## CHAIRPERSON'S FOREWORD

Standing Order 200A (1) and (2) of the National Assembly Standing Orders provides that *"(1) A Committee which is unable to complete its work before the expiry of its term shall table an exit report to the Assembly detailing reasons for such inability; and (2) The report shall be available to the succeeding committee which may consider it in preparing its work plan"*.

The Committee's Exit Report is an important tool of gauging performance of the Committee in the Twelfth Parliament. It gives details of the business executed by the Committee from December 2017 to June 2022 and offers a starting point for the succeeding Committee as it highlights the business pending before the Committee at the end of the Sixth Session.

The following business was referred to the Departmental Committee on Sports, Culture and Tourism in the Twelfth Parliament: Nine (9) Bills; one (1) Legislative Proposal; five (5) Petitions; one (1) inquiry; fifteen (15) Questions; and four (4) Statements. The Committee was able to execute most of the work referred to it despite the difficult times that Members had to work under particularly the COVID-19 Pandemic period which made it difficult to hold in-person meetings, among other challenges that the Committee faced.

It is therefore my pleasant duty and privilege, on behalf of the Departmental Committee on Sports, Culture and Tourism and pursuant to provisions of Standing Order 200A (1) to present to this House the Exit Report of the Departmental Committee on Sports, Culture and Tourism.

**Hon. Patrick Makau King'ola, MP**

**Chairperson, Departmental Committee on Sports, Culture and Tourism**

## **PART THREE**

### **3.0 ACHIEVEMENTS**

Some of the impacts that the Committee's work had to the country include:

33. The Committee considered the Sports (Amendment) Bill, 2018 which operationalized the Sports, Arts and Social Development Fund which has had the following impact:
  - a) Supports universal health care;
  - b) Funded Harambee Stars participation in the Africa Cup of Nations, Magical Kenya Golf Open in Karen, the World Safari Rally and other sporting activities;
  - c) Has been funding sports infrastructure development e.g. sports stadia which had stalled due to underfunding; and,
  - d) Development of cultural activities in the country and other arts related activities which will highly contribute to the growth of the economy.
34. The Committee considered the Anti-Doping (Amendment) Bill, 2020 (National Assembly Bill No. 51 of 2020) which harmonized the legislative framework with the 2021 World Anti-Doping Code and Regulations and aided in the achievement of compliance by Kenya to the internationally adopted Code and facilitated the continued participation of Kenyan athletes in local, regional, and international competitions like the 2020 Olympics in Tokyo, Japan, the World Under 20 Championship, and Continental Tour among other activities while appreciating the relevance of curbing doping in sports.

## PART FOUR

### 4.0 REASONS WHY THE COMMITTEE HAD PENDING WORK AT THE END OF THE 12<sup>TH</sup> PARLIAMENT

35. The Committee experienced the following challenges which made it difficult for it to optimally discharge its mandate:

- i. The COVID-19 pandemic affected the frequency of meetings and it made it difficult to meet stakeholders to prosecute matters before the Committee. This affected the Committee's efficiency in the execution of its mandate.
- ii. Unavailability of Government officials when invited for meetings to consider business before the Committee. This made it difficult for the Committee to discharge its mandate effectively.
- iii. Unavailability of some Members whose business was referred to the Committee when invited for Committee meetings to consider their Questions or Statements.
- iv. Difficulty in raising quorum especially during the sixth session because of the 2022 General Elections campaigns slowed down activities of the Committee.
- v. Inadequate committee meeting rooms and other required facilities occasionally led to delays in starting meetings and at times cancellation of meetings.
