**10\*. MOTION - CERVICAL CANCER SCREENING SERVICES TO ALL WOMEN AND ISSUANCE OF THE HPV VACCINE TO BOYS AND GIRLS BY THE NATIONAL GOVERNMENT**

(The Hon. (Dr.) Tecla Tum, M.P.)

**THAT**, aware that Cervical cancer is the leading type of cancer in the country causing the greatest number of deaths with at least 8 to 10 women succumbing every day to the disease; further aware that most women diagnosed with precancerous changes in the cervix are in their 20s and 30s, but the average age of women when they are diagnosed with cervical cancer is the mid-50s; considering that Human Papilloma Virus (HPV) is one of the most common

viruses in the world with 4 out of 5 (80%) persons getting some type of HPV at least once in a lifetime; cognizant of the fact that men and women can get HPV typically with the immune system getting rid of HPV without needing treatment; deeply concerned that HPV is a major risk factor of cervical cancer with nearly 99.7 percent of cervical cancers being caused by infection from high-risk HPV; appreciating that cervical cancer could be totally eliminated and further averted by putting preventative measures through timely treatments, this House therefore **resolves** that the National Government rolls out free screening services to all women and issuance of the HPV vaccines to boys and girls to reduce the mortality rates and completely eradicate deaths caused by Cervical Cancer in the Country.

**14\*. MOTION - POLICY MEASURES TO ENSURE 100 PERCENT TRANSITION FROM SECONDARY EDUCATION TO TERTIARY EDUCATION**

(The Hon. John Munene Wambugu, M.P.)

**THAT**, aware that according to available data from the country's education sector, a huge percentage of the students who sit for the Kenya Certificate of Secondary Education do not transition to Universities to pursue degree courses; further aware that technical skills and knowledge are fundamental in every profession; concerned that despite the importance of technical and

...../14\*(cont'd)

vocational training in teaching necessary skills and building adequate human capital to achieve and sustain the Country, its uptake in the Country remains low; cognizant that promotion of technical and vocational education and skills alongside academics provides a mix of professionals and skills that the economy requires so as to create balanced manpower requirements; recognizing that Article 55 of the Constitution requires the state to take measures to ensure that the youth access relevant education and training; appreciating the Government's policy of achieving 100 per cent transition of pupils from primary to secondary schools which has seen a huge increase in enrollment in secondary schools; this House resolves that the Government puts in place policy measures to ensure 100 percent transition from secondary to tertiary education.

**15\*. MOTION - REGISTRATION OF FARMERS AND FORMATION OF AGRI-BUSINESS ENTITIES FOR IMPROVED BENEFITS AND SUSTAINABLE FOOD AND NUTRITIONAL SECURITY**

(The Hon. (Dr.) John Mutunga, M.P.)

**THAT**, aware that farmers in Kenya are least organized into Associations, following the collapse of the Agricultural Cooperatives; further aware that, the Crops Act, 2013 provides for registration of farmers so as to establish who they are and what they produce; noting that Government's efforts to establish farmers' organizations have ended up delivering short-lived and unsustainable initiative-based groups which fizzle out soon after their formation; further noting that the best way to organize farmers is through their organizations; appreciating that the best suited organization to undertake farmers' registration is the Kenya National Farmers' Federation which has both experience and capacity; further noting that through organized farmers, farming will be more beneficial in terms of volumes, lowered cost of production and improving organized raw material supply to industry; realizing that organizing farmers into Agri-business entities is a costly undertaking which calls for Government support, and acknowledging that through organized production systems, the country will achieve the Big 4 Agenda faster and also create more and better jobs in the Agricultural Value Chains; this **House urges** the Government to facilitate and support the Kenya National Farmers' Federation to mobilize and organize the registration of farmers into preferred entities and manage national farmers' database for use in engagements and sustainable management of the various Agricultural Product Value Chains.

**16\*. MOTION - FORMULATION OF A COMPREHENSIVE POLICY TO HARNESS DIASPORA KENYANS FOR NATIONAL DEVELOPMENT**

(The Hon. Godfrey Osotsi, M.P.)

**THAT** aware that the existing Kenya Diaspora Policy provides for the mainstreaming of the Kenyan Diaspora into national development process in

...../16\*(cont'd)

line with the aspirations and goals of the Kenya Vision 2030; noting that formal remittance from Kenya Diaspora account for over 3% of the country’s GDP channeled by an estimated three million Kenyans; noting that, contribution by the Kenyan diaspora to the country’s development goes much beyond personal remittances to include increased trade links, better access to foreign capital markets, skills and technology transfer, diaspora investments funds, knowledge exchange among other enormous potential benefits; acknowledging that, the diaspora community continues to contribute immensely to national growth and the economy through increased household investments in education, entrepreneurship, health, finance and housing; concerned that, Kenya ought to formulate practical and incentive-driven policy to harness existing and future diaspora resources for social-economic development; cognizant that Kenya has an obligation to counter the challenges hindering diaspora contribution to national development; **this House resolves** that the Government reviews and formulates a comprehensive policy and structure to harness the ever increasing diaspora resources for national development and that the said policy be presented to National Assembly within one year for consideration.

**17\*. MOTION – ESTABLISHMENT OF DATABASE CENTRES FOR ISSUANCE OF BIRTH CERTIFICATES TO CHILDREN**

(The Hon. Mary Wamaua Njoroge, M.P.)

**THAT**, aware that the Constitution and the Kenya Citizenship and Immigration Act, 2011 provide that every citizen is entitled to any document of registration or identification issued by the State to citizens including a birth certificate; further aware that, Article 53(2) of the Constitution of Kenya provides that a child’s best interests are of paramount importance in every matter concerning the child; cognizant of the fact that, issuance of birth certificates during civil registration associated with children is a challenge across the country due to among other issues, missing information for the parents and children as a result missing and improper documentations, damaged manual documents, and lack of registration of children born outside hospital environments; deeply concerned over the delays and long queues at civil registration centres and the challenges affecting registration of children by the Ministry of Education using the National Education Management Information System (NEMIS) in the Country; **this House urges** the Government to establish database centres in all Civil Registration Centres for purposes of storing all the necessary information required for issuance of birth certificates to all children and puts in place administrative mechanisms to ensure that every child is automatically issued with a birth certificate before the child attains the age of three years.
