A Bill for

AN ACT of Parliament to amend the Public Service (Values and Principles) Act and to provide for connected purposes

ENACTED by the Parliament of Kenya, as follows—

1. This Act may be cited as the Public Service (Values and Principles) (Amendment) Act, 2019. Short title.
2. The Public Service (Values and Principles) Act, is amended in section 16(3) by inserting the following paragraph immediately after paragraph (d)— Amendment of section 16 of No.1A of 2015
 - (da) details on the human resource establishment within the service Commission outlining the total number of employees and highlighting their gender, age, county of birth and county of residence.

MEMORANDUM OF OBJECTS AND REASONS

Statement of the Objects and Reasons for the Bill

The purpose of this Bill is to amend the Public Service (Services and Principles) Act to require all state organs in the national and county governments and state corporations to submit annual reports on details of the human resource in constitutional Commissions, independent offices and County Public Service Boards and County Assembly Service Board. The reports should contain details outlining the total number of employees and highlighting their gender, age, county of birth and county of residence.

This will facilitate the public service values and principles that require the public service to reflect Kenya's diverse communities and afford adequate and equal opportunities for appointment of women and men, members of all ethnic groups and persons with disabilities pursuant to Article 232 of the Constitution. By receiving annual reports, legislatures can discharge the oversight role bestowed upon them as they will be able to analyze and query non-compliant state organs.

Statement on the delegation of legislative powers and limitation of fundamental rights and freedoms

This Bill does not delegate legislative powers nor does it limit fundamental rights and freedoms.

Statement on how the Bill concerns county governments

The Bill concerns county governments in terms of Articles 110(1) (c) of the Constitution in that it contains provisions that affect the functions of the county governments as it requires all county assembly service boards and county public service boards to submit reports outlining details of human resource in their respective services.

Statement of the financial implication of the Bill

The enactment of this Bill shall not occasion additional expenditure of public funds.

Dated the 27th February, 2019.

ANDREW MWADIME,
Member of Parliament.

Section 16 which it is proposed to be amended—
