FIRST SCHEDULEPOLICY AND FINANCIAL RESOLUTIONS RELATING TO THE  
BUDGET POLICY STATEMENT AND THE MEDIUM-TERM DEBT  
MANAGEMENT STRATEGY FOR THE FINANCIAL YEAR 2020/21

---

Policy Resolutions

- (i) **THAT**, before the Budget Estimates for 2020/2021 are submitted to the House, the National Treasury should resubmit the Macroeconomic and Fiscal Framework with adequate information on debt, clearly indicating the amount of concessional, semi concessional and commercial loans; as well as clearly outlining the country's borrowing strategy. This information should be accompanied by a list of specific projects that will benefit from these funds and realign what they submit to the Medium Term Debt Strategy.
- (ii) **THAT**, by 30<sup>th</sup> April 2020 when the budget estimates are submitted to the House, the National Treasury develops a criteria for identifying and isolating core priority programmes (Big 4) in the 2020/2021 budget in order to protect these from ad-hoc expenditure cuts. In addition, an accountability matrix should be provided clearly identifying the total resource requirements as well as a monitoring and evaluation framework.
- (iii) **THAT**, user fees (fines and forfeitures) collected by the Judiciary for services rendered be retained and applied at source to enable operationalization of the Judiciary Fund in line with Article 173 of the Constitution and similar to other government institutions that generate and retain AIA revenues.
- (iv) **THAT**, to enforce commitment control, Ministries, Departments and Agencies ought to submit a quarterly projection of details of commitments by sub-programme/project to the National Treasury. The Treasury then ought to align its cash releases to those specific commitments.
- (v) **THAT**, pending bills that have been established as legally payable and above Kshs. 500 million be settled through a long term instrument including establishment, where necessary, of debt swaps for intergovernmental bills.
- (vi) **THAT**, in order to enhance transparency and accountability, beginning 1<sup>st</sup> July 2020 the net exchequer issues be published in the website of the National Treasury at the end of the month and this be by vote, programme and project.
- (vii) **THAT**, adequate funds be provided for full operationalization of institutions of public finance, in particular, recent institutions created through various pieces of legislation.
- (viii) **THAT**, on the expenditure reduction efforts, the policy of cutting the budget by a certain percentage across the board is not a very effective way of expenditure control. Rather, there ought to be critical reforms in expenditure that will isolate wasteful expenditure and ensure only key expenditure needs are funded.

- (ix) **THAT**, by 30<sup>th</sup> April 2020 when the Budget is submitted, it should clearly indicate projects that will be funded through the Sports fund and the funds be directly applied to these projects.
- (x) **THAT**, the process of filling a vacant constitutional, statutory, or any critical senior leadership position in the public financial and budgetary sectors including the Audit Office should be expedited before the incumbent leaves office to ensure continuity and performance of critical roles provided in the Constitution and the Statutes.
- (xi) **THAT**, to support ongoing reduction in the fiscal deficit, the borrowing strategy should entail a reliable net domestic borrowing target for 2020/21 and the medium term, and a commercial debt borrowing target consistent with the debt ceiling and to ensure that external debt service costs do not breach internationally accepted debt service to exports ratio threshold in the medium term.

### Financial Resolutions

- (xiv) **THAT**, the financing gap of **Kshs. 7 billion** be funded through reprioritization and realignment within the Executive's approved ceiling.
- (xv) **THAT**, in effecting the proposed ceilings for each arm of government, the National Treasury should take into consideration the summary of recommendations of the Departmental Committees on specific Ministries, Departments and Agencies as attached to Schedule 2 and 3 of the Committee report.
- (xvi) **THAT**, county governments be allocated **Kshs. 369.868 billion** for FY 2020/2021 distributed as follows:

**(xviii) THAT**, once approved by this House these recommendations together with Schedule 1 attached **SHALL** form the basis for preparation of the 2020/2021 budget estimates.
