SUPPLEMENTARY ORDER PAPER

THURSDAY, NOVEMBER 17, 2022 AT 2.30 PM

PRAYER

1. Administration of Oath
2. Communication from the Chair
3. Messages
4. Petitions
5. Papers
6. Notices of Motion
7. Statements (as listed in the Appendix)
8. ****THE COUNTY GOVERNMENTS ADDITIONAL ALLOCATIONS (NO. 2)
BILL (SENATE BILLS NO. 4 OF 2022)**
(The Chairperson, Standing Committee on Finance and Budget)
(Second Reading)
9. **MOTION - STATE OF FOOD SECURITY IN KENYA**
(Sen. Mwenda Gataya Mo Fire, MP)

THAT, AWARE THAT Article 43 of the Constitution of Kenya, 2010, stipulates the rights of every person to be free from hunger, to have adequate food of acceptable quality, and to clean and safe water in adequate quantities;

FURTHER AWARE THAT there is a prevailing food shortage in Kenya which is as a result of among other factors, lack of and inadequate rainfall over the last two years, the consistent decline in the number of farmers and lands committed to farming, and the Russia-Ukraine war that has led to an increased cost of fertilizer and fuel products which are critical farm inputs, subjecting 4.1 million Kenyans in the Arid and Semi-

Arid Lands (ASALs) to an acute food insecure situation and about 942,500 children under five years and 134,270 pregnant and lactating mothers to acute malnutrition according to the Kenya Food Security Steering Group (KFSSG) report;

NOTING THAT about 1.5 million deaths of livestock have so far been reported in the Arid and Semi-Arid Lands (ASALs) and that the situation is expected to be dire in light of expert projections that we may miss the normal cycle of rain expected in October, November, and December, 2022 and that this could be the worst drought we have experienced in 40 years;

CONCERNED THAT the country is recording incidences of conflict between crop farmers and pastoralists over the scarce resource of water and pasture which results in the destruction of crops and deaths of livestock further exacerbating the food crisis and that the challenge of food shortage is now spreading to areas previously presumed to be rain-rich such as Mt. Kenya whose residents are now relying on government emergency food supplies;

NOW THEREFORE the Senate urges the Ministry of Agriculture and Livestock Development to develop targeted policy programs aimed at addressing the food insecurity in the country including the following:-

1. Coordinate with county governments to establish strategic grain reserves across the country, with drought-stricken areas receiving priority;
 2. Develop livestock feeding programs in ASAL regions, providing water and feeds to the livestock farmers;
 3. Coordinate with the National Drought Management Authority to do quarterly reports to the Senate on the drought situation in the country;
 4. Subsidize agricultural production;
 5. Establish abattoirs in ASAL Counties; and further recommends that the National Treasury and Economic Planning increases funding to the National drought disaster fund.
10. **MOTION - PLIGHT OF KENYAN DOMESTIC WORKERS IN THE MIDDLE EAST**
(Sen. Veronica Nduati, MP)

THAT, AWARE THAT foreign workers from developing countries make up a large majority of the Gulf's labour, a trend driven in Kenya by the high rate of youth unemployment which stands at 34.21%, forcing young Kenyans to continue to go beyond our borders in pursuit of lucrative employment opportunities;

.....*/Motion*

FURTHER AWARE THAT the *Kafala* or sponsorship system found in the Gulf Cooperation Council (GCC) countries such as, Kuwait, Oman, Qatar, Saudi Arabia, the United Arab Emirates, Jordan and Lebanon, defines the relationship between foreign workers and their local sponsor, under which the state gives local individuals or companies, sponsorship permits to employ foreign labourers, and covers travel expenses and provides housing, in the case of domestic workers in the sponsor's home;

APPRECIATING THAT the Kenyan recruitment process of domestic workers for Saudi Arabia involves a number of stakeholders including the Saudi employers, the Saudi Arabia Employment Agencies, Ministry of Labour (Labour Department), National Employment Authority (NEA), National Industrial Training Authority (NITA), prospective domestic workers, Kenya Private Employment Agencies (KPEA), Saudi Arabian Embassy and the immigration Department;

NOTING THAT numerous Kenyan migrant domestic workers in Saudi Arabia have documented various forms of abuses including passport confiscation, physical abuse, sexual abuse, sleep deprivation, food deprivation, labour exploitation, imprisonment prior to deportation, religious intolerance and psychological abuse leading to some of these workers losing their lives;

COGNIZANT THAT Articles 10, 11, & 14 of the International Convention on the Protection of the Rights of All Migrant Workers and Members of their Families adopted on 18 December, 1990 espouses that no migrant worker shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment, shall be held in slavery or servitude, or be subjected to arbitrary or unlawful interference with his or her privacy, family, correspondence or other communications, or to unlawful attacks on his or her honour and reputation, and the right to the protection of the law against such interference or attacks;

FURTHER APPRECIATING THAT staffing shortages and inadequate funding faced by the labour attaches in Saudi Arabia hinder the effective supervision of migrant workers in distress, lack of safe houses, lack of a comprehensive mechanism to handle labour disputes, and a lack of a legal framework defining the roles of migrant workers in order to adhere to the terms of their contracts, are some of the challenges that need to be overcome;

CONCERNED THAT under the Bilateral Labour Agreement (BLA) between the Government of Kenya (Gok) and the Government of the Kingdom of Saudi Arabia (KSA) on the recruitment of domestic workers that was developed and adopted in January 2016, Kenya was obligated to provide qualified and medically fit workers needed by Saudi Arabia according to the job specifications, and in turn Saudi Arabia was

obligated to ensure that the welfare and rights of employers and domestic workers employed in the Kingdom are promoted and protected in accordance with the applicable rules and regulations which has not been the case, including the enforcement of rest hours and the identity and work permits remaining in the possession of the migrant worker;

NOW THEREFORE, the Senate resolves that the Ministries of Interior and National Administration, Labor and Social Protection, Foreign Affairs & Diaspora Affairs, Immigration Department, the National Employment Authority (NEA), the National Industrial Training Authority (NITA) and the Kenya Private Employment Agencies (KPEA) cease all travel by Kenyan migrant workers to the Gulf states with immediate effect until: -

1. the Ministry of Labour and Social Protection amends the national labour migration regulatory framework policy to address labour exportation management;
2. the Ministry of Labour and Social Protection, and the Ministry of Foreign Affairs & Diaspora Affairs adopt/ratify the multilateral declarations relating to the protection of workers such as the International Labour Organisation (ILO) Domestic Workers Convention, 2011 (No. 189) and the Private Employment Agencies Convention, 1997 (No. 181);
3. the establishment of functional overseas labour offices for the administration and enforcement of the Ministry of Labour and Social Protection policies for migrant workers;
4. a review of the Bilateral Agreement between the Government of Kenya, and the Kingdom of Saudi Arabia by the Ministry of Foreign Affairs & Diaspora Affairs to adequately address identified gaps and emerging issues;
5. there are established safe houses to serve as central hubs of welfare and assistance to migrant workers and temporary shelters for overseas Kenyans in distress; and,
6. any Kenyan in distress, and in particular, Hellen Kemunto, is rescued and brought back to Kenya from Riyadh, Saudi Arabia.
