(b) a stipulation that the licensee is subject to liability under tort and the contract laws; and

(c) a requirement that all necessary fees associated with the licence or permit shall be paid on a timely basis.

(3) A licence or permit issued under this Act may not be altered, revised or modified, except with the consent of the licensee.

Renewal of Licences

99E. (1) An application for renewal of a licence, permit or certificate shall be made at least thirty days before the expiry date of the existing licence, permit or certificate and shall be accompanied by the prescribed fee.

(2) If the licensing authority is satisfied that the applicant continues to meet the requirements of the licence, permit or certificate, the licensing authority shall renew the licence, permit or certificate.

(3) Where an application for renewal of a licence, permit or certificate has been made before the expiry of the licence, permit or certificate but has not been approved or rejected by the licensing authority when the licence, permit or certificate is due to expire, the licence, permit or certificate continues in force until the application for renewal is dealt with and any renewal in such a case shall be taken to have commenced from the day when the licence, permit or certificate would have expired before the renewal.

(4) A licence or permit shall specify the nature of petroleum business and the premises at which the licensee may conduct his business and where a petroleum business is conducted at more than one premise, a separate licence or permit shall be required for each of such premises.

(5) A person who conducts petroleum business at more than one premise, without obtaining a separate licence or permit for each of such premises, shall be liable to a penalty equivalent to twenty per cent of the licence, permit or certificate fee to be imposed by the Authority.

Amendment of licence, permit or certificate.

99F. (1) A person may make an application for amendment of a licence, permit or certificate.

(2) An application under subsection (1) shall be in the prescribed manner and be accompanied by the prescribed fee.

(3) The licensing authority may amend the licence, permit or certificate and endorse it accordingly.

(4) Where an application to amend a licence, permit or certificate is rejected, the licensing authority shall notify the applicant of the reasons in writing.

(5) A licence, permit or certificate amended under this section shall retain the existing expiry date.

(6) An applicant dissatisfied with the decision of the Cabinet Secretary under subsection (2), may appeal to the Tribunal within thirty days of the receipt of such decision.

Environment liability policy.

99G. An application for a licence shall be accompanied by an environmental liability policy as may be prescribed by the Authority.

Display of licences and permits.

99H. (1) A licensee or permit holder shall cause to be displayed with the premises, the licence or permit, or a certified copy.

(2) A licensee or permit holder who contravenes sub-section (1) commits an offence and shall be liable on conviction to a fine not exceeding one million shillings.

Revocation of licence or permit.

99I. (1) The licensing authority may suspend or revoke a licence or permit where—

(a) the undertaking or the execution of the works related thereto has not commenced at the expiry of the period specified in the licence or permit, or at the expiry of any extended period which the Authority may allow;

(b) it is satisfied that the licensee is either not operating in accordance with the terms and conditions of the licence, permit or the provisions of this Act; or

(c) the licensee is adjudged bankrupt.

(2) Unless otherwise specified in the licence or permit, the licensing authority may give a licensee fourteen days' notice to show cause why the licence or permit should not be revoked.

(3) A notice under subsection (2) shall—

- (a) set out the relevant condition of the licence or permit or the requirement of the Act to which the breach relates;
- (b) specify the acts, omissions or other facts which, in the opinion of the Authority or the licensing authority, constitute a contravention of the conditions of the licence or permit or requirements of the Act, and the reasons why the licensing authority is of the opinion that any of the circumstances mentioned under subsection (1) have occurred or arisen; and
- (c) be served upon the licensee at the licenses' principal place of business and shall take effect from the date of service.

(4) The licensing authority shall determine the matter within thirty days from the expiry of the notice.

(5) A suspension or revocation of a licence or permit shall not indemnify the licensee against any penalties for which such person may have become liable under the Act.

Replacement of a licence, permit or certificate.

99J.(1) A licensee or permit holder may apply for replacement of a licence, permit or certificate.

(2) A licensee or permit holder may apply for replacement of a licence, permit or certificate where it is lost, destroyed or defaced.

(3) The licensing authority shall, upon payment of the prescribed fee, issue a duplicate licence, permit or certificate to the licensee.

Transfer of a licence or permit.

99K. (1) A licensee shall not transfer or otherwise divest any rights, powers or obligations conferred or imposed upon the licensee by the licence or permit without the consent of the licensing authority.

(2) The licensing authority may, on application by any of the following persons, transfer a licence or permit—

- (a) in the case of a death of the licensee, to the legal representative;
- (b) in the case of the bankruptcy of the licensee or assignment for the benefit of the licensee's creditors generally, to the lawfully appointed trustee or assignee;
- (c) in the case of a corporation in liquidation, to the lawfully appointed liquidator;

(d) in any case where the licensee becomes subject to a legal disability, to any person lawfully appointed to administer the licensees' affairs; or

(e) in the case of voluntary transfer of the undertaking, to the new owner of the undertaking.

(3) The licensing authority shall satisfy itself of the legal, technical and financial competence of the transferee to carry out the undertaking.

(4) The transferee shall undertake in writing to comply with the conditions of the licence or permit.

(5) The licensing authority shall not withhold any consent to any application to transfer unless it has reason to believe that public interest is likely to be prejudiced by the transfer.

Register of licences and permits.

99L. (1) The licensing authority shall keep a register, in such form as it may determine, of all licenses and permits granted and shall record therein, in respect of each licence or permit—

(a) the particulars required under sections 99B and 99O;

(b) particulars of any duplicate issued or any amendment of the licence or permit made under sections 99F and 99J;

(c) particulars of any suspension or revocation of the licence or permit under sections 99I and 99Q; and

(d) such other particulars as may be prescribed.

(2) Subject to subsection (3), any person may, during official working hours, and upon payment of the prescribed fee, inspect the register of licences and permits.

(3) Notwithstanding subsection (2), a person who is—

(a) a member of the Kenya Police Service or a public officer acting in the course of his duty; or

(b) an employee of the licensing authority or person authorised in writing by the Authority.

may inspect the register without payment of any fee.

Appeal against
action of a
licensing authority.

99M. A person aggrieved by the action of the licensing authority in—

- (a) refusing to grant or renew a licence, permit or certificate or revoking a licence, permit or certificate; or
- (b) imposing conditions on a licence, permit or certificate; or
- (c) refusing to replace or amend a licence, permit or certificate,

may, within thirty days of receipt of written notification, appeal to the Tribunal.

Construction permits.

99N. (1) A person who intends to construct a pipeline, refinery, bulk storage facility, retail dispensing site, centralized gas reticulation system or designated parking place for petroleum tankers shall, before commencing such construction, apply in writing to the licensing authority for a permit to do so.

(2) An application under subsection (1) shall—

- (a) specify the name and address of the proposed owner;
- (b) be accompanied by the registration documents of the proposed beneficial owner;
- (c) be accompanied by a copy of detailed layout plans and specifications prepared by a professional engineer;
- (d) in the case of a pipeline—
 - (i) specify the points, between which the proposed pipeline is to run;
 - (ii) state what products are to be transported by the proposed pipeline.
- (e) in the case of a refinery, bulk liquefied petroleum gas, or natural gas facility specify the location, type and capacity;
- (f) be accompanied by an environment and social impact assessment licence; and
- (g) contain such other details as may be necessary.

(3) The licensing authority shall consider every application received under this section and shall, if satisfied that the applicant meets the prescribed requirements, grant to the applicant, within forty five days, the permit to construct a pipeline, refinery, bulk storage facility, bulk liquefied petroleum gas facility, natural gas facility, retail dispensing site, centralised gas reticulation system or designated parking, as the case may be.

(4) A permit shall be subject to such conditions as maybe prescribed.

(5) Where the licensing authority refuses to grant a permit under this section, it shall notify the applicant of such refusal specifying the reasons thereof and shall deliver such notice to the applicant.

Conditions for
granting permits.

990. (1) The licensing authority shall, before issuing a permit under section 99B take into account all relevant factors, including but not limited to—

- (a) the relevant Government policies and guidelines;
- (b) compliance with the relevant environmental, safety, planning, and maritime laws, County Government laws;
- (c) the relevant Kenya Standard or in the absence of such standard, any other standard recommended by the licensing authority in consultation with the Kenya Bureau of Standards;
- (d) the technical and financial capability of the applicant and methods of financing the proposed pipeline, refinery, bulk storage facility, or retail dispensing site; and
- (e) any other matter which, in the opinion of the licensing authority, may be affected by the granting or the refusal of the permit being sought.

(2) A permit shall contain such terms and conditions as the licensing authority may consider appropriate, including but not limited to the—

- (a) duration of the permit;
- (b) person authorised to execute the works;
- (c) area in which the works shall be executed; and
- (d) conditions to be satisfied before any works authorised by the permit are used, which may include a requirement for the execution of further works.

(3) Where a permit contains conditions prescribed in subsection (2) (d), no person shall, before the conditions are satisfied, use any works the execution of which was authorised by the permit, except to the extent specified in a notice given by the licensing authority to the licensee specifying the extent to which the works may be used, notwithstanding that some of the conditions have not been satisfied and such permit may, at any time, be revoked by the licensing authority in a subsequent notice in the *Gazette*.

(4) A notice given by the licensing authority under subsection (3) shall be conclusive evidence for the purposes of this Act that those conditions have been satisfied.

(5) Where a permit referred to in subsection (3) is cancelled or otherwise ceases to be in force prior to the completion of the authorised works, the licensee shall, to the extent of partially executed works, be deemed to have satisfied the prescribed conditions.

Exemption from the requirement for a permit.

99P. Notwithstanding any other provision of this Act—

(a) emergency works for the construction of a pipeline, may be executed without any authorisation by the licensing authority:

Provided that as soon as is reasonably practicable and in any event not later than sixty days after the works have commenced or have been executed, the owner of the petroleum logistics facility shall inform the licensing authority in writing of the works executed attaching copies of detailed construction drawings of such construction works and the route taken or intended to be taken by the petroleum logistic facility;

(b) no permit shall be required for the construction of a pipeline within a storage depot, a pipeline facility or refinery.

Suspension or revocation of a construction permit.

99Q. (1) Subject to subsection (2), the licensing authority may, by notice in the *Gazette*, suspend or revoke a construction permit if any term or condition thereof has not been complied with within the prescribed period.

(2) Where the licensing authority intends to revoke or suspend a permit under this section, it may, at least twenty-one days before the date of the intended revocation or suspension, notify the holder of the permit of such intention, specifying the reasons thereof, and shall take every precaution to ensure fairness in the exercise of this power.

(3) The licensing authority may in writing, reinstate a permit revoked or suspended under subsection (1) if satisfied that the reasons for the revocation or suspension no longer exist.

Validity of permits.

99R. If, after a permit to construct a pipeline, a refinery, a bulk storage facility or a retail dispensing site has been granted, the execution of the works has not commenced at the expiry of twelve months from the date on which the permit was granted, or at the expiration of any extended period which the licensing authority may allow, the permit shall cease to have effect.

Destruction of illegal construction.

99S.(1) Where a person has constructed a pipeline, refinery, bulk storage facility, retail dispensing site or a centralized gas reticulation system without a permit, the licensing authority may-

(a) give that person a notice of twenty one days to obtain the permit;

(b) direct that person to stop the construction; or

(c) direct that person to decommission the pipeline, refinery, bulk storage facility, retail dispensing site or a centralized gas reticulation system.

(2) If the owner or occupier of the facility in sub section (1) fails to remove the works, the licensing authority shall decommission the works at the cost of that person.

(3). Notwithstanding subsection (1), any person who constructs a pipeline, refinery, bulk storage facility, retail dispensing site or a centralized gas reticulation system without a permit is liable on conviction to a fine of not less than one million shillings.

Standards for petroleum.

99T.(1) A person who offers for sale in Kenya or transports or stores petroleum meant for use in Kenya shall ensure that the specifications of such petroleum conforms to the relevant Kenya Standard, but where no such standard exists, the relevant international standards approved by the Kenya Bureau of Standards:

Provided that no person shall divert to sell in Kenya, goods destined for other markets.

(2) A person who—
