I therefore wish to remind all those desiring to vote on the Bill tomorrow, to carry their cards with them to facilitate this process.”

**5. MESSAGES**

The Speaker conveyed the following Message from the Senate: -

**Passage of the County Boundaries Bill (Senate Bill No. 6 of 2017) and the Office of the County Attorney Bill (Senate Bill No. 3 of 2018)**

“Honourable Members, Standing Order 41(4) requires the Speaker to report to the House any Message(s) received from the Senate at the first convenient opportunity. In this regard, I wish to report to the House that on Thursday, October 11, 2018, I received two Messages from the Senate regarding the passage of two Bills on Wednesday, October 3, 2018.

The First Message relates to the passage of the County Boundaries Bill (Senate Bill No. 6 of 2017). Among other objectives, the Bill seeks “*to provide a mechanism for the resolution of county boundaries; to give effect to Article 188 of the Constitution by providing for the procedure for alteration of county boundaries; and to provide for the establishment of an independent county boundaries commission.*”

Honourable Members, the second Message is conveying the passage of the County Attorney Bill (Senate Bill No. 3 of 2018). The Bill seeks “*to provide for the functions and powers of the County Attorney; and the discharge of duties and the exercise of powers of the County Attorney.*”

Honourable Members, Standing Order 143(1) requires the Speaker to cause a Bill received from the Senate to be read a First Time upon conveyance of a Message from the Senate referring Bills to the National Assembly. Accordingly, I direct that the two Bills be read a First Time at the next Sitting.

Honourable Members, paragraph (2) of Standing Order 143 provides that –

*“Following First Reading, the Speaker shall, within reasonable time, pronounce his or her **opinion** contemplated under Article 114(2) of the Constitution.”*

The opinion envisioned under Standing Order 143(2) is a pronouncement, by the Speaker, as to whether a Bill originating in the Senate is a ‘*Money Bill*’ in the terms of Article 114 of the Constitution. In this regard, I have requested the Clerk of the National Assembly to refer the two Bills to the Parliamentary Budget Office to offer advice that will enable the Speaker to form the opinion contemplated in the aforementioned Standing Order. Thereafter, I shall guide the House accordingly on how to proceed with the consideration of the said two Bills from the Senate.

I thank you.”

- (i) Petition conveyed by the Speaker regarding enactment of legislation for implementation of African Union Resolutions

“Honourable Members,

Standing Order 225(2)(b) requires that the Speaker reports to the House any Petition other than those presented through a Member. I therefore wish to convey to the House that my office has received a Petition signed by one David Gesicho, a Kenya citizen, regarding enactment of legislation to provide for implementation of the resolutions of the African Union.

Honourable Members,

The Petitioner contends that over the years there has been emphasis by successive regimes in power in the Republic of Kenya on economic development at the expense of human development exemplified in recent times by the inordinately high allocation of resources to the Health and Agriculture sectors that have a direct bearing on human development.

Honourable Members,

The Petitioner therefore prays that the National Assembly initiates the process of enacting legislation with regard to implementation of resolutions of the African Union in the Republic of Kenya and in particular, concerning the proposed formula for division and allocation of revenue towards the realization of the Sustainable Development Goals. The proposed allocations are as follows: -

1. Fifteen per cent to the Health Sector;
2. Twenty per cent to Agriculture including water, sanitation and irrigation;
3. Twenty per cent to the Education sector;
4. Ten per cent to the shelter/housing sector; and
5. Ten per cent to the security sector.

Honourable Members,

Pursuant to the provisions of Standing Order 227, this Petition therefore stands committed to the Departmental Committee on Defence and Foreign Relations for consideration. I wish to inform the House that this Petition was submitted in the 11<sup>th</sup> Parliament but the Committee had not concluded its consideration by the time the House adjourned sine die. The Committee is requested to consider the Petition and report its findings to the House and the Petitioner in accordance with Standing Order 227(2).
