NOTICES

I. THE SUSTAINABLE WASTE MANAGEMENT BILL (NATIONAL ASSEMBLY BILL NO.22 OF 2021)

Notice is given that the Chairperson of the Departmental Committee on Environment and Natural Resources intends to move the following amendments to the Sustainable Waste Management Bill, 2021 at the Committee Stage—

LONG TITLE

THAT, the Long title to the Bill be amended by deleting the word “health” and substituting therefor the word “healthy”.

CLAUSE 2

THAT, clause 2 of the Bill be amended—

(a) by deleting the definition of the word “extended producer responsibility measures” and substituting therefor the following new definition—

“extended producer responsibility” means an environmental management approach in which a producer’s responsibility for a product is extended to the post-consumer stage of a product life cycle;”

(b) in the definition of the word “public entity” by deleting the word “grated” appearing in paragraph (c) and substituting therefor the word “granted”;

(c) by deleting the definition of the word “recycle” and substituting therefor the following new definition—

“recycle” means the process by which materials are reclaimed from waste for further use as product, raw materials or input in the production process;”

(d) by deleting the definition of the word “sustainable waste management” and substituting therefor the following new definition—

“sustainable waste management” means using material resources efficiently as prioritized by waste hierarchy, circular economy and clean production in order to reduce the amount of waste that is generated, deposited or discarded in the environment including the management of materials that would otherwise have been dumped or wasted in a way that contributes to environmental, social and economic goals of sustainable development;”

(e) in the definition of the word “take-back scheme” by deleting the words “to end users” and substituting therefor the words “from end users and consumers”;

(f) by deleting the definition of the word “waste” and substituting therefor the following new definition—

“waste” means—

- (a) any substance, material or object that is intended or required to be discarded or disposed of by its holder, whether or not it can be reused, recycled or recovered and include municipal waste, domestic waste, waste from agriculture, construction waste, commercial waste, waste from horticulture, aquaculture and forestry, medical waste, chemical waste, hazardous waste, toxic waste, industrial waste, pesticides, e-waste and toxic substances but does not include radioactive waste;
- (b) a substance, material or object that may be designated as waste by the Cabinet Secretary in consultation with the Authority by notice in the *Gazette*,

Provided that waste or a portion of waste specified in paragraphs (a) and (b) shall cease to be waste—

- (i) once an application for reuse, recycling or recovery has been approved by the Authority or, after such approval, it has been reused, recycled or recovered;
 - (ii) where approval for reuse, recycling or recovery is not required, it has been reused, recycled or recovered; or
 - (iii) where the Cabinet Secretary in consultation with the Authority has, by notice in the *Gazette* and in the prescribed manner, excluded any waste stream or portion of any waste stream from the definition of waste;
- (g) in the definition of “waste management activity” by inserting the words “as prescribed by regulations” immediately after the word “waste” appearing in paragraph (a); and
- (h) by inserting the following new definitions in their proper alphabetical sequence—

“e-waste” also referred to as waste electrical and waste electronic equipment means waste resulting from electrical and electronic equipment including components and sub-assemblies thereof;

No.8 of 1999. “hazardous waste” has the meaning assigned to it under the Environmental Management and Co-ordination Act,1999;

“non organic waste” means dry recyclable and non-recyclable materials;

“organic waste” means compostable materials derived from plants and animals;

“producer” means an entity that introduces goods, products and packaging into the country using authorized means by manufacturing, importing, converting, filling, refilling, repackaging or rebranding;

“waste hierarchy” means the order of priority for efficient use of resources and minimization of pollution by avoidance, reduction, reuse, repair, refurbishment, recycling, recovery and finally treatment for safe disposal;

“waste service providers” includes collectors, transporters, waste processors, material recovery operators, recyclers and landfill operators.”

CLAUSE 3

THAT, clause 3 of the Bill be amended by deleting paragraph (g) and substituting therefor the following new paragraph—
