107.	<p>THAT, aware of the increased cases of insecurity in schools including the regrettable cases of defilement and rape that have been reported in various schools, with the most recent case being reported in Moi Girls' School, Nairobi where a student was raped; further aware that incidences of buildings in public secondary schools being torched by unruly students over time have been numerous; concerned that most perpetrators of the dastardly acts of defilement, rape and arson in schools go unpunished due to the difficulty in establishing a nexus between them and the acts, and therefore many of the suspects behind the said crimes evade responsibility; cognizant of the duty to protect the dignity, preserve the lives of innocent students, and protect school properties from the threat posed by the crimes; appreciating the role of Information and Communications Technology (ICT) in enhancing security surveillance; this House urges that the Government speedily rolls out installation of Closed Circuit Television (CCTV) cameras in strategic locations in all public secondary schools as an enhanced security mechanism for surveillance of students' activities; makes provisions for regular and mandatory checks to confirm compliance and enforcement of the mechanism; and enforces strict admission criteria, including maintenance of a profile of alleged perpetrators of arson to ensure that they do not escape liability by transferring to other schools without proper screening.</p>	28/6/2018	<p>Hon. THAT , aware that several buildings in government secondary schools in the country have had fire incidences this year, many of which being arson incidents attributable to students' delinquency; further aware that the learning in the affected schools has been severely interfered with; disturbed that the number of students arrested for allegedly burning or conspiring to burn school buildings around the country continue to rise; cognizant that these students are aged below eighteen (18)years therefore fall under the category of juvenile offenders; further cognizant that Article 53(1)(f) of the Constitution provides that every child has the right not to be detained, except as a measure of last resort, and when detained, to be held for the shortest appropriate period of time separate from adults and in conditions that take account the child's sex and age; appreciating that section 18(2) of the Children's Act provides that a child offender shall be separated from adults in custody; further appreciating that the Children Act, 2001 advances the protection of children from any action deemed hazardous or likely to interfere with the child's education, health among others; deeply concerned that delinquency tends to lead to adult crime thereby encouraging the possibility of a lifelong criminal career if not managed appropriately; this House resolves that the National Government puts in place administrative measures to ensure that child offenders are not remanded or incarcerated in adults' remands; and strengthens the existing rehabilitation schools in the Country as a measure to ensure delinquent adolescents are effectively rehabilitated while making them accountable for crimes committed.	29/10/2018	Hon.
