1. This Act may be cited as the Alcoholic Drinks Control (Amendment) Act, 2020.

Short title.

2. Section 31 of the Alcoholic Drinks Control Act, (in this Act referred to as “the principal Act”), is amended in sub-section (1) by deleting the expression “250 milliliters” appearing in paragraph (a) and substituting therefor the expression “750 milliliters”.

Amendment of section 31 of No. 10 of 2010.

3. Section 68 of the Principal Act is amended in sub-section (2) —

Amendment of section 68 of No. 10 of 2010.

(a) by inserting the following new paragraph immediately after paragraph (h);

(ha) prescribe the percentage of fees on the value of any form of alcoholic drink payable as deposit for the purchase of an alcoholic drink in a glass container.

MEMORANDUM OF OBJECTS AND REASONS

The principal object of this Bill is to amend the Alcoholic Drinks Control Act, No.10 of 2010 in order to ensure that packaging of alcoholic drinks are in quantities not below 750 millilitres. This is in order to deal with the menace of excessive drinking occasioned by the sale of very low quantities of alcoholic drinks making it accessible to youths.

The Bill further seeks to provide for deposit refund for the purchase of alcoholic drinks in glass bottles. This is in order to encourage recycling of glass bottles and also to reduce environmental pollution by providing an economic incentive.

Statement on the delegation of legislative powers and limitation of fundamental rights and freedoms

The Bill neither delegates legislative powers nor does it contain provisions limiting fundamental rights and freedoms.

Statement on whether the Bill concerns county governments

This is not a Bill concerning county governments in terms of Article 110(1) (a) of the Constitution.

Statement on the financial implications of the Bill

The enactment of this Bill shall not occasion additional expenditure of public funds to be provided for in the estimates.

Dated the 14th October, 2020.

DANSON MWAKUWONA,
Member of Parliament.
