4. CHAIRMAN'S STATEMENT

The mandate of Chuka Technical and vocational college is to provide Quality Technical training, Skills-upgrading, Inculcation of Entrepreneurial culture, Applied Research and Development, Institute-industry Collaborations and Linkages, Innovativeness and Community Service as stipulated in the TVET Act 2013. In order to effectively fulfill its mandate, Chuka Technical and vocational college had proposed various projects in the prior FY 2018/2019 in which they were not in progress in that financial year. These project were; rain water collection and storage facilities, fencing and gate construction, security surveillance system, LAN CCTV and intercom, integrated accounting system software. Current FY 2019/2020 were; Water tank installation, Hall/Kitchen, Workshops block and Construction of the additional Semi-permanent classrooms.

The management successfully completed the Construction of the 10 Semi-permanent classrooms and procured 10,000 litres tank in this financial year, other project not yet started.

This financial year, the learning of trainees was interrupted due to the outbreak of COVID 19 Epidemic internationally which also lead to failure of the 2019/2020 budget implementation.

We would like the Government to give financial support to the college since funding is a major component in training of technical courses.

Board Member

JUSTUS MWITI KANGA

DATE: 14/09/2020

CHAIRMAN BOARD OF GOVERNORS

**CHUKA TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2020**

5. REPORT OF THE PRINCIPAL

Chuka Technical and vocational college puts its trainees at the center of its activities by ensuring that the quality training and research programmes offered are essential and relevant to the dynamic world of work. The institute blends the imparting of competences with entrepreneurship skills to actively prepare trainees for the job market. Training on innovation and nurturing of creative talents is done through various initiatives such as participation in TVET research competitions. Trainees are mentored on skills needed in the attainment of Kenya's development agenda.

The year under review saw Chuka Technical and vocational college continue to upscale efforts to fulfill its mandate of providing education and training, research and innovation consultancy and community service as stipulated in the TVET Act 2013.

The main source of Finance for the institute during the year under review was the fees paid by the trainees.

As a result of preparation of final financial statements for the year ended 30th June 2020, in accordance with the accrual bases of accounting method under the international public sector accounting standard (IPSAS) the College had a revenue of Kshs.20,059,151 and the expenditure of Kshs.16,671,765 resulting to a surplus of Kshs. 3,387,386 which increased the reserve in the financial position.

However, trainees receivables decreased to Kshs1,486,831 compared to prior year with Kshs.4,414,889. Enrolment had increased from 268 to 418 trainees before the learning had been interrupted by the outbreak of COVID 19 Epidemic.

The year under review had a budget of Kshs..95,973,920 and revenue during the year was Kshs.20,059,151 which is an indication that the approved budget was not fully implemented due to the difference in income. The difference was as a result of the Government capitation since it was not disbursed fully and proposed Government funded project was also not in progress during the financial year.

As a College, we acknowledge the commitment of the Government towards the TVET Sector. We recognize in a special way the efforts of H.E The president, Uhuru Kenyatta to make TVET accessible and affordable by reducing the tuition fee and increasing of TVET institutions in the country. We remain committed to quality training and declare our resolve to continue addressing the opportunities and challenges that come our way more so, in playing our role in the realization of the Big Four Agenda.

During the financial year the college was able to construct 10 Semi-permanent classrooms and procured 10,000 litres tank in this financial year which will go a long way in having training more efficient after COVID 19 Epidemic is mitigated.

ENG DANIEL M MUGAMBI

ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2020**

7. CORPORATE GOVERNANCE STATEMENT

Chuka TVC is managed by a Board of Governors (BoG). The Board undertakes its mandate in accordance to the provisions of the Education Act (Cap 211). It is headed by a Chairman of BoG and draws its membership from TVET act Section 28 second schedule, as described below:-

1. Composition of Board of Governor for Technical Colleges.

(1) The Board of Governors of a public institution shall consist of not less than seven and not more than nine members appointed by the Cabinet Secretary.

(2) The membership of the Board of Governors shall comprise;

(a) a chairperson;

(b) a representative of the Principal Secretary in the Ministry responsible for technical and vocational training;

[Rev. 2013]

Technical and Vocational Education and Training

NO. 29 OF 2013

T3A - 29 [Issue 2]

(c) a representative of the county Governor of the county within which the institution is located; and

(d) six other persons appointed on the basis of their knowledge and experience in— (i) leadership and management; (ii) financial management; (iii) technology; (iv) industry; (v) engineering; (vi) information communication technology.

(3) The Board of Directors for private institutions shall be composed of such number of members as may be determined and appointed by the sponsor or proprietor as indicated in the certificate of registration of that institution.

(4) The Principal of the institution shall be the Secretary to the Board of Governors.

2. Appointments under paragraph 1(2) shall take into account ethnic and gender balance, and promote inclusion of persons with disabilities, minorities and the marginalized, and ensure balanced competencies among the members.

3. Notwithstanding the provisions of paragraph 1(1) and unless otherwise provided for, the members of a Board of Governors of a public institution placed under another Ministry other than the Ministry for the time being responsible for Technical Education shall be appointed by the Cabinet Secretary within the Ministry that the institution lies.

4. Prohibition from management No person shall engage or be engaged in the promotion, provision or management of Training institutions and training in Kenya whether as a trainer, lecturer, manager or sponsor if that person has been convicted of any offence and imprisoned for a term exceeding six months.

5. Guiding principles for Board of Governors

(1) In carrying out its functions as provided for under this Act, a Board of Governors shall—

(a) Uphold the provisions of this Act;

(b) Ensure— (i) consultation with the Cabinet Secretary or the responsible Cabinet Secretary and appropriate regulatory bodies; and (ii) effective participation of stakeholders in matters relating to the governance and promotion of training by the institution.

(2) No person shall serve as a chairperson or member in more than one Board.

(3) No person shall participate in any proceedings or otherwise conduct the business of the Committee of Board without first being appointed.

NO. 29 OF 2013 Technical and Vocational Education and Training

[Rev. 2013]

[Issue 2] T3A - 30

5. Establishment of Committees of Boards of Governors

(1) A Board of Governors may establish such committees as it may deem appropriate to perform such functions and discharge such duties as it may determine.

**CHUKA TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2020**

(2) The Boards of Governors shall appoint the chairperson of a committee established under this section from amongst its own members.

(3) The Boards of Governors may co-opt persons with special knowledge, experience and skill in training into any of its committees established under subsection (1) for a period not exceeding two months.

(4) The composition and membership of the committees of the Boards of Governors shall as much as possible reflect the composition and representation in the Boards.

7. Term of office

(1) Unless the appointment of the chairperson or a member of a Board of Governors is earlier terminated under this Act, a person appointed as chairperson or as a member shall hold office for a term of three years from the date of appointment and shall be eligible for re-appointment for one further term of a period not exceeding three years.

(2) In appointing and reappointing members of Boards of Governors, the Cabinet Secretary shall stagger the commencement dates of some members to maintain a proportion of new membership that ensures continuity in the affairs of the Boards of Governors.

(3) Notwithstanding the foregoing, a person who has served as a member of a Board of Governors for one term at the date of the commencement of this Act may be re-appointed for a second and final term of three years.

8. Resignation from the Board of Governors

(1) A member of a Board of Governors may at any time resign by giving notice in writing to the cabinet Secretary.

(2) A person giving notice under subparagraph (1) shall cease to be a member of the Board from the date specified in the notice or, if no date is specified, from the date of the receipt by the Cabinet Secretary or the Secretary to the relevant Board, as the case may be, of the notice. 9. Revocation of appointment and vacation of office (1) The appointment of a member to a Board of Governors or to its committees shall be revoked and the member shall vacate office if the member—

- (a) Resigns in accordance with paragraph 13 of this schedule;
- (b) becomes insolvent or has conveyed or assigned his property or has made a proposition or arrangement for the benefit of his creditors;
- (c) Is sentenced by a court of law to imprisonment for a term of six months or more;
- (d) Is incapacitated by physical or mental illness;

During the year, there were five Board meetings held members attendance to those meeting was 100%.

ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2020**

8. MANAGEMENT DISCUSSION AND ANALYSIS

As a result of preparation of final financial statements for the year ended 30th June 2020, in accordance with the accrual bases of accounting method under the international public sector accounting standard (IPSAS) the College had an income of Kshs.20,059,151 and the expenditure of Kshs.16,671,765 resulting to a surplus of Kshs.3,387,386 which increase the reserve in the financial position.

However, trainees receivables decreased to Kshs.1,486,831 compared to prior year with Kshs.4,414,889.

This financial year, the learning of trainees was interrupted due to the outbreak of COVID 19 Epidemic internationally which also lead to failure of the 2019/2020 budget implementation

Below is the table of the keys projects that were proposed and strategized from previous financial year but only a few implemented due to financial shortage and government failure to respond on development grant in various key projects. The project below attempted, used part of fund from trainees fees.

S/No	CAPITAL PROJECTS	CURRENT STATUS JULY 2018	PROJECTED COMPLETION DATE	BUDGET/KSH
1.	Construction of a masonry Shed	Started and complete	30 th April 2018	150,000

6.	ICT infrastructure (Website, WIFI, LAN and installation of CCTV)	Quarterly complete	30 th August 2018	400,000
7.	Installation of computers tables for Computer Labs	complete	30 th August 2018	120,000
8.	20 Computer lab Chairs and 50 office and visitors chairs	50% implemented	31 st December 2018	200,000
9.	Acquire 100 additional Lecture Chairs	50% implemented	30 th December 2018	350,000
10.	Establishing a library(Acquire library furniture Reading tables and chairs, book shelves)	Not Started	30 th July 2019	4,000,000
11.	Gutters and roof catchment and reservoirs	Not started	30 th August 2019	1,000,000
12.	Fencing and Gate	Not started	31 st July 2019	6,000,000
13.	Security surveillance system	Not started	30 th July 2019	300,000

**CHUKA TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2020**

14	Water harvesting and water storage	Not started	31 st December 2019	2,500,000
15	Construction of 10 semi-permanent lecture rooms	90% complete	30 th September 2019	3,600,000
16	Construction of 10 permanent lecture rooms	Not started	30 th June 2020	18,000,000
17	Develop a master plan	Not started	31 ST December 2020	200,000
18	Construction of Building and Civil Engineering Workshops	Not started	30 th July 2021	30,000,000
19	Training Materials	Started	Continuous	4,000,000

Major Challenges facing the college are:

1. Poor access road
2. Lack of adequate security (fencing)
3. Lack of adequate water supply
4. Inadequate funding
5. Poor payment of school fees
6. Low student enrollment
7. Inadequate infrastructure
8. Lack of students reference materials
9. Inadequate staffing levels
10. Water shortage
11. COVID 19 Epidemic

9. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING

1. Chuka tvc exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on 5 pillars: putting the customer/Citizen first, delivering relevant goods and services, and improving operational excellence. Below is a brief highlight of our achievements in each pillar

2. Sustainability strategy and profile -

Chuka tvc has established several strategies to ensure sustainability of its programs amidst many challenges facing the management. The Board has engaged collaborations with the National Government through MoE under the State Department of Vocational and Technical Training for policy direction and funding on major projects. In addition; we have also enhance collaborations with the County Government through the CDF of Igambangombe Sub –County for students' sponsorships and community mobilization in development activities. Chuka tvc will strive to acquire additional land for expansion of the institute and identity.

The management has aggressively invested in the installation Management Information Software for efficiency and effectiveness in management process and data processing. In addition, we are refurbishing the institute website for marketing and for effective communication to all our stakeholders. Marketing of courses both locally and nationally to attract trainees to equip them with hand on skills for employability and self-employment. The institute's location in a low settlement area with adverse cold climatic weather conditions has affected its growth. The management is committed to continual improvement of the face of the institute by, paving the pathways to improve cleanliness as well securing the facility by proper fencing.

3. Environmental performance

The management has implemented policy on planting of trees under the green economy for sustainable environment. In addition, we have improved our environment by planting flowers along designated pathways and gardens for general aesthetics. The Institute disposes its wastes appropriately both the WC waste and waste waters through the sewerage system. Adequate sanitation areas with hand wash have been provided for maintenance of hygiene. Provision of clean water for consumption and for general cleaning through collaborations with water companies in the locality. Need for increase water reservoirs and connectivity for treated water systems to prevent water borne diseases.

4. Employee welfare

The management recruits BoG staff both trainers and support staff equity based on the need. The recruitment is guided by an MoU which details the terms and references of engagement of staff. The management observes integrity, professionalism, gender and disability inclusivity, as well as stakeholder involvement. The Board has developed staff establishment and career

**CHUKA TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2020**

Progression policy for Chuka tvc BoG staff. We undertake annual staff appraisal and training Needs assessment to establish gap for capacity building. Chuka tvc Occupational Safety and Health Act of 2007, (OSHA) regulations by providing protection clothing to our staff while on duty.

5. Market place practices-

Chuka tvc has outlined its efforts to:

- a) Responsible competition practice.
has continually sensitized both staff and students on corruption prevention matters. The service charter in English and Swahili has clearly been displayed at the main gate and at strategic service points such as the The institute upholds section 6 of the constitution of Kenya for all of the officers while on duty. The management customer care office, library, registrar's office, dean's office, Guidance and counselling office, dining hall and procurement office.
- b) Responsible Supply chain and supplier relations – The management implement the Public Procurement and Disposal Act of 2012 and its Regulations of 2016 in all its procurement for goods, services and contracts.
- c) Chuka tvc advertises our training programs through our website, the media, door to door marketing strategies through the Local administration and Personal selling through good examination performance and quality services and customer focus.
- d) Product stewardship - Our customer rights and interests have been safe guarded by clear communications to our customers through relevant offices the dean's office. We also provide newsletters to convey crucial and authentic information to our customers. We used authorized communication channels the official addresses, mobile numbers and emails.

6. Community Engagements-

Chuka tvc engages in social corporate responsibility activities by provision of face masks to the local administration nearby. We also visit children's homes in our locality through the Christian movement in the institute and support them with food and clothing. We undertake annual cleaning up of the Kaanua Market and its environs and sensitize them on the government policies in relation to access to TVET courses, Procurement opportunities among others.

10. REPORT OF THE BOARD OF GOVERNORS

The Board members submit their report together with the audited financial statements for the year ended June 30, 2020 which show the state of the *Chuka TVC*'s affairs.

Principal activities

The principal activities of the Chuka TVC ;

- a. To conduct training at tertiary level in technical and vocational education and training fields.
- b. To determine curricula appropriate for training of the various manpower category and specialization required by the labour market through careful selection of available syllabi from local or international institutions recognized by the Ministry of Education (MoE).
- c. To foster linkages with industry and other institutions for the promotion of quality and relevant training.
- d. To promote and inculcate Entrepreneurial skills and culture within the institute's staff and students.
- e. To conduct Applied Research.
- f. To undertake income-generating activities through production, consultancy and tailor-made short courses, in-service courses, equipment and facility hiring and hospitality services to compliment Government grants and fees revenue.

Results

The results of the Chuka Tvc for the year ended June 2020 are set out on page 1 to 5

BOARD OF GOVERNORS

The members of the Board who served during the year are shown on page iv. During the year no one have resigned.

Auditors

The Auditor General is responsible for the statutory audit of the *Chuka TVC* in accordance with Article 229 of the Constitution of Kenya and the Public Audit Act 2015 or Certified Public Accountants were nominated by the Auditor General to carry out the audit of the *Chuka TVC* for the year/period ended June 30, 2020 in accordance to section 23 of the Public Audit Act, 2015 which empowers the Auditor General to appoint an auditor to audit on his behalf.

FOR THE YEAR ENDED 30TH JUNE 2020**

11. STATEMENT OF BOARD OF GOVERNORS' RESPONSIBILITIES

Section 81 of the Public Finance Management Act, 2012 and *section 29 of schedule 2 of the Technical and Vocational Education and Training Act, 2013* require the Board members to prepare financial statements in respect of the college, which give a true and fair view of the state of affairs of the college at the end of the financial year/period and the operating results of the college for that year/period. The Board members are also required to ensure that the college keeps proper accounting records which disclose with reasonable accuracy the financial position of the college. The Board members are also responsible for safeguarding the assets of the college.

The Board members are responsible for the preparation and presentation of the college's financial statements, which give a true and fair view of the state of affairs of the college for and as at the end of the financial year ended on June 30, 2020. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the college; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Board members accept responsibility for the college's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012 and Technical and Vocational Education and Training Act, 2013. The Board members are of the opinion that the college's financial statements give a true and fair view of the state of college's transactions during the financial year ended June 30, 2020, and of the college's financial position as at that date. The Board members further confirm the completeness of the accounting records maintained for the college, which have been relied upon in the preparation of the college's financial statements as well as the adequacy of the systems of internal financial control.

Nothing has come to the attention of the Board members to indicate that the college will not remain a going concern for at least the next twelve months from the date of this statement.

Approval of the financial statements

The Chuka TVC's financial statements were approved by the Board on 14/09/2020 and signed on its behalf by:

Chairman of the Board

Principal

REPORT OF THE AUDITOR-GENERAL ON CHUKA TECHNICAL AND VOCATIONAL COLLEGE FOR THE YEAR ENDED 30 JUNE, 2020

REPORT ON THE FINANCIAL STATEMENTS

Adverse Opinion

I have audited the accompanying financial statements of Chuka Technical and Vocational College set out on pages 1 to 41, which comprise the statement of financial position as at 30 June, 2020, and the statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, because of the significance of the matters discussed in the Basis for Adverse Opinion section of my report, the financial statements do not present fairly, the financial position of the Chuka Technical and Vocational College as at 30 June, 2020, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and do not comply with the Technical and Vocational Education and Training Act, 2013.

Basis for Adverse Opinion

1.0 Inaccuracies in the Statement of Cash Flows

The statement of cash flows reflects Kshs.5,846,377 in respect of net increase in cash and cash equivalents. However, a recast of the balances indicated a total of Kshs.1,598,029 on the same item resulting to unreconciled variance of Kshs.4,248,348.

In addition, the statement reflects Kshs.2,124,174 in respect to purchase of property, plants and equipment and intangible assets. However, note 30 to the financial statements reflects Kshs.1,273,349 in respect to same item resulting to unreconciled variance of Kshs.850,825.

Further, the statement reflects Kshs.3,722,203 in respect to net cash flows from operating activities. However, a review of the statement of financial position revealed a total of

Kshs.2,431,188 in respect to working capital changes which is not included in the net cash flows from operating activities resulting to unreconciled variance amounting to Kshs.3,743,542 as detailed below;

Items	Amount in the Statement of Financial position for 2019-2020 (Kshs)	Amount in the Statement of Financial position for 2018-2019 (Kshs)	Increase/Decrease (Kshs)
Cash Inflows from Working Capital			
Current Portion of Receivables from Exchange Transactions	1,486,831	4,414,889	(2,928,058)
Trade and Other Payables from Exchange Transactions	2,696,249	2,855,556	(159,307)
Sub total	4,183,080	7,270,445	(3,087,365)
Cash Outflows from Working Capital			
Refundable Deposit from Customers	151,075	145,275	5,800
Inventories	2,052,869	1,402,492	650,377
Sub total	2,203,944	1,547,767	656,177
Grand Total	1,979,136	5,722,678	(3,743,522)

In the circumstances, the accuracy of the statement of cash flows for the year ended 30 June, 2020 could not be ascertained.

2.0 Cash and Cash Equivalents

Note 25 to the financial statements reflects Kshs.6,306,524 in respect of cash and cash equivalents which includes Kshs.6,121,291 in respect to bank balances which were held in two (2) current bank accounts. However, the respective bank reconciliation statements were not availed for audit review contrary to Regulations 90(1) of the Public Finance Management (National Government) Regulations, 2015 which stipulates that all Accounting Officers shall ensure that bank reconciliations are completed for each bank account held by that accounting officer, every month and submit a bank reconciliation statement not later than the 10 of the subsequent month to the National Treasury with a copy to the Auditor-General.

In the circumstances, the accuracy of the Kshs.6,306,524 in respect to cash and cash equivalents as at 30 June, 2020 could not be ascertained.

3.0 Transfer from National Government Ministries

Note 6 to the financial statements reflects Kshs.10,520,948 in respect of transfers from national government ministries for the year under review which relates to operational

grants. However, confirmation from the Ministry of Education revealed that Kshs.9,000,000 was transferred to the College in respect to the same item and period resulting to unexplained variance of Kshs.1,520,948.

In the circumstance, the accuracy and propriety of the Kshs.10,520,948 in respect to transfers from national government ministries for the year ended 30 June, 2020 could not be ascertained.

4.0 Irregular Procurement- Repair and Maintenance

Note 19 to the financial statements reflects Kshs.3,270,830 in respect of repair and maintenance which includes Kshs.1,740,525 spent on procurement of building materials from a supplier. However, supporting documents including tender opening and evaluation minutes, professional opinion, notification of the award and acceptance by the supplier were not provided for audit review. Therefore, it was not possible to ascertain whether the supplier was competitively sourced.

In the circumstances, the propriety and value for money for the Kshs.1,740,525 expenditure could not be ascertained

5.0 Unsupported Inventories Balance

Note 28 to the financial statements reflects Kshs.2,052,869 in respect of inventories. However, supporting documents including stores records, stock count report and inventory valuation method were not provided for audit review contrary to Section 14(1) of the Technical and Vocational Education and Training Act, 2013 which stipulates that the Board shall cause to be kept all proper books and records of income, expenditure, assets and liabilities of the Board.

In the circumstances, the accuracy, propriety and validity of Kshs.2,052,869 in respect to inventories as at 30 June, 2020 could not be ascertained.

6.0 Unsupported Refundable Deposits from Customers

Note 34 to the financial statements reflects Kshs.151,075 in respect of refundable deposits from customers/students which relates to consumer deposits and caution money. However, supporting documents including ledgers, customers'/students' names, amount and date paid, course taken and ageing analysis showing how long the balance has been held was not provided for audit review contrary to Sections 99(3) and 104(1) of the Public Finance Management (National Governments) Regulations, 2015 which stipulates that every entry in the accounts shall be supported by a voucher containing the full details, clear narrations and particulars of the item or items to which it relates and shall be supported by appropriate authority and documentation.

In the circumstances, the accuracy and propriety of Kshs.151,075 in respect to refundable deposits from customers/students for the year ended 30 June, 2020 could not be ascertained.

7.0 Unsupported Revenue from Rendering of Services

Note 10 to the financial statements reflects Kshs.9,538,203 in respect of revenue from rendering of services which relates to fees from students. However, supporting documents including ledgers, students' name, dates and amounts paid, admission number, course taken and summary of each type of revenue received was not provided for audit review contrary to Section 100 of the Public Finance Management (National Government) Regulations, 2015 which states that, an accounting officer shall keep in all offices concerned with receiving cash or making payments a cash book showing the receipts and payments and shall maintain such other books and registers as may be necessary for the proper maintenance and production of the accounts of the vote for which he or she is responsible.

In the circumstances, the accuracy and propriety of the Kshs.9,538,203 revenue from rendering of services for the year ended 30 June, 2020 could not be ascertained

8.0 Unsupported Capital Fund

The statement of financial position reflects Kshs.1,273,349 in respect of capital fund. However, the respective supporting documents including source of fund, date received and purpose of the fund were not provided for audit review contrary to Section 99(3), 104(1) and 118(3) of the Public Finance Management (National Governments) Regulations, 2015 which stipulates that every entry in the accounts shall be supported by a voucher containing the full details, clear narrations and particulars of the item or items to which it relates and shall be supported by appropriate authority and documentation and the accounting officer shall ensure appropriate mechanism are put in place for safeguarding and tracking them.

In the circumstance, the accuracy and propriety of the Kshs.1,279,349 capital fund as at 30 June, 2020 could not be ascertained.

9.0 Property, Plant and Equipment

9.1 Incomplete Fixed Assets Register

Note 30 to the financial statements reflects Kshs.938,532 in respect to property, plant and equipment. However, review of the fixed assets registers provided for audit revealed that critical information such as location of the assets, description, respective costs and serial numbers were not indicated in the register.

Further, physical verification of the assets carried out in December, 2020 revealed that the assets were not tagged for ease of identification and movement. In addition the

inspection noted that the College has buildings, land, furniture, equipment, machines, tools, books and computers of unknown value that were being used in day to day operations of the College. However, it was not possible to ascertain whether all the assets were included in the assets register and the financial statements

9.2 Land with No Ownership Documents

The College occupies land whose details including ownership documents, size, land reference number and other relevant information were not provided for audit review. In addition, the financial statements reflect a nil balance as disclosed in Note 30 to the financial statements.

In the circumstances, the ownership of land and the completeness of the financial statements assets as at 30 June, 2020 could not be ascertained. Further, the College is in breach of the law.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Chuka Technical and Vocational College Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my Adverse Opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to communicate in my report.

Other Matter

1.0 Budgetary Control and Performance

The statement of comparison of budget and actual amounts for the year ended 30 June, 2020 reflects a budgeted revenue of Kshs.95,973,920 and actual revenue of Kshs.20,059,151 resulting to a revenue shortfall of Kshs.75,914,769 or 79% of the budget. Similarly, the statement reflects an expenditure budget of Kshs.95,973,920 and actual expenditure of Kshs.16,336,948 resulting to under expenditure of Kshs.79,636,972 or 83% of the budget.

The underfunding and under expenditure is an indication that most programs and activities that had been planned were not implemented.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, because of the significance of the matters discussed in the Basis for Adverse Opinion Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources and Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance sections of my report, based on the audit procedures performed, I confirm that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1.0 Failure to Approve Budget

During the year under review the board approved a budget of Kshs.95,973,920 in respect to revenue and expenditure respectively. However, there was no evidence to indicated that the budget was submitted and approved by the Cabinet Secretary Ministry of education and contrary to Section 22(1) and (2) of the second schedule to the Technical and Vocational Education and Training Act, 2013 which stipulates Board of Governors of a public institution shall prepare annual estimates of revenue and expenditure for the institution under its charge, in such form and at such times as the Cabinet Secretary may prescribe and the Board of Governors may incur expenditure for the purpose of the institution in accordance with estimates approved by the Cabinet Secretary, and any approved expenditure under any head of the estimates may not be exceeded without the prior written approval of the Cabinet Secretary.

In the circumstances, the College is in breach of the law.

2.0 Unapproved Allowances to the Board of Governors

Note 17 to the financial statements reflects Kshs.286,000 in respect of remuneration of Directors. Documents provided for audit review revealed that the College had eight Board members. However, evidence showing that the allowances paid to the said Board members were approved by the cabinet secretary was not provided for audit review contrary to the Section 17 of the Second Schedule to the Technical and Vocational Education and Training Act, 2013 which stipulates that members of a board of governors shall be paid in respect to their services such remuneration or allowances as the board of governors shall, with the approval of the cabinet secretary determine.

Further, included in the Kshs.286,000 was Kshs.12,000 paid to the principal as sitting allowance during a full board meeting held at the College's boardroom on 19 July, 2019 and Kshs.24,000 paid as allowance to the outgoing and incoming principals at Kshs.12,000 each during the handover and take over meeting held in the College's boardroom on 3 July, 2019 contrary to Section 10(1) of the State Corporations, Act CAP, 446 which stipulates that the chairman and members of a Board, other than the chief

executive (principal), shall be paid out of the funds of the state corporation such sitting allowances or other remuneration as the Board may, within the scales of remuneration specified from time to time by the committee.

In the circumstances, the College is in breach of the law.

3.0 Ethnicity

Records made available for audit review revealed that during the financial year, the College had thirty-five (35) employees out of which seventeen (17) or 49% were from the same ethnic community contrary to Section 7(2) of the National Cohesion and Integration Act, 2008 which states that no public establishment shall have more than one third of its staff from the same ethnic community.

In the circumstances, the College is in breach of the law.

4.0 Presentation of the Financial Statements

Review of the financial statements provided for audit revealed the following anomalies which are contrary to requirement of Public Sector Accounting Standards Board (PSASB) reporting template issued in June, 2020;

- i). The Institute of Certified Public Accountants of Kenya (ICPAK) membership number of the finance officer is not indicated in the statement of financial position.
- ii). Inter-entity transfers at page 40 to the financial statements is not signed by the head of accounting unit of the Ministry of Education contrary to PSASB.
- iii). Corporate governance statement at page "xv" to the financial statements did not include the succession plan, existence of a board charter, roles and functions of the Board, induction and training, board member performance, conflict of interest, board remuneration, ethics and conduct and governance audit.
- iv). Pages "xxi" to "xxv" are missing in the financial statements. Further the page "xx" is not paginated.

In the circumstances, the College's financial statements are not prepared in accordance with the PSASB prescribed format.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, because of the significance of the matters discussed Basis for Adverse Opinion, Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources and Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance sections of my report, based on the audit procedures performed, I confirm that internal controls, risk management and governance were not effective.

Basis for Conclusion

1.0 Lack of Internal Audit

As reported in the previous year, during the year under review, the College did not have an internal audit in place contrary to Section 73(1)(a) of the Public Finance Management (PFM) Act, 2012 which states that every national government entity shall ensure that it has appropriate arrangements for conducting internal audit according to the guidelines issued by the Accounting Standards Board.

In the circumstances, the College is in breach of the law.

2.0 Lack of Internal Audit Committee

As reported in the previous year, during the year under review, the College did not have an audit committee in place contrary to Section 73(5) of the Public Finance Management Act, 2012 which states that every national government entity shall establish an internal auditing committee whose composition and functions are to be prescribed by the regulations.

In the circumstances, the College is in breach of the law

3.0 Lack of Risk Management Policy

As reported in the previous year, a review of the College's Internal controls revealed that the College did not have approved risk management policy. Further, the Management did not provide for audit review evidence of whether the College has documented, identified and assessed risks and developed controls to respond to the risk identified contrary to Section 165 of the Public Finance Management (National Government) Regulations 2015, which stipulates that the accounting officer shall ensure that the national government entity develops risk management strategies, which include fraud prevention mechanism and system of risk management and internal control that builds robust business operations.

In the absence of risk management policy, it is not possible to determine the effectiveness of controls implemented to control risks. In addition, the College is in breach of the law.

4.0 Lack of Approved Salary Structure

Note 16 to the financial statements reflects Kshs.4,796,925 in respect to employee costs. However, as reported in the previous year, approved salary structure and staff establishment were not provided for audit review contrary to Section C 2(1) of the Human Resource Policies and Procedures Manual for the Public Service, 2016 which stipulates that public service salary structure will be based on the grading levels spelt out in the various career progression guidelines.

In the circumstances, the College is in breach of the law.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Chuka Technical and Vocational College's ability to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the College or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the Chuka Technical and Vocational College's financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Chuka Technical and Vocational College's financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion with limited assurance as to whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of noncompliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Chuka Technical and Vocational College's policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Chuka Technical and Vocational College's ability to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Chuka Technical and Vocational College to cease to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Chuka Technical and Vocational College to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

CPA Nancy Gathungu, CBS
AUDITOR-GENERAL

ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2020**

18. NOTES TO THE FINANCIAL STATEMENTS

1. GENERAL INFORMATION

Chuka tvc is established by and derives its authority and accountability from TVET Act. Of 2013. The Institute is wholly owned by the Government of Kenya and is domiciled in Kenya. The Institute's principal activity is Technical and vocational training.

2. STATEMENT OF COMPLIANCE AND BASIS OF PREPARATION

The financial statements have been prepared on a historical cost basis except for the measurement at re-valued amounts of certain items of property, plant and equipment, marketable securities and financial instruments at fair value, impaired assets at their estimated recoverable amounts and actuarially determined liabilities at their present value. The preparation of financial statements in conformity with International Public Sector Accounting Standards (IPSAS) allows the use of estimates and assumptions. It also requires management to exercise judgement in the process of applying the *Chuka Tvc's* accounting policies. The areas involving a higher degree of judgment or complexity, or where assumptions and estimates are significant to the financial statements, are disclosed in Note

The financial statements have been prepared and presented in Kenya Shillings, which is the functional and reporting currency of the *Chuka Tvc*.

The financial statements have been prepared in accordance with the PFM Act, the State Corporations Act, the TVET Act, (*include any other applicable legislation*), and International Public Sector Accounting Standards (IPSAS). The accounting policies adopted have been consistently applied to all the years presented.

3. ADOPTION OF NEW AND REVISED STANDARDS

i. Relevant new standards and amendments to published standards effective for the year ended 30 June 2020

Standard	Impact
IPSAS 40: Public Sector Combinations	Applicable: 1st January 2019 The standard covers public sector combinations arising from exchange transactions in which case they are treated similarly with IFRS 3(applicable to acquisitions only). Business combinations and combinations arising from non-exchange transactions are covered purely under Public Sector combinations as amalgamations.

**CHUKA TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2020**

NOTES TO THE FINANCIAL STATEMENTS (Continued)

3 ADOPTION OF NEW AND REVISED STANDARDS (Continued)

ii. New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2020

Standard	Effective date and impact:
IPSAS 41: Financial Instruments	<p>Applicable: 1st January 2022:</p> <p>The objective of IPSAS 41 is to establish principles for the financial reporting of financial assets and liabilities that will present relevant and useful information to users of financial statements for their assessment of the amounts, timing and uncertainty of an entity's future cash flows.</p> <p>IPSAS 41 provides users of financial statements with more useful information than IPSAS 29, by:</p> <ul style="list-style-type: none"> • Applying a single classification and measurement model for financial assets that considers the characteristics of the asset's cash flows and the objective for which the asset is held; • Applying a single forward-looking expected credit loss model that is applicable to all financial instruments subject to impairment testing; and • Applying an improved hedge accounting model that broadens the hedging arrangements in scope of the guidance. The model develops a strong link between an entity's risk management strategies and the accounting treatment for instruments held as part of the risk management strategy.
IPSAS 42: Social Benefits	<p>Applicable: 1st January 2022</p> <p>The objective of this Standard is to improve the relevance, faithful representativeness and comparability of the information that a reporting entity provides in its financial statements about social benefits. The information provided should help users of the financial statements and general purpose financial reports assess:</p> <ol style="list-style-type: none"> (a) The nature of such social benefits provided by the Chuka tvc; (b) The key features of the operation of those social benefit schemes; and (c) The impact of such social benefits provided on the Chuka tvc's financial performance, financial position and cash flows.
Amendments	Applicable: 1st January 2022:

**CHUKA TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2020**

Standard	Effective date and impact:
to Other IPSAS resulting from IPSAS 41, Financial Instruments	<p>a) Amendments to IPSAS 5, to update the guidance related to the components of borrowing costs which were inadvertently omitted when IPSAS 41 was issued.</p> <p>b) Amendments to IPSAS 30, regarding illustrative examples on hedging and credit risk which were inadvertently omitted when IPSAS 41 was issued.</p> <p>c) Amendments to IPSAS 30, to update the guidance for accounting for financial guarantee contracts which were inadvertently omitted when IPSAS 41 was issued.</p> <p>d) Amendments to IPSAS 33, to update the guidance on classifying financial instruments on initial adoption of accrual basis IPSAS which were inadvertently omitted when IPSAS 41 was issued.</p>
Other Improvements to IPSAS	<p>Applicable: 1st January 2021:</p> <p>a) Amendments to IPSAS 13, to include the appropriate references to IPSAS on impairment, in place of the current references to other international and/or national accounting frameworks</p> <p>b) IPSAS 13, Leases and IPSAS 17, Property, Plant, and Equipment. Amendments to remove transitional provisions which should have been deleted when IPSAS 33, First Time Adoption of Accrual Basis International Public Sector Accounting Standards (IPSASs) was approved</p> <p>c) IPSAS 21, Impairment of Non-Cash-Generating Assets and IPSAS 26, Impairment of Cash Generating Assets. Amendments to ensure consistency of impairment guidance to account for revalued assets in the scope of IPSAS 17, Property, Plant, and Equipment and IPSAS 31, Intangible Assets.</p> <p>d) IPSAS 33, First-time Adoption of Accrual Basis International Public Sector Accounting Standards (IPSASs). Amendments to the implementation guidance on deemed cost in IPSAS 33 to make it consistent with the core principles in the Standard.</p>

iii. Early adoption of standards

The entity did not early – adopt any new or amended standards in year 2020.

**CHUKA TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2020**

a) Revenue recognition

i) Revenue from non-exchange transactions

Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured reliably. Recurrent grants are recognized in the statement of comprehensive income. Development/capital grants are recognized in the statement of financial position and realised in the statement of comprehensive income over the useful life of the assets that has been acquired using such funds

ii) Revenue from exchange transactions

Rendering of services

The entity recognizes revenue from rendering of services by reference to the stage of completion when the outcome of the transaction can be estimated reliably. The stage of completion is measured by reference to labour hours incurred to date as a percentage of total estimated labour hours.

Where the contract outcome cannot be measured reliably, revenue is recognized only to the extent that the expenses incurred are recoverable.

Sale of goods

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership have been transferred to the buyer, usually on delivery of the goods and when the amount of revenue can be measured reliably and it is probable that the economic benefits or service potential associated with the transaction will flow to the entity.

Interest income

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

Dividends

Dividends or similar distributions must be recognized when the shareholder's or the entity's right to receive payments is established.

CHUKA TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2020

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

a) Revenue recognition (Continued)

ii) Revenue from exchange transactions (continued)

Rental income

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms and included in revenue.

b) Budget information

The original budget for FY 2018/2019 was approved by the Council or Board on 06/07/2018. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities. The additional appropriations are added to the original budget by the entity upon receiving the respective approvals in order to conclude the final budget.

The Chuka Tvc's budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts.

In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts and the actuals as per the statement of financial performance has been presented under section of these financial statements.

c) Taxes

Current income tax

The Chuka tvc is exempt from paying taxes as per schedule *of the Act*.

**CHUKA TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2020**

NOTES TO THE FINANCIAL STATEMENTS (Continued)

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

c) Taxes (continued)

Sales tax/ Value Added Tax

Expenses and assets are recognized net of the amount of sales tax, except:

- When the sales tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the sales tax is recognized as part of the cost of acquisition of the asset or as part of the expense item, as applicable.
- When receivables and payables are stated with the amount of sales tax included.

The net amount of sales tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position.

d) Investment property

Investment properties are measured initially at cost, including transaction costs. The carrying amount includes the replacement cost of components of an existing investment property at the time that cost is incurred if the recognition criteria are met and excludes the costs of day-to-day maintenance of an investment property.

Investment property acquired through a non-exchange transaction is measured at its fair value at the date of acquisition. Subsequent to initial recognition, investment properties are measured using the cost model and are depreciated over a period of xxx years.

Investment properties are derecognized either when they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit or service potential is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the surplus or deficit in the period of de-recognition.

Transfers are made to or from investment property only when there is a change in use.

e) Property, plant and equipment

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the entity recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value.

**CHUKA TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2020**

NOTES TO THE FINANCIAL STATEMENTS (Continued)

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

f) Leases

Finance leases are leases that transfer substantially the entire risks and benefits incidental to ownership of the leased item to the Entity. Assets held under a finance lease are capitalized at the commencement of the lease at the fair value of the leased property or, if lower, at the present value of the future minimum lease payments. The Entity also recognizes the associated lease liability at the inception of the lease. The liability recognized is measured as the present value of the future minimum lease payments at initial recognition.

Subsequent to initial recognition, lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance costs in surplus or deficit.

An asset held under a finance lease is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Entity will obtain ownership of the asset by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating leases are leases that do not transfer substantially all the risks and benefits incidental to ownership of the leased item to the Entity. Operating lease payments are recognized as an operating expense in surplus or deficit on a straight-line basis over the lease term.

g) Intangible assets

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in surplus or deficit in the period in which the expenditure is incurred. The useful life of the intangible assets is assessed as either finite or indefinite

h) Research and development costs

The Entity expenses research costs as incurred. Development costs on an individual project are recognized as intangible assets when the Entity can demonstrate:

- The technical feasibility of completing the asset so that the asset will be available for use or sale
- Its intention to complete and its ability to use or sell the asset
- How the asset will generate future economic benefits or service potential
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development.

Following initial recognition of an asset, the asset is carried at cost less any accumulated amortization and accumulated impairment losses. Amortization of the asset begins when development is complete and the asset is available for use. It is amortized over the period of expected future benefit. During the period of development, the asset is tested for impairment annually with any impairment losses recognized immediately in surplus or deficit.

**CHUKA TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2020**

NOTES TO THE FINANCIAL STATEMENTS (Continued)

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

i) Financial instruments

Financial assets

Initial recognition and measurement

Financial assets within the scope of IPSAS 29 Financial Instruments: Recognition and Measurement are classified as financial assets at fair value through surplus or deficit, loans and receivables, held-to-maturity investments or available-for-sale financial assets, as appropriate. The Entity determines the classification of its financial assets at initial recognition.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. Losses arising from impairment are recognized in the surplus or deficit.

Held-to-maturity

Non-derivative financial assets with fixed or determinable payments and fixed maturities are classified as held to maturity when the Entity has the positive intention and ability to hold it to maturity. After initial measurement, held-to-maturity investments are measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The losses arising from impairment are recognized in surplus or deficit.

Impairment of financial assets

The Entity assesses at each reporting date whether there is objective evidence that a financial asset or an entity of financial assets is impaired. A financial asset or a entity of financial assets is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an incurred 'loss event') and that loss event has an impact on the estimated future cash flows of the financial asset or the entity of financial assets that can be reliably estimated. Evidence of impairment may include the following indicators:

**CHUKA TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2020
NOTES TO THE FINANCIAL STATEMENTS (Continued)**

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

i) Financial instruments (Continued)

Financial assets (Continued)

Impairment of financial assets (Continued)

- The debtors or a entity of debtors are experiencing significant financial difficulty
- Default or delinquency in interest or principal payments
- The probability that debtors will enter bankruptcy or other financial reorganization
- Observable data indicates a measurable decrease in estimated future cash flows (e.g. changes in arrears or economic conditions that correlate with defaults)

Financial liabilities

Initial recognition and measurement

Financial liabilities within the scope of IPSAS 29 are classified as financial liabilities at fair value through surplus or deficit or loans and borrowings, as appropriate. The Entity determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings, plus directly attributable transaction costs.

Loans and borrowing

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the effective interest method. Gains and losses are recognized in surplus or deficit when the liabilities are derecognized as well as through the effective interest method amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate.

i) Inventories

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition.

Costs incurred in bringing each product to its present location and conditions are accounted for, as follows:

- Raw materials: purchase cost using the weighted average cost method
- Finished goods and work in progress: cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs

**CHUKA TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2020**

NOTES TO THE FINANCIAL STATEMENTS (Continued)

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

i) Inventories (Continued)

After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for a nominal charge, that class of inventory is measured at the lower of cost and current replacement cost.

Net realizable value is the estimated selling price in the ordinary course of operations, less the estimated costs of completion and the estimated costs necessary to make the sale, exchange, or distribution.

Inventories are recognized as an expense when deployed for utilization or consumption in the ordinary course of operations of the Entity.

j) Provisions

Provisions are recognized when the Entity has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Where the Entity expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain.

The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

Contingent liabilities

The Entity does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

Contingent assets

The Entity does not recognize a contingent asset, but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Entity in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

CHUKA TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2020

NOTES TO THE FINANCIAL STATEMENTS (Continued)

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

k) Nature and purpose of reserves

The Chuka Tvc creates and maintains reserves in terms of specific requirements.

l) Changes in accounting policies and estimates

The Chuka tvc recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

m) Employee benefits

Retirement benefit plans

The Entity provides retirement benefits for its employees and directors. Defined contribution plans are post-employment benefit plans under which an entity pays fixed contributions into a separate entity (a fund), and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The contributions to fund obligations for the payment of retirement benefits are charged against income in the year in which they become payable.

Defined benefit plans are post-employment benefit plans other than defined-contribution plans. The defined benefit funds are actuarially valued tri-annually on the projected unit credit method basis. Deficits identified are recovered through lump sum payments or increased future contributions on proportional basis to all participating employers. The contributions and lump sum payments reduce the post-employment benefit obligation.

n) Foreign currency transactions

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency are reported at the statement of financial position reporting date by applying the exchange rate on that date. Exchange differences arising from the settlement of creditors, or from the reporting of creditors at rates different from those at which they were initially recorded during the period, are recognized as income or expenses in the period in which they arise.

o) Borrowing costs

Borrowing costs are capitalized against qualifying assets as part of property, plant and equipment.

Such borrowing costs are capitalized over the period during which the asset is being acquired or constructed and borrowings have been incurred. Capitalization ceases when construction of the asset is complete. Further borrowing costs are charged to the statement of financial performance.

**CHUKA TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2020**

NOTES TO THE FINANCIAL STATEMENTS (Continued)

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

p) Related parties

The Entity regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the Entity, or vice versa. Members of key management are regarded as related parties and comprise the directors, the principal and senior managers.

q) Service concession arrangements

The Entity analyses all aspects of service concession arrangements that it enters into in determining the appropriate accounting treatment and disclosure requirements. In particular, where a private party contributes an asset to the arrangement, the Entity recognizes that asset when, and only when, it controls or regulates the services. The operator must provide together with the asset, to whom it must provide them, and at what price. In the case of assets other than 'whole-of-life' assets, it controls, through ownership, beneficial entitlement or otherwise – any significant residual interest in the asset at the end of the arrangement. Any assets so recognized are measured at their fair value. To the extent that an asset has been recognized, the Entity also recognizes a corresponding liability, adjusted by a cash consideration paid or received.

r) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

s) Comparative figures

Comparative figures are for seventeen months as per the previous financial statements. Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

t) Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2020.

**CHUKA TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2020**

5 SIGNIFICANT JUDGMENTS AND SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the Chuka tvc's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Entity based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Entity. Such changes are reflected in the assumptions when they occur. IPSAS 1.140

Useful lives and residual values

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- The condition of the asset based on the assessment of experts employed by the Entity
- The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- The nature of the processes in which the asset is deployed
- Availability of funding to replace the asset
- Changes in the market in relation to the asset

Provisions

Provisions were raised and management determined an estimate based on the information available. Additional disclosure of these estimates of provisions is included in Note.

Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date, and are discounted to present value where the effect is material.

38 FINANCIAL RISK MANAGEMENT

The entity's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The company's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The company does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.

The entity's financial risk management objectives and policies are detailed below:

(i) Credit risk

The entity has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments.

Management assesses the credit quality of each customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables, estimated by the company's management based on prior experience and their assessment of the current economic environment.

The carrying amount of financial assets recorded in the financial statements representing the entity's maximum exposure to credit risk without taking account of the value of any collateral obtained is made up as follows:

	Total amount Kshs	Fully performing Kshs	Past due Kshs	Impaired Kshs
At 30 June 2019				
Receivables from exchange transactions	4,414,889	4,414,889	-	-
Receivables from non-exchange transactions	0	0		
Bank balances	460,147	460,147		
Total	4,875,036	4,875,036	-	-
At 30 June 2020				
Receivables from exchange transactions	1,486,831	1,486,831	-	-
Receivables from non-exchange transactions	0	0	-	-
Bank balances	6,306,524	6,306,524	-	-
Total	7,793,355	7,793,355	-	-

CHUKA TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2020
NOTES TO THE FINANCIAL STATEMENTS (Continued)

38 FINANCIAL RISK MANAGEMENT (Continued)

(i) Credit risk (continued)

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the company has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts.

The entity has significant concentration of credit risk on amounts due from -

The board of directors sets the company's credit policies and objectives and lays down parameters within which the various aspects of credit risk management are operated.

(ii) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the entity's directors, who have built an appropriate liquidity risk management framework for the management of the entity's short, medium and long-term funding and liquidity management requirements. The entity manages liquidity risk through continuous monitoring of forecasts and actual cash flows.

The table below represents cash flows payable by the company under non-derivative financial liabilities by their remaining contractual maturities at the reporting date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.
