N. MOTION – STATE OF MENTAL HEALTH OF POLICE OFFICERS

(Sen. Hamida Kibwana, MP)

AWARE THAT, police officers are usually first responders and are often exposed to traumatic scenes and chronic stressors such as, dangerous situations, injuries and violence coupled with the need to report and testify about psychologically stressful scenes;

COGNIZANT OF, a survey done by the National Police Service Commission in 2022 which indicated that at least 12 to 13 percent of the 110,000 police officers have mental health challenges stemming from work related issues;

CONCERNED THAT, there has been a recent spike of incidents involving police officers, including murder and suicide which have been linked to the state of mental wellbeing;

NOW THEREFORE, the Senate urges the National Government and the National Police Service through the Ministry of Interior and National Administration to –

1. declare the current mental health situation within the police service a national emergency;
2. urgently establish a specialized facility to cater for police officers with mental illness;
3. develop and implement policies to reduce the stigma surrounding mental health issues within law enforcement agencies and encourage officers to seek help when needed; and
4. prioritise mental health as a priority health and socio-economic agenda within the Police Service and that in cases of deployment and transfers the service considers the health of the affected officers.

(Resumption of debate interrupted on Thursday, 4th May, 2023 – Balance of time 2hrs 49mins)

O. MOTION – ACCELERATING THE IMPLEMENTATION OF SUSTAINABLE DEVELOPMENT GOALS (SDGs)

(Sen. Catherine Mumma, MP)

AWARE THAT, the 2030 agenda for Sustainable Development adopted by all United Nations Member States in 2015 provides a shared global blueprint aimed at ending poverty, protecting the earth's environment and climate and ensuring that people everywhere enjoy peace and prosperity;

APPRECIATING THAT, the implementation of the 2030 agenda for Sustainable Development in Kenya started by the official launch of the Sustainable Development Goals (SDGs) in Kenya in 2016 followed by the development of the Country SDGs roadmap to guide the transition from Millennium Development Goals to SDGs and the mainstreaming of the SDGs at both the National and County Governments;

CONCERNED THAT, the implementation of the 2030 agenda for sustainable Development in Kenya has been affected negatively by shocks such as continued drought since 2019 in Kenya and around the world, serious invasion by desert locusts, the COVID-19 pandemic and other public health calamities and the current strained state of the Kenyan economy;

NOW THEREFORE, the Senate resolves that the State Department for Economic Planning in consultation with the Council of Governors comes up with reviewed implementation roadmaps for the two levels of Government taking into account the shocks that have impeded or any other that are likely to impede the implementation of the 2030 agenda for Sustainable Development.

P. MOTION - INCORPORATION OF INTELLIGENT WATER MANAGEMENT SYSTEMS IN BUILDING PLANS FOR SUSTAINABLE LIVING

(Sen. Wahome Wamatinga, MP)

THAT, AWARE THAT water is an essential yet scarce resource whose demand is increasing rapidly due to population growth, urbanization, and industrialization, and whose wastage has become an issue that needs to be addressed urgently owing to Kenya's vulnerability to climate change;

NOTING THAT there is a growth in the number of buildings coming up to accommodate the rapidly growing population thereby posing a challenge to water management;

APPRECIATING THAT the incorporation of water management systems in building plans include a variety of techniques and technologies such as rainwater harvesting, waste water recycling, low-flow plumbing, and sensor systems that detect leaks and (de)activate water flow when necessary thereby optimizing the use of water by eliminating water overexploitation, waste water management, and pollution;

NOW THEREFORE the Senate urges the Ministry of Lands, Public Works, Housing and Urban Development in coordination with the Council of Governors and the National Environment Management Authority to:

- i. incorporate into the building code and standards a requirement for intelligent water management systems in all building plans; and
- ii. undertake a systematic nation-wide renovation to government-owned buildings to incorporate water management systems.

Q. MOTION - REVIEW OF THE MINIMUM WAGE NECESSITATED BY HIGH COST OF LIVING

(Sen. Karen Nyamu, MP)

THAT, AWARE THAT minimum wages in Kenya are specified as part of a national wage policy and guided by the Regulation of Wages and Conditions of Employment Act (CAP 229) aimed at reducing poverty as well as protecting and promoting the living standards of workers;

CONCERNED THAT, despite the increase in Kenya's minimum wage in May 2022 by 12% to help workers cope with the surge in consumer prices, the current inflation rates have had a knock-on effect on the cost of living and doing business in the country with the prices of goods, household energy bills, and transport remaining stubbornly high;

NOW THEREFORE the Senate resolves that the Cabinet Secretary for Labour and Social Protection engages all stakeholders including the General Wages Advisory Board (GWAB) and the Agricultural Wages Advisory Board (AWAB) with a view of raising the minimum wage by at least 50% as from 1st May, 2023.

B. MOTION - REPOSSESSION OF MOVABLE ASSETS BY LENDING INSTITUTIONS DUE TO NON-PERFORMING LOANS

(Sen. Wahome Wamatinga, MP)

THAT AWARE THAT the high unemployment rate in Kenya has pushed many Kenyans to seek loans from Saccos, Microfinance Institutions and Banks to start Small and Medium Enterprises (SMEs) to sustain their livelihoods;

NOTING THAT the youth in particular have invested in movable assets, including vehicles and motorcycles, to start business in the transport industry and most of them have signed up to the ride hailing apps including but not limited to Uber, Taxify, Bolt and Little cab;

COGNIZANT THAT the Banking Act 2015 CAP 488 does not provide for renegotiation on the loan repayment agreement whenever the business environment becomes unfavorable as a result of the high cost of living, lowered earnings from the App providers and high interest rates;

NOW THEREFORE the Senate urges the National Treasury and Economic Planning to come up with a policy framework to review the Banking Act in order to renegotiate the repayment terms of the loans and provide cushion for Kenyans with non-performing loans and prevent the loss of their movable assets.

C. MOTION - ARBITRARY ARRESTS OF KENYAN FISHERMEN BY UGANDAN AUTHORITIES

(Sen. (Dr.) Oburu Oginga, MP)

THAT AWARE THAT the communities around the lake rely on fishing as their main economic activity, their source of food and employment;

CONCERNED THAT the fishermen have reported harassment from the Ugandan security personnel including arbitrary arrests and imposition of unreasonable fines;

FURTHER CONCERNED THAT in November, 2021 the Kenya International Boundaries office formed a Joint Committee with the Ugandan

authorities that did not effectively delineate the boundaries that would have helped avoid conflict between the two Countries;

NOW THEREFORE the Senate resolves that-

- a) the Ministry of Foreign and Diaspora Affairs in collaboration with the Ministry of East African Community (EAC), the ASALs and Regional Development engages the counterpart ministries in the Republic of Uganda to;
 - i) Fast-track the delineation of the Kenya-Uganda boundary;

D. MOTION - INTEGRATION OF ETHNIC MINORITIES AND MARGINALIZED COMMUNITIES IN KENYA

(Sen. William Cheptumo, MP)

AWARE THAT, Kenya is a multi-ethnic country with a rich diversity of cultures, languages and traditions;

FURTHER AWARE THAT, ethnic minorities and marginalized communities face

significant social, economic and political challenges including discrimination, marginalization and exclusion;

ACKNOWLEDGING THAT Articles 10 (2)b, 21(3), 27, 56, 91(1)(e), 100, 174(e), 177(1) (c), 204(3)(b), 216(4) and the Fifth Schedule to the Constitution of Kenya obligate the state to promote and protect the welfare of ethnic minorities and marginalized communities;

APPRECIATING THAT, the Government has put in place policies, legal and institutional frameworks including affirmative action programs to address the needs of other special interest groups namely children, persons with disabilities (PWDS), youth, women and the elderly;

CONCERNED THAT, ethnic minorities and marginalized communities remain largely unaddressed through similar interventions due to lack of an existing national policy and legislative framework;

NOW THEREFORE the Senate resolves that the Ministry of Public Service, Gender and Affirmative Action, the National Gender and Equality Commission and

any other relevant state departments in collaboration with the Council of Governors:

-

- i.) Initiate measures to identify and address the specific needs and challenges faced by ethnic minorities and marginalized communities in Kenya; and
- ii.) Develop and implement national policy and legislative framework for the integration of ethnic minorities and marginalized communities in Kenya as envisaged in the Constitution of Kenya.

F. MOTION - DECLARATION OF CATTLE RUSTLING AS A NATIONAL DISASTER AND ESTABLISHMENT OF A SPECIAL FUND FOR VICTIMS

(Sen. William Cheptumo, MP)

THAT AWARE THAT, cattle rustling is a major menace and security threat in the South and North Rift regions and some other regions of the country;

CONCERNED THAT, the menace has since left irreparable and negative socio-economic impact which include but are not limited to increased number of widows, widowers, orphaned children, poverty, displacement of people leading to Internally Displaced Persons (IDPS), disruption of educational programs and other economic activities owing to the destruction and/or closure of educational, health and other institutions;

FURTHER CONCERNED THAT; the people living in the affected regions have been denied the enjoyment of their social, economic and political rights as guaranteed to them under the Bill of Rights as enshrined in Chapter Four of the Constitution;

NOW THEREFORE, the Senate resolves that the National Government through the Ministry of Interior and National Administration and in collaboration with the Council of Governors:

1. Declares cattle rustling a National Disaster;
2. Establish a National Task force on cattle rustling to:

- (i) Investigate the causes of the rampant cattle rustling in the said region and the Country at large;

G. MOTION - DESIGNATION OF A MONTHLY CAR FREE DAY AND COUNTY CAR FREE ZONES

(Sen. Crystal Asige, MP)

THAT AWARE THAT, Kenyans have a right to a clean and healthy environment pursuant to Article 42 of the Constitution;

NOTING THAT the National Climate Change Action Plan identifies transportation as the fourth largest contributor to greenhouse gas emissions which if uncontrolled, will result to negative impact of climate change that will adversely affect millions of Kenyans;

CONCERNED THAT the number of private vehicles has significantly grown leading to increased road accidents, carbon emission and vehicle congestion costs which are in excess of Kshs. 100 billion in GDP per year;

NOW THEREFORE the Senate urges the Ministry of Roads and Transport, in collaboration with the Council of Governors, and the National Climate Change Council to;

- i.) identify, publicize and execute suitable monthly car-free days and County car-free zones in urban areas;
- ii.) provide affordable, safe and efficient public transport including but not limited to development of Bus Rapid Transport (BRT) in the urban areas;
- iii.) encourage the use of electric hybrid buses and provide appropriate incentives for their use; and

- v.) ensure inter-modal connectivity among the various transport modes.

H. MOTION - DEVELOPMENT OF A POLICY AND LAW FOR SOCIAL RISK MANAGEMENT IN INFRASTRUCTURE DEVELOPMENT PROJECTS IN KENYA

(Sen. Catherine Mumma, MP)

AWARE THAT the Constitution has entrenched a strong Bill of Rights in Chapter 4, which recognizes human rights including socio-economic rights and the principle of equality and non-discrimination;

FURTHER AWARE THAT Kenya lacks a policy for guiding the management of these Social Risks in the design and implementation of infrastructure projects;

CONCERNED THAT inadequate attention to social risks in the planning and implementation of development projects at both national and county levels makes them unacceptable and end up costing the taxpayer colossal sums of money in suits filed before the courts and tribunals by local communities and affected interest groups seeking protection from such social risks;

NOW, THEREFORE, the Senate resolves that:

1. The National and County Governments develop a Social Risk Management Policy that outlines the standards, guidelines and procedures for guiding infrastructure and other development projects both at the national and county governments; and
2. The national executive establishes an independent multi-sectoral agency under the authority of the Cabinet secretary in charge of Social Security and Protection to design a mechanism that can factor in the inclusion of Social Impact Assessments standards and monitor their implementation in infrastructure and other development projects in Kenya.

I. MOTION – REGULATION OF ELECTRONIC CIGARETTES IN KENYA

(Sen. Catherine Mumma, MP)

THAT, AWARE THAT Section 68 (1) (b) of the Health Act, 2017 provides for interventions by the national government to reduce the use of tobacco and other addictive substances and to counter exposure of children and others to tobacco smoke, and Section 32 of the Tobacco Control Act, 2007 provides for the right of every person to a smoke free environment including the protection from exposure to second-hand smoke;

CONCERNED THAT, while the Tobacco Control Act, defines key terms and covers topics including, but not limited to, restrictions on public smoking, tobacco advertising, promotion and sponsorship, and packaging and labelling of tobacco

products, Section 2 of the Act does not contemplate non tobacco products and therefore lacks restrictions on the use, advertising, promotion and sponsorship, or packaging and labelling of synthetic nicotine in the form of e-cigarettes resulting in the increase in popularity and consumption of e-cigarettes among the youth including minor children;

NOW THEREFORE, the Senate resolves that the Ministry of Health should urgently convene an all-inclusive stakeholder forum to:

1. Develop a national policy regulating e-cigarettes and all related elements, including vape pens, e-liquids, flavors and their marketing and advertising in mainstream media as well as social media; and
2. Establish rules to govern the production, sale, advertising and consumption of synthetic nicotine, and control the illicit trade of counterfeit products.

J. MOTION - URBAN PLANNING FOR SUSTAINABLE LIVING

(Sen. Mohamed Faki Mwinyihaji, MP)

THAT, AWARE THAT rapid urbanization, as experienced in most Kenyan towns, contributes to a significant portion of greenhouse gas emissions leading to environmental degradation;

FURTHER AWARE THAT factors associated with urbanization, including changes to a more sedentary lifestyle, diet, and environment, have resulted in an increase in the prevalence of non-communicable diseases such as cardiovascular disease, diabetes, and cancer;

APPRECIATING THAT prioritizing sustainability and environmental responsibility creates livable, healthy, and resilient communities for present and future generations;

NOW THEREFORE, the Senate urges the:

- i.) Ministry of Roads and Transport to review the standards for construction of public roads to require the incorporation of dedicated lanes and tracks for exclusive use by non-motorised forms of transport to encourage their use for reduced air and noise pollution and improved overall public health;
- ii.) Ministry of Environment and Forestry and the Ministry of Roads and Transport, in collaboration with the Council of Governors to develop

a policy framework to mitigate the impact of climate change by guiding the:-

- a. dedication of sections of the respective CBDs on specified days as car- free zones to encourage more walking and a healthier lifestyle;

FURTHER AWARE THAT, more than 4.2 million people representing 24% of the ASAL population are facing high levels of acute food insecurity, with about 2.7 million in crisis phase and 785,000 people in emergency state;

NOTING THAT, the national and county governments, both local and international development partners and philanthropists have made attempts to respond to the dire situation occasioned by the severe drought;
