5. **PETITIONS**

Pursuant to provisions of Standing Order 225(2)(b), the Fourth Chairperson conveyed the following Petition –

On amendment of the Constitution to establish offices of Prime Minister, Deputy Prime Minister and Official Leader of the Opposition

“**Honourable Members**, Article 119 of the Constitution accords any person the right to petition Parliament to consider any matter within its authority. Further, Standing Order 225(2)(b) requires the Speaker to report to the House any Petition other than those presented by a Member.

In this regard, **Honourable Members**, I wish to report to the House that my office has received a petition from one Mr. Victor Okul of P.O. Box 2050 Kitale calling for *amendment of the Constitution to introduce Offices of Prime Minister, Deputy Prime Minister and Official Leader of the Opposition.*

The Petitioner is convinced that what he terms as a ‘winner-takes-it-all’ system is regressive particularly in light of the fact that the establishment of the Offices of the Prime Minister, Deputy Prime Minister and Leader of the Official Opposition were initially part of the changes various Kenyans had proposed to the Bomas Draft of the Constitution.

Honorable Members, the Petitioner further claims that every presidential election since the promulgation of the Constitution of Kenya 2010 has been divisive on account of the said ‘winner-takes-it-all’ system.

He also avers that various initiatives and public discourse to introduce the said offices through the mechanisms provided for under Article 257 of the Constitution have not borne fruit.

The Petitioner thus seeks the intervention of this House in amending the Constitution to introduce Offices of Prime Minister, Deputy Prime Minister and Official Leader of the Opposition in order to address the divisive nature of our national politics.

Honourable Members, having established that the matter raised in the Petition is well within the authority of this House, I hereby commit the Petition to the Public Petitions Committee for consideration pursuant to Standing Order 208 A. The Committee is required to consider the Petition and report its findings to the House and to the Petitioner in accordance with Standing Order 227(2).”
