4. **PETITION**

The Deputy Speaker conveyed the following Petition –

Petition for Compensation of Family Property Destroyed for Political Reasons in Githunguri

“Honourable Members, Standing Order 225(2)(b) requires the Speaker to report to the House any petition, other than those presented by a Member. Further, Article 119 of the Constitution provides for the right of any person to petition Parliament to consider any matter within its authority, including petitioning the House to enact, amend or repeal any legislation.

In this regard, **Honourable Members,** I wish to report to the House that my office has received a petition from Mr. Samuel Gilbert Njenga Karumbi of P.O. Box 32180 Nairobi seeking compensation for the loss of family property destroyed as a result of skirmishes that occurred in Githunguri, Kiambu County in 1997.”

The 62-year old petitioner who hails from Ria Githu village in Githunguri avers that on 9th December 1997, the Kenya African National Union (KANU) Party held party nominations in Githunguri Town in which his brother Mr. Stephen Waweru Njenga vied for nomination for the Githunguri parliamentary seat. Disputes arising from the party nominations led to politically instigated skirmishes where thugs burnt three houses, maimed his mother with an axe, burnt a new pick-up van, slashed six cows to death, uprooted bananas and maize from the farm, and caused considerable damage to the

entire homestead while mocking the family following his brother's loss in the nominations.

Honourable Members, the Petitioner, who has unsuccessfully attempted to obtain redress from the Ministry of Interior and Coordination of National Government, seeks the intervention of this House in order to secure compensation for the loss of property and distress occasioned to his family.

Honourable Members, having determined that the matters raised by the Petitioner are well within the authority of this House, I order that, pursuant to the provisions of Standing Order 227(1), this petition be committed to the Departmental Committee on Administration and National Security. The Committee is required to consider the petition and report its findings to the House and the petitioner in accordance with Standing Order 227(2).

I thank you!"
