2.27.3 An affirmative determination will be a prerequisite for award of the contract to the tenderer. (b) Award Criteria

2.28 Notification of Award

2.28.1 Prior to the expiration of the period of tender validity, the Commission will notify the successful tenderer in writing that its tender has been accepted.

2.28.2 The notification of award will constitute the formation of the contract but will have to wait until the contract is finally signed by both parties.

2.28.3 Upon the successful Tenderer's furnishing of the performance security, the Commission will promptly notify each unsuccessful Tenderer and will discharge its tender security.

2.29 Signing of Contract

2.29.1 At the same time as the Commission notifies the successful tenderer that its tender has been accepted, the Commission will send the tenderer the Contract
