C. Summary of the status of disbursements from the National Treasury to the National Account

(i) 2021/2022 Financial Year

The NG-CDF was allocated a total of Kshs. 41,714,800,000 for the 2021/2022 financial year. Subsequent to the allocation, the Board determined the financial ceiling for each constituency in consultation with the National Assembly Select Committee in line with Section 6 and 34 of the NGCDF Act. This paved way for the National Government Constituency Development Fund Committees (NGCDFCs) to embark on preparation of project proposals for the 2021/2022 financial year. The Board is in the process of receiving and considering proposals from the constituencies.

Section 39(2) provides that:

“The disbursement of funds to the constituency fund account shall be effected at the beginning of the first quarter of each financial year with an initial amount equivalent to twenty-five per centum of the annual allocation for the constituency and thereafter the constituency fund account shall be replenished in three equal instalments at the beginning of the second, third and fourth quarters of the financial year”.

Pursuant to the above section, the Board has received first quarter allocation amounting to Kshs.10.4287 billion from the National Treasury and Planning as tabulated here below:

Section 40 of the Act further provides that the Board shall ensure that the list of projects forwarded to it by each constituency is, upon approval, funded in accordance with the Act.
