KISUMU COUNTY ASSEMBLY
Reports and Financial Statements
For the year ended June 30, 2019

2. FORWARD BY THE CLERK OF THE ASSEMBLY

a) Revenue

In the year ended 30th June 2019, the County Assembly of Kisumu was expected to receive KShs 735,561,161 from the exchequer; recurrent being KShs 684,802,036 and development KShs 50,759,125.

b) Payments

Our total expenditure for the year amounted to KShs 680,658,368 which was entirely of recurrent. There was no expenditure on development during this financial year.

c) Cash flows

In the FY 2018/2019, we had many liquidity disruptions. This was due to untimely disbursements by the National Treasury. The cash and cash equivalents increased from Kshs 19,489 as at 30th June 2018 to Kshs 4,143,668 as at 30th June 2019.

Despite the notable achievements, we have experienced some challenges during the year. These include;

We experienced a number of IFMIS challenges while doing auto bank reconciliation hence we couldn't run the FO 30 from the system.

Delay in exchequer releases affected the budget absorption rate since some planned projects couldn't be implemented on time.

3. STATEMENT OF MANAGEMENT RESPONSIBILITIES

Sections 164 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting Officer of a County Government Entity to prepare financial statements in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The Clerk of the County Assembly is responsible for the preparation and presentation of the County Assembly's financial statements, which give a true and fair view of the state of affairs of the County Assembly for the year, ended June 30, 2019. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the County Assembly; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the County Assembly; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Clerk accepts responsibility for the County Assembly's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Clerk is of the opinion that the County Assembly's financial statements give a true and fair view of the state of the County Assembly's transactions for the year ended June 30, 2019, and of its financial position as at that date. The Clerk further confirms the completeness of the accounting records maintained for the County Assembly which have been relied upon in the preparation of the its financial statements as well as the adequacy of the systems of internal financial control.

The Clerk confirms that the County Assembly has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the County Assembly's funds received during the quarter under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Clerk confirms that the County Assembly's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The County Government's financial statements were approved and signed by the Clerk of the County Assembly on 30th September 2019.

REPORT OF THE AUDITOR-GENERAL ON COUNTY ASSEMBLY OF KISUMU FOR THE YEAR ENDED 30 JUNE, 2019

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of County Assembly of Kisumu set out on pages 1 to 19, which comprise of the statement of financial assets and liabilities as at 30 June, 2019, statement of receipts and payments, statement of cash flows and the statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the County Assembly of Kisumu as at 30 June, 2019 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and County Governments Act, 2012.

Basis for Qualified Opinion

1.0 Use of Goods and Services

As disclosed under Note 3 to the financial statements, the statement of receipts and payments reflects an amount of Kshs.343,723,810 in relation to use of goods and services. However, a review of the expenditure under the various components revealed the following unsatisfactory matters: -

1.1 Irregular Payment of Honoraria Allowances

The figure constitutes Kshs.38,251,659 in respect of other operating expenses which includes Kshs.12,167,466 paid out as honoraria allowances to staff involved in budget preparations. It was noted that the activity is part of their day to day responsibilities.

Consequently, the expenditure is not a fair charge to public resources as the officers had drawn salaries as compensation for their services thereby occasioning double compensation.

1.2 Irregular Rental Expenditure

The figure includes payments on rentals of produced assets amounting to Kshs.42,315,009. This includes Kshs.24,921,000 as rents and Kshs.17,394,009 in respect of operations for Ward administration. Although the Management made payments for the premises during the year ended 30 June, 2019, no lease and contract agreements signed between County Assembly and landlords in the various Wards were availed for audit review.

In absence, of any signed agreement, the accuracy and validity of the expenditure of Kshs.42,315,009 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of County Assembly of Kisumu Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

1. Budget Control and Performance

The statement of comparison of budget and actual amounts-recurrent and development combined indicated that the County Assembly did not utilize anything under its approved development budget of Kshs.50,759,125 under Acquisition of Assets. Management has attributed this to lack of Exchequer releases as no development Exchequer was issued from the County Treasury.

Consequently, the County Assembly did not implement any development projects for the year as per the budget.

2. Pending Bills

Annex 1 to the financial statements reflects pending bills of Kshs.6,139,091 as at 30 June, 2019. Management has not provided reasons for non-payment of the bills. Failure to settle bills during the year to which they relate distorts the financial statements and adversely affects the budgetary provisions for the subsequent year where the pending bills should form a first charge.

3. Unresolved Prior Year Matters

The audit report of the previous year raised several issues under the Report on Financial Statements, Report on Lawfulness and Effectiveness in Use of Public Resources, and Report on Effectiveness of Internal Controls, Risk Management and Governance. However, the Management has not indicated how the issues have been resolved contrary to provisions of the International Public Sector Accounting Standards, IPSAS 24 and the reporting template prescribed by the Public Sector Accounting Standards Board.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for conclusion on the Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Unutilized Lease of Office Premises

The County Assembly of Kisumu leased additional offices at a private building in Kisumu City in preparation for renovations to the currently occupied office premises. The Assembly entered into lease agreement on 9 May, 2018 for a monthly rent and service charge of Kshs.962,490 and Kshs.237,510 respectively totalling to Kshs.1,200,000 per month. However, the Assembly was yet to occupy the leased offices sixteen (16) months since the lease agreement was signed. The premises continue to attract rent which amounted to Kshs.19,200,000 as at 30 June, 2019. Failure to occupy the premises amounts to wasteful utilization of public resources as the rent and any other charges accruing continue to accumulate. The outstanding amount of Kshs.19,200,000 has not been disclosed in the financial statements.

The public stands to lose the above Kshs.19,200,000 which is bidding from the date of signing the contract despite the County Assembly not occupying the leased premises.

2. Compensation of Employees

2.1 Non-Compliance with Public Finance Management (County Governments) Regulations, 2015

As disclosed under Note 2 to the financial statements, the statement of receipts and payments reflects compensation of employees' expenditure of Kshs.269,731,741 which accounted for thirty-nine (39%) percent of the total receipts of Kshs.684,802,036 which is above the thirty-five (35%) percent limit provided for under Section 107(2) of the Public Finance Management (County Governments) Regulations, 2015.

2.2 Non-Compliance on Ethnic Composition

Review of the payroll revealed that ninety-seven (97%) percent of the employees were from the dominant ethnic community of Kisumu County. This is contrary to Section 7(1) of the National Cohesion and Integration Commission Act, 2008 which requires that all public establishments seek to represent the diversity of the people of Kenya in the employment of staff and that no public establishment shall have more than one third of its staff from the same ethnic community.

In the circumstances, the Management is in breach of the Law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

Non-Issue of Imprest Warrant to Officers

As disclosed in Note 9 to the financial statements, the statement of assets and liabilities reflects Nil balance under account receivables. However, a review of the imprest accounts revealed huge cash and cheques payments to the Clerk of the County Assembly of Kisumu for payments of subsistence allowances on behalf of MCAs and staff of the County Assembly. It was not clear why the officers were not issued with individual imprest warrants to account for their individual expenditure upon surrender of the imprest.

In the circumstance, I am unable to confirm existence of measures in place to control expenditure of imprest including governance.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the County Assembly's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to dissolve the County Assembly or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the County Assembly monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in

an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the County Assembly's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the County Assembly to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the County Assembly to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

5. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

Restriction on cash

Restricted cash represents amounts that are limited /restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation.

There were no other restrictions on cash during the year.

6. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year is treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

7. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted and prescribed by the Public Sector Accounting Standards Board. Other liabilities including pending bills are disclosed in the financial statements.

8. Non-current assets

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the entity fixed asset register a summary of which is provided as a memorandum to these financial statements.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Other Receipts

Other receipts relate to receipts such as tender fees among others. These are recognised in the financial statements when the associated cash is received.

b) Recognition of payments

The entity recognises all expenses when the event occurs and the related cash has actually been paid out by the entity.

Compensation of employees

Salaries and Wages, Allowances, Statutory Contribution for employees are recognized in the period when the compensation is paid.

Use of goods and services

Goods and services are recognized as payments in the period when the goods/services are consumed and paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of fixed assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the consolidated financial statements.

4. In-kind contributions

In-kind contributions are donations that are made to the *entity* in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the *entity* includes such value in the statement of receipts and payments both as receipts and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

5.7. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with Cash-basis IPSAS financial reporting under the cash basis of Accounting, as prescribed by the PSASB and set out in the accounting policy notes below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions. The statement of assets and liabilities, although not a requirement of the IPSAS Cash Standard, has been included to disclose information on receivables and payables.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the entity all values are rounded to the nearest Kenya Shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB.

2. Reporting entity

The financial statements are for the Kisumu County Assembly. The financial statements encompass the reporting entity as specified in section 164 of PFM Act 2012.

3. Recognition of receipts and payments

a) Recognition of receipts

The County Assembly t recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Assembly.

Tax receipts

Tax Receipts is recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received.

Transfers from the Exchequer/ County Treasury

Transfer from Exchequer is recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

9. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as ‘memorandum’ or ‘off-balance’ items to provide a sense of the overall net cash position of the *entity* at the end of the year. Pending bill form a first charge to the subsequent year budget and when they are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

10. Budget

The budget is prepared on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The *entity's* budget was approved as required by Law .The original budget was approved by the County Assembly on 30th June 2018 for the period 1st July 2018 to 30 June 2019 as required by law. There was two number of supplementary budgets passed in the year. A high-level assessment of the *entity's* actual performance against the comparable budget for the financial year under review has been included in the Statement of Comparison between actual and budgeted amounts included in these financial statements.

11. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

12. Subsequent events

Events subsequent to submission of the financial year end financial statements to County Treasury and other stakeholders with a significant impact on the financial statements may be adjusted with the concurrence of the County Treasury.

13. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

14. Related party transactions

Related party transactions involve cash and in kind transactions with the National Government, National Government entities and County Government entities. Specific information with regards to related party transactions is included in the disclosure notes.
