(iii) **Guidance on proposed amendments to the Committee of Supply on the Estimates for Recurrent and Development Expenditure for the year ending 30th June, 2018**

“Honourable Members,

Before we proceed with the Committee of Supply, I wish to make this Communication which relates to consideration of proposed amendments in the Committee of Supply. As you are aware, Article 114(2) of the Constitution provides that if, in the view of the Speaker, a motion makes provisions for a matter listed in the definition of ‘a money Bill’, the Assembly may proceed only in accordance with the recommendation of the relevant Committee after taking into account the views of the Cabinet Secretary responsible for Finance.

Further, Standing Orders 240 provides that an amendment to increase or reduce the sum allotted to any programme or a vote may only be moved in accordance with the recommendation of the Budget and Appropriations Committee. In this regard, I am informed that the Budget and Appropriations Committee received proposed amendments to the 2018/2019 Estimates as follows-

The first proposed amendment was by the Member for Kanduyi, the Hon. Wafula Wamunyinyi. The amendment was in connection with the dualing of Musikoma Junction-Kanduyi road to help in the movement of agricultural goods. I am informed that the proposal has since been taken into account by the Budget and Appropriations Committee and that it does not affect the proposed gross figures under the Vote 1091 – State Department for Infrastructure.

Honourable Members, the second proposed amendment is by the Member for Mathare Constituency, The Hon. Tom Anthony Olouch. The amendment was seeking to amend Vote 1297 under *Programme - Registration, Regulation and Funding of Political Parties* in respect of Gross Total Estimates of 822,232,095. The amendment seeks to increase the amount to a total of 0.3% of the revenue collected by the national government. I am however informed that, due to the magnitude of the proposed amendment, the Budget and Appropriations Committee has recommended that the House does not proceed with it.

Honourable Members, the third proposed amendment is by the Member for Busia County, The Hon. Florence Mutua. The amendment is seeking to amend *Vote 1032 - State Department for Devolution under Integrated Regional Development programme* and reallocate the money to Vote 1212 - State Department for Gender, under the Community Development Programme. The Budget and Appropriations Committee has recommended that the House may proceed with the proposed amendment.

The fourth proposed adjustment came from the Cabinet Secretary, Ministry of Public Service, Youth and Gender Affairs who was essentially seeking the reinstatement of the entire Ksh. 10,919,930,000 allocated under the State Department for Public Service and Youth under the Youth Empowerment. I am informed that the Budget and Appropriations Committee has recommended that the proposal be moved in an amended form, to be considered in the Committee of Supply.

Honourable Members that, therefore, is the fate of the amendments that were received through my office. Thank you”.
