ORDER OF BUSINESS

PRAYERS

2. Communication from the Chair
3. Messages
4. Petitions
5. Papers
6. Notices of Motion
7. Questions and Statements

8*. PROCEDURAL MOTION– EXEMPTION OF BUSINESS FROM THE PROVISIONS OF STANDING ORDER 40(3)

(The Leader of the Majority Party)

THAT, this House orders that the business appearing as Order No.11 in the Order Paper be exempted from the provisions of Standing Order 40(3) being a Wednesday Morning, a day allocated for Business not sponsored by the Majority or Minority Party or Business sponsored by a Committee.

9*. MOTION – ESTABLISHMENT OF POLICY GUIDELINES ON LAND FOR EXPANSION OF PUBLIC SCHOOLS AND A FUND FOR ACQUISITION OF SUCH LAND

(The Hon. Caleb Kositany, M.P.)

THAT, aware that land is one of the most important resources in Kenya from which the Country generates goods and services, and a source of livelihood for many people; further aware that land is a scarce resource which is highly sought for various economic and commercial purposes leaving little or no space for establishment of social amenities, including learning institutions; cognizant of the Ministry of Education guidelines which provide that the amount of school land should be sufficient with the minimum amount of land required being determined

by enrollment; concerned that the increasing number of students in learning institutions puts a lot of strain on the available infrastructure especially those institutions which are established on limited space with no space for future expansion; **this House urges** the Government to establish policy guidelines on land for expansion of public schools and sets aside a fund for acquisition of such land.

(Question to be put)

10*. **MOTION**– **ESTABLISHMENT OF APPRENTICE TESTING AND CERTIFICATION CENTRES IN CONSTITUENCIES**

(The Hon. Charles Njagua Kanyi, M.P.)

THAT, aware that the informal sector constitutes an important component of the economic activities and development process in Kenya representing about 82.7% of employment in the country; further aware that the workers in the informal sector engage in commercial activities outside the realm of the formally established mechanisms since there is no clear policy framework in place to regulate their operations by the Government; noting that most workers in the informal sector acquire skills and knowledge mainly through apprenticeships but have no access to technical skills upgrading as many lack requisite academic certificates; recognizing that apprenticeship in the informal economy represents the main road map to skills development in most developing countries and appreciating that the National Industrial Training Authority (NITA) through its training centers in Nairobi, Mombasa, Kisumu and Athi River plays an important role in industrial training targeting workers in the formal and informal sector; **this House urges** the Government to establish suitably located and facilitated training and testing centers in every constituency to assess the experience and competence of the apprenticed workers particularly in the informal sector and consider putting in place mechanisms to have them awarded with certificates based on their competencies and acquired skills.

(Resumption of debate interrupted on Wednesday, October 24, 2018)

(Balance of time – 37 minutes)
