K. MOTION - COMPLETION OF ALL STALLED PROJECTS UNDER COUNTY GOVERNMENTS THROUGH BUDGETARY MANAGEMENT

(Sen. Charles Reubenson Kibiru, MP)

THAT, AWARE THAT Kenya has had a development blueprint of Vision 2030 since 2008 which has guided planning and development for the last decade, with a focus to making Kenya an industrialized middle income economy with a higher per capita income for its citizens;

FURTHER AWARE THAT, the development planning of the country is funded from the Consolidated Fund through the annual budget whereby revenues generated by Kenyans through taxes, levies, and fees that are supplemented with support of development partners in the form of outright loans, conditional loans, grants and/or unconditional grants to support growth and development across the country;

COGNIZANT THAT, any diversion from the Vision 2030 blueprint as well as the President's "Big Four" Agenda, would negatively impact the development trajectory that seeks to ensure a long term microeconomic stability resulting in a revision of targets on the goals for socio-economic, cultural, environmental, technological and political transformation;

NOTING THAT, whereas the National Government's Budget is based on Vision 2030 and "Big Four" Agenda, the County Governments' Budgets are based on their respective County Integrated Development Plans, (CIDPs) which are expected to dovetail with the overall national development blueprint;

CONCERNED THAT, there are glaring discrepancies in progress made in development among counties, particularly among the 14 devolved functions caused by lack of accountability, integrity, professionalism and remaining a blemish on the successes of devolution;

ACKNOWLEDGING, the tribulations, ridicule, pecuniary embarrassment and negative socio-economic impact that pending bills have had on the local business community who supplied or undertook a service for the county governments, and the attendant slowdown in actual project completion, the rise in stalled projects dotting counties, with County Governors prioritizing new projects instead of the completion of those which have stalled;

FURTHER ACKNOWLEDGING THAT, the National Treasury in its circular No. 9/2018 detailed the five hundred and forty five (545) projects which have stalled in the 47 Counties, and their status of completion, collectively amounting to an estimated project cost of three hundred and sixty six (366) Billion Kenya shillings;

NOW THEREFORE, the Senate recommends that the National Treasury in partnership with the Controller of Budget, Commission on Revenue Allocation, the Council of Governors and the County Assemblies Forum to-

1. Ensure that all the County Integrated Development Plans (CIDP's) and Annual Development Plans (ADP's) are aligned to Vision 2030 with an implementation, monitoring, and evaluation framework in place;
2. Address Pending Bills by prioritizing their payment, creating clear timeframes for payment and publishing a schedule of payment of the same; and
3. Prioritize the completion of stalled development projects prior to undertaking or funding new projects.

L. MOTION - RENAMING OF MURANG'A UNIVERSITY OF TECHNOLOGY TO KENNETH MATIBA UNIVERSITY OF TECHNOLOGY.

(Sen. Isaac Mwaura, MP)

THAT AWARE THAT, Murang'a University of Technology (MUT) is a Chartered University established under Section 13 of the Universities Act, 2012, and is positioning itself to develop a distinctive profile as a progressive and international Technical University, growing its enrolment strategically;

FURTHER AWARE that the University is located in Murang'a County, the home County of the late politician Kenneth Njindo Matiba, who died a patriotic and political hero, with numerous achievements spanning four decades;

NOTING THAT, the late Matiba was a prolific industrialist in the hospitality and education sector, and an accomplished public servant having served as the first indigenous African Permanent Secretary for Education in 1963; Permanent Secretary for Commerce; Chairperson of the Kenya Football Federation from 1974-78; a member of parliament for Kiharu constituency; Cabinet Minister for Health; Culture & Social Services; and Transport & Communications;

FURTHER NOTING THAT, the late Matiba was part of the opposition alliance that led the liberation struggle for the restoration of multi-party democracy through the Forum for the

Restoration of Democracy (FORD), later founding FORD –Asili under which he ran for presidency in 1992 general election;

COGNIZANT that under the Heroes Act, 2014, the state is obliged to confer recognition to the late statesman for his cardinal contributions to the political and economic growth of this country;

FURTHER COGNIZANT that other patriotic Kenyans like Jomo Kenyatta, Daniel arap Moi, Masinde Muliro, Dedan Kimathi and Jaramogi Oginga Odinga have been accorded such recognition;

NOW THEREFORE, the Senate urges the National Government in remembrance of Matiba's contribution to our Nation, to rename Murang'a University of Technology to Kenneth Matiba University of Technology.

M. MOTION - CREATION OF SUPPORT SERVICES FOR THE DISCIPLINED FORCES & THEIR FAMILIES

(Sen. George Khaniri, MP)

THAT APPRECIATING the commitment and sacrifice by members of the disciplined forces in protecting our country from both internal and external aggression;

AWARE of the risky and stressful environment that the officers are exposed to daily in the line of duty, combined with the increased terrorism threats at home, and abroad;

NOTING that members of the disciplined forces, and by extension, their families are exposed to traumatic incidents both at home and abroad that manifest as living in constant fear, debilitating depression, nightmares, crippling anxiety and thoughts of suicide commonly referred to as Post Traumatic Stress Disorder (PTSD) leaving them exposed to the stigma of society and unable to care for themselves and their families the way they could before;

RECOGNIZING that there is no structured national comprehensive program for post-traumatic stress counseling either for active or returning soldiers and their families;

NOW THEREFORE the Senate calls upon the Ministry of Interior and Co-ordination of National Government, in partnership with the Ministry of Defence, to establish counseling and support centers in all premises housing disciplined forces, and provide mandatory counseling to all service personnel and the families of those currently serving, and those who may have been killed in the line of duty.

N. MOTION - WAIVER OF INTEREST ON HELB LOANS FOR GRADUATES

(Sen. (Dr.) Abdullahi Ali, MP)

THAT, AWARE THAT Higher Education Loans Board (HELB) has, for over the last two decades, become the leading financier of higher education in Kenya whose mandate is to source funds and lend them as affordable loans, bursaries and scholarship to students pursuing higher education in recognized institution;

COGNIZANT THAT, the Ministry of Education announced that the government has lost Kshs. 7.2b through people defaulting payment on loans issued by HELB translating to 74,692 graduates who have defaulted the loans payment;

NOTING THAT, measures were taken to enhance the HELB loan recovery process which included a six month waiver of accumulated interest and penalties, and working with law enforcement officers to make sure the defaulters who are employed payback the loans;

CONCERNED THAT, there are graduates from institutions of higher learning who have not been gainfully employed for many years after graduation, and are therefore burdened with loans that have accumulated interest and penalties that they have no means to repay;

FURTHER CONCERNED THAT, when beneficiaries fail to remit their monthly instalments for more than three months, HELB reports them to the Credit Reference Bureaus (CRB) preventing them from accessing loan facilities with any financial institution in Kenya, accessing employment opportunities in the government and major private and publicly listed companies and the loan guarantors are pursued and forced to service the HELB loan;

NOW THEREFORE, the Senate recommends that the Ministry of Education and HELB –

1. institutes a six (6) month full waiver of all the interest and penalties accrued, including the lifting of Credit Reference Bureau blacklisting, for defaulters who are willing to repay their loans in entirety, within the six (6) month period; and
2. embarks on a forty-five (45) day sensitization exercise preceding the waiver, no later than ninety (90) days after the passage of this motion.

A. MOTION - IMPROVING ALLOCATION OF RESEARCH FUNDS TOWARDS HIGHER LEARNING

(Sen. (Arch.) Sylvia Kasanga, MP)

AWARE THAT, early childhood education and village polytechnics are a function of the County Governments. Secondary schools, Universities, Tertiary institutions and other institutions of research are a function of the National Government under the Fourth Schedule of the Constitution;

FURTHER AWARE THAT, institutions of higher learning have two basic functions, teaching and conducting research;

CONCERNED THAT, such institutions largely concentrate on “teaching” rather than “research”, as a method of enhancing and imparting the practical application of skills, attitude and knowledge by learners;

NOTING THAT, funds allocated towards community and development oriented academic research are neither sustainable nor adequate;

ACKNOWLEDGING THAT, various national policies on research and innovation are available, but fragmentation in the sector has short-changed the vision of a progressive national research agenda, thereby emboldening low science culture among the population, low global competitiveness ranking, inadequate funding, and poor linkages between academic research and commercial industry;

NOW THEREFORE, the Senate urgently calls upon the Ministry of Education, Science and Technology:

- (i) To provide a comprehensive report from all institutions of higher learning on the status and performance of Research & Innovation Programs in the Country;
- (ii) Re-assess Sector Policies, and Develop new work-plans towards:
 - a. Improving allocation of funds for Academic as well as Sustainable Community Based Research to public institutions of higher learning.
 - b. Providing subsidies, and frameworks for partnerships between public & private institutions of higher learning to enable collaboration and better organization in research and innovations for community/county development Projects.

B. MOTION - DEVELOPMENT OF INFORMATION TECHNOLOGY AND TELECONFERENCING POLICY FRAMEWORK AND FACILITIES CONNECTING ALL COUNTY HEALTH FACILITIES TO THE NATIONAL REFERRAL HOSPITALS

(Sen. Judith Pareno, MP)

WHEREAS Article 43 of the Constitution of Kenya provides for economic and social rights enjoyed by every person including the right to the highest attainable standard of health and the right to health care services;

AWARE that the Fourth Schedule to the Constitution of Kenya lists health as one of the functions to be performed by county governments, with the national Government providing health policy framework;

NOTING that Parliament enacted the Health Act, No. 21 of 2017, to establish a unified health system, to coordinate the inter-relationship between the national government and county government health systems, to provide for regulation of health care service and health care service providers, health products and health technologies;

COGNIZANT that the role of both county and national levels of government to ensure a healthy nation is complimentary;

FURTHER AWARE that most health facilities under the county governments are not well equipped with modern technological facilities and requisite personnel, leading to loss of lives especially from preventable and curable diseases;

RECOGNIZING that the government, through the National Broadband Policy has developed more advanced communications and efficient ICT systems with good fibre connection network covering a majority of the counties;

FURTHER COGNIZANT that the lack of structured engagement through technology between the county and national referral hospitals is impacting on quality of health service provision in the county and referral health facilities;

NOW THEREFORE, the Senate resolves that the national government: -

1. fully and urgently implements the Health Act, No.21 of 2017;
2. further collaborates with county governments to initiate and develop an ICT and teleconferencing policy framework; and,

3. facilitates connecting all county health facilities to each other and to the national referral hospitals with a view to ensure seamless and efficient medical consultation between and among medical personnel and health facilities.
