AWARE THAT, the Constitution, in its preamble acknowledges the cultural diversity of the Kenyan people who are determined to live in peace and unity as one indivisible sovereign nation whilst, Article 11 of the Kenyan Constitution recognizes culture as the foundation of the nation;

development of culture, little information has been available to the Kenyan public;

ACKNOWLEDGING, that culture performs a significant role in the life of a child, the cultural background in which a child is brought up affects the totality of his or her life's activities;

CONCERNED, that our children are losing their sense of identity due to the negative influences due to inadequate cultural identity catalyzed by globalization which has led to catastrophic consequences to the next generation as experienced in our country where a majority of young people are showing symptoms of feeling suicidal, anxious, feeling of hopelessness, anger, violence, feeling isolated, and paranoia;

NOW THEREFORE, the Senate urges the Cabinet Secretary, Ministry of Sports, Culture and Heritage to –

- a) Formulate cultural development policies and initiatives to inculcate stronger community values, safeguard Kenya's heritage, recognize local heroes and promote socio-cultural opportunities in the counties; and
- b) Formulate strategies to create an enabling environment for protection and promotion of diversity of cultural expressions in all counties.

NOTING THAT the beneficiaries receive a monthly stipend of Kshs. 2,000, delivered every two months through appointed payment agents, and also entitled to medical insurance through the National Health Insurance Fund (NHIF);

CONCERNED HOWEVER THAT the programme's credibility is marred by issues of delayed payments to beneficiaries, difficulties in processing of payments through the stipulated agents and payments to unregistered persons;

...../Motion

NOW THEREFORE, the Senate recommends that the County Governments complement the efforts of the National Government and assist in resolving these challenges by:-

- 1. Developing legislation and policies to protect the elderly including ensuring all elderly persons in their counties are registered in the OPCT programme; and
