4. **MESSAGES**

The Speaker conveyed the following Message from the H E the President: -

ON THE NOMINATION OF PERSONS FOR APPOINTMENT AS CHAIRPERSON AND MEMBER OF THE TEACHERS SERVICE COMMISSION

“**Honourable Members**, I wish to report to the House that I have received a Message from His Excellency the President conveying his nomination of Dr. Jambeck Muturi John, Ph D and Mr. Timon Alfred Oieno Oyicho for appointment as a Chairperson and Member of the Teachers Service Commission, respectively. His Excellency the President, having exercised his powers under Article 250(2)(b) of the Constitution as read together with section 8(7) of the Teachers Service Commission Act, (No. 20 of 2012), is now seeking the approval of the National Assembly on the appointment of Dr. Jambeck Muturi John, Ph D and Mr. Timon Alfred Oieno Oyicho as Chairperson and Member, respectively of the Teachers Service Commission

Honourable Members, Standing Order 45 requires that, upon receipt of notice of nomination for appointment of a person to such office, the nomination shall stand committed to the relevant Departmental Committee of the House for consideration. Further, section 8(8) of the Teachers Service Commission Act, (No.20 of 2012), requires the National Assembly to either approve or reject the nominees to the positions within **Twenty One (21) days** of its sittings.

In this regard, **Honourable Members**, pursuant to the provisions of the said law and paragraph (3) of Standing Order 42 relating to *Messages from the President*, I hereby

5. **PETITIONS**

The following Petitions were presented by: -

(i) The Speaker of the National Assembly: -

REGARDING AMENDMENT OF THE FIREARMS ACT, CAP 114

“**Honourable Members**, pursuant to Standing Order 225(1)(b), I wish to report to the House that I have received a Petition from Dr. Machanga Mareko, National Identification Number 6485106 seeking an amendment to the Firearms Act (Cap 114 of the Laws of Kenya) to provide for mandatory mental examination as a pre-condition for acquiring a firearm licence, among other proposals.

Honourable Members, the petitioner, a psychiatrist by profession and a firearms examiner at Kenyatta National Hospital has highlighted several inadequacies in the Firearms Act. In particular, he argues that lack of provisions requiring all applicants for firearm licences to undergo mandatory mental examination as a precondition for issuance of a firearm certificate might be a precursor to some incidences of misuse of firearms by some licenced holders.

The petitioner further contends that the Act does not clearly define what constitutes “the legal use of a firearm”. Consequently, he decries the fact that the lacuna exposes licensed firearm holders to criminal liability and/or murder charges in the event that he/she occasions injury or death even when the firearm is used for defence against a dangerous aggressor(s) or on a humanitarian rescue mission.

Honourable Members, the petitioner is therefore praying that this House considers amending the Firearms Act to prescribe, among other things, that the use of a licensed firearm should not necessarily occasion a charge of murder or necessarily attract criminal prosecution of the licensed firearm holder and to protect the firearms holders from adverse criminal record that may deny such legal firearm licensees certain privileges and services, and to provide for mandatory mental examination for all applicants of firearm licences as a pre-condition for acquiring the license.

Honourable Members, having determined that the matters raised by the petitioners are well within the authority of this House, I order that pursuant to the provisions of Standing Order 227, this Petition be committed to the Departmental Committee on Justice and Legal Affairs. The Committee is required to consider the Petition and report its findings to the House and the Petitioners in accordance with Standing Order 227(2).

I thank you”

(Leader of the Majority Party)

(ii) **REPORT OF THE DEPARTMENTAL COMMITTEE ON COMMUNICATION, INFORMATION AND INNOVATION ON ITS CONSIDERATION OF A PETITION REGARDING REMOVAL FROM OFFICE OF MS. TABITHA MUTEM AS A MEMBER OF THE MEDIA COUNCIL OF KENYA**

THAT, taking into consideration the findings of the Departmental Committee on Communication, Information and Innovation in its Report on *the consideration of a Petition regarding Removal from office of Ms. Tabitha Mutem as a Member of the Media Council of Kenya, laid on the Table of the House on March 30, 2021*, and pursuant to the provisions of section 14(3) of the Media Council Act, 2013, this House finds that the Petition as submitted discloses sufficient grounds as contemplated under section 14(1) of the Media Council Act, 2013 and resolves to submit the complaint to the Cabinet Secretary for Information, Communication and Technology, and Youth Affairs in accordance with section 14(3) of the Media Council Act, 2013.

(Chairperson, Departmental Committee on Communication, Information and Innovation)

(iii) **TREE PLANTING ALONG THE ROADSIDES AND ROAD RESERVES**

THAT, aware that Article 42 of the Constitution accords every person the right to a clean and healthy environment and that Article 69(1)(d) also mandates the State to encourage public participation in the management, protection and conservation of the environment; further aware that, deforestation is one of the main contributors to climate change; noting that, Kenya has not been spared by the effects of global warming and climate change as a result of deforestation amongst other aspects; also aware that, the road network in the country currently stands at approximately 177,800 kilometres with a development rate of 600km per annum, deeply concerned that, there has been persistent destruction of trees and vegetation along the road reserves and roadsides during road

construction leading to adverse effects on the ecosystem cognizant that, studies have shown that the benefits accumulated from roadside tree planting include better soil formation due to shedding of dead leaves, increased water quality by reducing sediment flow, reduced erosion, road beautification, flood control as the trees slow and absorb water runoff, wind-breaking, providing important pollinator habitats, improving peoples' health, and protecting crops; now therefore, this House resolves that the Government introduces a component of tree planting in all road network designs and also makes it compulsory for road contractors to replace any tree harvested during road construction upon completion of the project.
