I. KEY ENTITY INFORMATION AND MANAGEMENT

(a) Background information

The Act establishes the Office of the Registrar of Political Parties (ORPP) as a State office within the meaning of Article 260 of the Constitution of Kenya. The Act further provides that ORPP shall be a body corporate with perpetual succession, with a common seal and capable of suing and being sued in its corporate name.

The Act is the primary legal reference for management of political parties in accordance with Articles 91 and 92 of the Constitution 2010, which envisages well-governed political parties that respect internal democracy and their constitutional status in the Kenyan political system. The office promotes a democratic political system that is issue-based, people-centred, result-oriented and accountable to the public as outlined in the Second Medium Term Plan (MTP III), ORPP Strategic Plan, Government Manifesto and Vision 2030.

The Office of Registrar of Political Parties is headed by the Registrar who is responsible for the general policy and strategic direction of ORPP.

The accompanying financial statements constitute the financial statements for the Office of the Registrar of Political Parties.

Vision

An inclusive and viable democratic multi-party system

Mission

To register and regulate political parties for enhanced democracy in Kenya

II. COMMENTARY BY THE ATTORNEY GENERAL

1. Introduction

The Republic of Kenya is a multi-party democratic state founded on the national values and principles of governance (Article 4). The people of Kenya are free to exercise their political and democratic rights through free, fair and credible electoral process. The Constitution provides that every person is equal before the law and has a right to make political choices, which include the right to belong and campaign for a political party of their choice (Article 38).

The constitution envisages well-governed and managed political parties. Articles 91 and 92 of the Constitution recognize political parties as important governance institutions in the promotion of democracy. To operationalize the two Articles the Political Parties Act, 2011 was enacted. The Act established the Office of the Registrar of Political Parties (ORPP) as an independent state office within the meaning of Article 260 of the Constitution of Kenya 2010.

2. Summary of budget performance for the year ended 30th June 2019

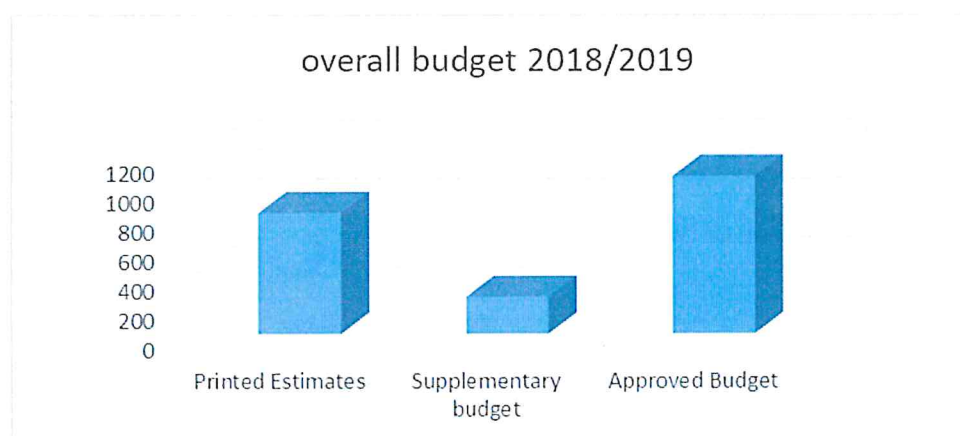

During the financial year 2018/19, ORPP was allocated budget of Kshs. Eight hundred and twenty two million, two hundred Thousand (822.2) Million in the printed estimates. Through supplementary budget estimates No. 1, the budget was reduced by Kshs. Twenty five million, two hundred thousand (25.2) million leaving a balance of Kshs. Seven hundred and ninety six million, nine hundred thousand shillings (796.9) million. The budget was increased through supplementary budget estimate No. 2 by Kshs. Two hundred and seventy five million (275) million bringing the total approved budget to Kshs. One billion and seventy two million shillings (1,072) million. During supplementary two estimates, the ORPP operations budget was reduced by Kshs. Twenty five million shillings (25) million whereas the budget for the political parties fund was increased by Kshs. Three hundred million (300) million. While executing the budget, the office complied with provision of PFM, PPA&D and PPA Act.

The actual expenditure for the financial year 2018/2019 was Kshs. 1,016,291,053 (One Billion and Sixteen million Two Hundred and Ninety One and Fifty Three) representing 95% budget utilization. The office was not able to achieve 100% utilization on the budget amount because of lack of exchequer, which resorted to pending bills amounting to approximately Kshs 32 million.

3. Key Achievements of the office of the Registrar of Political Parties

3.1. Key Achievements of the Office of the Registrar of Political Parties during the 2018/2019 financial year.

3.1.1. Legal and Regulatory Framework Strengthened

a) Publication of the Popular Version of the Political Parties Act.

OFFICE OF REGISTRAR OF POLITICAL PARTIES

Reports and Financial Statements

For the year ended June 30th, 2019

After the evaluation of the performance of ORPP in the 2017 general elections it was realized that there is need to sensitize the general public, political parties and aspiring candidates on the requirements of the Political Parties Act, 2011. It was conceived that the sensitization should take place long before the elections mood picks up. In this regard it was necessary to develop a simplified version of the Political parties Act, (Popular Version) which would be simple to disseminate to the general public. Further it was important to have the simplified version in both English and Kiswahili in order to reach a greater population.

b) Review of the Political Parties Act Regulations

The Office of the Registrar of Political Parties embarked on a programme to review the Regulations following the enactment of the Political Parties Act, 2011 which repealed the Political Parties Act 2007.

Under the Political Parties Act, 2011, the Office of the Registrar of Political Parties (ORPP) was established as an independent State Office within the meaning of the Article 260 of the Constitution. Section 49 of the Act gives the Registrar powers to make Regulations generally for the implementation of the Act.

The office, through extensive stakeholder consultative forums developed three sets of Regulations under the Political Parties Act, 2011 namely:-

- 1 The Political Parties Act (Registration) Regulations;
- 2 The Political Parties Act (Funding) Regulations; and
- 3 The Political Parties Liaison Committee Regulations.

Key stakeholders engaged included the Political Parties, Political Parties Liaison Committee, the Independent Electoral and Boundaries Commission (IEBC), Kenya Law Reform Commission, Judiciary, State Law Office, Parliament, Political Parties' Dispute Tribunal among others.

Further, the Political Parties Act, 2011 was amended in 2016 to provide for among other things, the promotion of representation of the marginalised groups. The amendments were in accordance with Article 100 of the Constitution. The amendments were substantial and necessitated further review of the Regulations to reflect the new legislative changes.

Consequently, the ORPP spearheaded a final consultative process to review the Regulations and finalized on the draft Regulations in 2016. The draft regulations were presented to the Parliamentary Committee on Delegated Legislation in September 2016. The Committee made its input and recommended that the Regulations be revised and tabled for approval at a later date. However, it was not tenable to conclude this exercise due to the intricacies of the 2017, General Elections. The draft Regulations were re-presented to the new Committee on Delegated Legislation National Assembly and has since been approved for publication pursuant to guidance by the State Law Office.

3.1.2. Registration of Political Parties

Registration of political parties is one of the key mandates of the office of the Registrar of Political Parties.

During the Financial Year 2018/2019, ORPP received twenty (20) applications for provisional registration which were thoroughly scrutinized to ensure that the applicant parties had complied with the requirements of the political parties Act.

a) Provisional Registration

Six applications qualified for provisional registration and were issued with certificates of provisional registration, namely; Civic Renewal Party, United Green Movement, Ushirika wa Haki na Maendeleo, Unified Change Party, Party of Economic Democracy, National Reconstruction Alliance

b) Full Registration

All the Six provisionally registered political parties embarked on the full registration process and their applications were reviewed in line with section 7 of Political Parties Act. During the year under review, the office registered two new political parties namely; United Green Movement and Civic Renewal Party bringing the total number of fully registered political parties to sixty - eight (68).

3.1.3. Enhanced Compliance by Political Parties

The office implemented its mandate to regulate political parties to ensure continuous compliance with the Act. The average compliance rate improved from 44.4% to 50%. The improvement was attributed to the following activities:-

a) Compliance Audit

ORPP undertook a compliance audit of all the fully registered political parties and scrutinized the following compliance areas:- Party Constitution, statutory membership, statutory offices, governing body in regards to- Special Interest Groups (SIGs), Women, Youth, ethnic representation, PWDs and financial statements.

The findings of the audit were indicative of the compliance level and assisted in highlighting the non-compliance issues for which compliance notices and circulars were issued to the non-complying parties

b) Compliance review meetings

The Office organized a compliance meeting with all political parties where parties were issued with their compliance report cards following the compliance audit exercise. During the meeting one on one discussions were conducted with each political party and the challenges contributing to non-compliance discussed. Political Parties were encouraged to put effort since they would be penalized for continuous noncompliance. In addition, they had one on one session with the ORPP Officers where they were taken through their individual party compliance status.

Following the meeting, various political party officials held individual meetings with the Compliance department to discuss their status and how to comply. In addition, various political parties submitted the required documentation to ensure their compliance. As at 18th June 2019, the following parties were fully compliant with the Act;

c) Policy and guidelines

The office issued circulars, guidelines and notices to political parties on regulation in regard to the compliance requirements under of the Political Parties Act, 2011. For instance in line with

OFFICE OF REGISTRAR OF POLITICAL PARTIES
Reports and Financial Statements
For the year ended June 30th, 2019

Section 29 and 31 of the Political Parties Act, 2011 which requires parties to publish their sources of funds and submit the accounts of each political party to the Auditor General within three months after the end of each financial year. Notices to political parties to file financial statutory requirements which included statements of assets and liabilities, annual audited accounts, expenditure returns and work plans were also issued.

3.1.4. Maintenance of Membership Database

The office maintained an updated political parties' database, which ensured that no person is a member of more than one political party as required by the Political Parties Act, 2011. It contained pertinent details of the fully and provisionally registered political parties including membership database, party headquarters and branches, party symbols and contacts. By June 30, 2019, political parties' membership was 14,620,293, which comprised of 6,953,128 women and 7,667,165 men as illustrated in the chart below:

a) Political Parties Capacity Building

The office trained 71 data clerks, drawn from the fully registered and provisionally registered political parties on how to use Integrated Political Parties Management System (IPPMS).

OFFICE OF REGISTRAR OF POLITICAL PARTIES

Reports and Financial Statements

For the year ended June 30th, 2019

Subsequently, political parties registered 449,072 members during the year ended June 20, 2019 using aforementioned system.

b) Integrated Political Parties Management System (IPPMS) Upgrade

In order to enhance the efficiency and effectiveness of Integrated Political Parties Management System (IPPMS) in the management of political parties, the following upgrades were done:

1. A new module was developed to assist in ensuring that any political party name, abbreviation or symbol proposed for registration by an applicant is not registered or reserved.
2. Improved the system to ensure that important reports pertaining to a political party membership are sent to all the Secretary Generals of registered political parties on emails.
3. More reports were developed and uploaded to enhance decision making. The new reports developed included

3.1.5. Coordination of PPLC Activities

The Political Parties Liaison Committee (PPLC) is established under Section 38 of the Political Parties Act, 2011 as a dialogue platform between the Registrar, Independent Electoral and Boundaries Commission and political parties. During the period under review,

OFFICE OF REGISTRAR OF POLITICAL PARTIES

Reports and Financial Statements

For the year ended June 30th, 2019

the committee carried out a post-election evaluation exercise of the 2017 General Elections and provided recommendations for improving the conduct of future general elections. Further, the committee initiated the development of PPLC strategic plan whose purpose is to guide the committee in the execution of its mandate as provided for in the Act.

The committee being a tripartite dialogue platform and key in issues related to elections, it identified areas in the electoral laws that require reforms. The committee's proposals will be key to institutions that have mandate in the review of the electoral laws. The committee in furtherance of harmonious working relationship between its members, developed a draft Code of Conduct and Dispute Resolution Rules, which will guide on the workings/ conduct of the committee once finalized.

The Political Parties Liaison Committee participated in the development of draft political parties (political parties liaison committee) regulations, 2018. The regulations will be finalized during the financial year 2019/2020. In addition, the committee made a proposal to the representation of Special Interest Groups Laws (Amendment) Bill, 2019. The proposals we submitted to the Constitutional Implementation Oversight Committee for consideration. Further, the committee made submission to the Bridging Bridges Initiative.

The PPLC has a national steering committee whose tenure of office is three years. During the period under review, the tenure of the office bearers ended, and the steering committee together with the various sub-committees conducted elections, which were supervised by the Independent electoral and boundaries commission and the Registrar of political parties.

3.1.6. Litigation/Intra-and Inter-Party Resolution

Political parties are recognized as important institutions in the promotion of democracy under the Constitution. Considering the competitive nature of democratic politics, disputes and conflicts are common among members of political parties and the political parties.

OFFICE OF REGISTRAR OF POLITICAL PARTIES**Reports and Financial Statements****For the year ended June 30th, 2019**

Political Party Constitutions provides adequate internal dispute resolution mechanisms. In addition to this, PPA also allows members to resort to the Political Parties Dispute Tribunal (PPDT), if dissatisfied with the findings of the internal mechanisms. More often than not, the office is always enjoined as party in such disputes before the PPDT as an Interested Party.

During the year under review, the office was enjoined in more than ten (10) cases both before the High Court and the Political Parties Dispute Tribunal. The office also had one (1) case before the Court of Appeal.

The table below outlines a summary of the some of the cases and their status.

NO	CASE CITATION	COURT/TRIBUNAL	STATUS

3.1.8. Promoting Women's participation and other SIGs in political process.

To enhance women's participation in the political and electoral process, the office carried out several activities, which included;

- (i) Confirming that the governing officials of the parties meet the two-thirds gender principle.
- (ii) Scrutiny of the party constitutions to confirm that the provisions support the participation of women.

- (iii) Carrying out sensitization programs with political parties to deliberate on compliance with the gender principle.

This led to a significant increase of parties' compliance in regards to the two-thirds gender rule with approximately 44% of the registered Political Parties governing bodies meeting this requisite.

In addition, the Office in an effort to actualise Articles 81 (b) and 100 of the Constitution has been part of and supported various programs. For instance, the County Assemblies Forum (CAF) launched a Leadership Program for Women Members County Assemblies and the Office participated in the review of the program. The Office further held various meetings with political parties through the PPLC forum with an emphasis on the actualization of Article 100 of the Constitution.

3.1.9. Policy and legislation of party primaries

The Office formed an inter-governmental agency with an aim of establishing a framework to regulate party primaries to ensure the promotion of free and fair nominations with adherence to the law. The Taskforce formulated a draft policy framework on the conduct of political parties primaries in Kenya as well as identified key issues for legal reform of the electoral laws. In addition the Taskforce carried out public participation through forums on the draft policy framework in seven regions namely Kisumu, Mombasa, Nakuru, Nyeri, Isiolo, Eldoret and Kitui. Several meetings were also held with key stakeholders including political parties, civil society organizations and parliamentary caucus group.

3.1.10. Deregistration

In line with Section 21 of the Political Parties Act, 2011 the Office initiated the deregistration process of two political parties namely; Kenya National Democratic Alliance (KENDA) and Vibrant Democratic Party (VDP). In line with the Act, the Office gazetted the parties for deregistration and handed over the parties particulars to the State Law Office for them to begin the winding up process.

III. STATEMENT OF ENTITY MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Registrar of Political Parties accounting shall prepare financial statements in respect of the office. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed by the Public Sector Accounting Standards Board of Kenya from time to time.

The Registrar of Political Parties is the accounting officer Office of the Registrar of Political Parties and is responsible for the preparation and presentation of the financial statements, which give a true and fair view of the state of affairs of the office for and as at the end of the financial year ended on June 30th, 2019. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Registrar of Political Parties accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the financial statements give a true and fair view of the state of transactions during the financial year ended June 30th, 2019, and of the entity's financial position as at that date. The Registrar of Political Parties further confirms the completeness of the accounting records maintained for the office, which have been relied upon in the preparation of the financial statements as well as the adequacy of the systems of internal financial control.

The Registrar of Political Parties confirms that the entity has complied fully with applicable Government Regulations and Political parties Act and that the Office of the Registrar of Political Parties' funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further, The Registrar of Political Parties confirms that the entity's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The Office of the Registrar of Political Parties' financial statements were approved and signed by the Registrar on 30.09. 2019.

REPORT OF THE AUDITOR-GENERAL ON OFFICE OF THE REGISTRAR OF POLITICAL PARTIES FOR THE YEAR ENDED 30 JUNE, 2019

REPORT ON THE FINANCIAL STATEMENTS

Opinion

I have audited the accompanying financial statements of the Office of the Registrar of Political Parties set out on pages 1 to 15, which comprise the statement of assets and liabilities as at 30 June, 2019, and the statement of receipts and payments, statement of cash flows, summary statement of appropriation - recurrent for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, the financial statements present fairly, in all material respects, the financial position of Office of the Registrar of Political Parties as at 30 June, 2019, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the Political Parties Act, 2011.

Basis for Opinion

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of Office of the Registrar of Political Parties in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Pending Bills

Note 12.1 to the financial statements reflects pending bills of Kshs.27,731,307 as at 30 June, 2019 out of which bills amounting to Kshs.4,968,825 relate to previous financial years. Failure to settle bills in the year to which they relate distorts the financial statements for the year and also affects the budgetary provisions for the subsequent year.

Further, Annex 1 to the financial statements – analysis of pending accounts payable - did not include details on the dates the bills were contracted contrary to the requirements of the reporting template issued by the Public Sector Accounting Standards Board.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matter described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

Inadequate Staffing

The approved staff establishment provides for 209 members of staff for the Office of the Registrar of Political Parties. However, only 66 members of staff were in post as at the time of audit resulting into a shortfall of 143 staff members across the various

staff cadres. Further, the Registrar was on an acting capacity and the three (3) positions of Deputy Registrars provided for under Section 33(2) of Political Parties Act, 2011 had not been filled.

The staff shortages especially in key senior management positions may have negatively affected the ability of the Office to effectively deliver on its mandate.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control.

In preparing the financial statements, Management is responsible for assessing the ability of the Office of the Registrar of Political Parties to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of intention to terminate the Office of the Registrar of Political Parties or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public money is applied in an effective manner.

Those charged with governance are responsible for overseeing the Office's financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or

error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance review is planned and performed to express a conclusion with limited assurance as to whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution. The nature, timing and extent of the compliance work is limited compared to that designed to express an opinion with reasonable assurance on the financial statements.

Further, in planning and performing the audit of the financial statements and review of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Office policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Office's ability to continue as a going concern or to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Office to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Office to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Surplus/Deficit						

Notes

- During the year, the office contemplated filling the vacancies of the three assistant registrars as required by the office establishment. The advertisement was done through public service commission on 18th September 2018. The process was however, halted and the three posts were never filled. This led to the underutilization of funds under the item on personal emoluments.
- The underutilization of funds on use of goods and services was occasioned by lack of exchequer
- The underutilization of funds on use of goods and services was brought about by lack of exchequer that resulted to piling of pending bills.

The entity financial statements were approved on 30.09.2019 and signed by:

Ann N. Nderitu, MBS
Registrar of Political Parties

John Macharia
Assistant Accountant General
ICPAK M/ No: 5474

VIII. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

2. Reporting Entity

The financial statements are for the office of the Registrar of Political Parties encompass the reporting entity as specified under section 81 of the PFM Act 2012.

3. Reporting Currency

The financial statements are presented in Kenya Shillings (KShs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the Entity for all the years presented.

a) Recognition of Receipts

The Entity recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Entity.

- **Transfers from the Exchequer**

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

- **Other receipts**

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognised in the financial statements the time associated cash is received.

b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the Entity.

OFFICE OF REGISTRAR OF POLITICAL PARTIES
Reports and Financial Statements
For the year ended June 30th, 2019

- **Compensation of Employees**

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

- **Use of Goods and Services**

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

- **Acquisition of Fixed Assets**

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

5. In-kind contributions

In-kind contributions are donations that are made to the Entity in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Entity includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

6. Third Party Payments

Included in the receipts and payments, are payments made on its behalf to third parties in form of loans and grants. These payments do not constitute cash receipts and payments and are disclosed in the payment to third parties in the statement of receipts and payments as proceeds from foreign borrowings.

7. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

Restriction on Cash

Restricted cash represents amounts that are limited/restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation.

Amounts maintained in deposit bank accounts are restricted for use in refunding third party deposits. As at 30th June 2019, this amounted to Kshs.61,951,882 compared to Kshs.52,539,282 in prior period

OFFICE OF REGISTRAR OF POLITICAL PARTIES
Reports and Financial Statements
For the year ended June 30th, 2019

There were no other restrictions on cash during the year.

8. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

9. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

10. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Entity at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest and deposits, which are accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on June 2018 for the period 1st July 2018 to 30th June 2019 as required by Law and there were two supplementary adjustments to the original budget during the year.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

Government Development Projects are budgeted for under the MDAs but receive budgeted funds as transfers and account for them separately. These transfers are recognised as inter-entity transfers.

12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2019.

For the year ended June 30th, 2019

14. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 26 explaining the nature and amounts.

13. PROGRESS ON FOLLOW UP OF AUDITOR RECOMMENDATIONS

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor. We have nominated focal persons to resolve the various issues as shown below with the associated time frame within which we expect the issues to be resolved.

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Focal Point person to resolve the issue (Name and designation)	Status: (Resolved / Not Resolved)	Timeframe : (Put a date when you expect the issue to be resolved)
2	Inadequate staffing; the registrar was on acting capacity and the three deputies' registrar were not in place.	Through Public Service commission, the office advertised the positions of Registrar of Political Parties and the three assistant Registrar's. the office further sought authority from the National Treasury to fill the vacant positions which was declined but advised to review the office structure to obtain a lean and efficient structure	Director Human resource.	Resolved and Not resolved	N/A

Guidance Notes:

- (i) Use the same reference numbers as contained in the external audit report;
- (ii) Obtain the "Issue/Observation" and "management comments", required above, from final external audit report that is signed by Management;
- (iii) Before approving the report, discuss the timeframe with the appointed Focal Point persons within your entity responsible for implementation of each issue;
- (iv) Indicate the status of "Resolved" or "Not Resolved" by the date of submitting this report to National Treasury.
