**Honourable Members,** Pursuant to the provisions of Standing Orders 114 (7A) (iii) I will facilitate collation of the views from the comments of members in an appropriate forum.

As your Speaker, I have noted that the legislative proposal touches on the functions of County Governments in terms of Article 110 of the Constitution necessitating a bicameral consideration of the matter. **Honourable Members**, the Message conveys that the Senate on Wednesday, 9<sup>th</sup> November, 2022, considered and adopted the Report of the Joint Committee of the National Assembly Departmental Committee on Administration and Internal Affairs and the Senate Standing Committee on National Security, Defence and Foreign Relations in its Report on the vetting of Eng. ## **6. PETITIONS**

- (i) Pursuant to the provisions of Standing Order 225(2)(b), the Hon. Speaker conveyed following petition regarding amendment to the Universities Act, 2012

“**Honourable Members**, Standing Order 225(2) (b) requires the Speaker to report to the House any petition, other than those presented by a Member. Further, Article 119 of the Constitution provides for the right of any person to petition Parliament to consider any matter within its authority, including petitioning the House to enact, amend or repeal any legislation.

In this regard, **Honourable Members**, I wish to report to the House that my office has received a petition from Mr. Patrick Kaberia of Identity Card Number 22319488 calling for “*amendment to the Universities Act, 2012 in order to provide for the engagement of Alumni Associations and other stakeholders in resuscitating, rejuvenating and supporting public universities in Kenya.*”

The Petitioner, who introduces himself as the Executive Director of PAWA Africa, a Civil Society Organization specializing in socio-economic development and governance, bemoans what he terms as the sad state of public universities in the country. He highlights poor leadership, mismanagement, deteriorating debt levels, lack of inclusivity, lack of accountability, failure to comply with gender and regional balance, and inadequate public participation as some of the ills facing these institutions of higher learning.

In particular, he views the exclusion of Alumni Associations and other stakeholders in decision-making as a root cause of this ongoing concern, which has led some universities to face near-collapse, auction of university property as well as public ridicule. He is thus

convinced that involvement of Alumni Associations would go a long way in addressing the aforementioned challenges as well as in securing support, national pride, prosperity, and global competitiveness of universities through the resultant improvement in quality standards and management.

Consequently, **Honourable Members**, the Petitioner seeks the intervention of this House in amending the Universities Act, 2012 in order to, among other provisions –

- a) replace the word ‘*may*’ in Section 42 of the Act with the word ‘*shall*’ in order to compel universities to establish Alumni Associations, and
- b) empower University Alumni Associations to nominate representatives to the respective University Council, University Senate, Management Board, Committees, and other organs in addition to managing an Endowment Fund.

**Honourable Members**, having determined that the matters raised by the Petitioner are well within the authority of this House, I order that, pursuant to the provisions of Standing Order 227(1), this petition be committed to the Public Petitions Committee. The Committee is required to consider the petition and report its findings to the House and the Petitioner in accordance with Standing Order 227(2). I thank you.”

- (ii) The Member for Alego Usonga (Hon. Samuel Atandi) presented a petition on behalf of Mrs. (Amb.) Josephine Awuor, Mrs. Caroline Atieno & Mr. Omondi Abonyo regarding probable loss of investments in Cytonn High Yield Solutions.

*- The petitions were referred to the Public Petitions Committee for consideration pursuant to the Standing Orders.*

**11. MOTION – TREE PLANTING ALONG THE ROADSIDES AND ROAD RESERVES**

Motion Made and Question Proposed –

**THAT**, aware that Article 42 of the Constitution accords every person the right to a clean and healthy environment and that Article 69 (1)(d) also mandates the State to encourage public participation in the management, protection and conservation of the environment; further aware that, deforestation is one of the main contributors to climate change; noting that, Kenya has not been spared by the effects of global warming and climate change as a result of deforestation amongst other aspects; also aware that, the road network in the country currently stands at approximately 177,800 kilometres with a development rate of 600km per annum; deeply concerned that, there has been persistent destruction of trees and vegetation along the road reserves and roadsides during road construction leading to adverse effects on the ecosystem; cognizant that, studies have shown that the benefits accumulated from roadside tree planting include better soil formation due to shedding of dead leaves, increased water quality by reducing sediment flow, reduced erosion, road beautification, flood control as the trees

slow and absorb water runoff, wind-breaking, providing important pollinator, habitats, improving peoples' health, and protecting crops; now therefore, this House resolves that the Government includes a component of tree planting in all road network designs and also makes it compulsory for road contractors to replace any tree harvested during road construction upon completion of the project.

*(Hon. John Kiarie)*

Mover replied;

Question deferred pursuant to Standing Order 53(3).

**12. MOTION – PUBLISHING OF THE RULES AND REGULATIONS FOR PRIVATE LAND USE AND MANAGEMENT IN REGARD TO THE MINIMUM AND MAXIMUM LAND HOLDINGS IN KENYA**

Motion made and question proposed –

**THAT**, aware that Article 68(c)(i) of the Constitution of Kenya provides for minimum and maximum land holding acreages in respect to private land; deeply concerned that with high population growth and the demand for land have resulted in excessive fragmentation of land into uneconomic units; noting that at the same time, a number of people own large tracts of land which are not utilized optimally; noting further that cognizant of the fact that the Constitution in Article 60(1) sets out the principles of land policy which among other things requires that land in Kenya shall be held, used and managed in a manner that is equitable, efficient, productive and sustainable; this House therefore resolves that the Government enforces compliance of Article 68 (c) (i) of the Constitution, section 159 of the Land Act, 2012 and the National Land Policy (Sessional Paper No. 3 of 2009 - on maximum and minimum land holdings in Kenya) through publishing of the rules and regulations for private land use and management in regard to the minimum and maximum land holdings in Kenya.
