At the Sitting of the Senate held on 14th March, 2019 the Honourable Speaker of the Senate, reported to the Senate that a Petition has been submitted through the Clerk, by Mr. Fredrick Kahia Thugi & 4 others concerning the alleged exchange and final transfer of Titles for parcels of land known as Lari Nyakinyua Solai Farm (located in Solai, Nakuru County) and Riyobei Farm Limited (located in Gilgil, Nakuru County).

The salient issues raised in the said Petition are as follows-

- (a) That the petitioners are members of a 5000 members group, which came together and in the year 1980, purchased an 8,000 hectare parcel of land in Solai, Nakuru County, which came to be known as Larry Nyakinyua Solai Farm;
- (b) That a different group by the name Fiobei Farm Limited had purchased an 80 acre parcel of land at Gilgil, also in Nakuru County;

- (c) Following negotiations the two groups resolved to exchange the said two parcels of land;
- (d) Subsequently, the members of the other group managed to occupy the Lari Nyakinyua Solai Farm with the National Lands Commission (NLC) granting approval in the year 2016 for survey and subdivision of the said parcel of land among the new beneficiaries; and,
- (e) That on the other hand, the petitioners have been unable to occupy the Fiobei Farm Limited at Gilgil, Nakuru County as it has been occupied by illegal squatters who have proceeded to develop the said property and barred the petitioners from accessing it.

The Petitioners, therefore, pray that the Senate investigates this matter with a view to ensuring that the Petitioners are facilitated to enter into and settle on their parcel of land.

Pursuant to standing order 232(1) and the Second Schedule to the Standing Orders of the Senate, the Petition was committed to the Standing Committee Lands, Environment and Natural Resources Committee.

Pursuant to Articles 37 and 119(1) of the Constitution, section 5(2) the Petition to Parliament (Procedure) Act and standing order 232 of the Senate Standing Orders, the Committee is mandated to consider the Petition and respond to the Petitioner within the prescribed period.

To enable a judicious disposal of the Petition, the Committee resolved to conduct an inquiry on the issues raised in the Petition. In this regard the Committee invited the Petitioner to a meeting of the Committee for the Petitioner to elaborate further on the issues raised in the Petition and to supply supporting evidence on the same.

The Committee proceeded to invite the Cabinet Secretary, Ministry of Lands and Physical Planning and the National Land Commission to give responses on the aforementioned Petition.

ACKNOWLEDGEMENT

The Committee thanks the Offices of the Speaker of the Senate and the Clerk of the Senate for the support extended to the Committee in the execution of its mandate. The Committee further extends its appreciation to the Petitioners, Ms. Farida Karoney, EGH, Cabinet Secretary, Ministry of Lands and Physical Planning and Mr. Gershom Otachi, Chairperson, National Land Commission, for their submissions and contribution to the resolution of this matter.

Mr. Speaker Sir,

It is now my pleasant duty and privilege, on behalf of the Committee, to present this Report of the Standing Committee on Lands, Environment and Natural Resources on the Petition concerning the alleged exchange and final transfer of Titles for parcels of land known as Lari Nyakinyua Solai Farm (located in Solai, Nakuru County) and Riyobei Farm Limited (located in Gilgil, Nakuru County).

Signed: _____ Date: 10/6/2021

SEN. MWANGI PAUL GITHIOMI, M.P.
CHAIRPERSON, SENATE STANDING COMMITTEE ON LAND,

CHAPTER I

INTRODUCTION

1. At the Sitting of the Senate held on 14th March, 2019 the Honourable Speaker of the Senate, reported to the Senate that a Petition has been submitted through the Clerk, by Fredrick Kahia Thugi & four (4) others concerning the alleged exchange and final transfer of Titles for parcels of land known as Lari Nyakinyua Solai Farm (located in Solai, Nakuru County) and Riyobei Farm Limited (located in Gilgil, Nakuru County).
2. The salient issues raised in the said Petition are as follows-
 - (a) That the petitioners are members of a 5000 members group, which came together and in the year 1980, purchased an 8,000 hectare parcel of land in Solai, Nakuru County, which came to be known as Larry Nyakinyua Solai Farm;
 - (b) That a different group by the name Fiobei Farm Limited had purchased an 80 acre parcel of land at Gilgil, also in Nakuru County;
 - (c) Following negotiations the two groups resolved to exchange the said two parcels of land;
 - (d) Subsequently, the members of the other group managed to occupy the Lari Nyakinyua Solai Farm with the National Lands Commission (NLC) granting approval in the year 2016 for survey and subdivision of the said parcel of land among the new beneficiaries; and,
 - (e) That on the other hand, the petitioners have been unable to occupy the Fiobei Farm Limited at Gilgil, Nakuru County as it has been occupied by illegal squatters who have proceeded to develop the said property and barred the petitioners from accessing it.

The petitioners, therefore, pray that the Senate investigates this matter with a view to ensuring that the petitioners are facilitated to enter into and settle on their parcel of land.

3. Pursuant to Standing Order 232(1) of the Standing Orders of the Senate, the Petition was committed to the Land, Environment and Natural Resources Committee.

Article 37 of the Constitution provides that *every person has the right, peaceably and unarmed, to assemble, to demonstrate, to picket, and to present petitions to public authorities* while Article 119(1) of the Constitution provides that “*every person has a right to petition Parliament to consider any matter within its authority, including to enact, amend or repeal any legislation.*”

6. Section 5(2) of the Petition to Parliament (Procedure) Act, provides that *a petition that is tabled in Parliament under this Act shall be considered in accordance with the Standing Orders of the relevant House*. CHAPTER 2

CONSIDERATION OF THE PETITION

Approach taken by the Committee

1. In considering the Petition, the Committee observed that it would be important to verify the facts alleged by the Petition. The Committee, therefore, resolved to conduct an inquiry on the issues raised in the Petition.
2. In this regard the Committee received the Petition from the Petitioner through the House and further met with the Petitioner at a meeting of the Committee held on 29th October, 2020.
3. Thereafter, the Committee invited the Cabinet Secretary, Ministry of Lands and Physical Planning and the Chairperson of the National Land Commission (NLC), who virtually appeared before the Committee on Wednesday, 24th February 2021.

A. Petitioners Submissions

The Committee invited the Petitioners all through its meetings as it met with the Stakeholders and the Committee noted that the Petitioners were in agreement with the proposals that were brought forward by both the Ministry of Lands and Physical Planning as well as by the National Land Commission.

B. Responses by the Cabinet Secretary, Ministry of Lands and Physical Planning

Vide a letter Ref: SEN/DCS/LENR/2/2020/(19) dated 26th May, 2020, the Committee invited the Cabinet Secretary, Ministry of Lands and Physical Planning to respond to the Petition in its entirety. Based on the concerns raised below the Ministry provided the responses indicated:

Mr. Fredrick Kahia Thugi, Joseph Kamau Ngugi, Veronica Wanjiru Chege, Peter

Muchume Gachii and James Ngugi being members of Nyakinyua Solai Farm Limited have presented the petition dated February 2019. The petitioners claim that their group purchased 8000 acres of land in Solai, Nakuru County in 1980 that is now known as Lari Nyakinyua Solai Farm. A second group by the name Ruyobei Farm Limited also purchased 8000 acres of land in Gilgil, Nakuru.

The petitioners claim that the two groups entered into a deed of exchange agreement signed on April 24, 2003 in a process spearheaded by the late, retired president, Daniel arap Moi. A second agreement on the same was signed on the same date before the then Gilgil District Officer. According to the petitioners, the parties signed a third agreement on August 11, 2003 to authorize the groups to enter and subdivide their respective new parcels. Despite the agreements signed by the parties, transfer of title over the properties has not been effected to date.

The petitioners state that a meeting between the two groups and the National Land Commission was convened on October 26, 2016 at the Solai Farm. The purpose of the meeting was for the Commission to obtain confirmation of members of Nyakinyua Solai Farm Limited that they had authorised Ruyobei Farm Limited to proceed to subdivide the Lari Nyakinyua Solai Farm. This was confirmed at the meeting paving way for the subdivision. The Commission promised to convene a similar meeting at the Gilgil Ruyobei Farm. The meeting is yet to be set up.

The petitioners claim that their members have been prevented from accessing Ruyobei Farm by illegal occupants who have settled on the land. They claim that efforts to have the matter addressed by the National Land Commission have been futile. They have therefore presented the petition to request Senate to intervene and resolve the matter.

Response

The response is as follows -

The subject parcels of land are –

a) Ruyobei Farm (Approximately 8019 Acres)

- i) Land Reference No. 20229/1 measuring approximately 8019 Acres is situated in Gilgil, Nakuru County and is registered in the name of Solai Ruyobei Farm Limited. The parcel was until December 8, 1995 owned by Lands Limited who transferred it to Solai Ruyobei Farm Limited for Kshs. 24,000,000. (*Annexe 1*)

b) Nyakinyua Farm (Approximately 7978 Acres)

- i) Land Reference No. 8435 measuring approximately 2211 Acres is situated in Solai, Nakuru County and registered in the name of Lari Nyakinyua (Solai Farm) Limited. The parcel was until February 15, 1980 owned by Kenya Motor Holdings Limited who transferred it together with Land Reference No. 2680 and 7364 to Lari Nyakinyua (Solai Farm) Limited for Kshs.6,000,000 (*Annexe 2*).
- ii) Land Reference No. 2680 measuring approximately 4910 Acres is situated in Solai, Nakuru County and registered in the name of Lari Nyakinyua (Solai Farm) Limited. The parcel was until February 15, 1980 owned by Kenya Motor Holdings Limited who transferred it together with Land Reference No. 8435 and 7364 to Lari Nyakinyua (Solai Farm) Limited for Kshs.6,000,000 (*Annexe 3*).
- iii) Land Reference No.7364 measuring approximately 857 Acres is situated in Solai, Nakuru County and registered in the name of Lari Nyakinyua (Solai Farm) Limited. The parcel was until February 15, 1980 owned by Kenya Motor Holdings Limited who transferred it together with Land Reference No. 2680 and 8435 to Lari Nyakinyua (Solai Farm) Limited for Kshs.6,000,000 (*Annexe 4*).

The parcels have been subject of litigation in various court cases as shown in *Annexe 5*.

We are aware that the National Land Commission has been involved in resolution of the dispute. We therefore invite the Committee to engage the Commission to provide more information on the case.

C. Responses by the National Land Commission

The dispute between the two land buying companies dates back to the mid-seventies when Lari Nyakinyua first bought 8000 acres of land in Solai.

The following is the profile of the two land buying companies:

LARI NYAKINYUA FARMERS COMPANY LTD

This was women land buying company from Lari, Kiambu County popularly known as Nyakinyua. The company bought 8000 acres of land in Solai, Rongai Sub-County in the early seventies.

The women group Lari Nyakinyua while organizing to settle their members at the 8000 acre farm, members of the local community moved in and occupied the land forcefully to date denying the buyers an opportunity to settle.

At the advent of multi-party politics in Kenya it was agreed by the leaders to compensate the Lari Nyakinyua women with an alternative parcel equal to their original land but in a different Sub-County, now Gilgil Oljorai ADC Farm.

RUYOBEI FARMERS COMPANY LIMITED

This is a registered land buying company formed by a community from Solai in Rongai Sub-County, Nakuru County with the intention to buy land for its members.

A majority of their members moved into the land bought by Lari Nyakinyua in Solai in 1992 when a decision was made to compensate members of Lari Nyakinyua, following a series of meetings held by leaders from Nakuru and Lari, Kiambu. This led to the signing of the titles exchange agreement between the two land buying companies to bring to an end several years of long-standing conflict between the two.

AGREEMENT

On 24th April, 2003, the directors of the two companies signed an agreement to exchange Title deeds to end the many years of conflict. This was not possible due to internal

conflicts between the directors of the two land buying companies among themselves fighting for leadership and other interests. Lari Nyakinyua Land buying company had two factions and Solai Ruyobei too, had the same. Both disputes ended in court.

The directors who signed were;

Lari Nyakinyua

- a. John Nganga
- b. Samuel Macharia
- c. Hannah Muturi

Ruyobei

- a. Morogo Chebet
- b. Olari Chebet
- c. Richard Bunditich
- d. Musa Toroitich
- e. Daniel Ario

The Governor, Nakuru County in a letter REF: NO. NCG/S/LND/VOL. II/09 dated 25th November, 2014 requested National Land Commission to expedite the matter of the two farms since it was becoming a security threat. On 9th December 2014, National Land Commission wrote a letter to the Governor from the perspective of the Commission, the exchange never materialized at that time due to the following reasons;

- Lari Nyakinyua still holds the title for Solai Farm which was invaded by Ruyobei members.
- Ruyobei Farmers Limited still holds a Title for Oljorai and are in court with Oljorai squatters and a faction of directors.
- Oljorai farm is in court being sued by Solai farmers Co. LTD.

Subsequently, the High Court in Nakuru ELC COURT Civil Case No. 87 of 2007, whose parties are Nduguia Ole Osano Vs two others (a) Lands Limited (b) Solai Ruyobei Farm Limited ruled in favor of Solai Ruyobei Farmers Co. Ltd towards the end of 2019.

The 8000 acres of Oljorai Farm is currently occupied by over 10,000 squatters for close to 30 years now. This is the same farm the High court ruled in favor of Solai Ruyobei Farmers Co. Ltd which was supposed to be exchanged to Lari Nyakinyua.

In early 2020, the parties reported back to the Commission that, following the Court decision, they were willing to proceed with the exchange with the assistance of the provincial administration. They were to report back on the progress and the Commission awaits the report.

CHAPTER 5

COMMITTEE OBSERVATIONS

In accordance with the Prayers of the Petitioner the Committee observes as follows:

1. THAT Lari Nyakinyua Land Buying Company did not get full possession from Solai Ruyobei Farmers Limited as they were not able to occupy the land while Solai Ruyobei Farmers Limited was able to occupy the land from Nyakinyua Land Buying Company.
2. THAT there are squatters under the name of Ole Osono Group living in the Solai Ruyobei Farmers limited land who have claimed that they are the rightful owners of the land.
3. THAT the High Court case in Nakuru Environment and Land Court, Court Civil Case No. 87 of 2007 ruled in favour of the Solai Ruyobei Farmers Limited as the rightful owners of the Land in question.
4. THAT Lari Nyakinyua still holds the title for Solai Farm which was invaded by Ruyobei members and Ruyobei Farmers Limited still holds a Title for Oljorai.

CHAPTER 6

COMMITTEE RECOMMENDATIONS

The Committee having investigated the matter in accordance with its mandate under the standing order 223 of the Senate Standing Orders recommends as follows-

- 1. That the Ole Osono Group living in the Solai Ruyobei Farmers limited having been established not to be the legitimate owner of the land by the Court, vacates the land to allow occupation by Nyakinyua Land Buying Company who are the legitimate owners of the land.**
- 2. That the Ministry of Lands and Physical Planning; the Ministry of Interior Coordination and National coordination; and the National Lands Commission facilitates the Nyakinyua Land Buying Company to occupy the Solai Ruyobei Farmers limited land as they have been found to be the rightful owners of the land.**
- 3. That the Ministry of Lands and the National Lands Commission work with the Ole Osono Group living in the Solai Ruyobei Farmers limited land to find a different land to relocate them.**
- 4. That the Ministry of Lands and Physical Planning facilitates the transfer of Title deeds between the Solai Ruyobei Farmers limited land and the Nyakinyua Land Buying Company.**
- 5. That the Solai Ruyobei Farmers Limited give back the land exchanged with Lari Nyakinyua, should all other interventions fail.**

MINUTE SEN/SCLENR/31/2021: MEETING WITH THE CS MINISTRY OF LANDS AND PHYSICAL PLANNING AND THE CHAIRPERSON NATIONAL LAND COMMISSION ON PETITIONS AND STATEMENTS

- i. **Petition concerning the alleged exchange and final transfer of Titles for parcels of land known as Lari Nyakinyua Solai Farm(located in Solai, Nakuru County) and Riyobei Farm Limited(located in Gilgil, Nakuru County);**

Response by the Ministry of Lands and Physical Planning

Fredrick Kahia Thugi, Joseph Kamau Ngugi, Veronica Wanjiru Chege, Peter Muchume Gachii and James Ngugi being members of Nyakinyua Solai Farm Limited have presented the petition dated February 2019. The petitioners claim that their group purchased 8000 hectares of land in Solai, Nakuru County in 1980 that is now known as Lari Nyakinyua Solai Farm. A second group by the name Ruyobei Farm Limited also purchased 8000 hectares of land in Gilgil, Nakuru.

The petitioners claim that the two groups entered into a deed of exchange agreement signed on April 24, 2003 in a process spearheaded by the late retired president Daniel arap Moi. A second agreement on the same was signed on the same date before the then Gilgil District officer. According to the petitioners, the parties signed a third agreement on August 11, 2003 to authorize the groups to enter and subdivide their respective new parcels. Despite the agreements signed by the parties, transfer of title over the properties has not been effected to date.

The petitioners state that a meeting between the two groups and the National Land Commission was convened on October 26, 2016 at the Solai Farm. The purpose of the meeting was for the Commission to obtain confirmation of members of Nyakinyua Solai Farm Limited that they had authorised Ruyobei Farm Limited to proceed to subdivide the Lari Nyakinyua Solai Farm. This was confirmed at the meeting paving way for the subdivision. The Commission promised to convene a similar meeting at the Gilgil Ruyobei Farm. The meeting is yet to be set up.

The petitioners claim that their members have been prevented from accessing Ruyobei Farm by illegal occupants who have settled on the land. They claim that efforts to have the matter addressed by the National Land Commission have been futile. They have therefore presented the petition to request Senate to intervene and resolve the matter.

Response

Honourable Chair, I wish to respond as follows-

The subject parcels of land are –

a) Ruyobei Farm (Approximately 8019 Acres)

- i) Land Reference No. 20229/1 measuring approximately 8019 Acres is situated in Gilgil, Nakuru County and is registered in the name of Solai Ruyobei Farm Limited. b) Nyakinyua Farm (Approximately 7978 Acres)

- ii) Land Reference No. 8435 measuring approximately 2211 Acres is situated in Solai, Nakuru County and registered in the name of Lari Nyakinyua (Solai Farm) Limited. The parcel was until February 15, 1980 owned by Kenya Motor Holdings Limited who transferred it together with Land Reference No. 2680

and 7364 to Lari Nyakinyua (Solai Farm) Limited for Kshs.6,000,000.
(Annexure 2)

iii) Land Reference No. 2680 measuring approximately 4910 Acres is situated in Solai, Nakuru County and registered in the name of Lari Nyakinyua (Solai Farm) Limited. The parcel was until February 15, 1980 owned by Kenya Motor Holdings Limited who transferred it together with Land Reference No. 8435 and 7364 to Lari Nyakinyua (Solai Farm) Limited for Kshs.6,000,000.

(Annexure 4)

The parcels have been subject of litigation in various court cases as shown in Annexure 5.

We are aware that the National Land Commission has been involved in resolution of the dispute. We therefore invite the Committee to engage the Commission to provide more information on the case.

Response by the National Land Commission

The dispute between the two land buying companies dates back to the mid-seventies when Lari Nyakinyua first bought 8000 acres of land in Solai.

The following is the profile of the two land buying companies:

LARI NYAKINYUA FARMERS COMPANY LTD

This was women land buying company from Lari, Kiambu County popularly known as NYAKINYUA. The company bought 8000 acres of land in (Solai) Rongai Sub – County in the early seventies.

The women group Lari Nyakinyua while organizing to settle their members at the 8000 acre farm, members of the local community moved in and occupied the land forcefully to date denying the buyers an opportunity to settle.

At the advent of multi – politics in Kenya it was agreed by the leaders to compensate the Lari NYAKINYUA women with an alternative parcel equal to their original land but in a different Sub – County, now Gilgil **OLJORAI ADC FARM**.

RUYOBEI FARMERS COMPANY LIMITED

This is a registered land buying company formed by a community from Solai in Rongai Sub – County Nakuru County with the intention to buy land for its members.

A majority of their members moved into the land bought by LARI NYAKINYUA in Solai in 1992 when a decision was made to compensate members of LARI NYAKINYUA, following a series of meetings held by leaders from Nakuru and Lari, Kiambu. This led to the signing of the titles exchange agreement between the two land buying companies to bring to an end several years of long standing conflict between the two.

AGREEMENT

On 24th April 2003, the directors of the two companies signed an agreement to exchange Title deeds to end the many years of conflict. This was not possible due to internal conflicts between the directors of the two land buying companies among themselves fighting for leadership and other interests. Lari Nyakinyua Land buying company had two factions and Solai Ruyobei too had the same and both dispute ended in court.

The directors who signed were;

Lari nyakinyua

- a. John Nganga
- b. Samuel Macharia
- c. Hannah Muturi

Ruyobei

- a. Morogo Chebet
- b. Olari Chebet
- c. Richard Bunditich
- d. Musa Toroitich
- e. Daniel ario

The Governor Nakuru County in a letter REF: NO. NCG/S/LND/VOL. II/09 dated 25th November, 2014 requested National Land Commission to expedite the matter of the two farms since it was becoming a security threat. On 9th December 2014, National Land Commission wrote a letter to the Governor from the perspective of the Commission, the exchange never materialized at that time due to the following reasons;

- Lari Nyakinyua still holds the title for Solai Farm which was invaded by Ruyobei members.
- Ruyobei Farmers Limited still holds a Title for Oljorai and are in court with Oljorai squatters and a faction of directors.
- Oljorai farm is in court being sued by Solai farmers Co. LTD.

Subsequently, the High Court in Nakuru ELC COURT Civil Case No. 87 of 2007, whose parties are **Nduguia Ole Osano** Vs two others (a) **Lands Limited** (b) **Solai Ruyobei Farm Limited** ruled in favor of SOLAI RUYOBEI FARMERS CO. LTD towards the end of 2019.

The 8000 acres of OLJORAI FARM is currently occupied by over 10,000 squatters for close to 30 years now. This is the same farm the High court ruled in favor of SOLAI RUYOBEI FARMERS CO. LTD which was supposed to be exchanged to LARI NYAKINYUA.

In early 2020 the parties reported back to the Commission that following the Court decision, they were willing to proceed with the exchange with the assistance of the provincial administration. They were to report back on the progress and the Commission awaits the report.

ii. **Petition submitted by the Rendille and Samburu Community Representatives concerning the alleged acquisition of Karare land in Marsabit County, by the Kenya Defence Forces;**

Response by the Ministry of Lands and Physical Planning

The petition dated April 29, 2020 concerning acquisition of Karare land by the Kenya Defence Forces has been presented by the Rendille Professional Association on behalf of residents of Rendille and Samburu communities residing in Kaware Ward, Marsabit County. The petitioners claim that the Rendille and Samburu communities in Marsabit County object to the compulsory acquisition of 2,500 acres of land in Kaware by the Kenya Defence Forces (KDF). They claim that the KDF expressed interest on the land in 2019. The petitioners' objection to the compulsory acquisition is based on the following-

- i) The land is the communities' only fertile land and the only viable grazing area
- ii) Karare ward being a water catchment area for the pastoral communities of Karare, Songa, Loglogo, Kamboye, Laisamis, Kargi and Korre communities plays a central role in the viability of pastoralism. A total of 98, 000 people and approximately 450,000 livestock depend on the ecosystem for their livelihoods
- iii) The land is a sacred place for most cultural and religious ceremonies such as circumcision
- iv) It is a major and only source of red ochre nalkaria hills which is sacred to the community
- v) The land is a pathway for collection of Silaley gum used in circumcision and religious ceremonies
- vi) It is also a source of Ibaa/sticks for use in Rendille/Samburu circumcision ceremonies
- vii) It is a source of sagaram to feed livestock in a highly pastoral community
- viii) The excision of the 2,500 acres of land some of which is protected forests and which is the only dependable dry season grazing area will lead to overuse of rangelands, environmental degradation, human-wildlife conflict and human- human conflict.

The petitioners claim that several meetings have been held between the communities' elders, County Commissioner and the KDF in which the communities proposed alternative land in Kubi Kalo for acquisition but the same was declined by the KDF. They are aggrieved that the process of compulsory acquisition is ongoing despite their protests.

The communities are apprehensive that that they could lose their land and their rights under the Constitution due to their minority status and weak representation in government. They aver that they have already lost 150,000 acres to the Lake Turkana Wind Power project, which was also compulsorily acquired despite their objection.

The petitioners therefore filed the petition to request the Senate to-

- a) visit Karare community of Marsabit County to establish the facts of the case as soon as possible

- b) make appropriate recommendations to the Cabinet Secretary Ministry of Interior and Co-ordination of National Government based on the findings
- c) give opportunity for the petitioners to further present the memorandum orally to the Senate

Response

Honourable Chair, I wish to respond as follows-

The KDF Strategic Defence Plan of 2018-2027 projected the expansion of the Kenya Army and redeployment of Formations to various parts of the Country with a sizeable force earmarked for deployment in Marsabit County. In pursuance to that strategic defence plan, the Ministry of Defence started the process of acquisition of land in Marsabit County with an intention to have military footprint in the northern region to deter/prevent constant incursion by the Ethiopian National Defence Forces and also support the Strategic Defence Plan in order to facilitate KDF achieve its mandate as provided for in Article 241(3) of the Constitution of Kenya.

In early 2012, the Ministry of Defence began formal engagements with the County Council of Marsabit for allocation of land in the County. This resulted in the allocation of 2,500 hectares of land in Kubi Kalo to Ministry of Defence on January 8, 2013. However, with the establishment of the County Government of Marsabit under the new constitutional dispensation, the allocation was rescinded and the Ministry of Defence was advised to restart the process of acquisition.

On January 10, 2019, the process was re- started with consultative meetings between Ministry of Defence and County Government of Marsabit led by the Chairman, Committee on Military Land & H.E Governor of Marsabit with all elected leaders including MPs, MCAs and CECMS. The leaders from Marsabit County agreed to allocate 5,000 hectares in Karare for the construction of Ministry of Defence camp and 10,000 hectares in Haiya for training.

The meeting further directed that a joint technical committee be formed to identify the suitable locations for deployment and training area. The joint technical committee met and worked as per the mandate given during the meeting. A detailed joint reconnaissance conducted between January 2-4, 2019 and May 29 to June 1, 2019 identified the actual locations. Following the engagements, the Ministry of Defence was formally allocated 5,000 hectares & 10,000 hectares of land in Karare and Haiya areas of the County respectively.

On January 16, 2020, the Ministry of Defence and County Government of Marsabit resolved to subject the land allocations to a public participation process as advised by the National Land Commission. Subsequently, the public participation and validation exercise for the land allocations was conducted from January 21-31, 2020 in Marsabit County. The exercise considered critical factors such as human settlements, grazing areas, water catchment areas and conservation of biodiversity and among others in choosing the ideal location for the KDF Camp.

The public participation exercise was carried out successfully by the Joint team comprising Ministry of Defence, Kenya Wildlife Service, County Government of Marsabit, county leadership including Members of Parliament, Members of the County Assembly and members of the local community across the areas expected to host the Ministry of Defence facilities. The local community participated in the exercise and assisted representatives from the Ministry of Defence to identify the suitable locations.

During the process of public participation the locals requested the allocation of Karare land to Ministry of Defence be reviewed downwards from 5,000 hectares to 2,500 hectares. The land is currently in the process of being planned, surveyed and titled in favor of Ministry of Defence. The Ministry is already in occupation of the two parcels of land allocated to them by the County Government of Marsabit.

There is a Court case filed by the Rendille Professionals Association and local elders on behalf of the Community regarding the allocations of the land parcels by the County Government of Marsabit.

Honourable Chair,

We invite the Committee to engage Ministry of Defence and the County Government of Marsabit for more information on the matter.

Response by the National Land Commission

The National Land Commission submitted as follows:

Background

The Commission wishes to bring to the attention of this esteemed Committee that there is an active Court matter at the Meru Environment and Land Court - Constitutional Petition No 4 of 2020, filed **by the Rendille Professionals Association and local elders on behalf of the Community regarding the allocations of the land parcels by the County Government of Marsabit** challenging the constitutionality of the process applied by the Department of Defense with regard to their interest in the subject land.

However the Commission wishes to briefly outline process the Ministry of Defence followed to acquire the land

1. The Ministry of Defence made a decision to establish a military barracks in Marsabit for security reasons and on 16th March 2012 made a formal request to be allocated land in Karare, Marsabit County. On 8th June 2015, the County Council of Marsabit formally allocated 2,500 Ha in Kubi Kalo. The processing of ownership of the land was overtaken by events following the coming in place of devolved governments in 2013.
2. On 18th June 2019, Ministry of Defence made a formal request to the County Government for allocation for land in Marsabit.
3. On 22nd July 2019, the County Government of Marsabit formally allocated land in Karare (5,000 Ha); Haiya (10,000 Ha) and Odda military camp (242 Ha). On 22nd August 2019 the department of defense requested the National Land Commission for allotment letters for the parcels of land. The Commission informed Department of Defence in a letter dated 4th November 2019, that it could not issue allotment letters because the land was community land. **It turns out that this may not have been the correct position.**

On January 16th, 2020, MOD & CGM resolved to subject the land allocations to a Public Participation process as advised by the National Land Commission. Subsequently Public Participation and Validation exercise for the land allocations was conducted from 21 to 31 January 2020 in Marsabit County. The exercise considered critical factors such as human settlements, grazing areas, water catchment areas and

conservation of biodiversity and among others in choosing the ideal location for the KDF Camp.

The Public Participation exercise was carried out successfully by the Joint MOD,KWS,CGM team(Comprising of all stakeholders),County Leadership,MPs, MCAs and members of the local community across the areas expected to host MOD facilities. The local community participated in the exercise and assisted representatives from the MOD to identify the suitable locations.

The petitioners are contesting the process followed in the allocation of Community Land at Karare ward.

The coordinates of the 5,000 Ha parcel of land allocated in Karare by the County Government of Marsabit is:-

STN	Eastings	Northings
A	376583	248844
B	374070	248821
C	370311	251031
D	366218	250703
E	366957	244713
F	373812	244527
G	373800	245810
H	376328	245840

When the above coordinates were plotted on the map it fell within the Marsabit National Reserve (Annex 1).

Conclusion

The contested parcel of land in question is part of the Marsabit National Reserve sitting next to the Marsabit National Park and not Community Land as alleged by the petitioners.

iii. Petition submitted by the Wajomvu Community, Mombasa County, concerning the alleged historical land injustices involving Plot No. 162/V/M.N.CR 1070, in Mombasa County;

Response by the Ministry of Lands and Physical Planning **Honourable Chair,**

Salim Mwidadi, Mohamed Kombo, Kassim Mwikaa and Mwinyiusi Mwidadi petitioned the Senate on behalf of Wajomvu Community from Jomvu Kuu Village, Jomvu Kuu Ward in Jomvu Sub County presented the petition dated July 2, 2020 regarding ownership of Plot No. 162/V/M.N. CR. 1070 situated in Jomvu Kuu.

The petitioners claim that they are among the 12 Swahili tribes to settle in Mombasa approximately 800 years ago. They claim that on or about 1846, Dr. Kraph arrived on the East African Coast and settled in Rabai. That in 1877 through the benevolence of a jomvu elder by the name Mwidani, Dr. Kraph was given land to establish a church in the predominantly muslim community. According to the petitioners, the community donated a small area where the Methodist church was built. However, when land adjudication was undertaken in 1923, the church was allocated 150 acres of their land.

The petitioners claim that the community has occupied the land as their ancestral land over the years and has been utilising the same for farming, fishing and residential purposes. They complain that the Methodist church embarked on a subdivision and sale of the land to third parties. They are apprehensive that they will be displaced and have no alternative land. According to the petitioners, their case is an historical injustice that the colonial government committed on the community. They submitted a memorandum to the National Land Commission on the issue three (3) years ago but there has been no response from the Commission. The petitioners therefore request the Senate to intervene with a view to undertake an inquiry into the historical injustice claim.

Response

Honourable Chair, I wish to respond as follows-

According to records held by the Ministry, Plot No.162/V/M. N. CR 1070 was registered on October 27, 1923 in the name of the United Methodist Church Mission. The certificate of ownership No. 7540 was registered under title No. CR.6348 for the area measuring 151 acres. The registered proprietor later changed their name to Methodist Church Missions Kenya trustees registered in 1958 and later to Methodist Church in Kenya Trustees Registered.

On June 14, 1973, the Methodist Church in Kenya Trustees Registered transferred a portion of land to Municipal Council of Mombasa. The said subdivision MN/V/505 measuring 15.28 acres was registered on July 11, 1973 and assigned title No. CR 14323. The remainder thereof measuring 135.72 acres is held by the Methodist Church in Kenya Trustees Registered. A copy of the official search is marked **Annexure 6.**

Honourable Chair, the case presented by the petition is an historical injustice claim. The National Land Commission is seized of the matter recorded as Historical Case No. NLC/HLI/565/2019. We invite the Committee to engage the Commission for appropriate redress.

Response by the National Land Commission

Hon Chair, The Commission respond as follows:

This matter is listed as a historical no.NLC/HLI/565/2019 that has been prioritized for investigations, hearing and determination.

The Chairman of NLC together with the County Co-ordinator joined the Senate team on Friday 19th February 24, 2021 on a visit to the ground and obtained first – hand information on the matter.

(The Committee noted the response but resolved that the matter be canvassed when the Petitioners are present)

- iv. **Petition submitted by the Residents of Mkamenyi Village in Voi sub-county of Taita Taveta County, The alleged encroachment of land belonging to Mkamenyi residents by Voi Point Limited in Taita Taveta County;**

Response by the Ministry of Lands and Physical Planning

Honourable Chair,

The petition is dated August 7, 2020 and has been presented by Joseph M. Njuguna, Francis Mwasho, Juma Mwamburi, Saumu K. Mwamburi, Hassan Kiboko, Gladys Juma and Julius Mwasenzi on behalf of residents of Mkamenyi village, Voi sub-county in Taita Taveta County.

From the petition, Mkamenyi village borders Voi Sisal Estate, which was initially 'gifted' to a retired British soldier by the name Lezen in 1920 by the colonial government, for a period of 99 years. The petition states that the land was surrendered to the government in 1980 and was reallocated to Voi Sisal Estate Limited in 2012. It was transferred to Voi Point Limited in 2019.

The petitioners claim that between 1900 and 1930, the management of the sisal estate requested Mkamenyi elders to allow them to use part of their land located close to the river to install a water pump, farm food for their farmworkers and conduct agricultural research. By 1960s, the residents needed their land back to accommodate the growing population. However, according to the petitioners, the sisal estate refused to hand over the land and instead colluded with the police to extend the boundaries into the residents' homes and put the land under sisal plantation.

The petitioners state that they have engaged this Committee together with the Ministry of Lands and Physical Planning and the county leadership with a view to get back the land. On October 29, 2019, the management of Voi Point Limited invited their representatives to a meeting where they were informed that the company would surrender 35 acres to settle their 28 families. The proposal was however not amenable to the residents since they occupied 150 acres.

The residents are aggrieved that Voi Point Limited proceeded to survey the land without their involvement or the county government and processed a group title for the residents. The company invited the residents to a meeting on August 26, 2020 to issue the title document but they declined. It is claimed that the group title had names of persons who do not live in Mkamenyi. That, only six families residents of Mkamenyi are listed on the title. The petitioners state that efforts to resolve the issues with relevant authorities have been futile. They therefore request the Senate to-

- i) investigate the case
- ii) recommend that the Ministry of Lands and Physical Planning initiate an all inclusive, open and transparent process of giving the residents of Mkamenyi adequate land.

Response

Honourable Chair, I wish to respond as follows-

According to our records, the land in question measures approximately 1953 hectares and is situated within Voi town in Taita Taveta County. A chronology of ownership of the parcel is as follows-

- i. The subject land was originally LR No. 4637 registered as Grant No. C.R. 8814. It was granted to the British East Africa Corporation Limited in 1923 for a term of 99 years from January 1, 1923 to January 1, 2022. The grant was initially issued for agricultural purpose only but the user was later extended to include a petroleum service station.
- ii. The Grant was transferred to Voi Sisal Estates Limited on August 6, 1947 and on March 25, 2011 it was surrendered to the Government to pave way for its extension of the term. (A copy of the surrendered Grant C.R. 8814 is annexed herewith marked **Annexure 7**).

- iii. The Grant was extended for a further term of 99 years commencing January 1, 1993 at an annual rent of Kshs.353.795 (revisable). The parcel was registered as Grant No. C.R. 51725, LR No. 28683 measuring approximately 1953 Hectares. The land was granted to be utilized for agricultural purposes and residence for the grantee. (A copy of the Grant No. C.R. 51725 is annexed marked **Annexure 8**).
- iv. On February 23, 2012 the land was transferred to Voi Plantations Limited for USD.1,855,670 and charged to Diamond Trust Bank of Kenya Limited for Kshs.300,000,000 and USD.5,000,000. On December 29, 2017 a further charge to Diamond Trust Bank of Kenya Limited for Kshs.150,000,000 was registered.
- v. On December 29, 2017 a second further charge for Kshs.1,079,737,000 and a third further charge for Kshs.1,189,511,500 was registered in favour of Diamond Trust Bank of Kenya Limited. A fourth further charge for Kshs.4,218,875,000 was registered on December 29, 2017.
- vi. On October 1, 2014 the National Land Commission awarded Voi Plantations Limited Kshs.359,531,100 in respect of the land acquired for the development of the Mombasa-Nairobi Standard Gauge Railway. The area of land acquired measured approximately 14.9621 Hectares. (A copy of the Award is marked **Annexure 9**).
- vii. On February 13, 2019, all the charges were discharged and the land transferred to Voi Point Limited for Kshs.4,000,000,000. A charge to Diamond Trust Bank of Kenya Limited for Kshs.4,000,000,000 and a further charge to the same bank for Kshs.800,000,000 were registered on the same date. A copy of the official search is marked **Annexure 10**.

Honourable Chair,

- viii. On February 6, 2020, the County Government of Taita Taveta approved the subdivision of the land into 28 portions of various sizes for agricultural use. A copy of the notification of approval (**Annexure 11**) and certificate of subdivision (**Annexure 12**) are annexed herewith. The subdivision was approved on the condition that the company was to surrender Plot No. 25 (L.R. No. 28683/27) measuring approximately 13.68 Hectares for Mkamenyi Squatter Settlement as per the copy of the provisional approval marked **Annexure 13**. Voi Point Limited accepted the conditions of the provisional approval as shown in the copy of the acceptance letter marked **Annexure 14**.
- ix. On February 27, 2020 new Certificates of Title were issued for L.R. Nos. 28683/4 to 28683/31 the resultant subdivisions of L.R. No. 28683.
- x. The Charge in favour of Diamond Trust Bank of Kenya Limited was registered against all the resultant subplots of L.R. No. 28683 apart from L.R. No. 28683/27 that the bank issued a discharge.
- xi. On June 25, 2020, the County Government of Taita Taveta approved the subdivision and change of user of L.R. No. 28683/9 into 52 subplots (A copy of the notification of approval (**Annexure 15**)). The subdivision was conditional upon surrender of 10% of the total acreage for public utility and use. The

subdivision was also approved by the Voi Land Control Board as shown in **Annexure 16.**

Honourable Chair,

L.R. No. 28683/27 measuring approximately 35 acres is the portion that Voi Point Limited reserved for the settlement of the squatters. According to our records the plot is still r

egistered under Voi Point Limited. Given that this land is private land, we advise that the squatters to engage Voi Point Limited on their grievances

Response by the National Land Commission

The above mentioned parcel measuring approximately 1953 hectares is situated within Voi town in the county of TAITA TAVETA. This parcel was allocate to VOI SISAL ESTATES through a grant No C.R 51725 registered at the Mombasa land registry. For a term of 99 years, effective 1.1.1993. This allocation was as a result of surrender registered in the Governments Land Titles Registry at Mombasa as C.R No. 8814/37.

The land mentioned above is Land registered under **(CAP 281) Registration of Titles Act (repealed)**. And is therefore under the custody of **Mombasa Lands Registry**. The parcel was later transferred to VOI PLANTATIONS LIMITED, who charged the parcel to Diamond Trust Bank Kenya Limited For KSH. 3,000,000,000/= and USA \$ 5,000,000/=. Voi sisal estate later transferred the above parcel to Voi point limited at a consideration of Kenya shillings 1,002,0000,000/= (one billion and two million shillings)., and charged to DIAMOND TRUST BANK KENYA LIMITED for Ksh. 4,800,000,000/=

The county Government of Taita Taveta, has objected to the Transfer and Subdivision of the parcel, on allegations that they are aware that the lease earlier granted had expired, and that certain individuals had managed to renew the lease without seeking their approval. Allegations which have since been proved as untrue by the Land Registrar Mombasa.

Voi point limited has subdivided part of the parcel into various portions, **LR NO. 28683/27** measuring approximately 20.23 Hectares which was transferred to Mkamenyi society of Voi point with the intention to settle squatters residing within the parcel in an area known as Mkamenyi. All the above mentioned transactions were lodged at the Mombasa Land Registry.

It seems Mkamenyi squatters are claiming a larger share of land (i.e 35 acres given against 150 acres claimed) hence the dispute.

The company engaged the services of a private surveyor since this is a private matter . The Commission's mandate in this matter is limited as the property in issue is private land. The Commission is , however, ready to assist or lead in an ADR mechanism that may be considered with a view to resolving the dispute.

- v. **Petition submitted by the Residents of Msambweni Village in Voi sub-county of Taita Taveta County, concerning the alleged impending evictions of Msambweni residents by a private company;**

Response by the Ministry of Lands and Physical Planning

Honourable Chair,

The petition dated September 10, 2020 was presented by residents of Msambweni village, Voi sub-county in Taita Taveta County. They claim to be living in fear of eviction by a private developer (Sparkle Properties Limited) from a parcel of land registered as No.1956/506, C.R No. 23979 measuring 54.26 hectares where they claim to have resided since 1938.

According to the petitioners, their elders accepted a request by Bata Shoe Company to put up a factory on the subject land in 1978 on the premise that the factory would create employment for the community. A 99-year lease running from January 1, 1979 was granted on conditions, inter alia, that the land was to be used for a factory and that the company would not subdivide, sell, transfer or sublet the land.

Bata Shoe Company did not develop the land as agreed and in 2013 transferred the land to Sparkle Properties Limited for construction of a shopping mall in disregard of the conditions of the lease. The petitioners claim to have resisted the development, which prompted Sparkle Properties Limited to file a case court (ELC No. 265 of 2013) seeking to evict them. The court rendered its judgement on the case on February 24, 2020 allowing the eviction order sought by Sparkle Properties Limited. The court also ordered the residents of Msambweni to pay damages for trespass amounting to Kshs.1,050,000.

The petitioners are apprehensive that 3,500 people will be rendered homeless if the court orders are executed. They claim that efforts to resolve the matter with relevant authorities have not been successful and have thus engaged the Senate to intervene.

Response

Honourable Chair, I wish to respond as follows-

The subject parcel of land is situated within Voi Township and borders Ndara A adjudication section and Kaloleni Majengo Squatter Upgrading Scheme. The parcel is registered at the Mombasa Land Registry under the Registered Titles Act, Cap. 281 (*repealed*) as L.R No. 1956/506 C.R. No 23979 on Survey plan No. 107124 measuring approximately 54.26 hectares.

This parcel was allocated to Bata Shoe Company Limited who intended to establish a shoe factory on the land, and was issued with title deed on April 30, 1993. Bata Shoe Company later sold the parcel to Sparkle Properties Limited at a consideration of Kshs.12,000,000. The transfer was lodged on March 21, 2011 and a new title issued to sparkle properties limited as the proprietor (**Annexure 17**).

The proprietor upon receiving title to the land discovered that squatters had moved in and constructed residential houses, they also prevented the owner from taking possession or accessing the property. This prompted the company to move to the Environment and Land Court at Mombasa, Civil Case No.265 of 2013 (Sparkle properties Limited -vs- Johana Ngai & 8 Others)

On January 27, 2020 the court rendered Judgment on the case as follows-

- a) Permanent injunction restraining the defendants whether acting by themselves; their employees, agents and/or servants and/or through any other manner whatsoever interfering with the suit property to unit L.R 1956/506.
- b) Mandatory injunction compelling the defendants to demolish and or pull down structures erected on the suit property and to give vacant possession to the plaintiff.

- c) That there be a permanent injunction restraining the defendants and/or their agents to allow them to occupy or construct the unoccupied space and proceed with construction forthwith
- d) General damages for trespass awarded at Ksh.150,000 payable by each defendant to the plaintiff giving a total sum of Kshs.1,050,000 with interest from the date of filing suit until payment is made in full.
- e) Costs of the suit awarded to the plaintiff.

The issues raised in the instant petition were adequately canvassed in the suit. (Annexure 18)

Response by the National Land Commission

Hon Chair, The Commission wishes to respond as follows:

The disputed parcel is situated within Voi Township and borders Ndara A Adjudication Section and Kaloleni Majengo Squatter Upgrading Scheme. The parcel is registered at the Mombasa Land Registry Under Cap 281(Registered Titles Act) now repealed as L.R No. 1956/506 C.R. No 23979 on Survey plan No. 107124 measuring approximately 54.26 Ha.

This parcel was allocated to BATA SHOE COMPANY LIMITED who intended to construct a shoe factory, and was issued with title deed on 30th April 1993. BATA SHOE COMPANY later sold the parcel to SPARKLE PROPERTIES LIMITED at a consideration of Kshs.12,000,000. The transfer was lodged on 21st March 2011 and a new title issued to sparkle properties limited as the proprietor.

The proprietor upon receiving title to the land discovered that squatters had moved in and constructed residential houses, they also prevented the owner from taking possession or accessing the property. This prompted her to move to the Environment and Land Court at Mombasa through Civil Case No.265 of 2013.

- a) Permanent injunction restraining the defendants whether acting by themselves; their employees, agents and/or servants and/or through any other manner whatsoever interfering with the suit property to unit L.R 1956/506.

- b) Mandatory injunction compelling the defendants to demolish and or pull down structures erected on the suit property and to give vacant possession to the plaintiff.

OPINION

It is the opinion of the Commission that, the issues raised by the petitioners are matters which were fully ventilated Civil Case No.265 of 2013.

The possible action the residents can take is to file an appeal against the judgment and seek further redress on the matter.

Any possible redress must be considered against the Court Decision.

vi. Statement requested by Sen. Anwar Loitip, MP, on 24th September, 2020, regarding the alleged displacement of squatters from Hidabwo area in Lamu County; and

Response by the Ministry of Lands and Physical Planning

Honourable Chair, I wish to respond as follows-

The Hon. Sen. Anwar Loitip, MP has requested the Cabinet Secretary to-

- i. Explain the circumstances surrounding the ownership of the parcel of land in Hidabu Area, Lamu County, and state the genuine owners of the said parcel of land
- ii. State who is behind the demarcation of the said piece of land and evicting persons who have occupied and settled on the said piece of land since 1998
- iii. State whether Lamu County Government authorized the allegedly illegal demarcation of the piece of land
- iv. Explain measures the Ministry of Lands and the National Land Commission have put in place to protect persons who have enjoyed quiet possession of the said piece of land for a period exceeding 12 years and ensure they are not going to be rendered squatters by rogue land grabbers allowed to own the land through adverse possession.

Response

Honourable Chair, I wish to respond as follows-

In response to questions (i), (ii), (iii) and (iv), I wish to respond as follows:

Hidabu area is an informal squatter settlement within Lamu Island specifically within registration section Lamu/Block II. The area comprises of several Government reserved land and registered private land parcels. Some of the squatters in the settlement have permanent buildings and others semi-permanent structures built over

time. The attached plan marked **annexure 19** give an impression of the status and layout of the area.

The County Government of Lamu engaged a private survey firm, Spatial Milestone (K) Ltd, to survey the squatted area. The project is ongoing and at planning stage, so far capturing over 300 squatters.

Plot 348 has 2 permanent houses by squatters, while 350 has some recently erected posts.

The government agencies such as the hospital, housing and Interior occupying the reserved plots assert that they require the land for future public purposes.

Response by the National Land Commission

The area in question is the riparian land along Lake Kenyatta within Lake Kenyatta I Settlement Scheme established in 1974. Lake Kenyatta Beach Management Unit (LKBMU) was registered in 2008 to manage fishing operations in the area and has been operating since then. The lake is a vital source of water and fish, biodiversity habitat and eco-tourism attraction. The fisheries department was one of the functions

whose governance was devolved from the National government and placed to the county government by the Constitution, 2010. LKBMU is therefore currently under the County Government of Lamu.

There have been disputes between the LKBMU and the local community regarding encroachment of the riparian land falling in the zone covering Plots Nos.1609, 1610, 2570, 2568, 5722 and the high-water mark. The zone in contention is swampy and partly covered with thick natural vegetation.

The dispute is mainly attributed to the fact that the entire external boundary of the riparian is not physically marked nor surveyed. The Lake Kenyatta catchment area is not registered or gazetted.

Honourable Chair, we propose-

- i. Mapping out the catchment/lake boundaries by the relevant ministries
- ii. Gazettement of this ecologically sensitive area
- iii. Multi sectoral Protection and management of the catchment area by the relevant MDAs and County government of Lamu

vii. Statement requested by Sen. Anwar Loitiptip, MP, on 24th September, 2020, regarding the alleged encroachment of Lake Kenyatta riparian land in Lamu County.

Response by the Ministry of Lands and Physical Planning

Honourable Chair,

The Hon. Sen. Anwar Loitiptip, MP has requested the Cabinet Secretary to-

- i) State whether Lamu County followed due process in licensing Lake Kenyatta Beach Management Unit which has been given the responsibility of managing areas of the beach reserved for hippopotamus to graze as well as recreational areas for fishermen and public
- ii) Explain whether Lamu County authorized demarcation of the aid area and subsequently allocated the beach area to Lake Kenyatta Beach Management Unit
- iii) State whether the title deeds for the land in question which are in the hands of Lake Kenyatta Beach Management Unit are genuine, and if so, did NLC conduct due diligence before issuance of the same
- iv) Explain what measures the Ministry of Lands is putting in place to ensure that areas around water bodies used as grazing area for wildlife are protected

Honourable Chair, I wish to respond as follows:

A response to the Statement requested by the Hon. Senator was forwarded vide a report dated January 5, 2021. A copy of the report is marked **Annexure 25**.

Honourable Chair, I submit.

The Committee proceeded to thank the Petitioners for having their confidence the Senate, and that the Committee shall ensure justice is served.

The Petitioners informed the Committee that they have been trying to switch their parcels of land after a common understanding of switching Lari Nyakinyua Solai Farm and Riyobei Farm in Gilgil. Their challenge all through has been to obtain the titles, and what had slowed the process in the past was a court case that ended in the year 2019 owing to a claim by other persons who had allegedly settled in the same piece of land. They informed the Committee that since the court ruled in their favor they would require the Committees intervention to fasten the process of titling.

The Parcel of land scheduled for the switching is 8,000acres on both sides, affecting 1,200persons from the Lari Nyakinyua Solai Farm and 5,400persons from Riyobei Farm in Gilgil.

RE: ISSUES ON DISPUTE OVER OLJORAI AND SOLAI FARMS
OUR CLIENT - LARI NYAKINYUA SOLAI FARM

We refer to the above referenced matter and your letter Ref: NLC/CHAIRMAN/VOL.XXIII/45 dated 29th November 2018.

Subsequent to the many meetings and correspondences on the issue, we have been instructed by the Directors of Lari Nyakinyua Solai Farm Ltd (our client) to respond to you and confirm that Lari Nyakinyua Solai Farm Ltd consents to surrender and transfer of their titles IR No.s 5157, 1095 and 10920 in respect of LR No. 7364, 2680 and 8435 respectively to Solai Ruyobei Farm Ltd on the following terms;

1. That a parallel surrender and transfer of IR No. 67258 in respect of LR No. 20229/1 registered in the name of Solai Ruyobei Farm Ltd be simultaneously done in favour of Lari Nyakinyua Solai Farm Ltd.
2. That titles IR No.s 5157, 1095 and 10920 once transferred and registered in the name of Solai Ruyobei Farm Ltd shall not be released to Solai Ruyobei Farm Ltd until the amount of Kenya Shillings Six Hundred and Twenty Nine Thousand Two Hundred acknowledged as owed by Solai Ruyobei Farm Ltd to Lari Nyakinyua Solai Farm Ltd is settled.
3. That the National Land Commission, acknowledging the need for compensation to Lari Nyakinyua Solai Farm Ltd for LR No. 20229/1, part of which is occupied by squatters, confirms to Lari Nyakinyua Solai Farm Ltd in writing, the terms of the compensation as well as undertake to fast track the compensation process.

The directors of Lari Nyakinyua Solai Farm Ltd regret that this matter has taken over forty years to settle and despite spirited interventions by the Government leading to the agreement executed on 24th April 2003, members of these two companies are still wallowing in dire poverty while their parcels of land lie unutilized. The court matters having been heard and determined, members of Lari Nyakinyua Solai Farm Ltd at a meeting of the general membership have ratified the above decision and pray that this long outstanding matter be brought to a close.

Your kind response will be immensely appreciated.

Yours faithfully,

Howard, Nick & Kenneth Advocates

RE: ISSUES ON DISPUTE OVER OLJORAI AND SOLAI FARMS
OUR CLIENT - LARI NYAKINYUA SOLAI FARM

We refer to the above referenced matter and your letter Ref: NLC/CHAIRMAN/VOL.XXIV/23 dated 8th January 2019.

Kindly note that our earlier letter of even reference and dated 3rd December 2018 on the same subject was NOT imposing conditions to the course of action clearly agreed upon between the parties. We wish to reiterate, for the avoidance of doubt, that our letter was an unequivocal consent to the National Land Commission to complete the long outstanding process of swapping the ownership of the subject parcels of land as between Lari Nyakinyua Solai Farm Ltd and Solai Ruyobei Farm Ltd.

Resultantly, the terms we expressed in our letter were meant to facilitate and not to stifle the said process which we faithfully hope is ongoing, but more importantly, they were essentially meant to follow (not precede) the conclusion of the process by NLC of exchanging ownership of the subject parcels of land.

That said, kindly apprise us on the progress of the swapping of titles to enable the directors of Lari Nyakinyua Solai Farm Limited coordinate their activities especially with a view to organizing an annual general meeting which is long overdue.

Yours faithfully,

Dear Sir

RE: LARI NYAKINYUA AND SOLAI RUIYOBEL FARMS HANDOVER

The above matter refers.

The Commission is in the advanced stages in resolving the long standing land dispute between the Lari Nyakinyua Farmers and the Solai Riyobei Farm Ltd, concerning the land at Oljurai Division, Gilgil District, L.R. No. 20229/1.

It has however come to the attention of the Commission that unscrupulous persons, who are not members of Lari Nyakinyua, or persons currently residing on the land are entering the land and carrying out various activities on the land. These activities pose a serious security breach and are bound to cause clashes.

The purpose of this letter is to request you to assist the Commission in ensuring that these invasions and activities on the land cease forthwith.

Your assistance in this matter will be appreciated.

Honorable Chair,the Commission responds as follows:

Reservation of the land for Kenya Defence Forces in Isiolo, Samburu and Turkana was done vide Gazette Notice No. 3210 dated October 31, 1977 (a copy of the Gazette Notice is marked **Annexure 1**).

The Kenya Defence Forces (KDF) School of Infantry in Isiolo currently occupies land registered as L.R. Number 27155 measuring approximately 10,665 Hectares.

Colonial government set apart land(Holding area and quarantine) for the department of livestock for the land that was designated as crown land.MoD identified the land in 1979/1980,took possession and established a camp.a letter of allotment was issued in 2000 and the land was surveyed in 2004 and title issued in 2006.

From the foregoing, it is clear that the reservation was done in 1977 and the question of compensation does not arise.

Honorable Chair,

The issue of the eviction notice issued by the Government in September last year is the subject of litigation before a Court of Law at Meru as case ELC 25 of 2019 where the applicant is Joseph Loruyaei and others -vs- CS Defence,CS Interior,CS Lands,County Commissioner Isiolo,County Government of Isiolo and the AG..

The Court issued conservatory Orders in October,2019 restricting the Respondent from evicting the Applicants pending interpartes hearing.

3.STATEMENT REQUESTED BY SENATOR FATUMA DULLO,MP ON 27TH NOVEMBER ,2019 CONCERNING THE NOTICE BY THE MINISTRY OF LANDS AND PHYSICAL PLANNING SEEKING TO OPEN UP LAND IN ISIOLO COUNTY FOR ADJUDICATION UNDER LEGAL NOTICE NO.150 OF AUGUST,2019

The petitioner has requested that in its statement, the Committee should;

- 1) State what informed the Ministry's decision in issuing the gazette notice which in effect will lead to the conversion of communal land into private land despite there being a number of contentious land related disputes in the County yet to be resolved.
- 2) Explain why the Ministry decided to exclude the Kenya Defense Force's School of Infantry and Combat Engineering from the adjudication process knowing very well that there is a court order in place stopping the Kenya Defense Force from carrying out any survey in the contentious area until the dispute is settled.
- 3) Explain why the Ministry of Lands and Physical Planning is attempting to convert land lying along the LAPSET corridor and Isiolo Resort into public land knowing very well that the said land has its rightful owners who are yet to be compensated.
- 4) Explain whether in issuing the legal notice the Ministry of Lands and Physical Planning sought and received approval from the County Government who are the legal custodians of unregistered community land.
- 5) Explain why the Ministry of Lands and Physical Planning failed to undertake public participation, engage with all leaders and other stakeholders before issuing the gazette notice knowing clearly that the communities' interests must be protected at all times; and
- 6) State whether the legal notice issued by the Ministry of Lands and Physical Planning was in accordance with the law and in adherence with the principles of openness, accountability and the confines of public participation.

Honourable Chair, National Land Commission wishes to respond as follows:

The Cabinet Secretary Ministry of Lands and Physical Planning declared parts of Isiolo County as adjudication areas vide Legal Notice No. 150 of September 3, 2019. The areas with concentration of human settlement are to be registered under the Land Adjudication Act cap 284, while the grazing lands are to be registered under the Community Land Act, 2016.

This legal notice was however amended vide Legal Notice No. 1 of January 10, 2020. This was after the County Assembly Housing and Urban Development Committee held consultative meetings between November 8 and 16, 2019 and proposed the widening of the applicable area.

The amended notice occasioned increases in the items as shown in the table below;

NO	ITEM	LN No. 150 of September 3, 2019	LN No. 1 of January 10, 2020
1.	Adjudication Sections	4	36
2.	Township Blocks	9	16
3.	Certificate of Leases	7,500	17,050
4.	Projected Title Deeds	10,250	25,250

Source Ministry of Lands and Physical Planning

The gazettment of the County to be an Adjudication area is an issue that will best be addressed by the Ministry.

The reason for excluding land for Kenya Defence Forces is that the land for Kenya Defence Forces in Isiolo among other places was done vide Kenya Gazette Notice No. 3210 of 31 st October 1977. The Commissioner of Lands issued a letter of allotment to the Department of Defence for land parcel measuring 10,209 hectares for School of Infantry Cantonment. Consequently, title was issued to the Permanent Secretary to the Treasury as trustee of the Kenya Defence Forces. The Land Adjudication Act Cap 284 cannot be applied to a titled area.

The residents of the Burat wards did protest the allocation and have since filed a case in court. The case was filed by Joseph Lorunyei Kuwam and six others against the Cabinet Secretaries of Defense, Lands and Interior& Coordination of National Government, the Attorney General and others in Petition No. 25 of 2019 in the Environment and Land Court at Meru. This case is still live in court.

The LAPSETT corridor land was gazetted on October 21, 2016 vide the Kenya Gazette Notice Vol. CXVIII-No.129. The acquisition of land within the LAPSETT corridor, Isiolo Resort City and Isiolo International Airport is the mandate of the National Land Commission and the LAPSETT Corridor Development Authority. The acquisition of the corridor process will be conducted under the procedures of compulsory land acquisition and those affected will be compensated.

Honourable chair,

The gazettment of Isiolo as an adjudication area does not extinguish the rights of Isiolo residents to pursue compensation for land that has been gazetted for other uses within the County.

4. PETITION SUBMITTED BY THE RENDILLE AND SAMBURU COMMUNITY REPRESENTATIVES CONCERNING THE ALLEGED ACQUISITION OF KARARE AND MARSABIT COUNTY BY THE KENYA DEFENCE FORCES.

Hon chair,

The Commission wishes to respond to the petition as follows:

Background

The Commission wishes to bring to the attention of this esteemed Committee that there is an active Court matter at the Meru Environment and Land Court - Constitutional Petition No 4 of 2020, filed **by the Rendille Professionals Association and local elders on behalf of the Community regarding the allocations of the land parcels by the County Government of Marsabit** challenging the constitutionality of the process applied by the Department of Defense with regard to their interest in the subject land.

However the Commission wishes to briefly outline process the Ministry of Defence followed to acquire the land

1. The Ministry of Defence made a decision to establish a military barracks in Marsabit for security reasons and on 16th March 2012 made a formal request to be allocated land in Karare, Marsabit County. On 8th June 2015, the County Council of Marsabit formally allocated 2,500 Ha in Kubi Kalo. The processing of ownership of the land was overtaken by events following the coming in place of devolved governments in 2013.
2. On 18th June 2019, Ministry of Defence made a formal request to the County Government for allocation for land in Marsabit.
3. On 22nd July 2019, the County Government of Marsabit formally allocated land in Karare (5,000 Ha); Haiya (10,000 Ha) and Odda military camp (242 Ha). On 22nd August 2019 the department of defense requested the National Land Commission for allotment letters for the parcels of land. The Commission informed Department of Defence in a letter dated 4th November 2019, that it could not issue allotment letters because the land was community land. **It turns out that this may not have been the correct position.**

On January 16th, 2020, MOD & CGM resolved to subject the land allocations to a Public Participation process as advised by the National Land Commission. Subsequently Public Participation and Validation exercise for the land allocations was conducted from 21 to 31 January 2020 in Marsabit County. The exercise considered critical factors such as human settlements, grazing areas, water catchment areas and conservation of biodiversity and among others in choosing the ideal location for the KDF Camp.

The Public Participation exercise was carried out successfully by the Joint MOD, KWS, CGM team (Comprising of all stakeholders), County Leadership, MPs, MCAs and members of the local community across the areas expected to host MOD facilities. The local community participated

in the exercise and assisted representatives from the MOD to identify the suitable locations.

The petitioners are contesting the process followed in the allocation of Community Land at Karare ward.

The coordinates of the 5,000 Ha parcel of land allocated in Karare by the County Government of Marsabit is:-

STN	Eastings	Northings
A	376583	248844
B	374070	248821
C	370311	251031
D	366218	250703
E	366957	244713
F	373812	244527
G	373800	245810
H	376328	245840

When the above coordinates were plotted on the map it fell within the Marsabit National Reserve (Annex 1).

Conclusion

The contested parcel of land in question is part of the Marsabit National Reserve sitting next to the Marsabit National Park and not Community Land as alleged by the petitioners.

5.PETITION CONCERNING THE ALLEGED EXCHANGE AND FINAL TRANSFER OF TITLES FOR PARCELS OF LAND KNOWN AS LARI NYAKINYUA SOLAI FARM(LOCATED IN SOLAI,NAKURU COUNTY)AND RIYOBEL FARM LIMITED(LOCATED IN GILGIL,NAKURU COUNTY)

Prayer of the petitioner is

That Senate investigates the matter and comes up with appropriate recommendations to ensure that the exchange of title deeds process is expedited and land ownership and utilization rights and interests restored and safeguarded by eviction of illegal occupants

The commission wishes to respond as follows:

The dispute between the two land buying companies dates back to the mid-seventies when Lari Nyakinyua first bought 8000 acres of land in Solai.

The following is the profile of the two land buying companies:

LARI NYAKINYUA FARMERS COMPANY LTD

This was women land buying company from Lari, Kiambu County popularly known as NYAKINYUA. The company bought 8000 acres of land in (Solai) Rongai Sub – County in the early seventies.

The women group Lari Nyakinyua while organizing to settle their members at the 8000 acre farm, members of the local community moved in and occupied the land forcefully to date denying the buyers an opportunity to settle.

At the advent of multi – politics in Kenya it was agreed by the leaders to compensate the Lari NYAKINYUA women with an alternative parcel equal to their original land but in a different Sub – County, now Gilgil **OLJORAI ADC FARM**.

RUYOBEI FARMERS COMPANY LIMITED

This is a registered land buying company formed by a community from Solai in Rongai Sub – County Nakuru County with the intention to buy land for its members.

A majority of their members moved into the land bought by LARI NYAKINYUA in Solai in 1992 when a decision was made to compensate members of LARI NYAKINYUA, following a series of meetings held by leaders from Nakuru and Lari, Kiambu. This led to the signing of the titles exchange agreement between the two land buying companies to bring to an end several years of long standing conflict between the two.

AGREEMENT

On 24th April 2003, the directors of the two companies signed an agreement to exchange Title deeds to end the many years of conflict. This was not possible due to internal conflicts between the directors of the two land buying companies among themselves fighting for leadership and other interests. Lari Nyakinyua Land buying

company had two factions and Solai Ruyobei too had the same and both dispute ended in court.

The directors who signed were;

Lari nyakinyua

- a. John Nganga
- b. Samuel Macharia
- c. Hannah Muturi

Ruyobei

- a. Morogo Chebet
- b. Olari Chebet
- c. Richard Bunditich
- d. Musa Toroitich
- e. Daniel ario

The Governor Nakuru County in a letter REF: NO. NCG/S/LND/VOL. II/09 dated 25th November, 2014 requested National Land Commission to expedite the matter of the two farms since it was becoming a security threat. On 9th December 2014, National Land Commission wrote a letter to the Governor from the perspective of the Commission, the exchange never materialized at that time due to the following reasons;

- Lari Nyakinyua still holds the title for Solai Farm which was invaded by Ruyobei members.
- Ruyobei Farmers Limited still holds a Title for Oljorai and are in court with Oljorai squatters and a faction of directors.
- Oljorai farm is in court being sued by Solai farmers Co. LTD.

Subsequently, the High Court in Nakuru ELC COURT Civil Case No. 87 of 2007, whose parties are **Nduguia Ole Osano Vs two others (a) Lands Limited (b) Solai Ruyobei Farm Limited** ruled in favor of SOLAI RUYOBEI FARMERS CO. LTD towards the end of 2019.

The 8000 acres of OLJORAI FARM is currently occupied by over 10,000 squatters for close to 30 years now. This is the same farm the High court ruled in favor of SOLAI RUYOBEI FARMERS CO. LTD which was supposed to be exchanged to LARI NYAKINYUA.

In early 2020 the parties reported back to the Commission that following the Court Decision , they were willing to proceed with the exchange with the assistance of the

provincial administration. They were to report back on the progress and the Commission awaits the report.

**6. PETITION SUBMITTED BY THE WAJOMVU COMMUNITY, MOMBASA COUNTY
CONCERNING THE ALLEGED HISTORICAL LAND INJUSTICES INVOLVING PLOT
NO. 162/V/M.NCR 1070 IN MOMBASA COUNTY**

Hon Chair, The Commission respond as follows:

This matter is listed as a historical no. NLC/HLI/565/2019 that has been prioritized for investigations, hearing and determination.

The Chairman of NLC together with the County Co-ordinator joined the Senate team on Friday 19th February 24, 2021 on a visit to the ground and obtained first – hand information on the matter.

**7. PETITION SUBMITTED BY RESIDENTS OF MKAMENYI VILLAGE IN VOI SUB COUNTY OF
THE TAITA TAVETA COUNTY. THE ALLEGED ENCROACHMENT OF LAND BELONGING TO
MKAMENYI RESIDENTS BY VOI POINT LIMITED IN TAITA TAVETA**

The above mentioned parcel measuring approximately 1953 hectares is situated within Voi town in the county of TAITA TAVETA. This parcel was allocated to VOI SISAL ESTATES through a grant No C.R 51725 registered at the Mombasa land registry. For a term of 99 years, effective 1.1.1993. This allocation was as a result of surrender registered in the Governments Land Titles Registry at Mombasa as C.R No. 8814/37.

The land mentioned above is Land registered under **(CAP 281) Registration of Titles Act (repealed)**. And is therefore under the custody of **Mombasa Lands Registry**. The parcel was later transferred to VOI PLANTATIONS LIMITED, who charged the parcel to Diamond Trust Bank Kenya Limited For KSH. 3,000,000,000/= and USA \$ 5,000,000/=. Voi sisal estate later transferred the above parcel to Voi point limited at a consideration of Kenya shillings 1,002,000,000/= (one billion and two million shillings)., and charged to DIAMOND TRUST BANK KENYA LIMITED for Ksh. 4,800,000,000/=

The county Government of Taita Taveta, has objected to the Transfer and Subdivision of the parcel, on allegations that they are aware that the lease earlier granted had expired, and that certain individuals had managed to renew the lease without seeking their

approval. Allegations which have since been proved as untrue by the Land Registrar Mombasa.

Voi point limited has subdivided part of the parcel into various portions, LR NO. 28683/27 measuring approximately 20.23 Hectares which was transferred to Mkamenyi society of Voi point with the intention to settle squatters residing within the parcel in an area known as Mkamenyi. All the above mentioned transactions were lodged at the Mombasa Land Registry.

It seems Mkamenyi squatters are claiming a larger share of land (i.e 35 acres given against 150 acres claimed) hence the dispute.

The company engaged the services of a private surveyor since this is a private matter .

The Commission's mandate in this matter is limited as the property in issue is private land. The Commission is , however, ready to assist or lead in an ADR mechanism that may be considered with a view to resolving the dispute.

8.PETITION BY RESIDENTS OF MSAMBWENI VILLAGE IN VOI SUB COUNTY OF TAITA TAVETA COUNTY ON THE IMPENDING EVICTION BY A PRIVATE COMPANY.

Prayer of the petitioner is that Senate carries out investigation to establish the following

- a) How it was possible for the Commissioner of Lands to allow Bata Shoe Company to transfer its lease grant to Sparkle Properties Limited in total disregard of the terms and conditions of the grant which opposed the same.
- b) How it was possible for Bata Shoe Company to sell the land to Sparkle Properties Limited at Kshs.12million and yet it had not done any development on it.
- c) Recommend that appropriate action be taken against the Commissioner of Lands for colluding with Bata Shoe Company to transfer Msambweni residents land to Sparkle Properties Limited despite there being terms and conditions against the same.
- d) Recommend that the Ministry of Lands acquires the disputed land and settles the residents on it through compulsory acquisition
- e) Takes any other action it deems fit to ensure that the residents of Msambweni live in peace as before

Hon Chair,The Commission wishes to respond as follows:

The disputed parcel is situated within Voi Township and borders Ndara A Adjudication Section and Kaloleni Majengo Squatter Upgrading Scheme. The parcel is registered at the Mombasa Land Registry Under Cap 281(Registered Titles Act) now repealed as L.R No. 1956/506 C.R. No 23979 on Survey plan No. 107124 measuring approximately 54.26 Ha.

This parcel was allocated to BATA SHOE COMPANY LIMITED who intended to construct a shoe factory, and was issued with title deed on 30th April 1993. BATA SHOE COMPANY later sold the parcel to SPARKLE PROPERTIES LIMITED at a consideration of Kshs.12,000,000. The transfer was lodged on 21st March 2011 and a new title issued to sparkle properties limited as the proprietor.

The proprietor upon receiving title to the land discovered that squatters had moved in and constructed residential houses, they also prevented the owner from taking possession or accessing the property. This prompted her to move to the Environment and Land Court at Mombasa through Civil Case No.265 of 2013.

9.SEN. ANWAR LOITIPTIP, MP, SENATOR, LAMU COUNTY ON ALLEGED ENCROACHMENT OF SEN. ANWAR LOITIPTIP, MP, SENATOR, LAMU COUNTY ON ALLEGED ENCROACHMENT OF LAKE KENYATTA RIPARIAN LAND

- i) State whether Lamu County followed due process in licensing Lake Kenyatta Beach Management Unit which has been given the responsibility of managing areas of the beach reserved for hippopotamus to graze as well as recreational areas for fishermen and public
- ii) Explain whether Lamu County authorized demarcation of the aid area and subsequently allocated the beach area to Lake Kenyatta Beach Management Unit
- iii) State whether the title deeds for the land in question which are in the hands of Lake Kenyatta Beach Management Unit are genuine, and if so, did NLC conduct due diligence before issuance of the same
- iv) Explain what measures the Ministry of Lands is putting in place to ensure that areas around water bodies used as grazing area for wildlife are protected

Honourable Chair, the Commission wish to respond as follows:

The area in question is the riparian land along Lake Kenyatta within Lake Kenyatta I Settlement Scheme established in 1974. Lake Kenyatta Beach Management Unit (LKBMU) was registered in 2008 to manage fishing operations in the area and has been operating since then. The lake is a vital source of water and fish, biodiversity habitat and eco-tourism attraction. The fisheries department was one of the functions whose governance was devolved from the National government and placed to the county

government by the Constitution, 2010. LKBMU is therefore currently under the County Government of Lamu.

There have been disputes between the LKBMU and the local community regarding encroachment of the riparian land falling in the zone covering Plots Nos.1609, 1610, 2570, 2568, 5722 and the high-water mark. The zone in contention is swampy and partly covered with thick natural vegetation.

The dispute is mainly attributed to the fact that the entire external boundary of the riparian is not physically marked nor surveyed. The Lake Kenyatta catchment area is not registered or gazetted.

Honourable Chair, we propose-

- i. Mapping out the catchment/lake boundaries by the relevant ministries
- ii. Gazettement of this ecologically sensitive area
- iii. Multi sectoral Protection and management of the catchment area by the relevant MDAs and County government of Lamu

10.STATEMENT BY SEN.ANUAR LOITIPTIP,MP,ON 24TH SEPTEMBER 2020 REGARDING THE ALLEGED DISPLACEMENT OF SQUATTERS FROM HIDABWO AREA IN LAMU COUNTY

Displacement of squatters in Hidabu Area of Lamu island.

By the Senator for Lamu County, Hon. Anwar Loiptip.

- i. Explain the circumstances surrounding the ownership of the parcel of land in Hidabu Area, Lamu County, and state the genuine owners of the said parcel of land.
- ii. State who is behind the demarcation of the said piece of land and evicting persons who have occupied and settled on the said piece of land since 1998.
- iii. State whether Lamu County Government authorized the allegedly illegal demarcation of the piece of land.
- iv. Explain measures the Ministry of Lands and the National Land Commission have put in place to protect persons who have enjoyed quiet possession of the said piece of land for a period exceeding 12 years and ensure they are not going to be rendered squatters by rogue land grabbers allowed to own the land through adverse possession.

RESPONSE

Hidabu is an informal squatter settlement within Lamu Island specifically within registration section Lamu/Block II. The area comprises of several government reserved land and registered private parcels.

The County government of Lamu engaged a private survey firm, Spatial Milestone (K) Ltd, to survey the squatted area. The project is ongoing and at planning stage, so far capturing over 300 squatters. Some of the squatters in the settlement have permanent buildings and others semi-permanent structures built over diverse dates.

The table below, give an impression of the current status of the affected plots.

	Plot No.	Size (Ha)	Ownership	Ground Occupant
1	Lamu/Block II/126	2.97	Government of Kenya	<ul style="list-style-type: none">• County Commissioner's residence• LAWASCO, KPLC sub-station, KBC mast, Radio Rahma mast.• Lower part settled by over 30 squatters.

The government agencies such as the hospital, housing and Interior occupying the reserved plots assert that they require the land for future public purposes.

Proposal

- Stakeholder consultative meeting involving area leadership, county government and relevant national government departments to review and provide solution.
- Those on private land to negotiate with the land owners.

Honourable Chair; the above are the answers to the various issues raised, which we respectfully submit.

7. Statement requested by Sen. Anwar Loitiptip, MP (Lamu County) on alleged encroachment of Lake Kenyatta Riparian Land.

Response

Honourable Chair, I wish to respond as follows-

- i) Petition concerning the alleged exchange and final transfer of titles for parcels of land known as Lari Nyakinyua Solai Farm (located in Solai, Nakuru County) and Riyobei Farm Limited (located in Gilgil, Nakuru County)

Honourable Chair,

Fredrick Kahia Thugi, Joseph Kamau Ngugi, Veronica Wanjiru Chege, Peter Muchume Gachii and James Ngugi being members of Nyakinyua Solai Farm Limited have presented the petition dated February 2019. The petitioners claim that their group purchased 8000 hectares of land in Solai, Nakuru County in 1980 that is now known as Lari Nyakinyua Solai Farm. A second group by the name Ruyobei Farm Limited also purchased 8000 hectares of land in Gilgil, Nakuru.

The petitioners claim that the two groups entered into a deed of exchange agreement signed on April 24, 2003 in a process spearheaded by the late retired president Daniel arap Moi. A second agreement on the same was signed on the same date before the then Gilgil District officer. According to the petitioners, the parties signed a third agreement on August 11, 2003 to authorize the groups to enter and subdivide their respective new parcels. Despite the agreements signed by the parties, transfer of title over the properties has not been effected to date.

The petitioners state that a meeting between the two groups and the National Land Commission was convened on October 26, 2016 at the Solai Farm. The purpose of the meeting was for the Commission to obtain confirmation of members of Nyakinyua Solai Farm Limited that they had authorised Ruyobei Farm Limited to proceed to subdivide the Lari Nyakinyua Solai Farm. This was confirmed at the meeting paving way for the subdivision. The Commission promised to convene a similar meeting at the Gilgil Ruyobei Farm. The meeting is yet to be set up.

The petitioners claim that their members have been prevented from accessing Ruyobei Farm by illegal occupants who have settled on the land. They claim that efforts to have the matter addressed by the National Land Commission have been futile. They have therefore presented the petition to request Senate to intervene and resolve the matter.

Response

Honourable Chair, I wish to respond as follows-

The subject parcels of land are –

- i) Land Reference No. 20229/1 measuring approximately 8019 Acres is situated in Gilgil, Nakuru County and is registered in the name of Solai Ruyobei Farm Limited. (**Annexure 4**)

We are aware that the National Land Commission has been involved in resolution of the dispute. We therefore invite the Committee to engage the Commission to provide more information on the case.

- ii) Petition submitted by the Rendille and Samburu Communities representatives concerning the alleged acquisition of Karare land in Marsabit County, by the Kenya Defence Forces

Honourable Chair,

The petition dated April 29, 2020 concerning acquisition of Karare land by the Kenya Defence Forces has been presented by the Rendille Professional Association on behalf of residents of Rendille and Samburu communities residing in Kaware Ward, Marsabit County. The petitioners claim that the Rendille and Samburu communities in Marsabit County object to the compulsory acquisition of 2,500 acres of land in Kaware by the Kenya Defence Forces (KDF). They claim that the KDF expressed interest on the land in 2019. The petitioners' objection to the compulsory acquisition is based on the following-

- i) The land is the communities' only fertile land and the only viable grazing area
- ii) Karare ward being a water catchment area for the pastoral communities of Karare, Songa, Loglogo, Kamboye, Laisamis, Kargi and Korre communities plays a central role in the viability of pastoralism. A total of 98, 000 people and approximately 450,000 livestock depend on the ecosystem for their livelihoods
- iii) The land is a sacred place for most cultural and religious ceremonies such as circumcision
- iv) It is a major and only source of red ochre nalkaria hills which is sacred to the community
- v) The land is a pathway for collection of Silaley gum used in circumcision and religious ceremonies
- vi) It is also a source of Ibaa/sticks for use in Rendille/Samburu circumcision ceremonies
- vii) It is a source of sagaram to feed livestock in a highly pastoral community
- viii) The excision of the 2,500 acres of land some of which is protected forests and which is the only dependable dry season grazing area will lead to overuse of rangelands, environmental degradation, human-wildlife conflict and human- human conflict.

The petitioners claim that several meetings have been held between the communities' elders, County Commissioner and the KDF in which the communities proposed alternative land in Kubi Kalo for acquisition but the same was declined by the KDF. They are aggrieved that the process of compulsory acquisition is ongoing despite their protests.

The communities are apprehensive that that they could lose their land and their rights under the Constitution due to their minority status and weak representation in government. They aver that they have already lost 150,000 acres to the Lake Turkana Wind Power project, which was also compulsorily acquired despite their objection.

The petitioners therefore filed the petition to request the Senate to-

- a) visit Karare community of Marsabit County to establish the facts of the case as soon as possible
- b) make appropriate recommendations to the Cabinet Secretary Ministry of Interior and Co-ordination of National Government based on the findings
- c) give opportunity for the petitioners to further present the memorandum orally to the Senate

Response

Honourable Chair, I wish to respond as follows-

The KDF Strategic Defence Plan of 2018-2027 projected the expansion of the Kenya Army and redeployment of Formations to various parts of the Country with a sizeable force earmarked for deployment in Marsabit County. In pursuance to that strategic defence plan, the Ministry of Defence started the process of acquisition of land in Marsabit County with an intention to have military footprint in the northern region to deter/prevent constant incursion by the Ethiopian National Defence Forces and also support the Strategic Defence Plan in order to facilitate KDF achieve its mandate as provided for in Article 241(3) of the Constitution of Kenya.

In early 2012, the Ministry of Defence began formal engagements with the County Council of Marsabit for allocation of land in the County. This resulted in the allocation of 2,500 hectares of land in Kubi Kalo to Ministry of Defence on January 8, 2013. However, with the establishment of the County Government of Marsabit under the new constitutional dispensation, the allocation was rescinded and the Ministry of Defence was advised to restart the process of acquisition.

On January 10, 2019, the process was re- started with consultative meetings between Ministry of Defence and County Government of Marsabit led by the Chairman, Committee on Military Land & H.E Governor of Marsabit with all elected leaders including MPs, MCAs and CECMS. The leaders from Marsabit County agreed to allocate 5,000 hectares in Karare for the construction of Ministry of Defence camp and 10,000 hectares in Haiya for training.

The meeting further directed that a joint technical committee be formed to identify the suitable locations for deployment and training area. The joint technical committee met and worked as per the mandate given during the meeting. A detailed joint reconnaissance conducted between January 2-4, 2019 and May 29 to June 1, 2019 identified the actual locations. Following the engagements, the Ministry of Defence was formally allocated 5,000 hectares & 10,000 hectares of land in Karare and Haiya areas of the County respectively.

On January 16, 2020, the Ministry of Defence and County Government of Marsabit resolved to subject the land allocations to a public participation process as advised by the National Land Commission. Subsequently, the public participation and validation exercise for the land allocations was conducted from January 21-31, 2020 in Marsabit County. The exercise considered critical factors such as human settlements, grazing areas, water catchment areas and conservation of biodiversity and among others in choosing the ideal location for the KDF Camp.

The public participation exercise was carried out successfully by the Joint team comprising Ministry of Defence, Kenya Wildlife Service, County Government of Marsabit, county leadership including Members of Parliament, Members of the County Assembly and members of the local community across the areas expected to host the Ministry of Defence facilities. The local community participated in the exercise and assisted representatives from the Ministry of Defence to identify the suitable locations.

During the process of public participation the locals requested the allocation of Karare land to Ministry of Defence be reviewed downwards from 5,000 hectares to 2,500 hectares. The land is currently in the process of being planned, surveyed and titled in favor of Ministry of Defence. The Ministry is already in occupation of the two parcels of land allocated to them by the County Government of Marsabit.

There is a Court case filed by the Rendille Professionals Association and local elders on behalf of the Community regarding the allocations of the land parcels by the County Government of Marsabit.

Honourable Chair,

We invite the Committee to engage Ministry of Defence and the County Government of Marsabit for more information on the matter.

- iii) Petition submitted by the Wajomvu Community, Mombasa County, concerning the alleged historical injustices involving Plot No. 162/V/M.N. CR 1070, in Mombasa County

Honourable Chair,

Salim Mwidadi, Mohamed Kombo, Kassim Mwikaa and Mwinyiusi Mwidadi petitioned the Senate on behalf of Wajomvu Community from Jomvu Kuu Village, Jomvu Kuu Ward in Jomvu Sub County presented the petition dated July 2, 2020 regarding ownership of Plot No. 162/V/M.N. CR. 1070 situated in Jomvu Kuu.

The petitioners claim that they are among the 12 Swahili tribes to settle in Mombasa approximately 800 years ago. They claim that on or about 1846, Dr. Kraph arrived on the East African Coast and settled in Rabai. That in 1877 through the benevolence of a jomvu elder by the name Mwidani, Dr. Kraph was given land to establish a church in the predominantly muslim community. According to the petitioners, the community donated a small area where the Methodist church was built. However, when land adjudication was undertaken in 1923, the church was allocated 150 acres of their land.

The petitioners claim that the community has occupied the land as their ancestral land over the years and has been utilising the same for farming, fishing and residential purposes. They complain that the Methodist church embarked on a subdivision and sale of the land to third parties. They are apprehensive that they will be displaced and have no alternative land. According to the petitioners, their case is an historical injustice that the colonial government committed on the community. They submitted a memorandum to the National Land Commission on the issue three (3) years ago but there has been no response from the Commission. The petitioners therefore request the Senate to intervene with a view to undertake an inquiry into the historical injustice claim.

Response

Honourable Chair, I wish to respond as follows-

According to records held by the Ministry, Plot No.162/V/M. N. CR 1070 was registered on October 27, 1923 in the name of the United Methodist Church Mission. The certificate of ownership No. 7540 was registered under title No. CR.6348 for the area measuring 151 acres. The registered proprietor later changed their name to Methodist Church Missions Kenya trustees registered in 1958 and later to Methodist Church in Kenya Trustees Registered.

On June 14, 1973, the Methodist Church in Kenya Trustees Registered transferred a portion of land to Municipal Council of Mombasa. The said subdivision MN/V/505 measuring 15.28 acres was registered on July 11, 1973 and assigned title No. CR 14323. The remainder thereof measuring 135.72 acres is held by the Methodist Church in Kenya Trustees Registered. A copy of the official search is marked **Annexure 6**.

Honourable Chair, the case presented by the petition is an historical injustice claim The National Land Commission is seized of the matter recorded as Historical Case No. NLC/HLI/565/2019. We invite the Committee to engage the Commission for appropriate redress.

- iv) **Petition submitted by the residents of Mkamenyi Village in Voi sub-county of Taita Taveta County on the alleged encroachment of land belonging to Mkamenyi residents by Voi Point Limited in Taita Taveta County**

Honourable Chair,

The petition is dated August 7, 2020 and has been presented by Joseph M. Njuguna, Francis Mwasho, Juma Mwamburi, Saumu K. Mwamburi, Hassan Kiboko, Gladys Juma and Julius Mwasenzi on behalf of residents of Mkamenyi village, Voi sub-county in Taita Taveta County.

From the petition, Mkamenyi village borders Voi Sisal Estate, which was initially '*gifted*' to a retired British soldier by the name Lezen in 1920 by the colonial government, for a period of 99 years. The petition states that the land was surrendered to the government in 1980 and was reallocated to Voi Sisal Estate Limited in 2012. It was transferred to Voi Point Limited in 2019.

The petitioners claim that between 1900 and 1930, the management of the sisal estate requested Mkamenyi elders to allow them to use part of their land located close to the river to install a water pump, farm food for their farmworkers and conduct agricultural research. By 1960s, the residents needed their land back to accommodate the growing population. However, according to the petitioners, the sisal estate refused to hand over the land and instead colluded with the police to extend the boundaries into the residents' homes and put the land under sisal plantation.

The petitioners state that they have engaged this Committee together with the Ministry of Lands and Physical Planning and the county leadership with a view to get back the land. On October 29, 2019, the management of Voi Point Limited invited their representatives to a meeting where they were informed that the company would surrender 35 acres to settle their 28 families. The proposal was however not amenable to the residents since they occupied 150 acres.

The residents are aggrieved that Voi Point Limited proceeded to survey the land without their involvement or the county government and processed a group title for the residents. The company invited the residents to a meeting on August 26, 2020 to issue the title document but they declined. It is claimed that the group title had names of persons who do not live in Mkamenyi. That, only six families residents of Mkamenyi are listed on the title. The petitioners state that efforts to resolve the issues with relevant authorities have been futile. They therefore request the Senate to-

- i) investigate the case
- ii) recommend that the Ministry of Lands and Physical Planning initiate an all inclusive, open and transparent process of giving the residents of Mkamenyi adequate land.

Response

Honourable Chair, I wish to respond as follows-

According to our records, the land in question measures approximately 1953 hectares and is situated within Voi town in Taita Taveta County. A chronology of ownership of the parcel is as follows-

- i. The subject land was originally LR No. 4637 registered as Grant No. C.R. 8814. It was granted to the British East Africa Corporation Limited in 1923 for a term of 99 years from January 1, 1923 to January 1, 2022. The grant was initially issued for agricultural purpose only but the user was later extended to include a petroleum service station.
- ii. The Grant was transferred to Voi Sisal Estates Limited on August 6, 1947 and on March 25, 2011 it was surrendered to the Government to pave way for its extension of the term. (A copy of the surrendered Grant C.R. 8814 is annexed herewith marked **Annexure 7**).
- iii. The Grant was extended for a further term of 99 years commencing January 1, 1993 at an annual rent of Kshs.353.795 (revisable). The parcel was registered as Grant No. C.R. 51725, LR No. 28683 measuring approximately 1953 Hectares. The land was granted to be utilized for agricultural purposes and residence for the grantee. (A copy of the Grant No. C.R. 51725 is annexed marked **Annexure 8**).
- iv. On February 23, 2012 the land was transferred to Voi Plantations Limited for USD.1,855,670 and charged to Diamond Trust Bank of Kenya Limited for Kshs.300,000,000 and USD.5,000,000. On December 29, 2017 a further charge to Diamond Trust Bank of Kenya Limited for Kshs.150,000,000 was registered.

- v. On December 29, 2017 a second further charge for Kshs.1,079,737,000 and a third further charge for Kshs.1,189,511,500 was registered in favour of Diamond Trust Bank of Kenya Limited. A fourth further charge for Kshs.4,218,875,000 was registered on December 29, 2017.
- vi. On October 1, 2014 the National Land Commission awarded Voi Plantations Limited Kshs.359,531,100 in respect of the land acquired for the development of the Mombasa-Nairobi Standard Gauge Railway. The area of land acquired measured approximately 14.9621 Hectares. (A copy of the Award is marked **Annexure 9**).
- vii. On February 13, 2019, all the charges were discharged and the land transferred to Voi Point Limited for Kshs.4,000,000,000. A charge to Diamond Trust Bank of Kenya Limited for Kshs.4,000,000,000 and a further charge to the same bank for Kshs.800,000,000 were registered on the same date. A copy of the official search is marked **Annexure 10**.

Honourable Chair,

- viii. On February 6, 2020, the County Government of Taita Taveta approved the subdivision of the land into 28 portions of various sizes for agricultural use. A copy of the notification of approval (**Annexure 11**) and certificate of subdivision (**Annexure 12**) are annexed herewith. The subdivision was approved on the condition that the company was to surrender Plot No. 25 (L.R. No. 28683/27) measuring approximately 13.68 Hectares for Mkamenyi Squatter Settlement as per the copy of the provisional approval marked **Annexure 13**. Voi Point Limited accepted the conditions of the provisional approval as shown in the copy of the acceptance letter marked **Annexure 14**.
- ix. On February 27, 2020 new Certificates of Title were issued for L.R. Nos. 28683/4 to 28683/31 the resultant subdivisions of L.R. No. 28683.
- x. The Charge in favour of Diamond Trust Bank of Kenya Limited was registered against all the resultant subplots of L.R. No. 28683 apart from L.R. No. 28683/27 that the bank issued a discharge.
- xi. On June 25, 2020, the County Government of Taita Taveta approved the subdivision and change of user of L.R. No. 28683/9 into 52 subplots (A copy of the notification of approval (**Annexure 15**)). The subdivision was conditional upon surrender of 10% of the total acreage for public utility and use. The subdivision was also approved by the Voi Land Control Board as shown in **Annexure 16**.

Honourable Chair,

L.R. No. 28683/27 measuring approximately 35 acres is the portion that Voi Point Limited reserved for the settlement of the squatters. According to our records the plot is still registered under Voi Point Limited. Given that this land is private land, we advise that the squatters to engage Voi Point Limited on their grievances

- v) **Petition submitted the residents of Msambweni Village in Voi sub-county of Taita Taveta County, concerning the alleged impending evictions of Msambweni residents by a private company**

Honourable Chair,

The petition dated September 10, 2020 was presented by residents of Msambweni village, Voi sub-county in Taita Taveta County. They claim to be living in fear of eviction by a private developer (Sparkle Properties Limited) from a parcel of land registered as No.1956/506, C.R No. 23979 measuring 54.26 hectares where they claim to have resided since 1938.

According to the petitioners, their elders accepted a request by Bata Shoe Company to put up a factory on the subject land in 1978 on the premise that the factory would create employment for the community. A 99-year lease running from January 1, 1979 was granted on conditions, inter alia, that the land was to be used for a factory and that the company would not subdivide, sell, transfer or sublet the land.

Bata Shoe Company did not develop the land as agreed and in 2013 transferred the land to Sparkle Properties Limited for construction of a shopping mall in disregard of the conditions of the lease. The petitioners claim to have resisted the development, which prompted Sparkle Properties Limited to file a case court (ELC No. 265 of 2013) seeking to evict them. The court rendered its judgement on the case on February 24, 2020 allowing the eviction order sought by Sparkle Properties Limited. The court also ordered the residents of Msambweni to pay damages for trespass amounting to Kshs.1,050,000.

The petitioners are apprehensive that 3,500 people will be rendered homeless if the court orders are executed. They claim that efforts to resolve the matter with relevant authorities have not been successful and have thus engaged the Senate to intervene.

Response

Honourable Chair, I wish to respond as follows-

The subject parcel of land is situated within Voi Township and borders Ndara A adjudication section and Kaloleni Majengo Squatter Upgrading Scheme. The parcel is registered at the Mombasa Land Registry under the Registered Titles Act, Cap. 281 (*repealed*) as L.R No. 1956/506 C.R. No 23979 on Survey plan No. 107124 measuring approximately 54.26 hectares.

This parcel was allocated to Bata Shoe Company Limited who intended to establish a shoe factory on the land, and was issued with title deed on April 30, 1993. Bata Shoe Company later sold the parcel to Sparkle Properties Limited at a consideration of Kshs.12,000,000. The transfer was lodged on March 21, 2011 and a new title issued to sparkle properties limited as the proprietor (**Annexure 17**).

The proprietor upon receiving title to the land discovered that squatters had moved in and constructed residential houses, they also prevented the owner from taking possession or accessing the property. This prompted the company to move to the Environment and Land Court at Mombasa, Civil Case No.265 of 2013 (Sparkle properties Limited -vs- Johana Ngai & 8 Others)

On January 27, 2020 the court rendered Judgment on the case as follows-

- a) Permanent injunction restraining the defendants whether acting by themselves; their employees, agents and/or servants and/or through any other manner whatsoever interfering with the suit property to unit L.R 1956/506.
- b) Mandatory injunction compelling the defendants to demolish and or pull down structures erected on the suit property and to give vacant possession to the plaintiff.
- c) That there be a permanent injunction restraining the defendants and/or their agents to allow them to occupy or construct the unoccupied space and proceed with construction forthwith
- d) General damages for trespass awarded at Ksh.150,000 payable by each defendant to the plaintiff giving a total sum of Kshs.1,050,000 with interest from the date of filing suit until payment is made in full.
- e) Costs of the suit awarded to the plaintiff.

The issues raised in the instant petition were adequately canvassed in the suit. (**Annexure 18**)
