(Sen. (Arch.) Sylvia Kasanga, MP)

AWARE THAT, the Constitution, in its preamble acknowledges the cultural diversity of the Kenyan people who are determined to live in peace and unity as one indivisible sovereign nation whilst, Article 11 of the Kenyan Constitution recognizes culture as the foundation of the nation;

NOTING that, while the Department of Culture under the Ministry of Sports, Culture and Heritage has been playing some of the key roles in promotion of cultural integration, formulation of policies and standards that will guide the development of culture, little information has been available to the Kenyan public;

ACKNOWLEDGING , that culture performs a significant role in the life of a child, the cultural background in which a child is brought up affects the totality of his or her life's activities;

CONCERNED, that our children are losing their sense of identity due to the negative influences due to inadequate cultural identity catalyzed by globalization which has led to catastrophic consequences to the next generation as experienced in our country where a majority of young people are showing symptoms of feeling suicidal, anxious, feeling of hopelessness, anger, violence, feeling isolated, and paranoia;

NOW THEREFORE, the Senate urges the Cabinet Secretary, Ministry of Sports, Culture and Heritage to:

- a) Formulate cultural development policies and initiatives to inculcate stronger community values, safeguard Kenya's heritage, recognize local heroes and promote socio-cultural opportunities in the counties; and

ACKNOWLEDGING THAT education is crucial to promote climate action as it helps individuals understand and address the impacts of the climate crisis, empowering them with the knowledge, skills, values and attitudes needed to act as agents of change, hence protect the environment and take action by crafting community level solutions;

COGNIZANT OF THE FACT the Constitution of Kenya in Article 42 provides for the right to a clean and healthy environment for every Kenyan, which includes the right to have the environment protected for the benefit of present and future generations;

FURTHER NOTING THAT climate change is a global nightmare with consequences that are already quite visible, and should be a priority for our education curriculum, in accordance to Article 12 of the Paris Agreement which espouses the enhancement of climate change education, training, public awareness, public participation and public access to information;
