

REPUBLIC OF KENYA

TWELFTH PARLIAMENT – FIFTH SESSION

THE NATIONAL ASSEMBLY

VOTES AND PROCEEDINGS

THURSDAY, AUGUST 19, 2021 (AFTERNOON SITTING)

1. The House assembled at Thirty Minutes past Two O'clock in the morning
2. The Proceedings were opened with Prayer
3. **Presiding** – The Hon. Speaker
4. **PETITIONS**

The following Petitions were reported-

a) Pursuant to Standing Order 225(2)(b), the Speaker reported to the House the following Petitions –

(i) **Zero-rating Taxation on water tanks, farming equipment and tools as laid out in the Finance Act and other relevant legislation**

“Honourable Members, Standing Order 225(2) (b) requires the Speaker to report to the House any petition, other than those presented by a Member. Further, Article 119 of the Constitution provides for the right of any person to petition Parliament to consider any matter within its authority, including petitioning the House to enact, amend or repeal any legislation.

In this regard, **Honourable Members,** I wish to report to the House that my office has received a petition signed by Mr. Taratisio Ileri Kawe of ID No. 8600483. The Petitioner is concerned that the country’s food production is heavily reliant on rainfall patterns, which have become quite unreliable in the recent past. Given the circumstances, the Petitioner observes that food security is not sustainable unless immediate action is taken to protect the environment and conserve water. The Petitioner is appalled that most citizens have drifted into abject poverty due to lack of an enabling environment that ensures sustainable agricultural production and to reduce uncompetitive importation of farm produce from neighbouring countries.

Honourable Members, the Petitioner notes that majority of poor Kenyans cannot afford to purchase equipment for the construction of pans and for harvesting rain water to ensure sustainable irrigation systems and to reduce reliance on the seasonal rains. He therefore proposes complete zero rating of taxes on water tanks, farming equipment and tools.

Honourable Members, the Petitioner is cognizant of the fact that although it may seem that the Government may lose revenue due to the gap created by the failure to tax the equipment and machinery, the government is bound to benefit from more taxes collected through agribusiness.

Honourable Members, the Petitioners therefore pray that the National Assembly amends all relevant laws and reviews relevant regulations with a view to encouraging majority of Kenyans to harvest rain water.

Honourable Members, having determined that the matters raised by the petitioners are well within the authority of this House, I order that, pursuant to the provisions of Standing Order 227(1), this Petition be committed to the Departmental Committee on Finance and National Planning. The Committee is required to consider the Petition and report its findings to the House and the Petitioners in accordance with Standing Order 227(2).

I thank you!"

(ii) **Payment of Pending Bills owed to Suppliers of the National Youth Service (NYS) for the period 2013-2018**

"Honourable Members, Standing Order 225(2)(b) requires the Speaker to report to the House any petition, other than those presented by a Member. Further, Article 119 of the Constitution provides for the right of any person to petition Parliament to consider any matter within its authority, including petitioning the House to enact, amend or repeal any legislation. In this regard, I wish to report to the House that my office has received a petition from persons identifying themselves as suppliers and contractors who were engaged by the National Youth Service (NYS) to supply goods and offer various services during the period 2013-2018.

Honourable Members, the petitioners aver that during the period 2013-2018, the NYS initiated various projects and programmes including the rebranding of the agency, slum upgrading projects as well as youth and women empowerment programmes across the country. They further aver that in line with the terms of engagement, they delivered on their contractual obligations to the satisfaction of the agency and were there entitled to payment for the good and/or services rendered. However, due to financial scandals that erupted within the NYS around the year 2015, all payments were suspended and a Multi-Agency Verification Committee was later jointly established by the Cabinet Secretary for Public Service & Gender and the National Treasury to verify all pending bills and claims against the NYS.

Honourable Members, the petitioners state that the Multi-Agency Verification Committee tendered its report and recommended the payment of the genuine and verified suppliers and contractors. However, the petitioners observe that this has not happened despite a presidential directive for all public entities to clear all verified pending bills owed to suppliers and contractors.

Consequently, the petitioners now seek the intervention of this House to cause the concerned parties to process the verified payments to the suppliers to avert further

suffering as some are servicing loans and other credit facilities. **Honourable Members,** The petitioners seem to have knocked on every other door without success. It is for this reason that they now seek the assistance of the National Assembly as a matter well within its authority.

Honourable Members, pursuant to the provisions of Standing Order 227(1), this Petition stands committed to the Departmental Committee on Finance & National Planning. The Committee is requested to consider the petition and report its findings to the House and to the petitioners in accordance with Standing Order 227(2). In considering the issues herein and whatever recommendations it makes, may I implore the Committee to ensure you address the fact that it is possible there were genuine suppliers even before the scandals and who have not been paid to date. You may therefore attempt to separate the genuine suppliers and the others as that seem to be the bone of contention, which has clearly had detrimental effects to numerous genuine merchants.

I thank you!"

- b) Pursuant to Standing Order 225(2)(a), the Member for Laikipia North Constituency (Hon. Sarah Paulata Korere, M.P.) presented a Petition on behalf of residents of Kirimun Community in Samburu and Laikipia Counties regarding restoration of Kirimun Community Land.

The Petition was referred to the Departmental Committee on Lands for consideration.
