I. KEY CONSTITUENCY INFORMATION AND MANAGEMENT

(a) Background information

The National Government Constituencies Development Fund (NG-CDF) (hereafter referred to as the Fund) formerly Constituencies Development Fund (CDF), is a fund established in 2003 through an Act of Parliament, the Constituencies Development Fund Act, 2003. The Act was later reviewed through the enactment of the CDF (Amendment) Act 2007, and repealed through CDF Act, 2013. The latter was subsequently succeeded by the current NG-CDF Act, 2015. At cabinet level, NG-CDF is represented by the Cabinet Secretary for Devolution, who is responsible for the general policy and strategic direction of the Fund.

Mandate

The mandate of the Fund as derived from sec (3) of NG-CDF Act, 2015 is to:

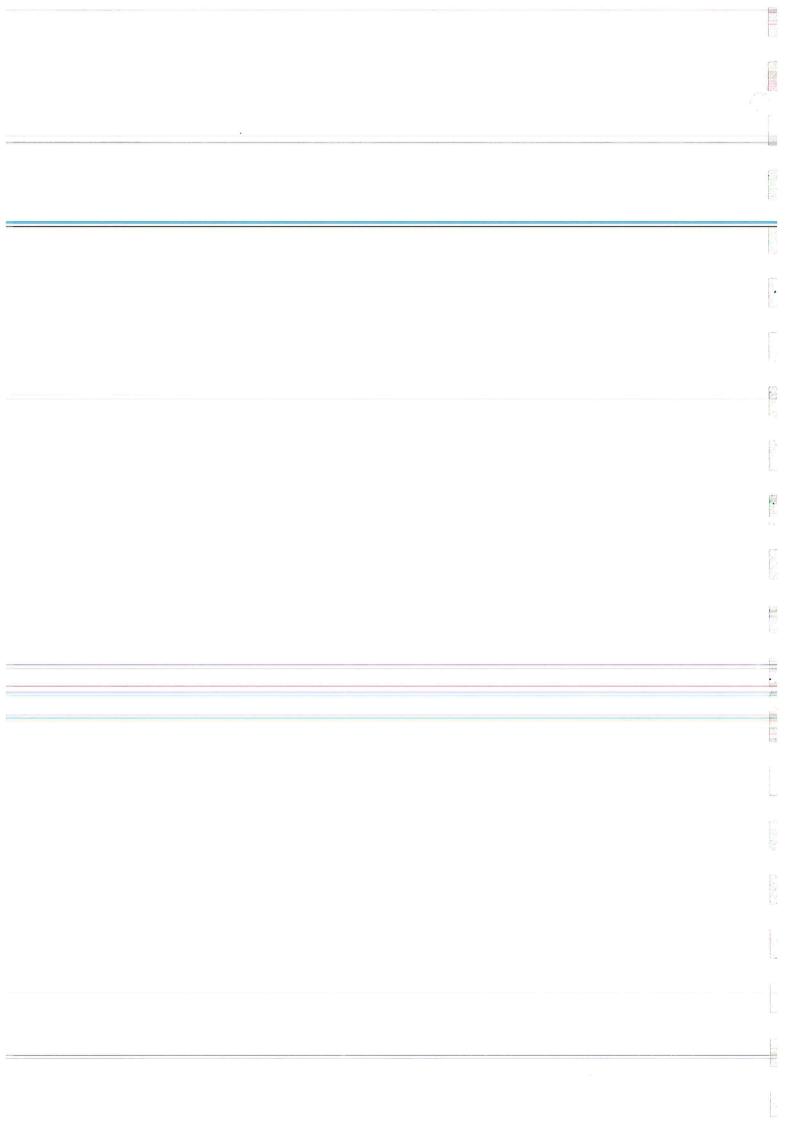

- a) Recognize the constituency as a platform for identification, performance and implementation of national government functions;
- b) Facilitate the performance and implementation of national government functions in all parts of the Republic pursuant to Article 6(3) of the Constitution;
- c) Provide for the participation of the people in the determination and implementation of identified national government development projects at the constituency level pursuant to Article 10(2)(a) of the Constitution;
- d) Promote the national values of human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalized pursuant to Article 10 (2) (b) of the Constitution;
- e) Provide for the sustainable development of all parts of the Republic pursuant to Article 10 (2) (d) of the Constitution;
- f) Provide a legislative and policy framework pursuant to Article 21 (2) of the Constitution for the progressive realization of the economic and social rights guaranteed under Article 43 of the Constitution;
- g) Provide mechanisms for the National Assembly to deliberate on and resolve issues of concern to the people as provided for under Article 95 (2) of the Constitution;
- h) provide for a public finance system that promotes an equitable society and in particular expenditure that promotes equitable development of the country by making special provisions for marginalized groups and areas pursuant to Article 201 (b) (iii) of the Constitution;
- i) Authorize withdrawal of money from the Consolidated Fund as provided 'under Article 206 (2) (c) of the Constitution;
- j) Provide mechanisms for the National Assembly to facilitate the involvement of the people in the identification and implementation of projects for funding by the national government at the constituency level; and
- k) Provide for mechanisms for supplementing infrastructure development at the constituency level in matters falling within the functions of the national government at that level in accordance with the Constitution

This slowed down implementation of the projects since the tendering process could not be done without having meetings. Monitoring and evaluation exercises were also put on hold hence a bit of slowing down on the works by the contractors.

This problem is temporal and the implementation process on the projects will go back to normal once the pandemic is properly managed.

III. STATEMENT OF PERFORMANCE AGAINST CONSTITUENCY'S PREDETRMINED OBJECTIVES

Introduction

Section 81 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting officer when preparing financial statements of each National Government entity in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the national government entity's performance against predetermined objectives.

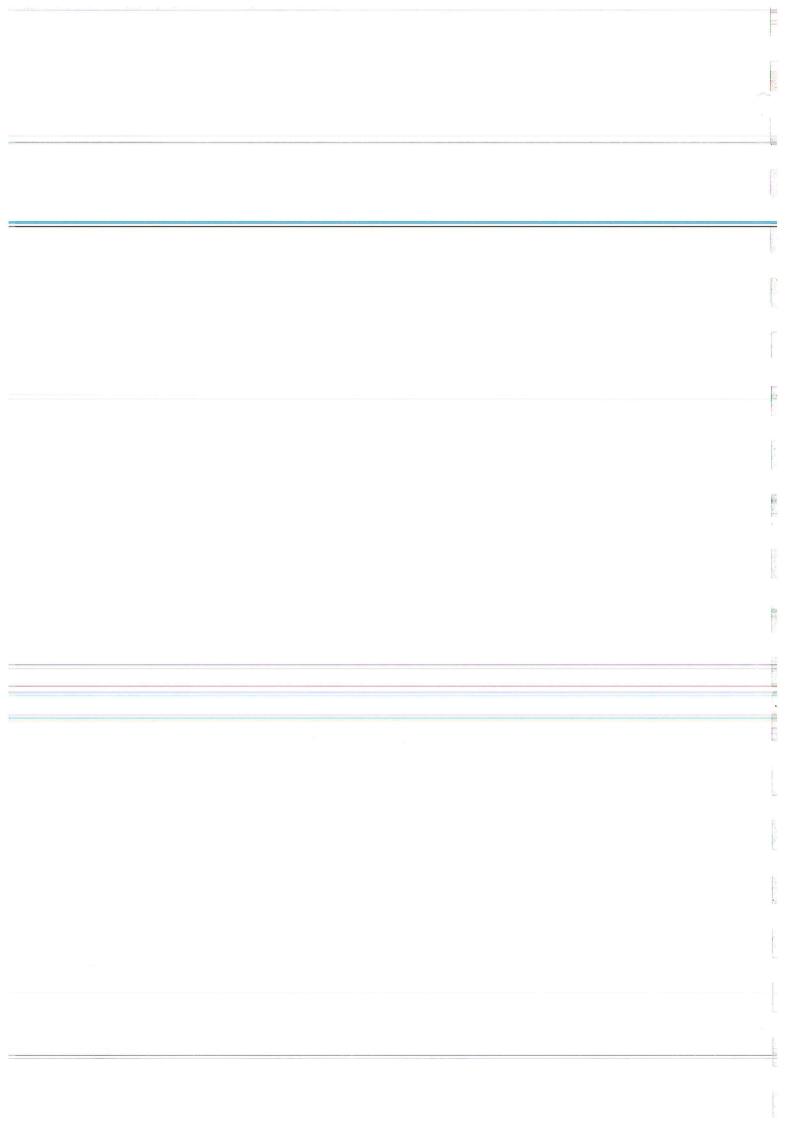

The key development objectives of NGCDF-KABETE Constituency's 2018-2022 strategic plan are to:

- a) To improve the teaching and learning environment by implementing projects geared towards improving educational infrastructure in the constituency.
- b) To strengthen the security systems in the constituency
- c) Build capacity of the youth to improve on entrepreneurship ,innovation ,creativity and economic independence
- d) Build capacity of the persons with disability to improve on entrepreneurship innovation, creativity and economic independence
- e) To incorporate environmental protection in socio economic and infrastructural development projects
- f) To lobby for collaborations and partnerships to complement Kabete NG CDF development projects

Progress on attainment of Strategic development objectives

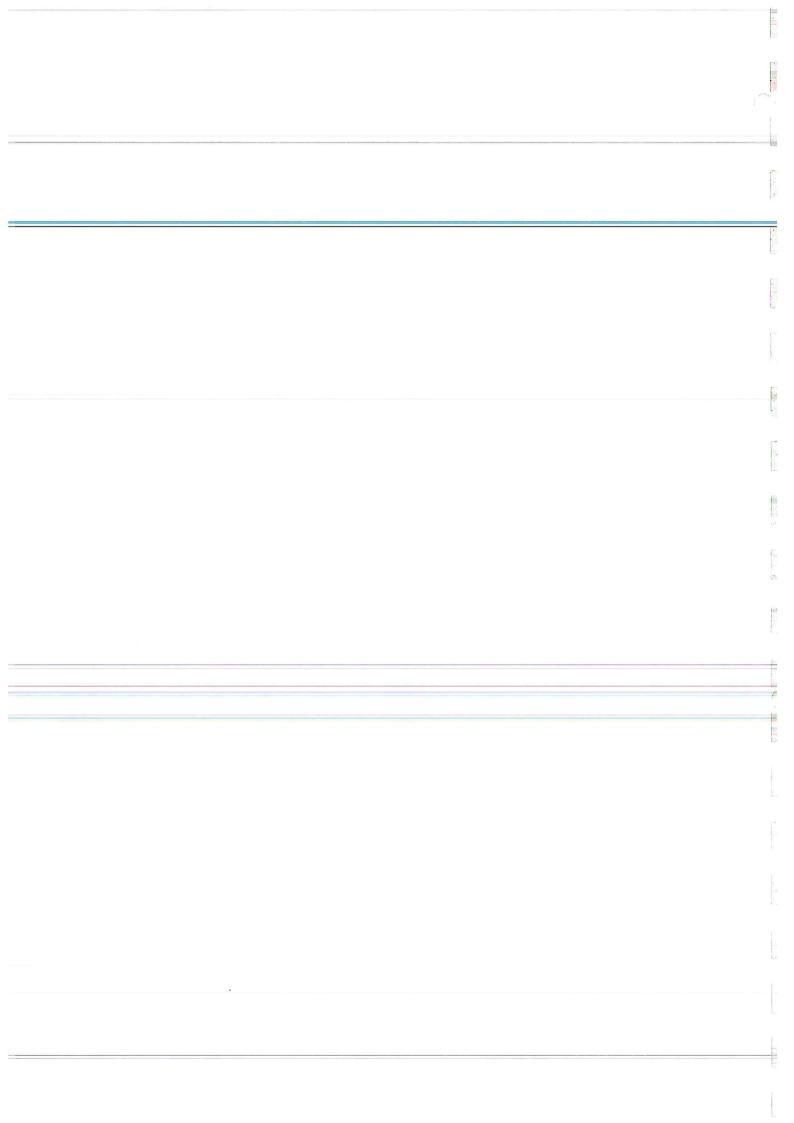

For purposes of implementing and cascading the above development objectives to specific sectors, all the development objectives were made specific, measurable, achievable, realistic and time-bound (SMART) and converted into development outcomes. Attendant indicators were identified for reasons of tracking progress and performance measurement: Below we provide the progress on attaining the stated objectives:

IV. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING

NGCDF KABETE Constituency endeavours to transform the lives of the constituents. This will be done by infrastructural upgrading and development in all the primary and secondary schools in the constituency, improving security infrastructure, youth empowerment, disability mainstreaming and integrating environment protection and conservation in all the projects. The office will also collaborate with the County Government, National Government and other partners to improve the road infrastructure and water supply in the constituency.

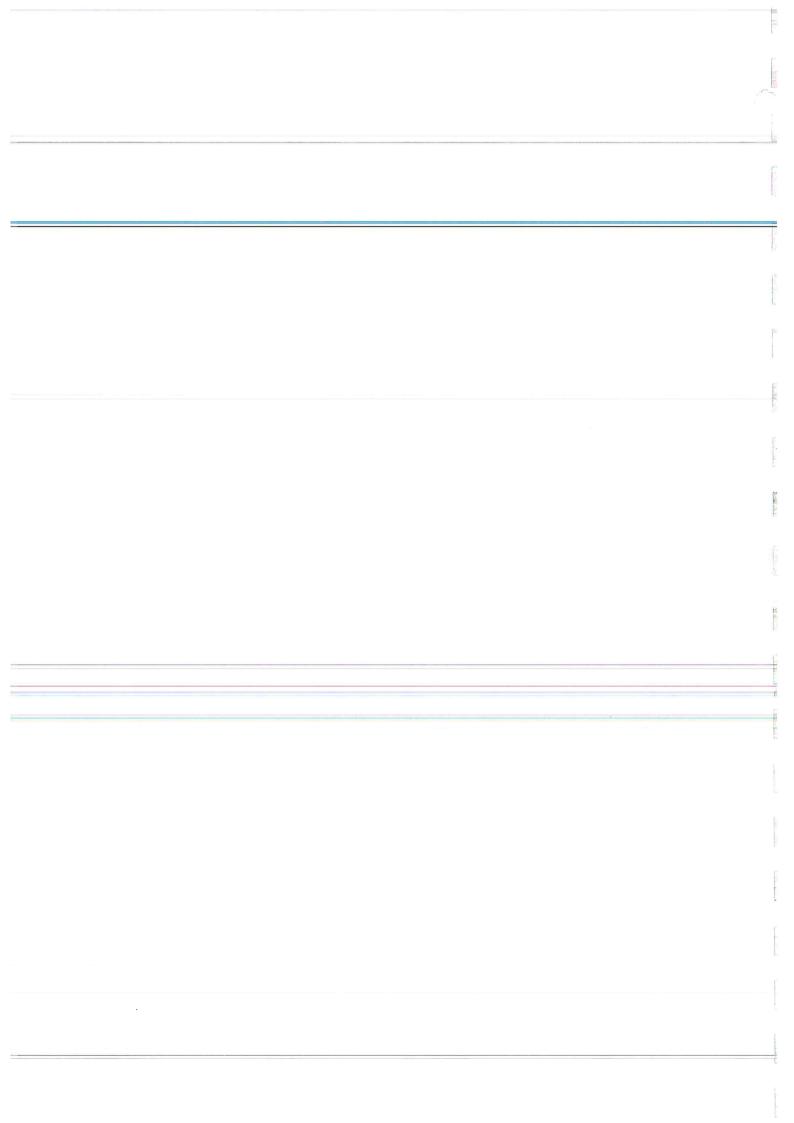

We also endeavour to change lives of the constituents by building capacity for the out of school youth and other interested parties through training and skill development.

We shall distribute bursaries to needy cases to enhance school completion rates. We shall work closely with our stakeholders and partners to support community development and charitable causes in the constituency.

1. SUSTAINABILITY STRATEGY AND PROFILE ~

The Kabete NG CDF committee shall be bound by the National values and principles of Governance as espoused in Articles 10 and 232 of the constitution. We are also committed to ensuring that our operations are guided by the established code of Governance and universal standards while continuously building necessary competencies and upholding moral and ethical principles.

This is clearly outlined in our mission, vision, slogan and core values as provided for in our strategic plan.

2. ENVIRONMENTAL PERFORMANCE

Protection and improvement of the environment in which we live in and operate is part of Kabete NG CDF initiatives .Care for the environment is our key responsibility and an important aspect in the way we carry out our operations.

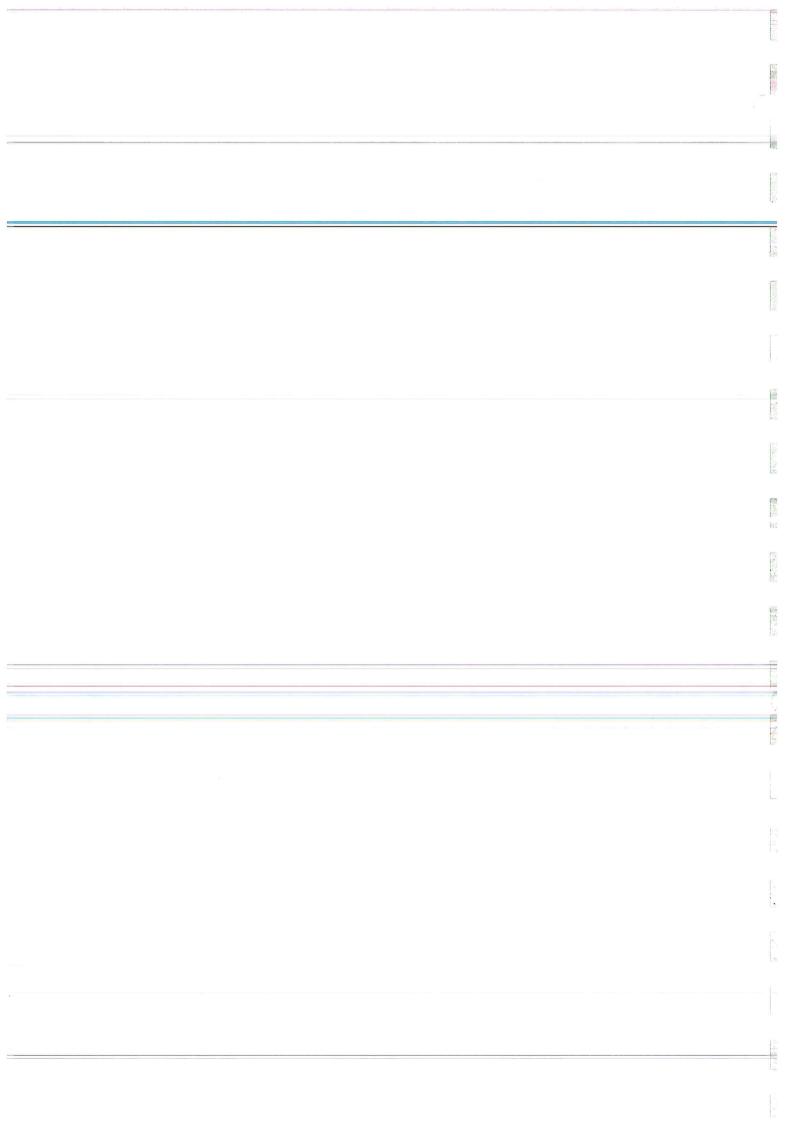

Our Environment policy:

- Comply with all relevant environmental legislation ,regulations and approved codes of practise
- Incorporate environment protection and conservation in all NG CDF projects
- Comply with environmental impact assessment requirements in all NG CDF projects
- Incorporate landscaping and other environmental friendly initiatives on the school refurbishment programs
- Sensitise the project implementer to protect and conserve the environment when undertaking all NG CDF projects
- Tree planting and landscaping within the constituency projects
- Sensitise community on the need to protect environment and green energy initiatives

3. EMPLOYEES WELFARE

TERMS AND CONDITIONS OF SERVICE

This highlights the general rules governing employment of NG CDFC staff in such matters as appointments, promotions and related matters.

Reports and Financial Statements

For the year ended June 30, 2020

Kabete NG CDF offers only categories of employment which are contract employees who are employed for 3 years on a renewable contract. Such employees are eligible for employee benefits in line with the statutory requirements.

Casual employees are hired to perform specific duties on a daily or weekly basis on a piece rate payment system. Casuals are not allowed to work continuously for more than 3 months and are not eligible for any employee benefits in line with statutory requirements.

Guidelines to general safety:

The office has maintained healthy and safe working conditions for its employees to ensure there is no personal injury caused by accidents

4. MARKET PLACE PRACTICES~

Kabete NG CDF is designed to support grassroots development projects. It is aimed at achieving equitable distribution of development resources across the regions and control imbalances in regional development brought about by partisan politics.

This is ensured by organising public forums to identify the development needs in each ward.

a) Responsible competition practice.

In the implementation of projects, tender documents are offered to a wide range of the prequalified contractors /suppliers. This ensures competition in the pricing of the Bill of quantities and hence the lowest evaluated tenderers are awarded the jobs.

The contractors /suppliers who did not qualify for the jobs are informed in writing.

b) Responsible Supply chain and supplier relations

The contractors/suppliers are paid promptly once they provide the interim or completion certificates from the public works office, the invoices and the signed delivery notes.

c) Responsible marketing and advertisement

The prequalification process is properly advertised to ensure that all eligible contractors and suppliers apply for the process.

d) Product stewardship

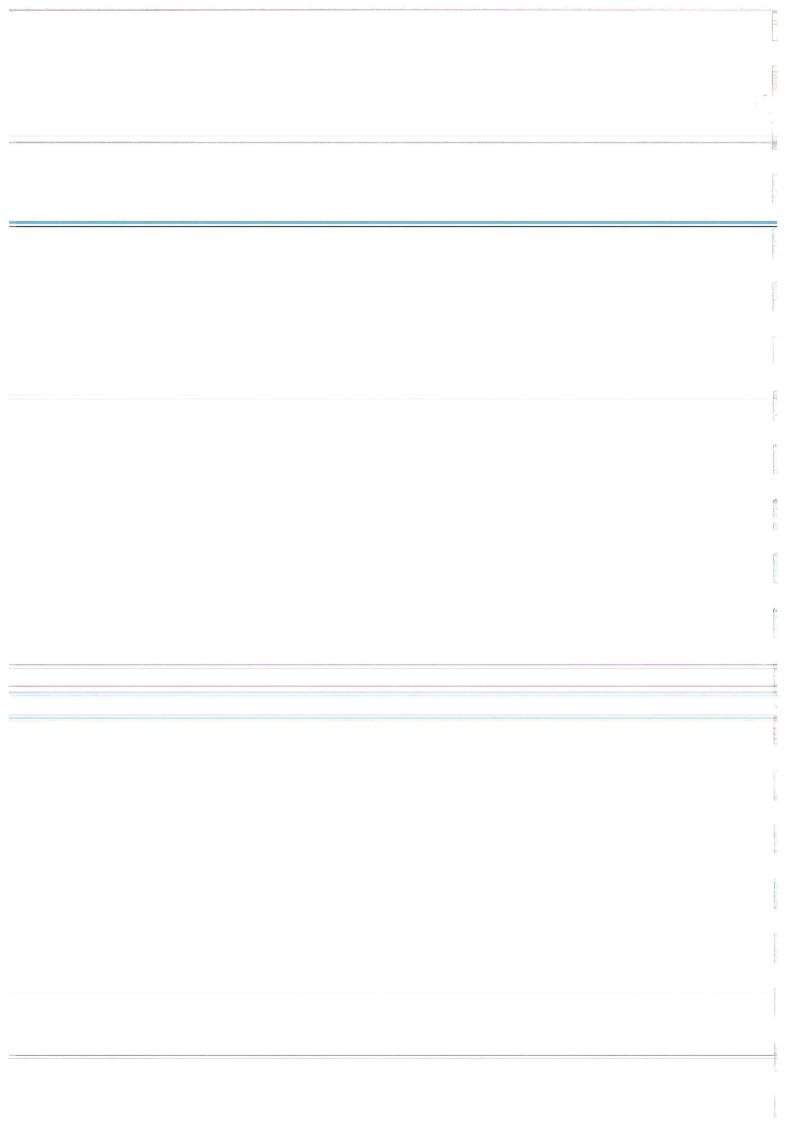

In order to safe guard consumer rights, the office has come up with a service charter that is clearly displayed at the reception area. This charter is written in both English and Kiswahili language.

The charter clearly stipulates the way the office handles all complaints or concerns from the consumers/visitors.

5. COMMUNITY ENGAGEMENTS.

The Kabete NG CDF engages the community at the level of identifying the projects to be considered for funding and implementation.

This is done at the ward forums (public barazas) that are planned after every two years. This is stipulated in the NG CDF act.

Reports and Financial Statements For the year ended June 30, 2020

In these forums, the NG CDF committee takes time to educate the public on the projects that are eligible for consideration as stipulated in the NG CDF act. The NG CDF committee also takes time to outline on the projects that are ongoing and that they need to be given the first priority in terms of funding.

The community members are then given a chance to identify the priority projects for funding and ask questions and the NG CDF committee then answers all the questions to the best of their knowledge.

During the monitoring and evaluation exercises, the NG CDF committee takes time to interact with the community members and identify any mitigation that need to be undertaken as the project is ongoing.

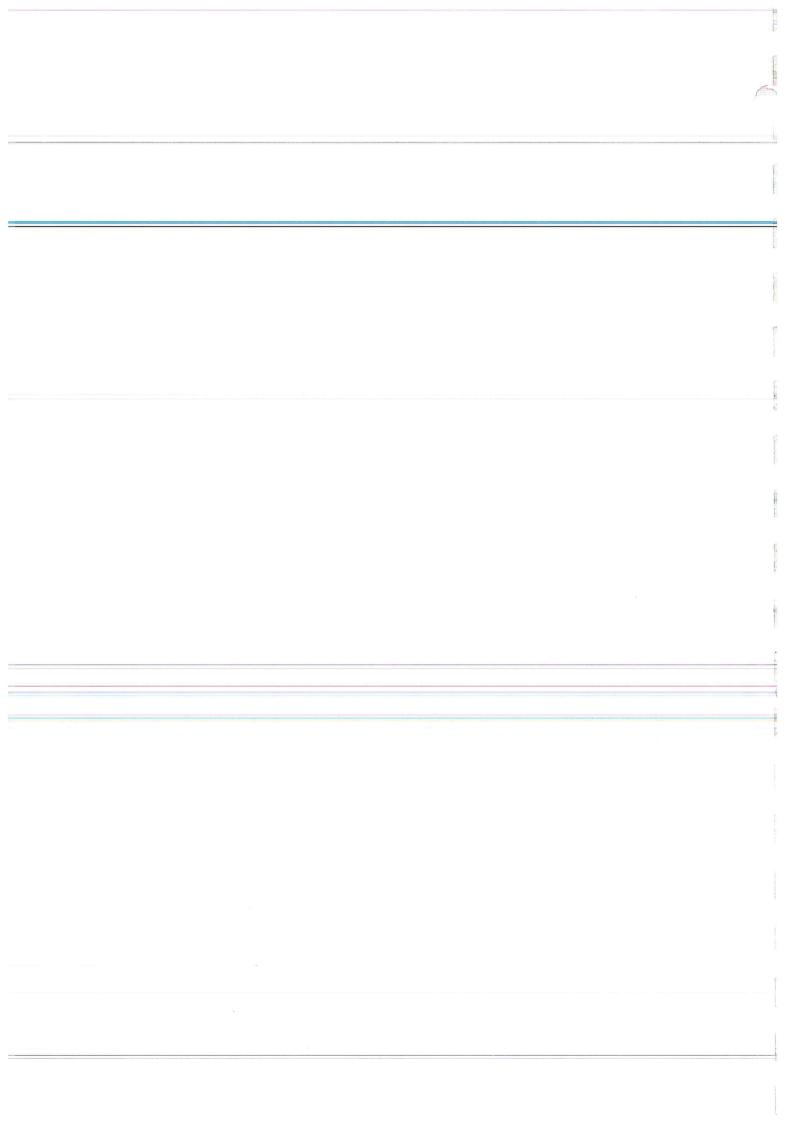

COVI D 19 MITIGATION MEASURES:

Due to the ongoing Corona virus pandemic the KABETE NG CDF office in line with the directives given by the Government on the reduction of the possibility of infection by the virus to the community members, undertook the following measures:

- The office purchased 900 pieces of sanitizer and distributed them to all the Government offices and to the community members. The NG CDF committee took the chance to educate the community members on the steps to undertake in order to prevent the spread of the virus.
- The office after receiving 15 donated water tanks from Athi Water Company (meant for churches) organised for the water tanks to be properly installed and gutters fixed to ensure proper water harvesting happens effectively in 15 primary schools. These tanks were also fitted with 4 taps each to ensure that the primary school children get ample hand washing points once they report back to schools.

Since the office in the environment vote had factored in some funds to purchase water tanks for primary schools, the office purchased 26 smaller hand washing pots completely fitted with hand washing points and distributed them to 26 churches within the constituency.

• Through Athi water company, the office is engaged in reviving 5 water projects namely Uthiru primary school, Gataara Ngambaini, Kibiku primary school, Mubira and Mwimuto water projects, that were non operational in the constituency. Athi water company is providing the water pumps, storage tanks, power connection and pipe distribution. This will ensure that the schools that are within the vicinity get an ample supply of water and the community around there also get supplied with clean and reliable water.

V. STATEMENT OF ENTITY MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2013 requires that, at the end of each financial year, the accounting officer for a National Government entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed by the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NGCDF-KABETE Constituency is responsible for the preparation and presentation of the constituency's financial statements, which give a true and fair view of the state of affairs of Kabete NG CDF for and as at the end of the financial year (period) ended on June 30, 2020. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of Kabete NG CDF; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the Kabete NG CDF; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NG CDF-KABETE Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the KABETE NG CDF, s financial statements give a true and fair view of the state of its transactions during the financial year ended June 30, 2020, and of its financial position as at that date. The Accounting Officer in charge of the NGCDF-KABETE Constituency further confirms the completeness of the accounting records maintained for it which have been relied upon in the preparation of the its financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NGCDF-KABETE Constituency confirms that KABETE NG CDF has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the entity's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Enhancing Accountability

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND – KABETE CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2020

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Kabete Constituency set out on pages 17 to 48, which comprise the statement of financial assets as at 30 June, 2020, and the statement of receipts and payments, statement of cash flows and summary statement of appropriation - recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Government Constituencies Development Fund – the Kabete Constituency as at 30 June, 2020, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund (NG-CDF) Act, 2015 and Public Finance Management Act, 2012.

Basis for Qualified Opinion

1. Accuracies of the Financial Statements

1.1 Inaccurate Presentation of the Financial Statements

The financial statements presented for audit had casting errors and inaccurate presentation and disclosure as detailed below:-

i. Prior year expenditure under use of goods and services has an amount of Kshs.850,545 whereas Note 5 to the financial statements has an amount of Kshs.8,505,465 resulting to a variance amounting to Kshs.7,654,920, the error has affected both the total payment and the Surplus/(deficit) for the previous year.

- ii. The surplus/deficit) for the previous year as per the statement of receipts and payments reflects a balance of Kshs.6,436,794 which differs with the balance in the statement of financial position of Kshs.6,672,778 resulting to unexplained variance amounting to Kshs.235,984,
- iii. The statement of financial assets and liabilities reflects cash and cash equivalents balance of Kshs.9,200.30 which differs with the total cash and cash equivalents balance of Kshs.9,200,300,
- iv. Note 12B reflects gratuity deposits balance of Kshs.427,800 and Kshs.844,150 for 2019/2020 and 2018/2019 whereas the statement of financial assets and liabilities reflects nil balances,
- v. Prior year cash flows amounts under payments for operating expenses differs with the amounts under statement of receipts and payments on compensation of employees, use of goods and services and other grants and transfers amounting to Kshs.8,640, Kshs.7,846,224 and Kshs.418,050, respectively, no explanation was provided for the differences. Further the total payments under operating expenses has a casting error amounting to Kshs.597,
- vi. The summary statement of appropriation: recurrent and development combined reflects transfers from the Board amounting to Kshs.88,166,577 whereas the statement of receipts and payments reflects an amount of Kshs.68,000,000 resulting to unexplained variance amounting to Kshs.20,166,577.
- vii. Budget execution by programmes and sub-programs does not reflect the total expenditure.

Consequently, the completeness, accuracy, presentation and disclosure of the financial statements could not be confirmed.

1.2 Omitted Project Management Committees Bank Accounts

Annex 5 to the financial statements reflects unutilized balances totalling Kshs.15,064,895 in respect of fourteen (14) Project Management Committee (PMC) bank accounts. However, other PMC balances totalling to Kshs.19,871,468 in eight PMC bank accounts were not included in the list or annex to the financial statements. No reason was given for the omission.

Consequently, the completeness and accuracy of the PMC Bank balances could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund – Kabete Constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

2

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

1. Follow up on Prior Year Unresolved Audit Issues

In the report of the previous year, several issues were raised under Report on the Financial Statements and Report on Lawfulness and Effectiveness in Use of Public Resources. However, although the Management has indicated that some of the issues have been resolved, the matters remained unresolved as the National Assembly has yet to deliberate on the audit report for 2018/2019.

2. Budgetary Control and Performance

Summary statement of appropriation - recurrent and development combined reflects final receipts budget and actual on comparable basis of Kshs.157,544,301 and Kshs.88,166,577 respectively resulting to an under-funding of Kshs.69,377,725 or 44% of the budget. Similarly, the Fund expended Kshs.78,966,277 against an approved budget of Kshs.157,544,301 resulting to an under-expenditure of Kshs.78,568,025 or 50% of the budget.

The underfunding and underperformance affected the planned activities and may have impacted negatively on service delivery to the public.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Transfers to Other Government Units/Entities

1.1 Non-Implementation of Projects

As disclosed in Note 6 to the financial statements, the statement of receipts and payments reflects an amount of Kshs.50,908,993 on transfer to other government entities for the implementation of projects in primary schools and secondary schools. Included in the expenditure are disbursements totalling Kshs.30,900,000 to project management

committee for implementation of nineteen (19) projects during the year ended 30 June, 2020.

However, physical verification of the project carried out in February, 2021 revealed that the above projects had not commenced. No justification was provided for the delay in utilization of the disbursed funds.

1.2 Failure to Label Projects

As disclosed in Note 6 to the financial statements, the statement of receipts and payments reflects an amount of Kshs.50,908,993 on transfer to other government entities. Included is an expenditure amounting to Kshs.17,049,657 incurred in implementation of projects in three(3) secondary schools and ten(10) primary schools in the Constituency. An inspection of the projects carried out in February revealed that although the construction was complete the projects were not been labelled.

No explanation was provided for failure to label the project for ease of identification.

2. Delay in Completion of Construction of Dormitory at Kabete High School

As disclosed in Note 6 to the financial statements, the statement of receipts and payments reflects an amount of Kshs.50,908,993 on transfer to other government entities. Included in the expenditure is an amount of Kshs.1,000,000 for completion of a two storied 450 capacity dormitory, plastering of second floor and painting of the whole building at Kabete High School. The project commenced in 2014/2015 financial year and was to be implemented in phases. A review of project file indicates that as at 30 June, 2020, the National Government Constituencies Development Fund Committee had disbursed funds totalling to Kshs.6,850,000 for implementation of the project, comprising Kshs.2,000,000, Kshs.1,850,000, Kshs.2,000,000 and Kshs.1,000,000 in 2014/2015, 2017/2018, 2018/2019 and 2019/2020 financial years respectively.

A physical inspection of the project in February, 2021 revealed visible cracks on the walls and patches of incomplete plastering an indication of poor workmanship. The works were implemented by local artisans without any supervision by the Constituency Development Fund Committee and the County Public Works Office. The project is still far from completion, over 7 years after commencement.

Consequently, value for money on the expenditure of Kshs.6,850,000 on the project as at 30 June, 2020 could not be confirmed.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management either intends to abolish the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public money is applied in an effective manner.

Those charged with governance are responsible for overseeing the funds financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

 Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

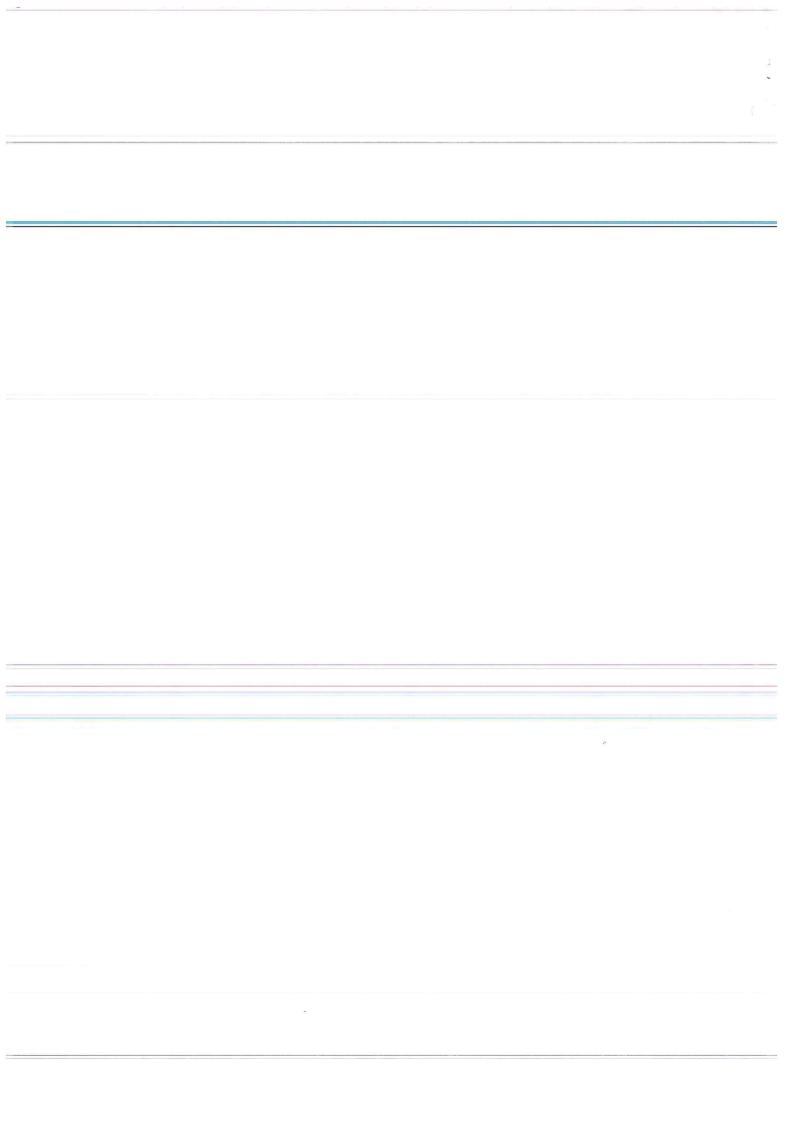

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Reports and Financial Statements

For the year ended June 30, 2020

XII. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of Ccompliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

2. Reporting Entity

The financial statements are for the NGCDF-KABETE Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

3. Reporting Currency

The financial statements are presented in Kenya Shillings (Kshs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the Entity for all the years presented.

a) Recognition of Receipts

The Entity recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Entity.

Tax Receipts

Tax receipts are recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received. (Check if this policy is applicable to entity)

Transfers from the Exchequer

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF) – KABETE CONSTITUENCY

Reports and Financial Statements

For the year ended June 30, 2020

SIGNIFICANT ACCOUNTING POLICIES

External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary.

In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criteria is applied for loans received in the form of a direct payment.

During the year ended 30th June 2020, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognized in the financial statements the time associated cash is received.

b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the Entity.

Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF) – KABETE CONSTITUENCY

Reports and Financial Statements

For the year ended June 30, 2020

SIGNIFICANT ACCOUNTING POLICIES

5. In-kind contributions

In-kind contributions are donations that are made to the Entity in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Entity includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

6. Cash and Cash Eequivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

8. Accounts Payable

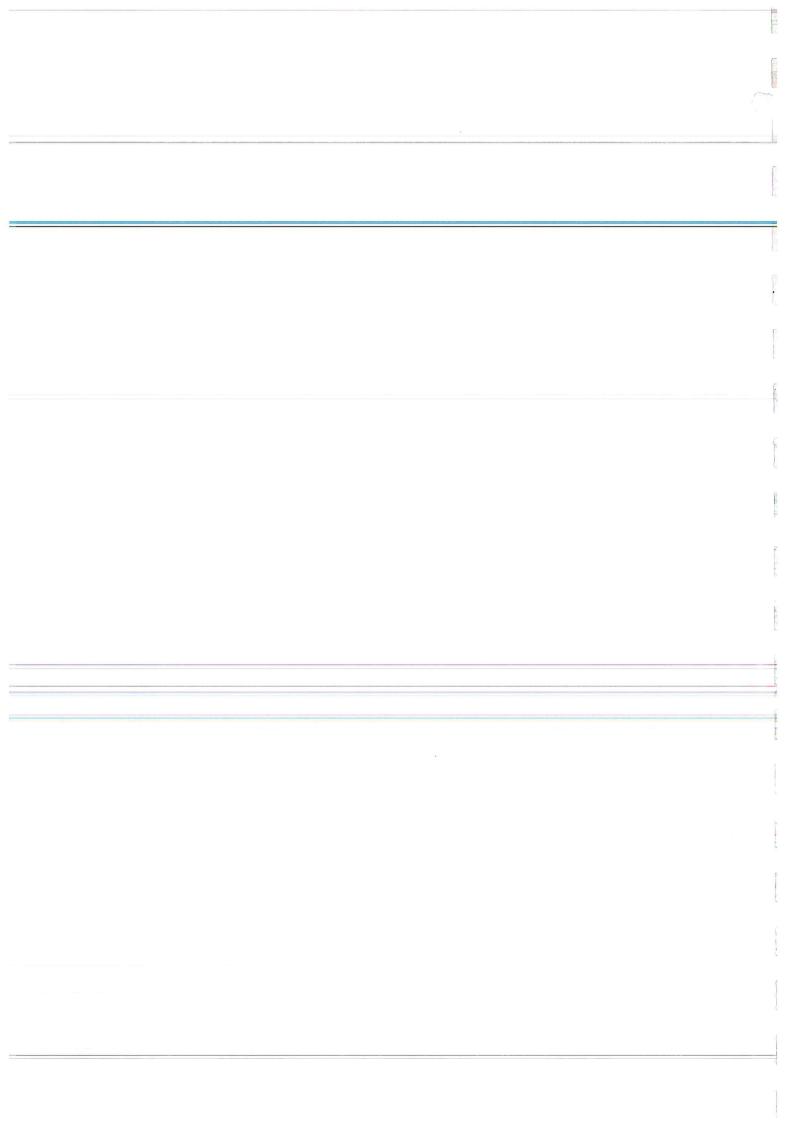

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Entity at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015.

NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF) – KABETE CONSTITUENCY

Reports and Financial Statements

For the year ended June 30, 2020

SIGNIFICANT ACCOUNTING POLICIES

11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest and deposits, which are accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on June 2019 for the period 1st July 2019 to 30th June 2020 as required by Law and there was one supplementary adjustment to the original budget during the year. Included in the adjustments are the unutilized funds.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2020.

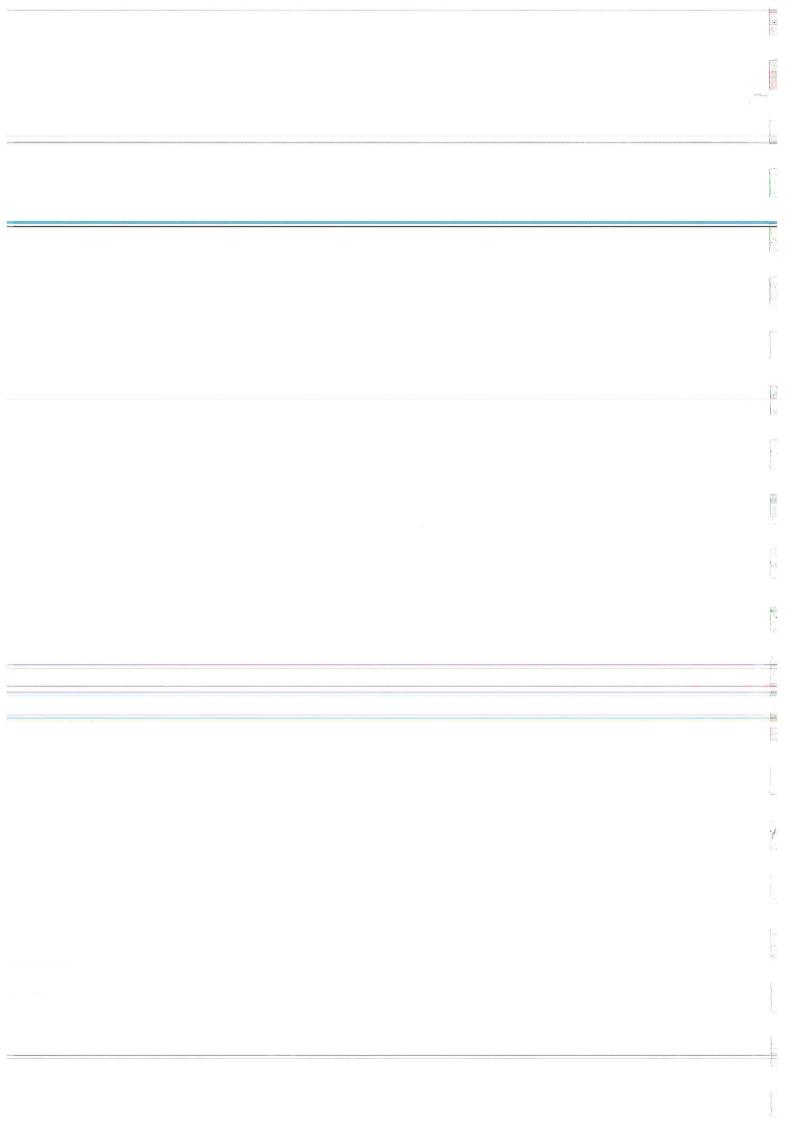

14. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

15. Related Party Transactions

Related party relationships are a normal feature of commerce. Specific information with regards to related party transactions is included in the disclosure notes.

PROGRESS ON FOLLOW UP OF AUDITOR RECOMMENDATIONS

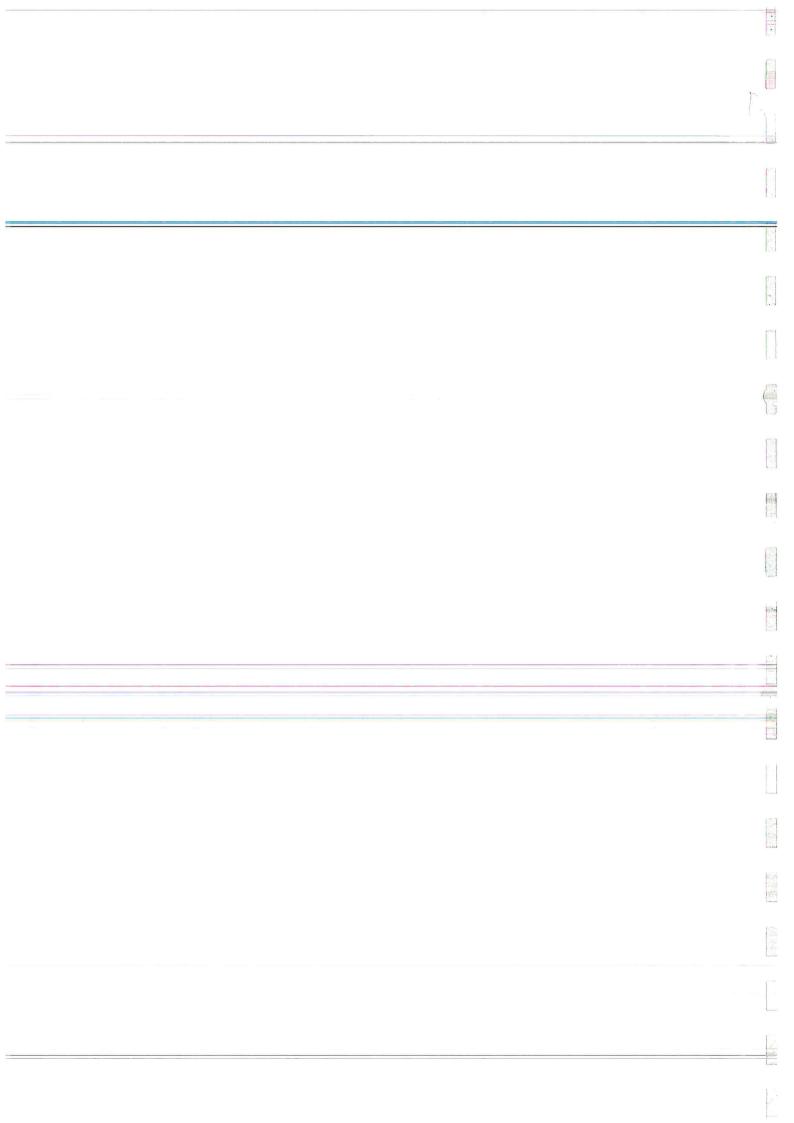

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor. We have nominated focal persons to resolve the various issues as shown below with the associated time frame within which we expect the issues to be resolved.

4.3.1	4.2	Reference No. on the external audit Report
Understatement of compensation of employees	Non compliance with reporting template	Issue / Observations from Auditor
The financial statement reflects a figure of Kshs 1,962,044.00 as expenditure for compensation of employees whereas the payment vouchers shows a figure of Kshs 2,222,640.00 hence variance of Kshs .260,596.40. This variance is brought about by the PAYE and NHIF amounts which are normally deducted from every salary voucher and remitted to	The Nil balance for gratuity in the statement of assets and liabilities was explained .It was not an expense but was only a commitment in the vote book. The numbering was also been corrected .	Management comments

		the relevant authorities. In the financial statement the taxes are all categorized under other operating taxes.			
4.3.2	Budget under utilisation	The underutilization on the compensation of employees is as a result the pending gratuity amounts that will be paid out at the expiry of the contract period for the respective staff members.	Fund Accounts Manager	Resolved	Immediately
4.4	Understatement of committee expenditure	The amount was spent on inducting the new committee members who had just been appointed into the office. A substantial amount of this was spent on printing the NG CDF ACT and policy guidelines for use during the induction. Hence the reason for posting it under printing, advertising and information supplies & services.	Fund Accounts Manager	Resolved	Immediately
4.5.1	Award of labour based contracts	The method of implementation has now been changed as explained	Fund Accounts Manager and the NG CDF	resolved	Within three months

4.8	4.7		Reference No. on the external audit Report
Un presented cheques	Lack of bursary acknowledgements		Issue / Observations from Auditor
The unpresented bursary cheques were reversed back and allocated to other needy students	The need to ensure receipts and acknowledgements letters are returned to the office is always emphasized during public forums. The NG CDF will explore better ways of ensuring that most if not all acknowledgement letters are received back to the office	and 4 offices. At the construction stage all the rooms will look like classrooms and the offices will be partitioned from the classrooms to create proper offices	Management comments
