3. **COMMUNICATIONS FROM THE CHAIR**

The Deputy Speaker conveyed the following Communications from the chair: -

(i) On resumption of the Sittings of the Senate for the Third and last part of the Sixth Session

“Honourable Senators,

I welcome you back from the short two – week recess, which was full of political activities, in preparation for the next General Elections. Sittings for the third and last part of the Sixth Session commence from today, Tuesday 7th June, until the rise of the Senate on Thursday, 16th June, 2022. It is worth pointing out to the House that apart from today, the Senate has only five sitting days before the *Sine Die* Adjournment of the 12th Parliament.

Honourable Senators,

As we start this Part of the Session, our agenda is heavy. This is witnessed in the Order Paper and the Programme of Senate Business. Of importance, is business relating to financing of county governments, and several other items of business that were at advanced stages of consideration and what is primarily left is the Division. I urge the Senate Majority Whip and the Minority Whip to ensure that the requisite number of Senators is present in the House for us to conclude consideration of these matters.

Honourable Senators,

On a sad note, on Sunday, 29th May, 2022, when the Senate was still on recess, we lost the Member of the National Assembly for Rabai Constituency, the late Hon. William Kamoti Mwamkale, MP, through a tragic road accident that occurred at Mnarani in Kilifi County, along the Mombasa-Malindi highway.

The late Hon. Kamoti was born on 21st July 1962, in Kaliang'ombe Village in the present day Rabai Constituency. He attended Kaliang'ombe Primary

School where he sat for his Certificate of Primary Education before proceeding to the Dr. Krapf Memorial Secondary School for O-Level education. Thereafter, the late Hon. Kamoti joined St. Mary's Yala School where he sat and excelled in the Kenya Advanced Certificate of Education (K.A.C.E.). His excellent performance earned him a place at the University of Nairobi where he pursued a Bachelor of Laws and graduated in 1987. Thereafter, he pursued and deservedly earned a Diploma in Law from the Kenya School of Law in 1990, following which he was admitted to the roll of advocates as an advocate of the High Court of Kenya.

Honourable Senators,

After completing his studies, the late Hon. Kamoti began his legal practice in earnest by starting Kamoti & CO. Advocates in 1996. He is celebrated as having been a friendly, humble, fearless and sharp lawyer. In addition to his private legal practice, the late Kamoti served the nation as a Registrar of Titles in the Ministry of Lands and Settlement, at Ardhi House and as a District Registrar of Lands in the then Mombasa and Kwale Districts.

Honourable Senators,

The late Hon. Kamoti joined politics in 2013 following his election as the Member of the National Assembly for Rabai Constituency. He was re-elected to the National Assembly in the August 2017. At the time of his untimely death, he was returning home after successfully submitting nomination papers to the Independent Electoral and Boundaries Commission for re-election to a third term in the forthcoming August 9, 2022 General Elections.

The Parliament of Kenya, residents of Rabai Constituency and indeed the people of Kilifi County and the nation at large, have lost a dependable and dedicated leader who served his constituents and the nation with utmost dedication. In him was an amiable legislator who epitomized the true meaning of non-confrontational politics, a stance that he exhibited both in and outside the House.

In accordance with Islamic tradition, the remains of our departed colleague were interred on Monday 30th May 2022, at his ancestral home in Kaliang'ombe Village in Rabai Constituency. On behalf of all Senators and on my own behalf, I wish to convey our heartfelt condolences to the family of the Late Hon. William Kamoti Mwamkale and the great people of Rabai Constituency.

Honourable Senators,

In honor of our departed colleague, I request that we all stand and observe a moment of silence.

(After the moment of silence)

May God rest his soul in eternal peace.”

(ii) Request by the Cabinet Secretary, National Treasury and Planning seeking the approval of the Senate on the National Government Guarantee for Laikipia County Government to borrow Kshs. 1.16 billion through issuance of a domestic infrastructure bond

“Honourable Senators,

The Senate Majority Leader has just tabled Papers, among them, the request by the Cabinet Secretary, National Treasury and Planning seeking the approval of the Senate on the National Government guarantee for Laikipia County Government to borrow Kshs. 1.16 billion through issuance of a domestic infrastructure bond. This request was conveyed to the Senate, vide a letter referenced DMD 4/259 dated 2nd June, 2022, to the Clerk of the Senate.

Honourable Senators,

Article 212 of the Constitution of Kenya states as follows-

A county government may borrow only- If the national government guarantees the loan; and with the approval of the county government's assembly.

Further, Article 213 (1) of the Constitution of Kenya states as follows-

(1) An Act of Parliament shall prescribe terms and conditions under which the national government may guarantee loans.

Honourable Senators,

Section 58 (1) of the Public Finance Management Act, gives power to the Cabinet Secretary responsible for finance to guarantee a loan of a County Government or any other borrower on behalf of the National Government and further that such a loan shall be approved by Parliament.

Section 58 (2) of the Public Finance Management Act, spells out the conditions to be met before the Cabinet Secretary guarantees such a loan. The key conditions include that- the loan be for a capital project; the borrower be capable of repaying the loan, and paying any interest or other amount payable in respect of it; the financial position of the borrower over the medium term be satisfactory; and the terms of the guarantee comply with the fiscal responsibility principles and financial objectives of the national government;

Honourable Senators,

The request indicates that the National Treasury has complied with all the necessary provisions of the law regarding the Laikipia County Government borrowing including getting an approval of the Intergovernmental Budget and Economic Council and the Cabinet. This request has therefore been submitted to the Senate for approval pursuant to Article 212 of the Constitution and Section 58 (1) of the Public Finance Management Act.

Honourable Senators,

Matters relating to public debt are complex and have occupied national discourse lately. It should also be noted that Laikipia Government is the first County Government seeking a guarantee of the National Government to borrow. In view of the magnitude of the matter at hand, I therefore direct the Standing Committee on Finance and Budget to thoroughly scrutinize and interrogate this request and Table a report for consideration by the Senate.

I thank you.”

9. STATEMENTS

a) Pursuant to Standing Order 47(1)

Nominated Senator (Sen. Falhada Dekow Iman, MP) made a statement regarding the toll fees charged by the management of the recently opened Nairobi express way to emergency services such as ambulances and firefighters.

Thereupon, the Senator informed the house that in Norway, an electronic toll system similar to the system in use currently was established in conjunction with private companies under contract with the Norwegian Public Roads Administration. The toll cordon with 19 toll plazas, charges motorists for use of the road, but handicapped drivers, public transport, and ambulances, motorists are exempted. Outbound traffic is not tolled.

The Senator further informed the House that if Kenya borrowed the pricing model from Norway, emergency services especially the emergency medical service providers will greatly benefit.

The Senator then, made a plea to the management of the expressway to reconsider charging toll fees to these emergency service providers, as the primary reason for the construction of the expressway was to ease traffic congestion within the city so that services can be rendered in good time.

Following contributions from Senators, the Deputy Speaker referred the matter to the Standing Committee on Roads and Transportation for consideration.

b) Pursuant to Standing Order 51(1)(a)

The Chairperson, Standing Committee on Justice, Legal Affairs and Human Rights made a Statement regarding the consideration by the National Assembly of the Statute Law (Miscellaneous Amendments) Bill, National Assembly Bills No 26 of 2022.

The Senator informed the Senate that the Statute Law (Miscellaneous Amendments) Bill, National Assembly Bills No. 26 of 2022 was published on 10th May, 2022 and introduced in the National Assembly, by way of First Reading on 26th May, 2022 and committed to various Committees to undertake public participation thereon. He noted that the Bill was not subjected to the concurrence process under Article 110(3). Further, the Memorandum of the Bill stated the Bill does not concern county governments hence likely to be submitted for assent without consideration by the Senate.

He noted that though the Bill is couched as proposing minor amendments which do not merit the publication of separate Bills, it contains far-reaching proposals which, if passed, would greatly undermine the mandates and functions of the Senate and county governments, for instance, the reporting mandate of commissions and independent offices from 'parliament' comprising both the Senate and the National Assembly, to 'the President and the National Assembly'.

In conclusion, the Senator urged the Senate to speak in one voice and reject the attempt to undermine its mandate. He called upon the Majority Leader and the Minority Leader to engage their counterparts in the National Assembly to address the issues in the said Bill.
