of Kenya;

**ALSO CONCERNED** that no effective measures, such as improved storm water harvesting, proper drainage infrastructure and preventing the destruction of riparian reserves and natural water courses, to mitigate and/or provide a lasting solution to the menace of flooding, have been taken;

**NOW THEREFORE**, the Senate calls upon the National Government to develop a lasting framework to permanently address the challenge of effects of floods by, among other things-

- i) developing and enforcing regulations for preventing the obstruction of riparian reserves and natural water courses; and
- ii) preventing and regulating the construction of informal settlements and ensuring prevention of construction on low lying areas and flood plains.

And further that the relevant government agency to execute this task submits a report to the Senate within three months of the adoption of this Motion.

**19. MOTION – NEED TO REVIEW AND EVALUATE THE STATE OF EDUCATION IN NORTHERN KENYA**

(Sen. (Dr.) Abdullahi Ali, MP)

**THAT, AWARE** that Article 43 (f) of the Constitution of Kenya stipulates that every person has the right to education, and Article 53(1)(b) provides that every child has the right to free and compulsory basic education;

...../Motion

**ALSO AWARE** that education is a basic need and a tool for intellectual empowerment and social-political development;

**FURTHER AWARE** that education is a shared function between the National and the County levels of Government with the National Government being responsible for Primary, secondary and Higher education while the County Government is responsible for preprimary education, village polytechnics and home craft centers;

**COGNISANT** that both levels of Government complement each other in promoting sustainable education;

**CONCERNED** that the intake, uptake and quality of education in the Northern Kenya have adversely been affected owing to discrepancies in public resources allocation, insecurity, skewed staffing and teacher training in the region;

**FURTHER CONCERNED** that both the school completion rate and the national examination outcomes in region are poor and that the number of students from Northern Kenya who qualify for core courses in universities, colleges, technical schools and village polytechnics is minimal compared to other parts of the country;

**NOTING WITH CONCERN** that due to insecurity and other related concerns, the Teachers Service Commission (TSC) which is the body responsible for the employment and deployment of teachers, has in the recent past, taken steps to transfer non-local teachers from the northern region of Kenya to other parts of the country;

**CONCERNED THAT**, the transfers have led to shortage of skilled teachers which has been a major cause of the dismal performance in examinations in schools in the region;

**NOW THEREFORE**, the Senate resolves to task the Standing Committee on Education to conduct an inquiry into the challenges facing the education sector in Northern Kenya with a view to-

1. evaluating the effect of the teacher transfers from the region and recommending to the Ministry of Education, policy measures to address the challenge;
2. evaluating the status of the education infrastructure in the region and proposing solutions to mitigate the current and looming challenges;
3. proposing mechanisms for enhanced resource allocation at both levels of government to facilitate improved education facilities; and
4. assessing school intake compared completion levels in the region in order to ascertain the impact of the challenges facing the schools and how these disadvantages the region compared to other parts of Kenya and proposing ways of addressing the challenges.

And that the Committee submits a report to the Senate within three months of adoption of this Motion by the Senate.
