

**REPUBLIC OF KENYA**

**TWELFTH PARLIAMENT – THIRD SESSION**

**THE NATIONAL ASSEMBLY**

**VOTES AND PROCEEDINGS**

**TUESDAY, MAY 07, 2019**

1. The House assembled at thirty minutes past Two O'clock
2. The Proceedings were opened with Prayer
3. **Presiding** – the Hon. Speaker
4. **MESSAGE FROM THE SENATE**

The Speaker conveyed the following Message –

“Honourable Members, pursuant to the provisions of Standing Order 41 relating to Messages from the Senate, I wish to report to the House that I have received a Message from the Senate regarding the passage of the Division of Revenue Bill (National Assembly Bill No. 11 of 2019).

Honourable Members, the Message reads in part, and I quote, “...**the Senate considered and passed the said Bill with amendments on Tuesday, April 30, 2019.**” The Senate now seeks the concurrence of the National Assembly to Senate’s amendments.

Honourable Members, you are notified that the Senate amended various parts of the Bill, including clause 5, which provides for *variation in revenue*. The Senate also amended the Schedule to the Bill by decreasing the amount of the revenue raised nationally to be allocated to the National Government (by about Kshs. 20 Billion) and increasing the total county allocations from Kshs.371,6 Billion to Kshs.391,0 Billion.

Honourable Members, considering the urgency of this legislation in unlocking the Budget process in Counties, and pursuant to the provisions of Standing Order 145, I direct the Chairperson of the Budget and Appropriations Committee to prepare to move the motion contemplated under Standing Order 146 (*consideration of Senate amendments to Bills originating in the National Assembly*) tomorrow, Wednesday May 8, 2019 in the afternoon. This will enable the House to decide whether to immediately proceed and consider the Senate’s amendments in Committee of the whole House or refer the Bill to a mediation process in accordance with the provisions of Article 112(1)(a) of the Constitution, before commencement of the recess period. The House is accordingly guided. Thank you”.

5. **PETITION**

The Speaker conveyed the following petition –

**Regarding the Gazettement of Buuri West Sub-County in Meru County as a Hardship Area**

Honourable Members,

Standing Order 225 (2) (b) requires the Speaker to report to the house any Public Petition, other than that presented by a Member. In this regard, I wish to convey to the House that my office is in receipt of a Petition, signed by representatives of teachers and public servants deployed in Buuri West Sub-County, Meru County.

The Petitioners hold the view that Buuri West Sub-County is a hardship area characterized by hardship, remoteness, harsh climatic conditions, poverty, human wildlife conflict, poor housing and lack of some essential services like healthcare, clean water and accessible roads. The Petitioners further aver that, whereas Buuri West Sub-County borders and experiences similar hardships with Laikipia East Sub-County, the latter is gazetted as a hardship area, while Buuri West is not. The petitioners are therefore concerned over the discriminatory nature of the gazettement, despite the two sub-counties lying within the same geographical area.

As a result of these disparities, Buuri West Sub-County is faced with the challenge of understaffing as compared to Laikipia East Sub County. Consequently, the shortage of teachers and other professionals in Buuri West Sub-County has led to high turnover of officers and poor delivery of essential government services.

The Petitioners are therefore praying that, the National Assembly, through the Departmental Committee on Education and Research, intervenes in the matter with a view to recommending to the Teachers Service Commission to review the gazetted hardship areas to include Buuri West Sub-County.

Honourable Members, the Petition stands committed to the Departmental Committee on Education and Research for consideration. The Committee is requested to consider the Petition and report its findings to the Petitioners and the House in accordance with Standing Order 227(2). In so considering the Petition, the Committee should engage the Petitioners and may thereafter make recommendations on the matter as it deems appropriate. I thank you!
