14. **MOTION - ENGAGEMENT OF COMMUNITY HEALTH WORKERS BY COUNTY GOVERNMENTS**

(Sen. Rose Nyamunga, MP)

THAT, AWARE THAT county health facilities, and the promotion of primary health care are devolved functions, and each county government is striving to offer the best healthcare to the people of Kenya;

COGNIZANT THAT, the provision of healthcare services is continuously riddled with numerous challenges ranging from understaffing of personnel to inadequate facilities and equipment resulting in congestion in hospitals further restricting effective service delivery;

NOTING THAT every Kenyan has a right to affordable and accessible healthcare, and the President has launched a pilot universal health care program called “Afyra Care” that will see many Kenyans access improved healthcare;

CONCERNED THAT, the diverse nature of counties and wanting infrastructural development is compromising the quality and accessibility of health centres especially during emergency situations, resulting in the loss of many lives occasioned by the failure by patients to reach health facilities in time;

FURTHER CONCERNED THAT, in each county there are numerous unemployed community health workers who are adept at working with communities in emergency situations, and have the requisite experience to support the medical practitioners in our country where, according to the World Health Organization 2014 report, there are two (2) doctors for every ten thousand (10,000) people;

NOW THEREFORE, the Senate resolves that the Council of Governors in partnership with the Ministry of Health –

...../Motion

1. Develop a policy for the training, certification and employment of community health workers to enhance the emergency health service delivery in the Counties, and
2. Facilitate the said community health workers with the necessary basic equipment for use during emergency cases.

15. **MOTION - FORMATION OF COMMUNITY FOREST ASSOCIATIONS TO AID IN MANAGEMENT OF FOREST RESOURCES WITHIN COUNTIES**

(Sen. (Arch.) Sylvia Kasanga, MP)

AWARE THAT, natural and forest resources prevent floods, droughts, erosion and sedimentation, and increase water supply needed to generate more power, expand farm productivity, and meet the ever-increasing demand for domestic consumption of our exploding population;

NOTING THAT, Article 69 of the Constitution and Section (5), (6) and (21) of the Forests Conservation and Management Act (FCMA) 2016 mandates National & County Governments with the responsibility of protecting, collaborating, maintaining, utilizing and attaining a tree cover of at least 10% of the land area in Kenya;

APPRECIATING THAT, there is need to achieve a holistic ecosystem approach to forest resource management, so as to prevent irreversible consequences of human activities on the environment, it is time to make an urgent call upon our citizenry to actively participate in the protection of forests and plant trees;

NOW, THEREFORE, the Senate urges:

1. THAT, all Citizens as per Article 69(2) of the Constitution, and Sections 48 – 52 of the Forest Conservations Management Act be encouraged through the relevant National Government ministries and County departments to contribute in formation of Community Forest Associations to expedite Community Participation in Forest Resources Management;
2. THAT, the National Government and all the 47 County Governments operationalize Tax & Fiscal Incentives (as per FCMA Section 53 – 55) to promote forest conservation and management, and prevent degradation of tree cover in Public, Private and Community Lands (as measures of ensuring sustainability);
3. THAT the National Government communicates progress towards establishment of a National Tree Planting Week, so that State Agencies, Corporations and Kenyans can adequately prepare for the event; and
4. THAT all County Assemblies initiate processes of enacting legislation on Forestry Functions for County Governments (As per FCMA Section 21).
