12. **MOTION – ENFORCEMENT OF THE NATIONAL TRANSPORT AND SAFETY AUTHORITY (OPERATION OF MOTORCYCLE) REGULATIONS, 2015**

(Sen. (Arch.) Sylvia Kasanga, MP)

AWARE that the National Transport and Safety Authority (NTSA) is mandated to plan, manage and regulate the road transport system, while ensuring the provision of safe, reliable and efficient road transport services;

FURTHER AWARE that motorcycle transport services have been rapidly embraced throughout the country leading to several challenges including: rise in road accidents involving motorcycle riders, unlawfulness, insecurity and road congestion;

COGNIZANT that the National Transport and Safety Authority (Operation of Motorcycles) Regulations that came into force on January 1, 2016 have not adequately addressed the challenges associated with the high numbers of motorcycles as a mode of transport;

NOW THEREFORE, the Senate resolves that the Ministry of Transport, Infrastructure, Housing, and Urban Development: -identify strategies to enforce the National Transport and Safety Authority (Operation of Motorcycles) Regulations; in collaboration with County Governments, develop programs to sensitize and educate members of boda-boda associations and the public on the laws regulating motorcycle operations; submits a Report to the Senate within ninety(90) days outlining the short and long term strategies, and preventative measures that are being put in place to halt the rising cases of road carnage involving motorcycle riders.

17. **MOTION – FLOOD SITUATION IN THE COUNTRY**

(Sen. Fatuma Dullo, MP)

THAT, aware that several days of heavy rains recently have caused severe flooding in many parts of the country, resulting in multiple deaths and devastating damage to property and infrastructure;

NOTING with concern that, whenever Kenya experiences periods of severe drought, torrential rains usually follow;

CONCERNED that year in year out, the challenge of floods continues to recur, leading to loss of human and animal life, displacement of people and wanton destruction of property;

COGNIZANT that the number of Kenyans needing emergency food aid as a result of displacement caused by the current floods continues to rise by the day, and that the floods have also washed away many bridges and destroyed roads in many parts of Kenya;

ALSO CONCERNED that no effective measures, such as improved storm water harvesting, proper drainage infrastructure and preventing the destruction of riparian reserves and natural water courses, to mitigate and/or provide a lasting solution to the menace of flooding, have been taken;

NOW THEREFORE, the Senate calls upon the National Government to develop a lasting framework to permanently address the challenge of effects of floods by, among other things-

- i. developing and enforcing regulations for preventing the obstruction of riparian reserves and natural water courses; and

...../Motion

- ii. preventing and regulating the construction of informal settlements and ensuring prevention of construction on low lying areas and flood plains.

And further that the relevant government agency to execute this task and submits a report to the Senate within three months of the adoption of this Motion.

18. **MOTION - DEVELOPMENT AND IMPLEMENTATION OF A NATIONAL DISASTER RISK FINANCING**

(Sen. George Khaniri, MP)

THAT, WHEREAS Kenya's disaster profile is dominated by droughts, fire, floods, terrorism, diseases and epidemics that disrupt livelihoods, destroy infrastructure, divert planned use of resources, interrupt economic activities and retard development;

FURTHER WHEREAS the government, through its various agencies, is ultimately responsible for disaster reduction, preparedness and management;

COGNIZANT of the fact that government agencies involved in disaster management are usually overwhelmed when called upon to provide response services during disasters and emergencies;

AWARE that the Kenya Red Cross Society Act, Cap 256 of the Laws of Kenya establishes the Kenya Red Cross Society, a sole national Red Cross Society in Kenya, as a voluntary aid society;

RECOGNIZING, the efforts of the Kenya Red Cross Society to provide first-line disaster response services in incidences of disasters and other emergencies across the country;

OBSERVING, the huge financial resources required to finance disaster reduction, preparedness and other emergency services;

NOTING that one of the sources of the Kenya Red Cross Society in financing its operations is through accepting unrestricted contributions and assistance, in any form, from individuals, public authorities and private bodies;

APPRECIATING, the efforts made by the prudent management of funds by the Kenya Red Cross Society;

FURTHER AWARE that emergency fund is a substantial proportionate Vote Head in both the national and county government budgets;

CONCERNED, that the Kenya Red Cross Society has not been allocated a budget from the national and county governments despite the huge contribution in disaster and emergency response across the country;

NOW THEREFORE, the Senate urges the national and county governments to explore collaborative mechanisms for the Kenya Red Cross Society to support and implement a paradigm shift from post disaster response to risk reduction by developing and implementing a national disaster risk financing strategy across all sectors and incorporate it into the national and county development planning and financing processes.

2. PAPERS

Report of the Standing Committee on Finance and Budget on the Salaries and Remuneration Commission (Amendment) Bill (Senate Bills No. 12 of 2018).

(Chairperson, Standing Committee on Finance and Budget)

3. NOTICES OF MOTIONa) EXTENTION OF TIME

(Chairperson, Senate Standing Committee on Justice, Legal Affairs and Human Rights)

THAT, AWARE that the Senate passed a Motion on "Review of Policy and Legislative Framework on the Fight Against Corruption" by Sen. (Dr.) Isaac Mwaura on 31st May, 2018 and referred it to the Senate Standing Committee on Justice, Legal Affairs and Human Rights for consideration;

APPRECIATING, that the duration accorded to the Committee to consider the Motion is due to lapse on 31st July, 2018;

REGRETTING, that due to the heavy workload and sheer magnitude of the assignment, the Committee is yet to conclude its deliberations and table its report in the House and requires more time to conduct a further and thorough inquiry into matter;

NOW THEREFORE, the Senate resolves to extend the duration by a further period of thirty (30) days to enable it conclude its work and table its report in the House.

b) ESTABLISHMENT OF MORE YOUTH POLYTECHNICS AT THE COUNTY LEVEL

(Sen. (Prof.) Margaret Kamar, MP)

AWARE THAT youth polytechnics, also known as village polytechnics, are educational institutions that offer primary school leavers opportunities to acquire relevant knowledge especially technical and vocational skills to increase their employability;

FURTHER AWARE THAT youth polytechnics provide industrial and entrepreneurial skills training to young people in order to increase employment opportunities, reduce dependency levels and increase self-reliance among the youth;

RECALLING THAT in 2005, the Youth Training Department of the then Ministry of Youth Affairs and Sports was established through the Presidential Circular No.1 of 2005, with a mandate of revitalizing the Youth Polytechnics countrywide in order to empower youth through provision of accessible, appropriate and quality training in technical, vocational, industrial, entrepreneurship and life skills;

COGNIZANT THAT youth polytechnics are a devolved function;

PERSUADED THAT Vocational Education and Training is a critical aspect for a developing economy and that it would contribute towards the realization of the Big Four Agenda;

CONCERNED THAT, in Kenya, the number of young people who have completed the primary school education but have not joined secondary schools continues to rise by the day;

FURTHER CONCERNED THAT county governments have not prioritized youth polytechnic functions despite the polytechnics' capacity to ultimately contribute to both social and economic development;

NOW THEREFORE the Senate calls upon each of the 47 county governments to-

- a) establish youth polytechnics in every location within their respective the areas of jurisdiction and to revamp the already existing youth polytechnics;
 - b) to develop a structure/guidelines for sensitizing the youth who have completed their primary school education but have not joined form one to embrace vocational training in order to acquire the necessary skills to join the labour market.
- c) **ESTABLISHMENT OF AN AD-HOC COMMITTEE TO INVESTIGATE THE MAIZE CRISIS IN THE COUNTRY**

(Sen. (Prof.) Margaret Kamar, MP) and (Sen. Moses Wetang'ula, MP)

WHEREAS maize is Kenya's staple food whose demand and supply is monitored by the government through the Strategic Grain Reserves;

AND WHEREAS that Kenya has been experiencing maize shortage mainly due to the high cost of production, the effects of climate change and poor management of the Strategic Grain Reserves;

NOTING that maize farmers have called to question the efficiency and capacity of the National Cereals and Produce Board (NCPB), which is the institution mandated to buy maize from farmers to continuously replenish the strategic reserves, to effectively handle and manage maize produce, forcing small-scale farmers to sell their produce to unscrupulous traders at very low prices;

COGNIZANT that the NCPB has on many occasions declined to buy maize from farmers, claiming that its stores are full to capacity, and failed to pay the farmers whose produce it has received, thereby exposing them to severe financial problems;

...../Appendix

CONCERNED that although the Government has committed to supporting maize farming in Kenya in order to ensure Kenya's food security, little has been done to improve the efficiency of NCPB and protect the maize farmers from exploitation;

AWARE that the Government, during periods of maize shortage, grants waivers to enable importation of maize duty-free;

CONCERNED that the last duty-free window which was scheduled to terminate in October, 2017 was not terminated and that deliveries continued until late December, 2017 leading to overstocking of most NCPB stores with no clarity as to where the maize deliveries came from;

CONCERNED that failure to properly manage the maize situation in Kenya could lead to disillusionment of farmers, famine, civil strife and economic sabotage;

NOW THEREFORE, the Senate resolves to establish an *Ad Hoc* Committee to inquire into the maize crisis in the country and report to the Senate within sixty (60) days after the adoption of this Motion on-

- i) why farmers who have delivered their produce to NCPB have not been paid to date;
- ii) the quantity of duty-free maize imported into the country during the duty-free window which was to end in October, 2017 and why the period was extended;
- iii) the challenges facing the maize farmers and the NCPB and make recommendations on how to resolve the challenges;
- iv) the maize received by the NCPB for the 2017/18 season, to establish the suppliers; and
- v) the criteria for identification of millers and business persons involved in the importation of maize to the country.

AND FURTHER that the following Senators be members of the *Ad Hoc* Committee-

1. Sen. (Prof.) Margaret Kamar, EGH, MP;
2. Sen. Moses Wetang'ula, EGH, MP;
3. Sen. Samson Cherarkey, MP;
4. Sen. (Dr.) Christopher Langat, MP;
5. Sen. Petronila Were Lokorio, MP;
6. Sen. (Dr.) Michael Mbito, MP; and
7. Sen. Boniface Kabaka, MP.
