 (Sen. (Dr.) Getrude Musuruve, MP)

THAT, AWARE that Article 43 (f) of the Constitution stipulates that every person has a right to education;

FURTHER AWARE that Kenya is among the State Parties that ratified the United Nations Convention on the Rights of Persons with Disabilities in which the parties undertook to ensure that persons with disabilities are not excluded from the general education system and that the education of persons, and in particular children, who are blind, deaf or deaf-blind, is delivered in the most appropriate languages and modes and means of communication for the individual, and in environments which maximize academic and social development;

ACKNOWLEDGING that hearing impaired learners have linguistic challenges and perform dismally in academics since all subjects other than Kiswahili and foreign languages are taught and examined in English;

COGNIZANT that hearing impaired learners who are educable can master the essentials of English language as they are able to sign sing the National Anthem in Signing Exact English (SEE);

NOW THEREFORE, the Senate calls upon the Ministry of Education, Science and Technology to-

1. ensure that Signing Exact English (SEE) is used as a mode of instruction for persons with hearing impairment who are educable;

...../Motion

2. develop SEE instructional materials for learners with hearing impairment;
3. work with linguists and researchers to develop sign language resources; and

27. **MOTION – HUMAN – WILDLIFE CONFLICT**

(Sen. Johnes Mwaruma, MP)

AWARE THAT tourism is amongst key sectors of Kenya's economy contributing billions of shillings to the country as well as generating employment and livelihoods to millions of citizens;

FURTHER AWARE THAT, Kenya is endowed with different wildlife species which contribute substantially to the national economy through tourism;

NOTING THAT, cases of human-wildlife conflict are on the rise as a result of many factors key among them climate change and encroachment on parks and nature reserves leading to deaths and maiming of people by wild animals;

FURTHER NOTING THAT there's need to create a conducive environment for peaceful coexistence of humans and wildlife in the same space given the importance of wildlife not only to our economy but to ecology as well;

CONCERNED that victims and families of victims of human-wildlife conflict are not being compensated for loss of lives, being maimed or loss of their means of livelihood due to failure of the Treasury to allocate adequate funds for this purpose contrary to the Wildlife Compensation Management Act, 2013;

FURTHER CONCERNED that the regions and communities hosting the wildlife are marginalized and do not benefit from the proceeds of tourism in their area;

NOW THEREFORE the Senate calls upon the National Government to-

1. Allocate adequate funds during the current financial year and subsequent years for compensation;
2. Ensure that victims and families of victims of human-wildlife conflict are always compensated within 90 days of submitting their claims; and
3. Come up with innovative ways of ensuring host communities benefit from the revenue accruing from wildlife tourism.

28. **MOTION – REHABILITATION OF STREET FAMILIES.**

(Sen. Beatrice Kwamboka, MP)

AWARE THAT the Street Families Rehabilitation Trust Fund (SFRTF) was established on 11th March, 2003 by the then Ministry of Local Government to address the concerns of all homeless, destitute and vulnerable persons in urban areas, and was registered as a body Corporate in August, 2010 under the Trustees (perpetual succession) Cap 164, Laws of Kenya;

...../Motion

FURTHER AWARE THAT the mandate of SFRTF includes coordinating rehabilitation activities for street families; conducting public education on street families issues; mobilizing resources and fundraising as well as receiving donations and funding street families rehabilitation programmes; managing donations for the rehabilitation of street families through a trust fund; monitoring expenditure and disbursement of donations; and advising the government and other relevant agencies on matters relating to rehabilitation of street families;

NOTING THAT Article 43 (1) of the Constitution of Kenya provides for the right to every person to the highest attainable standard of health, accessible and adequate housing, adequate food of acceptable quality, clean and safe water in adequate quantities, education, and social security;

CONCERNED THAT the street family phenomenon has persisted despite the existence of the SFRTF and street families do not enjoy the rights enshrined in the Constitution due to lack of a national policy on the rehabilitation of street families, with women and children being the primary victims;

COGNIZANT THAT the Ministry of Devolution and ASAL Areas through the SFRTF supports children and youth through charitable and community based organizations which are vetted and approved for funding under the rescue, rehabilitation and reintegration of street families programme;

NOTING THAT both the National and County Governments have a role to play in addressing the plight of street families across the Country;

NOW THEREFORE the Senate resolves that Ministry of Devolution and ASAL Areas in collaboration with the Council of Governors-

1. conducts a census of street families in all urban centres in the country to determine their numbers and demographics;
2. develops a clear policy on street families rehabilitation and reintegration at county level; and
 tables an audit report of how funds allocated to the SFRTF have been utilized since the Fund was established, indicating the impact of the rehabilitation exercise.

3. **NOTICE OF MOTION - ZERO RATING DUTY AND V.A.T ON LOCALLY MANUFACTURED SANITARY TOWELS**

(Sen. Abshiro Halake, MP)

WHEREAS Menstrual Health management among women and girls in Kenya has been a major issue particularly for the low income earners with about 65% of women and girls in the country who can barely afford sanitary towels each month;

AWARE that many girls and women are severely affected during menstrual cycle and are not able to consistently attend and concentrate in class and school work leading to poor performance;

FURTHER AWARE that if not handled appropriately menstruation can cause infections of the urinary tract and pelvic inflammatory diseases as well as bad odour, soiled garments and embarrassment, ultimately leading to infringement on the girls' dignity and other health related complications;

COGNIZANT that Menstrual Health Management (MHeM) is a health as well as an education issue and therefore a critical developmental hindrance in Kenya with statistics indicating that one in ten adolescent girls miss school and eventually drop out of school due to menstruation-related issues;

RECOGNIZING menstrual hygiene and affordable access to menstrual hygiene products is inextricably linked to rights to health, sanitation, education and dignity among other rights;

NOTING that the Basic Education Act, No.14 of 2013 obligates the government to provide free, sufficient and quality sanitary towels to every girl child registered and enrolled in a public basic education institution who has reached puberty;

CONCERNED that the cost of sanitary towels is too high and out of reach for many girls and women who are out of basic education institutions;

FURTHER CONCERNED that classifying and taxing raw materials for locally produced sanitary towels, as luxury items, is counter-productive to the government policies on enhancing the manufacturing sector and distribution of sanitary towels to schools;

NOW THEREFORE, the Senate resolves that the Government-

- a. prioritises gender sensitive budgeting as a way of addressing issues affecting women and girls; specifically menstrual health matters.
- b. initiates measures to ensure zero rating of duty on raw materials used for locally manufactured sanitary towels and zero rating Value Added Tax (VAT) on locally manufactured sanitary towels, to ensure affordability for the many poor households in Kenya; and
- c. advance further tax incentives to manufacturers for cheaper production of sanitary towels.

4. **STATEMENT PURSUANT TO STANDING ORDER NO. 48 (1)**
