He is a Certified Public Accountant of Kenya (CPA, K) and Member of the Institute of Public Certified Accountants of Kenya (ICPAK). He has over 15 years' experience working with WCK

Mr. Joshua Mutie Maima, Finance Manager

Ms. Caroline Acholla joined WCK in 2013. She is currently responsible for execution of Human Resource Management strategy of the organization. She is a Certified HR Practitioner and holds a Master's degree (Strategic Management) from the University of Nairobi, a Bachelor's of Commerce degree (Human Resource Management) from KCA University. She is also full member of the Institute of Human Resource Management, Kenya.

Ms. Caroline Acholla, Human Resource Manager

ANNUAL REPORT

Who We Are

Wildlife Clubs of Kenya (WCK) is a Conservation Education organization founded in December 1968 by 12 students at Kagumo High School. It was the first conservation education programme of its kind in the continent of Africa. WCK is managed by a National Secretariat with backing of a Member Governing Council consisting of representation from the Ministry of Tourism & Wildlife, representation from the National Treasury & Planning, representatives from other relevant ministries and departments, schools, donor partners, core NGO's and an Executive Committee composed of specialists in conservation education, business and public administration. Currently WCK provides conservation education in many schools in Kenya. With a staff compliment of forty six (46), WCK offers various programmes that include Mobile Education Unit, Ecology Programmes, Komba Magazine, student hostels and conservation education. The organisation also offers Certificates and Diploma courses at the Centre for Tourism Training & Research (CTTR) College. In recognition of the very important role played by the WCK, the organisation receives support from the Government of Kenya through the Ministry of Tourism & Wildlife.

Service Charter

The Wildlife Clubs of Kenya as an organisation has a Service Charter which is a declaration of our role and the values we uphold as well as our commitment to provide high quality services to our clientele and other stakeholders. By this charter, the organization commits itself to serving its clientele effectively, efficiently and honestly, with courtesy and integrity and to uphold professionalism in all its operations.

Vision

Empowered Kenyans with conservation knowledge for sustainability.

Mission Statement

To provide conservation education to the youths and support wildlife clubs through training, information sharing and advocacy.

Motto

Learn to conserve for a better tomorrow.

Core Values

- Integrity
- Teamwork
- Professionalism
- Responsiveness and kindness to the environment
- Accountability and transparency
- Fairness
- Respect
- Innovation

ANNUAL REPORT

Core Business

- Conservation education.
- Establishing Wildlife Clubs in schools and facilitating the implementation of conservation education projects in the schools and communities.
- Centre for Tourism Training and Research (CTTR).
- Provision of hostel facilities.

Objectives

- To share knowledge and stimulate interest on wildlife, conservation of the environment and biodiversity amongst Kenyan communities with youth as the entry target.
- To create awareness on the economic, cultural, and aesthetic value of natural resources.
- To develop a better understanding of the need to conserve wildlife and other biodiversity for the benefit of the present and future generations.
- To develop careers through training and education.

Core Functions

In order to provide efficient and effective services to the people of Kenya, the Wildlife Clubs of Kenya undertakes the following core functions:

- Conservation education.
- Teacher training on conservation education.
- Establishing Wildlife Clubs in schools and facilitating the implementation of conservation education projects in the schools and communities.
- Training at Centre for Tourism Training and Research (CTTR) College.
- Production and dissemination of Komba magazine and other environment conservation education resources materials.
- Liaising with all relevant Ministries / Departments on matters relating to environmental education, sustainability, conservation education, and tourism.
- Provision of affordable transport facilities.
- Provision of affordable accommodation facilities.

Strategic objectives

- Increase membership base by 100% annually.
- Establish a functional organizational structure.
- Build capacity of staff and volunteers.
- Streamline and strengthen the operations of WCK to make it cost effective.
- Increase core funding by 50% annually.
- Modernize financial operations and systems and improvement of effectiveness and efficiency in financial management.
- Embrace ICT and other technological advancement in all our areas of operations.
- Strengthening institutional capacity of WCK to achieve its objectives.
- Enhance resource capacity of WCK to discharge its mandate.
- Institutionalize and operationalize an effective advocacy programme.
- To improve WCK's corporate image.

ACTIVITIES

Wildlife Clubs of Kenya (WCK) is a Conservation Education organization with the mandate to empower youth and communities to proactively engage in wildlife and environmental conservation, WCK is involved in the implementation of diverse projects and activities. Some of the conservation activities undertaken by WCK during the year as follows:

Mobile Education Unit (MEU)

This is the WCK's outreach programme which is continuously in touch with the grassroots clubs at the rural areas where electricity has yet to reach.

The MEU is a fully equipped vehicle that takes Environment Conservation Education talks, lectures, films and video shows to schools throughout Kenya. WCK operates full-time MEUs out of Nairobi Headquarters, Mombasa, Kisumu, Nakuru and Kitui.

Ecology activities in all WCK's Education Centres

- In Nairobi the focus is on Nairobi National Park and WCK's own Mokoyeti Nature Trail
- Mombasa uses the Mombasa Marine Park in a glass bottomed boat to interpret marine ecosystems
- In Kisumu the focus is on the vast Lake Victoria catchment such as Dunga wetlands, Kakamega forest, Mt Elgon and others
- In Nakuru the focus is on the Lake Nakuru National Park "Bird Watchers Sanctuary"
- In Meru the focus is on Imenti Forest Ecosystem
- In Kitui the activities are based on restoration of native vegetation in this arid and semi-arid ecosystem
- Seed collection and Tree planting
- Teachers Training Workshops on Education for Sustainable Development (ESD)
- Youth Workshops
- Park and Beach Clean ups
- Implementation of alternative energy sources
- Anti-poaching & desnaring campaign

Materials Production

The WCK produces in-house materials mainly composed of activity guides for used by school clubs; these materials have proved popular elsewhere in Africa. The organisation also produces various ecology courses resource materials and the termly Komba Magazine. KOMBA Magazine, whose purpose is to educate, and involve the club members through the printed word is sent free to every Wildlife Club member school in Kenya, each school term.

Pollinator through Bee keeping

The second phase of the project will extend to the following schools

1. Sekanini Girls High School in the Maasai Mara Ecosystem are implementing the project: Mitigating Human-Elephant Conflict through Beekeeping.
2. Sereolipi Secondary School in Samburu ecosystem is implementing the project: Conservation of the northern Kenya endangered wildlife through Education.
3. Kahingoni Primary School in Kilifi County on the edge of Arabuko Sokoke forest is implementing the project: Saving the Arabuko Sokoke Habitat and Wildlife Species
4. Nairrabala Primary School in Kikesen River Conservancy, Kajiado County is implementing the project: Restoration of the Maasai Giraffe Habitat and Combating Illegal Trade on Ostrich Eggs at Kikesen River Conservancy.
5. Inaudot Primary School at Kwenia valley in Magadi Kajiado County is implementing the project: Saving the endangered Vultures of Kwenia Valley through conservation education.

Teachers Training Workshops

To empower teachers with conservation knowledge for multiplier effect in schools and to build their capacity to communicate conservation, WCK conducts countrywide teachers' training workshops. The title for the training workshops for the financial year under review is: STRENGTHENING WCK THROUGH REGIONAL ToT WORKSHOPS ON ESD FOR HER PATRONS AND ENVIRONMENTAL RESOURCE MATERIAL DEVELOPMENT.

This is being implemented in 2 sections:

1. Teachers Training of ESD, Wildlife & Environment
2. Environmental Resource Material Development

The objectives of this projects are to:

1. Empower teachers through capacity building on how to integrate environmental issues into the school curriculum.
2. Train teachers to become trainers for other teachers on issues environment and ESD and strengthen Networks through capacity building.
3. Train teachers and pupils on how to manage successful wildlife clubs in schools
4. Empower teachers and pupils/ students to be able to start standard environmental micro projects in schools and manage them, through printed and audio-visual materials.
5. To connect the teachers and the learners with nature, through hands on activities

REPORT OF THE TRUSTEES

The Trustees submit their report together with the audited financial statements for the year ended 30 June, 2021, which disclose the state of affairs of Wildlife Clubs of Kenya as at that date.

Activities

The principal activities of the association, which is a charitable organisation are:-

- a) To spread interest and knowledge about wildlife and the environment among the people of Kenya in particular and East Africa in general.
- b) In the context of (a) above, to make the people aware of the great economic, cultural and aesthetic value of natural resources.
- c) To develop a better understanding of the need to conserve natural resources, for the benefit of the nation and its people.
- d) To do all things in furtherance of the above objectives.

Results

The results for the year are set out on page 14.

Trustees

The Trustees who held office during the year and up to the date of this report are set out on page 2.

Approved by the Trustees on 8th day July, 2022 and signed by:

DR.MARGARET OTIENO
CEO & NATIONAL CORDINATOR / SECRETARY

JAGI GAKUNJU
TRUSTEE

STATEMENT OF THE TRUSTEES' RESPONSIBILITIES

The Trustees are required to prepare financial statements for each financial year which give a true and fair view of the state of affairs of Wildlife Clubs of Kenya at the end of the financial year and of its operating results for the year being reported on. The Trustees are required to ensure that proper accounting records that are sufficient to show and explain the transactions of the organisation and disclose, with reasonable accuracy, the financial position of the organisation are maintained. The Trustees are also responsible for safeguarding the assets of the organisation, and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees accept responsibility for the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error. They also accept responsibility for:

- i) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements;
- ii) selecting and applying appropriate accounting policies; and
- ii) making accounting estimates and judgments that are reasonable in the circumstances.

The Trustees believe that the going concern status of the organisation is not threatened given the funding that it continues to receive from the Government of Kenya through the Ministry of Tourism & Wildlife and its donors. The Trustees are not aware of any other material uncertainties related to events or conditions that may cast doubt on the organisation's ability to continue as a going concern.

The Trustees acknowledge that the independent audit of the financial statements does not relieve them of their responsibilities as trustees of the organisation.

Approved by Trustees on 8th day July, 2022 and signed by:

DR.MARGARET OTIENO
CEO & NATIONAL CORDINATOR / SECRETARY

REPORT OF THE AUDITOR-GENERAL ON WILDLIFE CLUBS OF KENYA FOR THE YEAR ENDED 30 JUNE, 2021

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment, and the internal controls developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations, and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Opinion

I have audited the accompanying financial statements of Wildlife Clubs of Kenya set out on pages 14 to 28, which comprise of the statement of financial position as at 30 June, 2021, statement of financial performance, statement of changes in funds,

statement of cash flows and the statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, the financial statements present fairly, in all material respects, the financial position of Wildlife Clubs of Kenya as at 30 June, 2021, and of its financial performance and its cash flows for the year then ended, in accordance with the International Financial Reporting Standards and comply with the Public Finance Management Act, 2012.

Basis for Opinion

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Wildlife Clubs of Kenya Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and the Trustees

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Clubs' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the applicable basis of accounting unless Management is aware of the intention to liquidate the Clubs or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

The Trustees are responsible for overseeing the Clubs financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error,

and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Clubs policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Clubs' ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Clubs to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Clubs to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

CPA Nancy Gathungu, CBS
AUDITOR-GENERAL

Nairobi

Reconciliation with operating surplus

Deferred Income from transfers	(3,750,000)
Endowment fund interest Capitalised	(9,018,352)

Surplus /Deficit in Statement of financial Performance (11,975,922)

Notes to the budget

- Transfers from GOK reduced by 11.25 million which represents 26% negative variations. This was due to reduced exchequer disbursement.
- Income from CTTR (Training school for WCK) had a positive variance of 5.3 million equivalent to 58%, this was because schools were allowed to re-opened after Covid-19 restrictions were relaxed.
- The borrowing of 10 million from WCK endowment fund did not happen since covid -19 restrictions were relaxed and the economy opened.
- Direct Programme cost reduced by 2.78 million due to the effect of covid 19
- CTTR expenses increased by 1.98 million due to increased number of students and related expenses after re-opening of schools.
- The project cost was to be funded by exchequer but was reduced to 3.75m, negative variation of 75%. The 3.75 was not utilised in the year under review and has been deferred to the following year.

NOTES TO THE FINANCIAL STATEMENTS

1. General information

Wildlife Clubs of Kenya (WCK) is incorporated under the Societies Act Rules of 1968 but is exempted from registration vide certificate No. 1977 of 3rd September 1970. WCK is managed by a board of trustees.

2. Summary of significant accounting policies

The principal accounting policies adopted in the preparation of these financial statements are set out below:

a) Basis for preparation

The financial statements are prepared in accordance with generally accepted non-profit accounting principles, international public sector accounting standards (due to quasi government nature of the organization) and applicable international financial reporting standards. The annual report is prepared under historical cost convention except for any valuation of property and equipment.

b) Income

Grants, donations, associate membership fees, subscriptions and investment income are recognized when received while fees from the college are recognized when fee notes are raised. Income from the guest houses is recognised on an accrual basis.

c) Property and equipment

Items of property & equipment are measured at cost less accumulated depreciation and any accumulated impairment losses. Depreciation is charged so as to allocate the cost of assets less their residual value using the straight line method. The following annual rates are used for depreciation of property and equipment:

Freehold land	Nil
Buildings on long leasehold and freehold land	2%
Computers & accessories	30%
Motor vehicles	25%
Office equipment	12.50%
Furniture & fittings	12.50%

If there is an indication that there has been a significant change in the depreciation rate, useful life or residue value of an asset, the depreciation of that asset is revised prospectively to reflect the new expectations.

On disposal, the difference between the net disposal proceeds and the carrying amount of the item sold is recognized in the statement of comprehensive income.

d) Impairment

(i) Impairment of financial assets

All financial assets (other than those categorized as fair value through profit or loss), are assessed at the end of each reporting period for any objective evidence of impairment as a result of one or more events having an impact on the estimated future cash flows of the asset.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

1. Summary of significant accounting policies

d) Impairment (cont. ...)

(i) Impairment of financial assets (cont. ...)

An impairment loss in respect of held-to-maturity investments, loans and receivables is recognised in the statement of comprehensive income and is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the financial asset's original effective interest rate.

If in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through the statement of comprehensive income to the extent that the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortized cost would have been had the impairment not been recognised.

(ii) Impairment of non-financial assets

The carrying values of assets, other than those to which IAS 36 - Impairment of assets does not apply, are reviewed at the end of each reporting year for impairment. When there is an indication that the assets might be impaired, impairment is measured by comparing the carrying values of the assets with their recoverable amounts. The recoverable amount of the assets is the higher of the assets' net selling price and their value-in-use, which is measured by reference to discounted future cash flows.

An impairment loss is recognised in the statement of comprehensive income immediately.

When there is a change in the estimates used to determine the recoverable amount, a subsequent increase in the recoverable amount of an asset is treated as a reversal of the previous impairment loss and is recognised to the extent of the carrying amount of the asset that would have been determined (net of amortisation and depreciation) had no impairment loss been recognised. The reversal is recognised in the statement of comprehensive income immediately.

e) Translation of foreign currencies

Transactions during the year are converted into Kenya shillings at rates ruling at the transaction dates. Current assets and current liabilities at the statement of financial position date that are expressed in foreign currencies are translated into Kenya Shillings at rates ruling at the statement of financial position date. The resulting differences from conversion and translation are dealt with in the statement of comprehensive income in the year in which they arise.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

2. Summary of significant accounting policies

f) Cash and cash equivalents

For the purposes of the cash flow statement, cash and cash equivalents comprise cash in hand and bank.

g) Offsetting

Financial assets and liabilities are offset and the net amount reported in the statement of financial position only when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle on a net basis, or realize the asset to settle the liability simultaneously.

3. Financial risk management

The organization's overall risk management policies are set out by the Board of Trustees and implemented by Management, and focus on the unpredictability of changes in the operating environment and seek to minimize the potential adverse effect of such risks on the organisation's performance by selling acceptable levels of risk. The organization has an endowment fund that it applies in hedging against financial risks to a certain limit dependent on the value of the fund.

Liquidity risk management

Liquidity risk is the risk that the organization will encounter difficulty in meeting obligations associated with financial liabilities. The Trustees have developed a risk management framework for the management of the organization's short, medium and long-term liquidity requirements thereby ensuring that all financial liabilities are settled as they fall due. The organization manages liquidity risk by continuously reviewing forecasts and actual cash flows.
