21. MOTION - REHABILITATION OF STREET FAMILIES

(Sen. Beatrice Kwamboka, MP)

THAT, AWARE THAT the Street Families Rehabilitation Trust Fund (SFRTF) was established on 11th March, 2003 by the then Ministry of Local Government to address the concerns of all homeless, destitute and vulnerable persons in urban areas, and was registered as a body Corporate in August, 2010 under the Trustees (perpetual succession) Cap 164, Laws of Kenya;

FURTHER AWARE THAT the mandate of SFRTF includes coordinating rehabilitation activities for street families; conducting public education on street families issues; mobilizing resources and fundraising as well as receiving donations and funding street families rehabilitation programmes; managing donations for the rehabilitation of street families through a trust fund; monitoring expenditure and disbursement of donations; and advising the government and other relevant agencies on matters relating to rehabilitation of street families;

NOTING THAT Article 43 (1) of the Constitution of Kenya provides for the right to every person to the highest attainable standard of health, accessible and adequate housing, adequate food of acceptable quality, clean and safe water in adequate quantities, education, and social security;

CONCERNED THAT the street family phenomenon has persisted despite the existence of the SFRTF and street families do not enjoy the rights enshrined in the Constitution due to lack of a national policy on the rehabilitation of street families, with women and children being the primary victims;

COGNIZANT THAT the Ministry of Devolution and ASAL Areas through the SFRTF supports children and youth through charitable and community based organizations which are vetted and approved for funding under the rescue, rehabilitation and reintegration of street families programme;

NOTING THAT both the National and County Governments have a role to play in addressing the plight of street families across the Country;

NOW THEREFORE the Senate resolves that Ministry of Devolution and ASAL Areas in collaboration with the Council of Governors-

1. conducts a census of street families in all urban centres in the country to determine their numbers and demographics;
2. develops a clear policy on street families rehabilitation and reintegration at county level; and
3. tables an audit report of how funds allocated to the SFRTF have been utilized since the Fund was established, indicating the impact of the rehabilitation exercise.

...../Motion

22. **MOTION- REMEDIES FOR CLOSURE OF SCHOOLS DUE TO FLOODS AND INSTANCES OF INSECURITY**

(Sen. (Arch.) Sylvia Kasanga, MP)

THAT, AWARE that Article 43(1)(f) of the Constitution of Kenya provides that every person has a right to education and Article 53(1)(b) of the Constitution states that every child has the right to free and compulsory basic education;

COGNIZANT that on 5th January, 2018 during the flagging off of national delivery of core course books for schools at Cemastea Karen, His Excellency the President Uhuru Kenyatta stated that his administration has focused on initiatives that ensure every Kenyan has access to quality education, so they can acquire appropriate skills and knowledge that make our country globally competitive;

FURTHER AWARE that recently the country has suffered floods in many parts of the country leading to deaths and people being displaced and rendered homeless;

DEEPLY CONCERNED that some schools have also remained closed even after other schools reopened while others have been closed as a result of floods and instances of insecurity;

FURTHER NOTING that closure of schools due to the said floods as well as insecurity places students and pupils in those schools at a disadvantage as they are unable to access education which is their right, while some of the students in those schools are expected to sit for their national exams at the end of the year and their performance risks being negatively affected by the lost time out of school;

NOW THEREFORE, the Senate resolves that the Committee on Education, investigates this matter with a view to: -

1. identifying strategies to ensure that the affected students are able to access education as soon as possible;
2. outlining preventative measures to ensure that more students are not affected by the floods and insecurity; and
3. Submitting a Report to the Senate within sixty (60) days outlining the short and long term strategies, that are being put in place to ensure that schools in flood and insecurity prone areas are not affected in the future.

NOTICE

The Senate resolved on 14th February, 2018 as follows:-

THAT, pursuant to Standing Order 106 (1), the Senate resolves that debate on a Motion not sponsored by the Majority or Minority Party or a Committee shall be limited in the following manner:-
