(The Hon. Maj. (Rtd) John Waluke, M.P.)

THAT, aware that Kenya’s trade deficit has been on the increase in the past few years with the financial year 2016/2017 deficit being estimated at Kshs.1.1 trillion; noting that, the deficit is mainly attributable to the exports worth Kshs.594 billion against imports amounting to Kshs.1.7 trillion, driven mainly by the more than doubling of food and machinery imports amid slow-moving exports; concerned that, the widening deficit has continued to pile pressure on the shilling against other global currencies such as the dollar; alarmed that, the high demand for the dollar to fund imports has been forcing the Central Bank of Kenya (CBK) to intervene, depleting foreign exchange reserves even as the Country continues to incur foreign debts; cognizant that, the rising imports amplified by flat exports portends a difficult operating environment for local enterprises and farmers thereby denying Kenyans employment opportunities when locals lose out to foreign manufacturers and farmers; notwithstanding the effects of protectionism policies which contribute towards affecting local industries and farms abilities to compete in international markets; this House **resolves** that the Government urgently puts in place measures to bridge the huge trade deficit including by providing incentives to potential investors and farmers, supporting local production through promotion and protection of local industries and implementing competitive export promotion strategies.

not absolute but are rights and freedoms that can be limited; concerned that the Country has been experiencing a proliferation and emergence of cults and sects under the guise of religious institutions; further concerned that the general public and revenue collection agencies have often fallen prey to fraudulent and unscrupulous persons acting as religious leaders; also concerned that the growth of these religious institutions remain largely unregulated including on matters such as the registration, standards of operation, requirements for establishment, appointment and qualifications for religious leaders, among other things; this House **resolves** that the Office of the Attorney General –
