**8*. MOTION– ESTABLISHMENT OF APPRENTICE TESTING AND CERTIFICATION CENTRES IN CONSTITUENCIES
(The Hon. Charles Njagua Kanyi, M.P.)**

THAT, aware that the informal sector constitutes an important component of the economic activities and development process in Kenya representing about 82.7% of employment in the country; further aware that the workers in the informal sector engage in commercial activities outside the realm of the formally established mechanisms since there is no clear policy framework in place to regulate their operations by the Government; noting that most workers in the informal sector acquire skills and knowledge mainly through apprenticeships but have no access to technical skills upgrading as many lack requisite academic certificates; recognizing that apprenticeship in the informal economy represents the main road map to skills development in most developing countries and appreciating that the National Industrial Training Authority (NITA) through its training centers in Nairobi, Mombasa, Kisumu and Athi River plays an important role in industrial training targeting workers in the formal and informal sector; **this House urges** the Government to establish suitably located and facilitated training and testing centers in every constituency to assess the experience and competence of the apprenticed workers particularly in the informal sector and consider putting in place mechanisms to have them awarded with certificates based on their competencies and acquired skills.

10*. MOTION – ESTABLISHMENT OF DATABASE CENTRES FOR ISSUANCE OF BIRTH CERTIFICATES TO CHILDREN

(The Hon. Mary Wamaua Njoroge, M.P.)

THAT, aware that the Constitution and the Kenya Citizenship and Immigration Act, 2011 provide that every citizen is entitled to any document of registration or identification issued by the State to citizens including a birth certificate; further aware that, Article 53(2) of the Constitution of Kenya provides that a child's best interests are of paramount importance in every matter concerning the child; cognizant of the fact that, issuance of birth certificates during civil registration associated with children is a challenge across the country due to among other issues, missing information for the parents and children as a result missing and improper documentations, damaged manual documents, and lack of registration of children born outside hospital environments; deeply concerned over the delays and long queues at civil registration centres and the challenges affecting registration of children by the Ministry of Education using the National Education Management Information System (NEMIS) in the Country; **this House urges** the Government to establish database centres in all Civil Registration Centres for purposes of storing all the necessary information required for issuance of birth certificates to all children and puts in place administrative mechanisms to ensure that every child is automatically issued with a birth certificate before the child attains the age of three years.
