## **1. ENTITY INFORMATION AND MANAGEMENT**

### **(a) Background information**

The *Kenya Citizens and Foreign Nationals Management Service* (KCFNMS), here in referred to as the Service is a State Corporation under the ministry of interior and Coordination of National Government. The Service was established by an Act of Parliament; The Kenya Citizens and Foreign Nationals Management Service Act Cap 174 Laws of Kenya on 30<sup>th</sup> September, 2011. The Service is domiciled in Kenya and has no branches.

### **(b) Principal Activities**

The Service shall, under the general supervision of the Cabinet Secretary be responsible for the implementation of policies, laws and any other matter relating to citizenship and immigration ,births and deaths, marriages ,identification and registration and travel documents, foreign nationals management and the creation and maintenance of a comprehensive national population register.

The Service shall specifically:-

- a) In relation to the national population register and for the purpose of collecting and compiling information concerning the distribution and composition of the population in Kenya, the scope and direction of immigration ,labour resource utilization and other connected purposes have the following functions:
  - (i) Receiving, storing and updating information from primary registration agencies;
  - (ii) Generation of appropriate unique identifier for individuals and groups in accordance with this Act;
  - (iii) Subject to the constitution and in consultation with other relevant institutions, regulating the sharing of information by the various registration agencies and other users;
  - (iv) Implement the relevant policies and guidelines and provide the cabinet secretary with the necessary information to guide the formulation of new policies, review of existing policies and guidelines.
  - (v) In consultation with the cabinet secretary, coordinate and mobilize resources for the implementation of the relevant policies;
  - (vi) Undertake the task of data collection and dissemination in a manner that ensures consistency and accuracy in accordance with set national standards and guidelines and
  - (vii) Facilitate access to information and data to national population registration information in accordance with this Act, any other relevant law or policy and the constitution;
- b) Administer the Acts of parliament set out in the First Schedule and any other written law
- c) Advice the Government on the matters provided for in this section;
- d) Collaborate with other state agencies for effective discharge of its mandate and
- e) Perform such other functions as may be directed by the Cabinet Secretary.

## **REPORT OF THE AUDITOR-GENERAL ON KENYA CITIZENS AND FOREIGN NATIONALS MANAGEMENT SERVICE FOR THE YEAR ENDED 30 JUNE, 2022**

---

### PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment, and the internal controls developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations, and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

## REPORT ON THE FINANCIAL STATEMENTS

### Opinion

I have audited the accompanying financial statements of Kenya Citizens and Foreign Nationals Management Service set out on pages 1 to 10, which comprise of the statement of financial position as at 30 June, 2022, and the statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, the financial statements present fairly, in all material respects, the financial position of Kenya Citizens and Foreign Nationals Management Service as at 30 June, 2022, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and the Public Finance Management Act, 2012 and comply with the Kenya Citizens and Foreign Nationals Management Service Act, 2011.

### Basis for Opinion

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Kenya Citizens and Foreign Nationals Management Service Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

### Material Uncertainty in Relation to Sustainability of Services

I draw attention to Page v on other information accompanying the financial statements where the Management indicated that the term of the Board of Directors ended on 26 June, 2017 and the new Board Members have not been appointed to replace them.

As previously reported, the continued lack of Board of Directors since the year 2017 to govern and guide on policies and operations of Kenya Citizens and Foreign Nationals Management Service is an indication of the existence of a material uncertainty which, may cast a significant doubt on the ability of the Service to continue to sustain its services, discharge its statutory mandate and to meet its obligations as and when they fall due.

However, as disclosed in Notes 2 and 10 to the financial statements and as explained by the Management, the Service is established under an Act of Parliament and is a State Corporation under the Ministry of Interior and Coordination of the National Government and its ultimate parent is the Government of Kenya. The financial statements have been prepared on a going concern basis on the assumption that the National Government has no intention of abolishing the Service.

My opinion is not modified in respect of this matter.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

### **Other Matter**

#### **Dormant Bank Account**

The statement of financial position reflects cash and cash equivalents balance of Kshs.15,966,000 as at 30 June, 2022. Review of the bank statements indicate that the bank account has been dormant for a long period with the last transaction being a bank charge on 4 September, 2020. However, there was no evidence of progress made by Management to close the dormant account or invest the funds in an interest earning account.

## **REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC REOURCES**

### **Conclusion**

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

### **Basis for Conclusion**

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## **REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE**

### **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matter described in Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

## **Basis for Conclusion**

### **Non-appointment of Board Members**

As reported in the previous year, the Service did not, have a Board of Directors during the year under review contrary to Section 5(1) of the Kenya Citizens and Foreign Nationals Management Service Act, 2011. Review of records provided for audit indicated that the term of Board Members expired on 26 June, 2017 having been appointed to office for a period of five years on 25 June, 2012. The Chairman's term expired on 17 April, 2017 having been appointed on 16 April, 2012 for a period of six years. As at the time of the audit in October 2022, the Board had not been reconstituted and the principal functions of the Board and the Service had not been undertaken since the expiry of the Board Members` and Chairman's terms.

In addition, there was no existing management structure to oversee the operations of the Service.

In the circumstances, it was not possible to confirm the adequacy of management and oversight in the affairs of the Service.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether processes and systems of internal controls, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

### **Responsibilities of Management and those Charged with Governance**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Service's ability of the Service's to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention of the National Government to terminate the Service or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Service's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

### **Auditor-General's Responsibilities for the Audit**

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal controls in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of Service to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Service to cease to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Service to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and where applicable, related safeguards.

## **NOTES TO THE FINANCIAL STATEMENTS**

### **1. GENERAL INFORMATION**

The Kenya Citizens and Foreign Nationals Management Service is established by and derives its authority and accountability from Act Cap 174 Laws of Kenya on 30<sup>th</sup> September. The entity is wholly owned by the Government of Kenya and is domiciled in Kenya.

### **2. STATEMENT OF COMPLIANCE AND BASIS OF PREPARATION**

The financial statements have been prepared on a historical cost basis. The preparation of financial statements in conformity with International Public Sector Accounting Standards (IPSAS) allows the use of estimates and assumptions. It also requires management to exercise judgement in the process of applying the *KC&FNMS* accounting policies. The areas involving a higher degree of judgment or complexity, or where assumptions and estimates are significant to the financial statements, are disclosed in Notes.

The financial statements have been prepared and presented in Kenya Shillings, which is the functional and reporting currency of the *KC&FNMS*.

The financial statements have been prepared in accordance with the PFM Act, the State Corporations Act, and International Public Sector Accounting Standards (IPSAS). The accounting policies adopted have been consistently applied to all the years presented.

*Kenya Citizens and Foreign Nationals Management Service*  
**Annual Reports and Financial Statements**
