(Sen. (Canon) Naomi Waqojilo, MP)

AWARE THAT, the Constitution of Kenya recognizes dignity, economic, social and cultural rights, education, housing and the right to health including reproductive health; and that the principle of equality and non-discrimination is established as a core value of leadership and the national values and principles of governance include human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of marginalized groups, among others;

FURTHER AWARE THAT, the Constitution of Kenya has very progressive articles that indicate commitment to the international and regional obligations arising from treaties and conventions and other Commitments signed or ratified;

COGNIZANT that Kenya has ratified the Convention on Elimination of all forms of discrimination against Women and the Protocol to the African Charter on Human and People's Rights of the Right of Women which are international instruments that are key to promoting women's rights;

RECALLING that policy framework to enhance gender equality has also been developed, and include the National Gender and Development Policy 2000, the Kenya Vision 2030, Sessional paper No. 2, of 2006, the National Land Policy, the National Policy for Response to Gender Based Violence, and the National Policy for the Abandonment of Female Genital Mutilation;

NOTING THAT, despite there being sound constitutional provisions and elaborate policy framework to realise gender equity, both national government and county governments have not done enough to realise the achievement of gender equality;

CONCERNED that women in Kenya experience hardships when it comes to elective offices, and are underrated by society with most opportunities for elective and appointive offices being awarded to men;

NOW THEREFORE THE SENATE RESOLVES

- 1) that Parliament fast track the enactment of the law that shall give effect to the one third gender rule; and,
- 2) that pursuant to Article 81 of the Constitution both the National and County governments observe the principle of equality, and empowers the female gender by increasing the appointive position to at least fifty per cent.
