- a) The fifth Report of the Procedure and Rules Committee on the review of the Senate Standing Orders.

6. **NOTICE OF MOTION – BAN ON THE CULTIVATION OF EUCALYPTUS TREES ON RIPARIAN LANDS**

(Sen. James Kamau Murango, MP)

THAT, AWARE THAT the Constitution of Kenya acknowledges the Nation’s respect for the environment and obligates the State to eliminate processes and activities that are likely to endanger it;

FURTHER AWARE THAT there has been extensive cultivation of eucalyptus trees in Kenya owing to their rapid growth, high biomass yield, and adaptability to a wide range of climatic regimes and soil types;

CONCERNED THAT eucalyptus trees require high amounts of water through their growth, have deep root systems that extract water from the soil at a rapid rate and their cultivation on riparian land depletes the water in the riparian ecosystem, often resulting in the drying up of streams, aggravating the effects of climate change, particularly the infrequent and insufficient rainfall currently being experienced in the country;

NOW THEREFORE the Senate urges the Ministry of Environment, Climate Change and Forestry in coordination with the National Environment Management Authority to:

- i) develop and implement a policy framework to guide the cultivation of eucalyptus trees with the aim of mitigating their adverse effect on the environment; and
 - ii) undertake a systematic nation-wide removal program for eucalyptus tree cultivations on riparian lands.
7. **NOTICE OF MOTION – INCORPORATION OF INTELLIGENT WATER MANAGEMENT SYSTEMS IN BUILDING PLANS FOR SUSTAINABLE LIVING**

(Sen. Wahome Wamatinga, MP)

THAT, AWARE THAT water is an essential yet scarce resource whose demand is increasing rapidly due to population growth, urbanization, and industrialization, and whose wastage has become an issue that needs to be addressed urgently owing to Kenya’s vulnerability to climate change;

NOTING THAT there is a growth in the number of buildings coming up to accommodate the rapidly growing population thereby posing a challenge to water management;

APPRECIATING THAT the incorporation of water management systems in building plans include a variety of techniques and technologies such as rainwater harvesting, waste water recycling, low-flow plumbing, and sensor systems that detect leaks and (de)activate water flow when necessary thereby optimizing the use of water by eliminating water overexploitation, waste water management, and pollution;

NOW THEREFORE the Senate urges the Ministry of Lands, Public Works, Housing and Urban Development in coordination with the Council of Governors and the National Environment Management Authority to:

- i) incorporate into the building code and standards a requirement for intelligent water management systems in all building plans; and
 - ii) undertake a systematic nation-wide renovation to government-owned buildings to incorporate water management systems.
8. **NOTICE OF MOTION- REPOSSESSION OF MOVABLE ASSETS BY LENDING INSTITUTIONS DUE TO NON-PERFORMING LOANS**
(Sen. Wahome Wamatinga, MP)

THAT AWARE THAT the high unemployment rate in Kenya has pushed many Kenyans to seek loans from Saccos, Microfinance Institutions and Banks to start Small and Medium Enterprises (SMEs) to sustain their livelihoods;

NOTING THAT the youth in particular have invested in movable assets, including vehicles and motorcycles, to start business in the transport industry and most of them have signed up to the ride hailing apps including but not limited to Uber, Taxify, Bolt and Little cab;

COGNIZANT THAT the Banking Act 2015 CAP 488 does not provide for renegotiation on the loan repayment agreement whenever the business environment becomes unfavorable as a result of the high cost of living, lowered earnings from the App providers and high interest rates;

NOW THEREFORE the Senate urges the National Treasury and Economic Planning to come up with a policy framework to review the Banking Act in order to renegotiate the repayment terms of the loans and provide cushion for Kenyans with non - performing loans and prevent the loss of their movable assets.

9. **NOTICE OF MOTION – ADOPTION OF THE FIFTH REPORT OF THE PROCEDURE AND RULES COMMITTEE (PRC) ON THE REVIEW OF THE STANDING ORDERS OF THE SENATE**
