### **ESTABLISHMENT AND MANDATE OF THE COMMITTEE**

Article 124 (1) of the Constitution of Kenya provides that each House of Parliament may establish committees and shall make Standing Orders for the orderly conduct of its proceedings, including the proceedings of its committees.

Parliamentary committees consider policy issues, scrutinize the workings and expenditures of the National and County Governments, and examine proposals for legislation. The end result of any process in Committees is a report, which is tabled in the House for consideration.

The Senate Standing Committee on Finance and Budget is established under Section 8(1) of the Public Finance Management (PFM) Act, 2012 and standing order 228 of the Senate Standing Orders and is mandated to-

  - i. the Budget Policy Statement presented to the Senate;
  - ii. the report on the budget allocated to constitutional Commissions and independent offices;
  - iii. the Division of Revenue Bill, the County Allocation of Revenue Bill, the County Governments Additional Allocations Bill, and the cash disbursement schedules for county governments;
  - iv. all matters related to resolutions and Bills for appropriations, the share of national revenue amongst the counties, matters concerning the national budget, including public finance and monetary policies and public debt, planning, and development policy; and

## **CHAIRPERSON'S FOREWORD**

The Equalisation Fund (Administration) Bill, 2023 (Senate Bills No. 14 of 2023) was published via Kenya Gazette Supplement No. 44 of 12<sup>th</sup> April, 2023 and read a First Time in the Senate at its sitting held on Thursday, 4<sup>th</sup> May, 2023. Thereafter, pursuant to standing order 145 of the Senate Standing Orders, the Bill was committed to the Standing Committee on Finance and Budget for consideration.

The Bill proposes to establish administrative structures for the management of the Equalisation Fund. This will ensure effective and efficient mechanisms are in place for smooth implementation or utilisation of the fund.

The Equalisation Fund is established under Article 204 of the Constitution. Article 204(1) of the Constitution provides that in each financial year, there shall be paid into the Fund at least one-half percent of all revenue collected and calculated on the basis of the most recent audited accounts approved by the National Assembly.

The Fund may only be used to provide basic services such as water, roads, health facilities, and electricity to marginalised areas to the extent necessary to bring, so far as is possible, the quality of those services to the level generally enjoyed by the rest of the nation.

It is worth noting that the High Court, in the case Petition No. 272 of 2016, declared the 2015 Guidelines on administration of the Fund as unconstitutional. This was based on the argument that the 2015 Guidelines had not provided for the role of county governments in the management of the Fund and the implementation of projects under the Fund, yet counties are the units of expenditure of the Equalisation Fund. However, later, through a multi-agency effort, the Public Finance Management (Equalization Fund Administration) Regulations, 2021 were developed and approved by Parliament. Since 2021, the Fund has been administered by a Board established pursuant to Regulation 4(1) of the Public Finance Management (Equalization Fund Administration) Regulations, 2021.

The Equalisation Fund (Administration) Bill, 2023, mirrors the existing Public Finance Management (Equalization Fund Administration) Regulations, 2021, and proposes to the establishment of an Equalisation Fund Advisory Board comprising of a Chairperson appointed by the Cabinet Secretary for the National Treasury, the Principal Secretaries for Finance and Devolution, a representative of pastoralist communities nominated by the National Assembly, a representative nominated by the Senate, the Controller of Budget, one person nominated by Council of Governors and a representative of the Commission on Revenue Allocation (CRA).

The Bill obligates the Board to, inter alia-

- a) Appraise and evaluate projects proposed under the workplans.
- b) Make recommendations on the priority areas requiring financing and implementation in accordance with the workplans.
- c) Oversee, in consultation with the County Governments, the implementation of the projects to ensure compliance with the Constitution.
- d) Monitor and evaluate projects implemented by the beneficiary county governments.

The Chief Executive Committee (CEC) Member responsible for Finance in a beneficiary county is required to prepare and submit a report to the Board setting out the implementation status of projects financed by the Fund.

The Bill proposes that each county shall establish a County Technical Committee which shall be responsible for approving all projects financed by the Fund. Further, the sub-county technical committee whose functions shall be to evaluate and prioritize development proposals and prepare quarterly reports on funds received and project implementation status for submission to county technical Committee. The project identification and implementation committee will identify and prioritize projects in beneficiary counties, prepare and submit proposal to sub-county technical committee and provide oversight on project implementation.

Considering the delays that have taken place in operationalization and disbursement from the Fund and that the last appropriation Bill for the release of funds was made in 2018, the Bill proposes that, pursuant to Article 204(7) of the Constitution, the term of the Fund be extended by a further fixed period of ten (10) years.

During consideration of the Bill, the Committee, pursuant to Article 118 of the Constitution and standing order 145 of the Senate Standing Orders, invited members of the public to submit views on the Bill. Further, the Committee held consultative meetings with key stakeholders. The submissions by the following institutions are attached in this report-

- a) The National Treasury and Economic Planning;
- b) The Council of Governors (CoG);
- c) The Commission on Revenue Allocation (CRA); and
- d) The National Gender and Equality Commission (NGEC)

### **Committee Observations**

Having considered the Bill and submissions from the stakeholders, the Committee made several observations, including -

- a) Given that the project implementation will take place in marginalised areas identified within Counties, the representation of the county governments on the Equalization Fund Advisory Board and technical committees was inadequate compared with the national government representation. Therefore, there was need for adequate representation of county governments through the Council of Governors. This would boost the county government's engagement in the administration of the Fund.
- b) The Commission on Revenue Allocation should provide a clear definition of the term “marginalised areas” in development of the Third policy on marginalisation.

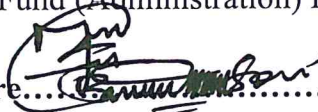

## ACKNOWLEDGEMENT

I take this opportunity to commend the Members of the Committee for their devotion and commitment to duty, which made the consideration of the Equalisation Fund (Administration) Bill, 2023

Appreciation to the offices of the Speaker and the Clerk of the Senate for the support extended to the Committee in undertaking this important assignment.

Lastly, I thank the stakeholders who submitted written memoranda and who appeared before the Committee to present their comments on the Bill.

It is now my pleasant duty, pursuant to standing order 148 (1) of the Senate Standing Orders, to present the Report of the Standing Committee on Finance and Budget on Equalisation Fund (Administration) Bill, 2023

## **CHAPTER ONE**

### **OVERVIEW OF THE EQUALISATION FUND (ADMINISTRATION) BILL, 2023**

#### **1.1 Background**

1. The Equalisation Fund (Administration) Bill, 2023 (Senate Bills No.14 of 2023) was published via Kenya Gazette Supplement No.44 of 12<sup>th</sup> April, 2023 and read for First Time in the Senate at its sitting held on Thursday, 4<sup>th</sup> May, 2023.

#### **1.2 Contents of the Equalisation Fund (Administration) Bill, 2023**

2. Article 204 (1) of the Constitution establishes the Equalisation Fund whose purpose is to finance the provision of certain services in order to bring the quality of these services in marginalised areas to the level generally enjoyed by the rest of the country. The primary object of this Bill is therefore to provide the administrative structure for the management of the Equalisation Fund and to establish the criteria through which projects contemplated under Article 204(2) of the Constitution are identified, financed and implemented..
3. The Fund is set up to provide basic services, including water, roads, health facilities, and electricity, to the marginalised areas to the extent necessary to bring the quality of those services to the level generally enjoyed by the rest of the nation, so far as possible in an equitable, efficient, and transparent manner.
4. The Bill seeks to establish a Board to be known as the Equalization Fund Advisory Board. The Board shall consist of the-
  - a) Chairperson nominated by the Cabinet Secretary of the National Treasury,
  - b) Principal Secretary responsible for matters relating to finance,
  - c) Principal Secretary responsible for matters relating to devolution,
  - d) One person from a pastoralist community nominated by the National Assembly,
  - e) One person nominated by the Senate,

- f) One person nominated by the Council of Governors drawn from areas identified as marginalised by the Commission on Revenue Allocation,
  - g) Chairperson of the Commission on Revenue,
  - h) Controller of Budget, and a Chief Executive Officer who shall be secretary of the Board and the administrator of the Fund.
5. The Bill seeks to extend the term of the Fund by a fixed period of 10 years in accordance with Article 204(7) of the Constitution. The term of the Fund was set at twenty years. Cognizant of the fact that the period contemplated under Article 204(7) expires in the next seven (7) years, and that the Fund is yet to achieve its intended purpose, it is critical to extend the time limit for the Fund in order to ensure the purpose of the Fund is met.
  6. The Bill provides for qualifications for appointment to the Equalization Fund Advisory Board, tenure of office, vacation of office, and the functions of the Board. The Bill also provides that the Board shall form committees necessary to ensure effective performance of its functions. The administrative expenses of the Board shall be paid out of the fund, and shall not exceed three percent of the allocation annually.
  7. Additionally, the Bill provides for establishment and functions of a secretariat headed by the administrator of the fund, and other public officers the Cabinet Secretary shall appoint in consultation with the Advisory Board.
  8. The Bill provides for establishment, composition and functions of County Technical Committees, Sub-county Technical Committees and Project Identification and Implementation Committees by beneficiary counties.
  9. The Bill obligates the County Executive Committee (CEC) Member responsible for matters relating to finance to submit work plans through the respective county technical committee to the Board for approval. The CEC Member will also prepare quarterly and annual reports on funds received and implementation status of projects funded by the Equalisation Fund and submit the same to the Board, Commission of Revenue Allocation and Controller of Budget.

10. The Bill provides that the administrator of the Fund shall open a designated Equalization Fund account at the Central Bank of Kenya. Withdrawal from the Fund is authorised under an Act of Parliament that approves the appropriation of money, and the officer administering the Fund shall make a requisition for the withdrawal and submit it to the Controller of Budget for authorization.
11. Additionally, the Bill also provides that unutilized balances in the Equalization Fund shall not lapse at the end of the financial year but shall be retained for use for the purpose for which the Fund is established. further, the accounts of the Fund shall be audited and reported upon in accordance with the Public Finance Management Act and the Public Audit Act.
12. The Bill requires the Advisory Board to prepare a status report on all existing pending projects and their funding requirements in line with the submitted work plans, and the Cabinet Secretary responsible for matters relating to Finance shall make the necessary requisition for the transfer of monies to the county governments for the completion of the projects, and ensure that monies required for the completion of the projects have been transferred to the respective county governments.
13. The Advisory Board shall prepare the winding up report of the Fund not later than three months from the period specified under Article 204(6) of the Constitution or in legislation enacted by Parliament pursuant to Article 204(7) of the Constitution for approval by the Cabinet Secretary. The CS shall submit the report to the National Assembly and the Senate within fourteen days of the receipt of the report.
14. The Bill repeals the Public Finance Management (Equalization Fund Administration) Regulations, 2021, and provides for the transitional procedures. In this regard, any ongoing projects under the repealed Regulations shall be finalised in accordance with the provisions of this Act, and a person who immediately before the commencement of this Act was an officer or employee of the Advisory Board shall be deemed to be a member of staff of the Board for the unexpired period of that person's tenure.

## **CHAPTER TWO**

### **OVERVIEW OF PUBLIC PARTICIPATION ON THE BILL**

#### **2.1 Submissions by Stakeholders**

15. The Chapter entails submissions from various stakeholders regarding the Bill. These include-

- a) Commission on Revenue Allocation;
- b) The Council of Governor;
- c) The National Treasury; and
- d) National Gender and Equality Commission.

#### **2.2 Commission on Revenue Allocation**

16. The representatives from Commission presented the following specific proposals and recommendations on the Bill-

- a) Clause 2 on interpretation-
  - i. Add the definition of the phrases, “First policy”, “unutilized balance”, and “revenue” in their alphabetical sequences to align with the Constitution.
  - ii. Revenue should be defined as in Article 204(1) which refers to all revenue collected by the national government each year.
- b) Sub-Clause 3(b) -purpose of the Bill- be amended by adding the words “and all other subsequent policies determined by the Commission on Revenue Allocation for purposes of Article 204(2)” to cater for all other future policies.
- c) Sub-clause 3(d) be deleted since the Fund is yet to be fully operationalized, and that the Fund does not lapse at the end of the FY. Consequently, Clause 32 which extends the constitutional timeframe should be deleted.

f) Proposal on Clauses 23-28-

- i. That there is a need to distinguish (in parts) the roles of the County Executive Committee Member responsible for matters relating to finance in the identification of projects and related processes to avoid duplication of roles.
- ii. Clause 24 be amended to read as follows: "The County Executive Committee Member responsible for matters relating to finance shall submit work plans to the Board for approval". This is attributed to the fact that the CECM, Finance is only responsible to the Board and not the technical committee which has different reporting lines as per the Bill.

## **2.4 The National Treasury and Economic Planning**

19. The National Treasury submitted a written memoranda with the following comments regarding the Bill-

- a) The Bill has been overtaken by events considering there is already an administrative and management framework in place for the administration of Fund.
- b) The National Treasury is mandated to administer the Fund pursuant to section 18 of the PFM Act, 2012.
- c) Public Finance Management (Equalization Fund Administration) Regulations, 2021 establishes the administrative and management framework in administration of the Fund.
- d) The Bill does not provide any remedy it tries to cure. It has adopted the current structure for moving the administration of the Fund from the PFM Act to the Bill.
- e) Though Parliament is mandated to extend the life of the Equalization Fund for a fixed period of time, it would be proper for this to be done in a stand-

alone Bill, 24 months to the lapse of the 20 years specified in Article 204(6) of the Constitution.

- f) The current administration and management framework of the administration of the Fund under the PFM Act is sufficient hence there is no need for the Bill. In addition, any act of derailment in the administration of the fund will affect the achievement of the intended purpose of the Fund.
- g) The Committee should consider rejecting the Bill or subject it to further consultations with stakeholders.

## **2.5 The National Gender and Equality Commission**

20. The National Gender and Equality Commission submitted a written memoranda on the Bill with the following proposals-

- a) Clause 6 on establishment of the Board- Clause 6(1)(d) be amended by substituting the person nominated by the National Assembly to represent pastoralists with two persons representing pastoralists and Persons with Disabilities (PWDs). The inclusion of a person representing PWDs will be in compliance with the Constitution and the Mwongozo Code.

In addition, clause 6(1)(e) be amended by qualifying the person nominated by the Senate as the criteria for the nomination is unclear.

Further, include a clause stating that in making the appointments, due regard shall be made in ensuring gender balance.

- b) Clause 9(b)(v) on vacation of office be deleted without any replacement. This is because the provision is prejudicial and discriminatory to PWDs. The Convention on the Rights of PWDs and the PWD Act provides for reasonable accommodation meaning adjustment or modification of the working environment to accommodate an individual with proven need.
- c) Clause 11 be amended by completing the marginal note and inserting the word "Board". Further, set out the words in CS in full to mean Cabinet Secretary.

- d) For consistency, Clause 14(1) amended by deleting the subtitle “Officer administering the Fund”. and replacing therefore with the words “administration of the Fund”. Further, consider amending the officer administering the Fund to read “administrator of the Fund” wherever it appears in the Bill.
- e) Clause 21 on project identification and implementation Committee- sub clause 21(c) be amended by substituting the words “a representative of” with the words “three persons representing”. Further, sub clause 21(d) be amended by substituting the words “a representative of” with the words “two persons representing”. These proposed amendments will bring clarity to the membership of the project identification and implementation committees.
- f) For purposes of inclusion of persons who are not literate and those with print disabilities, subclause 22(a) be amended by inserting the word “in accessible format” after the word “publication”.

## **CHAPTER THREE**

### **SUMMARY OF STAKEHOLDERS SUBMISSIONS AND THEMATIC AREAS**

21. Upon consideration of stakeholders' submissions and analysing the Bill, the Committee notes as follows-

- a) Flow of Funds- Each benefiting county is expected to open a special purpose account in the Central Bank of Kenya. All funds allocated to the projects within a particular county shall be transferred to the respective special purpose account. The implementation of projects in a beneficiary county government will be expended from this account.
- b) Working Framework- The Bill is very elaborate on the roles of each participating party including the Board, county technical committees, sub-county technical committees and project identification and implementation committees. The project identification and implementation committee are at core of ensuring the needs (projects) of the marginalised communities are identified and implemented to benefit the said community.
- c) Composition of the Fund Board- the representation of the Council of County Governors was inadequate noting the project implementation was at county levels. The Committee also notes the concerns of the NGEK on representation of the persons living with disability at the Board level.
- d) Establishment of the Technical Committee- The Bill proposes the Committee to be established by the County Commissioner. However, the Committee proposes amendments to mandate the Board to establish these technical committees.

## CHAPTER FOUR

### COMMITTEE OBSERVATIONS

22. The Committee having considered and analysed submissions from various stakeholders, made the following observations-

- a) Given that the project implementation will take place in marginalised areas identified within Counties, the representation of the county governments on the Equalization Fund Advisory Board technical committees was inadequate compared with the national government representation. For instance-
  - The county technical committee comprises the Constituency Development Fund Managers while the sub-county technical committee shall comprise the secretary of the Constituency Development Fund.
  - The Controller of Budget forms part of the Advisory Board yet the primary role of Controller of Budget is to oversee and monitor the use of public funds by authorising withdrawal of funds and reporting back to Parliament.

Therefore, there is need for adequate representation of county governments from the Council of Governors. This would boost the county government's engagement in the administration of the Fund.

- b) The Commission on Revenue Allocation should provide a clear definition of the term "marginalised areas" in development of the Third policy on marginalisation.
- c) The Bill does not have a provision on compensation of the various committees established by the Board. There is a need to indicate whether it will be charged from the administration costs of the Board.
- d) The Bill should be explicit on the flow of funds. Therefore, benefitting counties shall open special purpose accounts at the Central Bank of Kenya

into which amount appropriated and allocated to fund projects shall be transferred.

- e) To ensure efficient utilisation and seamless implementation of the Fund, the Equalisation Fund should only be utilised indirectly as conditional grants to Counties.
- f) The Bill had not provided for conduct of meetings of the Board. The bill should provide for meetings of the Board; frequency of meetings, notice of meetings, quorum of conduct of business, chairperson of the meetings, voting, procedure for meetings and attendance of other persons to meetings of the Board.
- g) The Advisory Board should establish all the technical committees as opposed to it being done by the County Commissioner.

## CHAPTER FIVE

### COMMITTEE RECOMMENDATIONS

23. Having considered the Bill, the Committee recommends that the Senate approves Equalisation Fund (Administration) Bill, 2023 (Senate Bills No.14 of 2023) with the following amendments. That-

- a) **Clause 2** be amended by introducing definition of the following terms-

  - ii) by redefining the word “revenue” to mean the total revenue collected by the national government including ordinary revenue and Appropriations in Aid. This definition will ensure the provision is in tandem with Article 204(1) of the Constitution.

- c) **Clause 6** be amended by-

- e) **Clause 11** be amended by rewriting the expression CS to mean Cabinet Secretary.
- f) **Clause 10 and clause 12** be amended by replacing the word guidelines with the word Act.

  - not more than two public officers appointed by the national government with technical expertise in the areas of the prioritized projects.
- l) **Clause 25(4)**- should be deleted since the issue is already provided for under clause 25(3).
- m) Introducing a **schedule** to the Bill to provide for matters relating meetings of the Board as follows-
- i) The Board shall meet at least once in every three months to conduct the business of the Board of Authority.
  - ii) The chairperson may on his or her own motion, or upon request by a member, call a special meeting of the Board at any time, where he or she considers it expedient for the transaction of the business of the Board.
  - iii) Other than a special meeting, or unless three quarters of members agree, at least fourteen days' written notice of every meeting of the Board of the Authority shall be given to every member of the Board by the secretary.
  - iv) The quorum at a meeting of the Board of the Authority shall be half of the members.
  - v) The chairperson shall preside at the meetings of the Board of the Authority and in the absence of the chairperson, the vice-chairperson or a member of the Board elected by the members present from among their number shall preside.
  - vi) The matters of the Board shall be decided by a majority of the members present and voting and in the event of equality of votes, the person presiding shall have a casting vote.

- vii) The proceedings of the Board of the Authority shall not be invalidated by reason of a vacancy among the members or a defect in the appointment or qualification of a member.
- viii) At the first meeting of the Board, the members shall elect a vice-chairperson, not being an *ex-officio* member, from among its members.
- ix) Subject to the provisions of this Schedule, the Board may determine its own procedure and the procedure for any committee of the Board and for attendance of any other persons at the Board meetings.

**THE                      EQUALIZATION                      FUND**  
**(ADMINISTRATION) BILL, 2023 (SENATE**  
**BILLS NO. 14 OF 2023)**

Upon invitation, the representatives from CRA presented the following specific proposals and recommendations on the Equalization Fund (Administration) Bill, 2023 as follows-

- a) Clause 2 on interpretation
  - Add the definition of the phrases, "First policy", "unutilized balance", and "revenue" in their alphabetical sequences to align with the Constitution.
  - Revenue should be defined as in Article 204(1) which refers to all revenue collected by the national government each year.

- b) Sub-Clause 3(b) -purpose of the Bill- be amended by adding the words “and all other subsequent policies determined by the Commission on Revenue Allocation for purposes of Article 204(2)” to cater for all other future policies.
- c) Sub-clause 3(d) be deleted since the Fund is yet to be fully operationalized, and that the Fund does not lapse at end of the FY. Consequently, Clause 32 which extends the constitutional timeframe should be deleted.
- d) Clause 6 on Establishment of Equalization Fund Advisory Board- Sub-clauses 6(1)(c) and (f) be redrafted to align with provisions under sub-clauses 6(1)(d), (e), and (f) for consistency.
- e) Clause 8 on tenure of office of the Advisory Board- There is need to harmonize with the term under clause 6(3) which provides for a term of three years’ renewable once or six years nonrenewable.
- f) Clause 10 of functions of the Board- For clarity, substitute the term, “section (b)” with “paragraph 10(1)(b)”. Secondly, specify to whom such recommendations are to be made.”
  - Sub-clauses 10(1)(g), 12(b), and (c), 15(2)(d) be amended by substituting the words “these Guidelines” with the words “this Act.”
- g) Clause 11 on decisions of the Committees of the Board- Given that the acronym CS is undefined, it should be written in full and add the phrase “Cabinet Secretary” after the existing content. Further, the marginal note to Clause 11 is incomplete.
- h) Clause 14 on officer administering the Fund- Sub-Clause 14(2)(b) has narrowed the qualification of CEO to the area of health. For inclusivity purposes, it should be amended and redrafted by deleting skills in health insurance, health financing, health economics, and health care.
- i) Clause 15 on secretariat- sub-clause 15(2)(f)(i) be amended by deleting the words “have been” after the phrase “Government in Marginalized Areas.”
- j) Clause 17 on establishment of County Technical Committees
  - For ease of implementation of the fund, sub-clause 17(e) be redrafted to read, “not more than four technical officers from ministries relevant to the funding project”.
  - The Commission further recommended the deletion of sub-clause 17(f) since the same content was repeated in sub-clause 17(d).
- k) Clause 19 on establishment of Sub county Technical Committee. The Commission recommended the addition of a sub-county administrator as a member of this committee who shall also serve as the secretary.
- l) Clause 20 on functions of the sub-county Technical Committee
  - Sub-clause 20(c) be amended by substituting the words “access” with “assess.”
  - Sub-clause 20(d) be amended by addition the words “to the County Technical Committee” at the end so that it is clear to who the committee will submit project proposals.

- Sub-clause 20(e) be amended by adding the words "implementation of" after "monitor."
  - Sub-clauses 20(f) and (g) be amended by deleting the words "and the member of the county executive." Member of the county executive is secretary to County Technical Committee.
- m) Clause 21 on Project Identification and Implementation Committee. For clarity-
- Sub-clause 21(d) be amended by substituting the words "village administrator" with "ward administrator."
  - Under sub-clause 21(d), specify that the faith-based groups be operating within the area of operation of the committee.
  - Under sub-clause 21(c) and (d)- Specify that it is a representative of each listed category.
- n) Clause 22 on Functions of Project Identification and Implementation Committee- sub-clause 22(d) be redrafted to read "supervise and report to the county technical committee on project implementation" For clarity.
- o) Clause 25 on preparation of work plans- sub-clause 25(4) be deleted since it is a repetition of sub clause 25(3).
- p) Clause 27 on quarterly reports on projects and disbursements- For clarity since there are many Commissions in Kenya, the term "Commission" be written in full to mean "Commission on Revenue Allocation."

The Commission further made the following general comments-

- a) There is need to specify at what level the various committees are established under the Bill for clarity.
- b) The Bill is silent on compensation of committees. This should be indicated to be from the 3% administrative costs of the Board.
- c) Add a new Board function to establish all the technical committees as opposed to it being done by the County Commissioner. Additionally, include a monitoring and evaluation function for the Board.
- d) The Bill is silent on the flow of funds and procurement. The county technical committee should open the special purpose accounts with signatories being the relevant CEC. Sub County Technical Committee to carry out procurement and issue certificates.

**MIN/SEN/SCF&B/301/2023**      **MEETING WITH COUNCIL OF GOVERNORS  
TO DELIBERATE ON THE EQUALIZATION  
FUND (ADMINISTRATION) BILL, 2023**

Upon invitation, the Council of Governors presented the following specific concerns on the Equalization Fund (Administration) Bill, 2023-

- a) There is need for the Bill to clearly distinguish (In Parts) the process to be followed when using the Fund directly and when using it indirectly.

- b) Having witnessed the inefficiencies associated with the direct use of the Fund, the Council strongly opines that going forward, the Equalisation Fund should only be used indirectly as conditional grants to Counties.
- c) Proposals on Part III-Establishment of Advisory Board
- Clause 6(1)(f) be amended to read "three persons nominated by the Council of Governors drawn from areas identified as marginalized by the Commission on Revenue Allocation". This is to ensure adequate representation of the county governments on the Equalization Fund Advisory Board vis-à-vis the national government representation.
  - Clause 6(3) be deleted since it contradicts Section 8.
  - New Clause 7 be inserted to provide for meetings of the Board- Frequency of meetings, notice of meetings, quorum of conduct of business, chairperson of the meetings, voting, procedure for meetings and attendance of other persons to meetings of the Board.
- d) Sub-clauses 10(1)(g), 12(a) and (c), and 15(1)(d) be amended by deleting the words "these guidelines" and replace thereof with "this Act". This is an Act of Parliament and not Guidelines.
- e) Proposal on Part IV on County Technical Committees-Clauses 17-22
- Clearly indicate that clauses 17-22 only apply to the direct use of the Fund. This is because there already exists a framework for management of conditional grants (indirect use of the Fund) which does not envision such committees.
  - Secondly, clause 17 on establishment of County Technical Committees of be amended by deleting the words "County Commissioner" and substitute therefore with the words "Governor".
  - Sub-Clause 17(a) be amended to read as "Chairperson who shall be the County Governor or a person designated by the Governor in writing".
  - Sub-Clause 17(f) be deleted since it is a repetition of sub-clause 17 (d).
  - Clauses 19 and 20 on establishment of sub-county committees be deleted. This is because it is duplicitous and that the functions of the sub-county committee can be performed by the County technical committee.
- f) Proposal on Clauses 23-28
- That there is a need to distinguish (in parts) the roles of the County Executive Committee Member responsible for matters relating to finance in the identification of projects and related processes to avoid duplication of roles.
  - Clause 24 be amended to read as follows: "The County Executive Committee Member responsible for matters relating to finance shall submit work plans to the Board for approval". This is attributed to the fact that the CECM, Finance is only responsible to the Board and not the technical committee which has different reporting lines as per the Bill.

The Committee made the following observations-

- a) There is need to review the administrative costs and expenses of the Advisory Board provided for under clause 13(3). Three percent of the approved annual allocation to the Fund may be a surplus.
- b) The Equalisation Fund Advisory Board has more representation from the National Government and needs review.
- c) The Committee unanimously agreed with the CoG that to ensure efficient utilization, Equalisation Fund should only be used indirectly as conditional grants to counties.
- d) That CRA should provide a clear definition of the term “marginalized areas” in development of the Third Policy on Marginalisation.
- e) There is need to review the provisions on the roles of County Commissioner in the Bill. The proposed provisions neglect the vital role of county governments in project identification, approval and implementation of projects and programmes financed by the Fund.
- f) There is need to amend sub clause 6(1)(c) to include the words “or a representative designated in writing” to represent the Principal Secretary responsible for matters relating to finance when unavailable.

**MIN/SEN/SCF&B/274/2023**      **CONSIDERATION OF THE EQUALIZATION  
FUND (ADMINISTRATION) BILL, 2023  
(SENATE BILLS NO. 14 OF 2023)  
(COMMITTEE PAPER NO.43)**

The Committee considered Paper No. 43, on Equalization Fund (Administration) Bill, 2023.

The Committee noted the contents of the Paper and after deliberations, the Committee was informed that Commission on Revenue Allocation, Controller of Budget and the Cabinet Secretary, National Treasury and Economic Planning had been invited to a meeting of the Committee to deliberate on the Bill.

The Committee recommended that the stakeholders who participated during the consideration of the Public Finance Management (Equalization Fund Administration) Regulations, 2021 be invited to submit views on the Bill.

The Committee considered Paper No. 44, draft County Governments Additional Allocations Bill (CGAAB), 2023.

The Committee noted with concern that-

- a) the brief by the Parliamentary Budget Office was inadequate to enable the Committee to make a resolution. For instance, the brief did not provide a list of the counties which would benefit from various additional allocations. The PBO was directed to include beneficiary counties and provide rationale or justification for each additional allocation.
- b) there was need for the relevant Committee of the Senate to carry out impact assessment on implementation of additional allocations to ascertain the implementation status of projects and programmes funded via previous allocations
- c) whereas the County Governments Additional Allocation Bill originated from the Senate, there were indications that the National Assembly intended to publish a similar Bill.

After deliberations, the Committee resolved the following-

- a) Consideration of the draft County Governments Additional Allocations Bill, 2023 be deferred to Tuesday, 30<sup>th</sup> May, 2023 to allow the Parliamentary Budget Office to collate the necessary information concerning additional allocations for FY 2023/24;
- b) An elaborate draft of the County Government Additional Allocations Bill, 2023 be presented to the Committee during the meeting scheduled on Tuesday, 30<sup>th</sup> May, 2023; and
- c) Resolution on the publication of the Bill by the Senate bill will be considered during the meeting on 30<sup>th</sup> May, 2023.

There being no other business the meeting was adjourned at 12:53 p.m. Next meeting is to be held on Tuesday, 30<sup>th</sup> May, 2023 at 9:00 a.m.

  - Clause 24 be amended to read as follows: “The County Executive Committee Member responsible for matters relating to finance shall submit work plans to the Board for approval”. This is attributed to the fact that the CECM, Finance is only responsible to the Board and not the technical committee which has different reporting lines as per the Bill.

The Committee made the following observations-

- a) There is need to review the administrative costs and expenses of the Advisory Board provided for under clause 13(3). Three percent of the approved annual allocation to the Fund may be a surplus.
- b) The Equalisation Fund Advisory Board has more representation from the National Government and needs review.
- c) The Committee unanimously agreed with the CoG that to ensure efficient utilization, Equalisation Fund should only be used indirectly as conditional grants to counties.
- d) That CRA should provide a clear definition of the term “marginalized areas” in development of the Third Policy on Marginalisation.
- e) There is need to review the provisions on the roles of County Commissioner in the Bill. The proposed provisions neglect the vital role of county governments in project identification, approval and implementation of projects and programmes financed by the Fund.
- f) There is need to amend sub clause 6(1)(c) to include the words “or a representative designated in writing” to represent the Principal Secretary responsible for matters relating to finance when unavailable.

(SENATE BILLS NO. 14 OF 2023)  
(COMMITTEE PAPER NO.43)**

The Committee considered Paper No. 43, on Equalization Fund (Administration) Bill, 2023.

The Committee noted the contents of the Paper and after deliberations, the Committee was informed that Commission on Revenue Allocation, Controller of Budget and the Cabinet Secretary, National Treasury and Economic Planning had been invited to a meeting of the Committee to deliberate on the Bill.

The Committee recommended that the stakeholders who participated during the consideration of the Public Finance Management (Equalization Fund Administration) Regulations, 2021 be invited to submit views on the Bill.

The Committee considered Paper No. 44, draft County Governments Additional Allocations Bill (CGAAB), 2023.

The Committee noted with concern that-

- a) the brief by the Parliamentary Budget Office was inadequate to enable the Committee to make a resolution. For instance, the brief did not provide a list of the counties which would benefit from various additional allocations. The PBO was directed to include beneficiary counties and provide rationale or justification for each additional allocation.
- b) there was need for the relevant Committee of the Senate to carry out impact assessment on implementation of additional allocations to ascertain the implementation status of projects and programmes funded via previous allocations
- c) whereas the County Governments Additional Allocation Bill originated from the Senate, there were indications that the National Assembly intended to publish a similar Bill.

After deliberations, the Committee resolved the following-

- a) Consideration of the draft County Governments Additional Allocations Bill, 2023 be deferred to Tuesday, 30<sup>th</sup> May, 2023 to allow the Parliamentary Budget Office to collate the necessary information concerning additional allocations for FY 2023/24;
- b) An elaborate draft of the County Government Additional Allocations Bill, 2023 be presented to the Committee during the meeting scheduled on Tuesday, 30<sup>th</sup> May, 2023; and
- c) Resolution on the publication of the Bill by the Senate bill will be considered during the meeting on 30<sup>th</sup> May, 2023.

(SENATE BILLS NO. 14 OF 2023).**

**7<sup>th</sup> JUNE, 2023**

Reference is made to your letter Ref. No. **SEN/DSEC/F&B/CORR/2023/67 (c)** dated 23<sup>rd</sup> May, 2023 inviting the National Treasury and Economic Planning to a meeting of the Standing Committee on Finance and Budget on the Equalization Fund (Administration) Bill, 2023.

The following are the comments from the National Treasury and Economic Planning:

### **I. Background**

1. Article 204 of the Constitution establishes the Equalization Fund (Fund) to provide basic services including water, roads, health facilities and electricity to the marginalized areas to the extent necessary to bring the quality of those services to the level generally enjoyed by the rest of the nation, so far as possible. Article 204 (3) of the Constitution requires the National Government to decide on a policy for the implementation of the Fund either directly or indirectly through conditional or unconditional grants to marginalized counties.
2. Section 18 of the Public Finance Management Act, 2012 mandates the National Treasury, through the Cabinet Secretary to administer the Fund in accordance with Article 204 of the Constitution.
3. The National Treasury therefore, prepared the Equalization Fund Guidelines vide Gazette Notice No. 1711 of 13<sup>th</sup> March, 2015 for the administration of the Fund. The Guidelines were prepared in strict adherence to the Statutory Instruments Act, 2013 and were approved by Parliament in December, 2015.
4. The First Marginalization Policy (First Policy) determined by the Commission on Revenue Allocation (CRA) in line with Article 216(4) of the Constitution, identified fourteen Counties to benefit from the Fund namely: Turkana; Mandera; Wajir; Marsabit; Samburu; West Pokot; Tana River; Narok; Kwale; Garissa; Kilifi; Taita Taveta; Isiolo and Lamu.
5. Consequently, the Equalisation Fund Advisory Board, established under the Guidelines, applied the Equalisation Fund directly using National Government structures to finance and implement projects identified in the 14 marginalized counties.
6. However, during the implementation of the First Policy, the Council of Governors petitioned the High Court vide Petition No. 272 of 2016 seeking to nullify the Guidelines and the court granted the following prayers as sought by the Petitioner: -

- a) *A declaration that Equalization Fund being for the benefit of Marginalized Counties can only be disbursed by the National Government through the respective and affected County Governments and in accordance with recommendations made by the Commission on Revenue Allocation as approved by Parliament.*
  - b) *A declaration that the Guidelines on administration of Equalization Fund published on 13<sup>th</sup> March, 2015 in the Kenya Gazette Vol CXVII- No. 26 as Gazette Notice No. 1711 are accordingly unconstitutional, null and void for violating Articles 1 (4), 2(1), 6, 10, 174, 201, 204 and 216 of the Constitution and section 12 and 18 of the Public Finance Management Act.*
  - c) *An order of certiorari to remove and quash the guidelines on administration of Equalization fund published on 13th March 2015 in Gazette Notice No. 1711.*
  - d) *The 2<sup>nd</sup> Respondent shall within six (6) months of the date of the judgment, and in consultation with all relevant stakeholders, prepare an appropriate policy and/or statutory instrument on the administration of the Equalization Fund that is compliant with the recommendation made by the Commission on Revenue Allocation as approved by Parliament, and the objectives of the Equalization Fund and devolution as set out in the Constitution and enunciated in the judgment.*
7. In its ruling, the Court gave, among others, the following reasons for granting the above prayers: that the Equalisation Fund Advisory Board had ignored recommendation of CRA on: -
- i) Composition on the advisory board;
  - ii) Failure to make provisions for representation of counties;
  - iii) Appropriation of funds as conditional grants to marginalized counties;
  - iv) Funds to be spent when County Governments are in place; and
  - v) Management of the Fund to be supported by an Inter-governmental relations department.
8. Consequently, and in adherence to the directive of the Court, the National Treasury constituted an Inter-Agency Taskforce comprised of officers from the National Treasury, the Office of the Attorney General, the National Assembly, the Senate, Parliamentary Budget Office, Office of the Controller of Budget, the Commission on Revenue Allocation and the Council of Governors to initiate a draft policy and/or Statutory Instrument on administration of the Equalisation Fund.

9. In line with directives of the Court, the taskforce, in consultation with the stakeholders developed the Public Finance Management (Equalisation Fund Administration) Regulations, 2021 which was then published through Kenya Gazette supplement No. 69, Legal Notice No. 54 of 29<sup>th</sup> April, 2021 and approved by Parliament paving way for the operationalization of the Fund.

## **II. Current Status**

10. With the passage of the Regulations;

- a) The National Treasury and Economic Planning constituted the Equalisation Fund Advisory Board (EFAB) and secretariat to provide effective management and administration of the Fund.
- b) Through the Equalisation Fund Appropriation Act, 2018 covering FYs 2014/15, 2015/16 and 2016/17, the Fund has initiated full implementation and facilitated completion of projects under the First Marginalization Policy and payment of pending bills under the First Policy is ongoing.
- c) The County Technical Committee and all other committees as stipulated in the Regulations have been established in the 34 beneficiary counties.
- d) The Equalization Fund Appropriation Bill 2022 was prepared and submitted to Parliament for consideration and approval. The Bill was published on 31<sup>st</sup> January 2023 and captures KSh 13,893,791,644 which comprises of KSh 6,825,317,433 and KSh 7,068,474,211 for FY 2021/22 and FY 2022/23 respectively for implementation of Second Policy on Marginalization.
- e) Project identification and implementation under Second Policy on marginalization will commence immediately after the approval of the Equalisation Fund Appropriation Bill 2022.
- f) Preparation of handing over framework of projects to county governments is ongoing.

## **III. Equalization Fund Bill 2022 (National Assembly Bill No. 47 of 2022)**

11. In February, 2023, the National Treasury and Economic Planning received a request from the Clerk of the National Assembly to submit a comprehensive brief on the representations of the Equalization Fund Bill 2022 (National Assembly Bill No. 47 of 2022) (hereinafter EF Bill 2022).

12. The Objective of the Bill is to:

- a) Operationalize the Equalization Fund as established under Article 204 of the Constitution; and

- b) Establish a board to administer the Fund in instances where the Fund is directly used for the provision of basic services to marginalized areas.
13. The Bill sponsored by Hon. Kassait Kamket, MP underwent 1<sup>st</sup> Reading on 30<sup>th</sup> November, 2022 and committed to the Departmental Committee on Finance and National Planning.
14. The National Treasury and Economic Planning urged the National Assembly to reject or refer the EF Bill 2022 back to the sponsor with recommendation that the Bill is subjected to further and wider scrutiny by stakeholders based on the following:
- a) That the EF Bill 2022 was overtaken by events since there is already an administrative, governance and legal framework in place for the management of the Equalization Fund;
  - b) There is in place a board, the Equalization Fund Advisory Board and Secretariat that is administering the Fund;
  - c) The Bill does not disclose any mischief that it seeks to remedy or cure in the prevailing implementation structure; and
  - d) The constituencies are not recognized as planning or administrative units outside the confines of the county governments structure in the devolved system of governance.

#### **IV. The Equalization Fund (Administration) Bill, 2023**

15. In May, 2023, the National Treasury and Economic Planning received a request from the Clerk of the Senate to attend a meeting of the Committee on Finance and Budget and submit representations on the Equalization Fund (Administration) Bill 2023 (hereinafter EF Bill 2023).
16. The purpose of the Bill is to:
- a) Provide a framework for administration and management of the Equalization Fund in accordance with article 204 of the Constitution;
  - b) Provide for completion of ongoing projects under the First and Second Policies;
  - c) Provide a framework for the identification, selection and implementation of projects for purposes of the Fund;
  - d) Suspend the application of Article 204 (7) of the Constitution and extend the pendency of the Fund; and
  - e) Provide for the procedures in relation to winding up of the Fund.
17. We have reviewed the EF Bill 2023 and comment as follows:

- a) The EF Bill, 2023 has been overtaken by events since there is already an administrative and management framework in place for the administration of the Fund. Section 18 of the PFM Act, 2012 mandates the National Treasury to administer the Fund. As a result, parliament passed the Public Finance Management (Equalization Fund Administration) Regulations, 2021 which establishes the administrative and management framework in the administration of the Fund. The Regulations were passed after engagement and participation of various stakeholders including the Council of Governors, Commission on Revenue Allocation, Controller of Budget, the Attorney General, the National Assembly, the Senate, Parliamentary Budget Office and the members of the public. Further, Section 6 of the PFM Act, 2012 provides that PFM Act prevails over any legislation on matter, inter alia establishment and management of public funds.
  - b) The EF Bill, 2023 does not provide any remedy it tries to cure in the current administrative and governance structure of the management of the Fund. It has adopted the current structure save for moving of the administration of the Fund from the PFM Act to the EF Bill.
  - c) We note that the EF Bill, 2023 seeks to extend the Fund for a further non-renewable term of ten years from the time the Fund would have lapsed. Article 204 (6) of the Constitution provides that the Fund would lapse twenty years from the Effective Date. The Constitution defines effective date to mean the date the Constitution came into force. The Constitution was promulgated on 27<sup>th</sup> August, 2010. Therefore, the Fund would lapse on 26<sup>th</sup> August, 2030. Though Parliament is mandated to extend the life of the Fund for a further fixed period of years, it would be proper for the same to be done through a stand-alone Bill within a period of twenty-four (24) months to the lapse of the period specified under Article 204 (6) of the Constitution.
18. In Conclusion, the current administration and management framework of the administration of the Fund is sufficient and therefore there is no need for the EF Bill, 2023. The Fund has less than 7 years to lapse and any act of derailment in the administration of the Fund only seeks to affect the achievement of its intended purposes. Furthermore, the Fund is well established under the PFM Act which prevails in the establishment and management of public Funds. Any proposal to ensure better administration and management of the Fund can only be factored under the current legal, governance and administrative framework.

19. Therefore, the National Treasury and Economic Planning urges you to consider to reject the Bill or refer it back to the sponsor with recommendations that the Bill be subjected to further consultations with stakeholders before reconsideration.

## COUNCIL OF GOVERNORS

### THE COUNCIL OF GOVERNORS,

In recognition of the fact that sovereign power of the state is exercised at two levels of government, that is, the National Government and the County Governments, whose distinctness is recognized by Article 6 (2);

In further recognition of the need to ensure that all legislation is cognizant of devolved governments; and

Aware of the need for coordinated action between the National and County Governments to ensure that legislation properly respond to the key issues, and further reflects the spirit and purpose of devolution.

Having reviewed the Equalisation Fund (Administration) Bill, 2023, the Council of Governors on behalf of the 47 County Governments submits the proposals highlighted herein below for consideration:

#### A. GENERAL COMMENTS

1. Article 204 (3)(b) of the Constitution of Kenya, 2010, provides that the National Government may use the Equalisation Fund either directly or indirectly through conditional grants to counties in which marginalised communities exist. The Commission on Revenue Allocation (CRA) in their First Policy on the Criteria for Identifying Marginalised Areas and Sharing of the Equalisation Fund, recommended that the Fund should be spent indirectly as conditional grants to marginalised counties. This is because county governments are better placed to target expenditure programmes to marginalized communities within the counties. The Commission further defined 'Marginalised areas' to mean Marginalised Counties. However, the First Policy was implemented directly. Having witnessed the inefficiencies associated with the direct use of the fund, the Council strongly opines that going forward, the Equalisation Fund should only be used indirectly as conditional grants to Counties.

### COUNCIL OF GOVERNORS

2. **On the management of the Fund:** There already exists an elaborate framework on the management of Conditional grants issued to Counties. However, we note that the Bill has proposed a framework similar to Public Finance Management (Equalization Fund Administration) Regulations, 2021 that exhibited ineffectiveness and inefficiencies.

We therefore urge the Senate to amend the Bill to ensure that the Fund is used in accordance with the existing framework on management of Conditional grants. That is; The funds shall be utilized as conditional grants to the affected counties in accordance with the Division of Revenue Act and the Equalisation Fund Appropriation Act (in the place of the County Governments Additional Allocations Act) for the respective financial year. Under such a framework, Funds are allocated and disbursed to Counties for implementation of Projects subject to agreed upon conditions between the County Governments and the Equalisation Fund Advisory Board.

3. There is need for the Bill to clearly distinguish (In Parts) the process to be followed when using the Fund directly and when using it indirectly.
4. It is important to note that after 13 years of its existence, the Fund is yet to realize the objectives for which it was established in 2010. Since inception of the Fund, the total entitlement to Counties is Ksh.54,035,184,050 (excluding FY 2023/24 allocation), out of which Ksh.26,293,791.644 has been approved and appropriated by Parliament. The Council therefore requests the Senate to fast track the approval and subsequent appropriation of the remaining amount of the Fund entitled to County governments.
5. There is need for the Bill to provide for meetings of the Board.
6. There is need for the committees established under the Bill to consider the inherent role of county governments in administering projects and programmes facilitated by the Fund as a majority are devolved functions.

# COUNCIL OF GOVERNORS

## B. SPECIFIC CONCERNS

The Council proposes the following specific amendment to the Equalisation Fund (Administration) Bill, 2023:

Clause/Section	Provision	CoG's Proposal	Rationale/Justification
<b>PART III – ESTABLISHMENT OF ADVISORY BOARD</b>	6. (1) There is established a Board to be known as the Equalisation Fund Advisory Board which shall consist of—  (a) the Chairperson who shall be appointed by the Cabinet Secretary;  (b) the Principal Secretary responsible for matters relating to finance;  (c) the Principal	Amend Section 6 (1)(f) to read as follows:  (f) three persons nominated by the Council of Governors drawn from areas identified as marginalized by the Commission on Revenue Allocation;	From the provision in the Bill there is lack of adequate representation of the county governments on the Equalization Fund Advisory Board vis-à-vis the national government representation, despite the services catered for by the Fund being mostly functions of the county governments as per the Fourth Schedule to the Constitution. Given that implementation will take place in marginalized areas identified within Counties, there is need for adequate representation on the devolved units. This would bolster the county government's engagement in the administration of the Fund and its associated services.

## COMMENTARY ON THE EQUALIZATION FUND (ADMINISTRATION) BILL, 2023

In accordance with the requirements of Article 205 of the Constitution, the Commission on Revenue Allocation has considered the Equalisation Fund (Administration) Bill 2023 and recommends as follows-

NO.	CLAUSE	RECOMMENDATION	JUSTIFICATION
1.	<b>Clause 2 Interpretation</b>	<p>Add definition of the following phrase in its alphabetical sequence-</p> <p><i>‘First Policy’ means the first policy determined by the Commission on Revenue Allocation under Article 216(4) of the Constitution in identifying marginalized areas for purposes of Article 204(2) of the Constitution</i></p>	The phrase ‘First Policy’ is referenced in the Bill but not defined hence the need to clarify.
		In the definition of the phrase ‘unutilized balance’ under paragraph (a) delete the word ‘ <b>and</b> ’ after the semi colon.	To correct an editorial error given there is a list that follows the content.

		<p><b>In the definition of the word “revenue”</b></p> <p>This has the meaning assigned in the CRA Act.</p> <p>The CRA Act excludes revenues referred to under Article 206(1)(a)(b) and Article 209(4) of the Constitution. This definition also contradicts Clause 4 of the Bill.</p> <p><b>Recommendation:</b> Revenue should refer to revenue as defined in Article 204(1), which refers “to <i>all the revenue collected by the national government each year...</i>”.</p>	To align with the Constitution
2.	<p><b>Clause 3 Purpose</b></p>	<p>Clause 3 (b) provides for completion of ongoing projects under the First and Second policies.</p> <p><i>Recommendation: Add “and all other subsequent policies determined by the Commission on Revenue Allocation for purposes of Article 204(2)”</i></p>	To cater for future policies

		<p>Clause 3 (d) suspends the application of Article 204(7) of the Constitution and extends the pendency of the Fund. <b>Recommendation:</b> Delete. The Fund is yet to be fully operationalised. Given that allocation to the Fund remains in the Fund, and that the Fund has eight more years for its implementation, a proposal to extend the Fund is not currently justifiable.</p> <p>Also delete clause 32 which extends the constitutional term.</p>	For practicability
3.	<p><b>Clause 6</b></p> <p><b>Establishment of</b></p> <p><b>Equalisation Fund</b></p> <p><b>Advisory Board</b></p>	<p>Clause 6 (3) refers to persons appointed under Clause 6 (1)(c) and (f).</p> <p><i>Recommendation: redraft to align with provisions under Clause 6 (1)(d), (e) and (f)</i></p>	For coherence

4.	<b>Clause 8 Tenure of office</b>	<p>This clause provides for a non-renewable term of six years for persons appointed under Clause 6 (1)(d), (e) and (f).</p> <p><b>Recommendation.</b> Harmonize with the term under clause 6(3) which provides for a term of three years' renewable once.</p>	
5.	<b>Clause 10 Functions of the Board</b>	<p>Under sub clause 10(1)(c) which provides for the Board to make recommendations on the priority areas requiring financing and implementation in accordance with the workplans considered under <b>section</b> (b) and in line with the recommendations of the Commission on Revenue Allocation</p> <p><i>Recommendations: Firstly, substitute the term 'section (b) with paragraph 10(1) (b). Secondly, specify to whom such recommendations are to be made.</i></p>	For clarity
6.	<b>Clause 11</b>	Under sub clause (1), write the acronym CS in full	For ease of understating given it is undefined.

	<b>Decisions of the Committees of the Board</b>	The marginal note to Clause 11 is incomplete. <b>Recommendation:</b> add the <i>phrase 'Cabinet Secretary'</i> after the existing content	For coherence
7.	<b>Clause 14 Officer administering the Fund</b>	Clause 14 (2)(b) has largely narrowed the technical qualification of the Fund CEO to the area of health.  <i>Recommendation: delete skills in health insurance, health financing, health economics, and health care. Additionally, align with 7(c).</i>	For inclusivity purposes
8.	<b>Clause 15 Secretariat</b>	Under clause 15(2)(f)(i) delete the words " <i>have been</i> " after the phrase "Government in marginalised areas" <i>H</i>	To correct a grammatical error
9.	<b>Clause 17 Establishment of county technical committees</b>	Under paragraph (e)- (e) a public officer representing the implementing sector with prioritized projects  <i>Recommendations: redraft to read "not more than four technical officers from ministries relevant to the funding project"</i> <i>WPS</i>	For ease of implementation of the Fund

		Delete paragraph (f). The same content is repeated in (d) which provides a representative from the County Assembly	
	<b>Clause 19</b> <b>Sub county</b> <b>Technical</b> <b>Committee</b>	Add the sub county administrator as member of this committee who shall also serve as secretary to the Committee.	
10.	<b>Clause 20</b> <b>Functions of the</b> <b>sub-county</b> <b>technical</b> <b>committee</b>	<p>Under paragraph-</p> <ul style="list-style-type: none"> <li>i. (c), substitute the word ‘access’ with ‘assess’</li> <li>ii. (d) add at the end “<i>to the County Technical Committee</i>”. So that it is clear to whom the sub-county technical committee will submit project proposals to.</li> <li>iii. (e) add the words ‘implementation of after ‘monitor’</li> <li>iv. (f) and (g) <i>delete “and the member of the county executive”</i>. This is because the member of the county executive is the Secretary to the County Technical Committee</li> </ul>	For coherence

11.	<b>Clause 21</b> <b>Project Identification and Implementation Committee.</b>	<p>Under paragraph (b) substitute 'village administrator' with 'ward administrator'</p> <p>Under paragraph (d), which provides for membership of a representative of faith-based groups and non-governmental organisations, specify that such an organization must be <b>operating within the area of operation of the Committee.</b></p> <p>Specify under (c) and (d) that it's a representative of each category listed</p>	<p>For clarity and to ensure the appointee is has in depth knowledge of the area of operation.</p> <p>For clarity</p>
12.	<b>Clause 22</b> <b>Functions of Project Identification and Implementation Committee.</b>	<p>Paragraph (d) provides- (d) provide oversight on project implementation.</p> <p><i>Recommendation: redraft to read "supervise and report to the county technical committee on project implementation"</i></p>	<p>For clarity</p>

13.	<b>Clause 25</b>	Delete sub clause 25(4).	It is a repetition of sub clause 25(3).
14.	<b>Clause 27</b> <b>Quarterly reports on projects and disbursements.</b>	Write the term 'Commission' in full to mean 'Commission on Revenue Allocation.'	To clarify as there are many Commissions in Kenya.

### GENERAL RECOMMENDATIONS

1. The Bill references the phrase '*these Guidelines*' which should be substituted with '*this Act*' e.g. in clauses 10(1)(g), 12(b) and (c), 15(2)(d).
2. There is need to specify at what level the various committees are established under the Bill for clarity.
3. Add a new Board functions to establish all the technical committees as opposed to it being done by the County Commissioner. Additionally, include a monitoring and evaluation function for the Board.

4. The Bill is silent of compensation of the Committees. This should be indicated to be from the 3% administrative costs of the Board

5. The Bill is silent on the flow of funds and procurement. We recommend as follows-

- a) County Technical Committee to open the special purpose accounts and make payments with signatories being the relevant CEC and the County Commissioner
- b) Sub County Technical Committee to carry out procurement and issue certificates

S/NO	PROVISION	PROPOSALS FOR AMENDMENT	JUSTIFICATION/RATIONALE
1.	<p><b>Clause 6- Establishment of the Board</b></p> <p>6. (1) There is established a Board to be known as the Equalisation Fund Advisory Board which shall consist of—</p> <p>(a) the Chairperson who shall be appointed by the Cabinet Secretary;</p> <p>(b) the Principal Secretary responsible for matters relating to finance;</p> <p>(c) the Principal Secretary responsible for matters relating to devolution or a representative designated in writing;</p> <p>(d) one person from a pastoralist community nominated by the National Assembly;</p> <p>(e) one person nominated by the Senate;</p> <p>(f) one person nominated by the Council of Governors drawn from areas identified as marginalized by the Commission on Revenue Allocation;</p> <p>(g) the Chairperson of the Commission on Revenue Allocation or a representative designated in writing;</p>	<p>1. Amend clause 6(1)(d) by substituting the words “one person from a pastoralist community nominated by the National Assembly,” with the following-;</p> <p>“two persons representing the pastoralist community and persons with disabilities”</p> <p>2. Amend 6(1)(e ) by qualifying the one person to be nominated by the Senate.</p>	<p>The proposed representatives will be people who are recognized by the community either as leaders or influencers unlike just any other ordinary person who may not be able to speak on behalf of the community.</p> <p>The Commission has proposed the addition of another member who will represent interests of persons with disability in compliance with the Constitution and the <i>Mwongozo</i> code of Governance.</p> <p>The additional proposed member brings the membership to 9 which is also in compliance with <i>Mwongozo</i> Code.</p> <p>The criteria for the nomination by the Senate is not clear.</p>

	(h) the Controller of Budget or a representative designated in writing; (i) the Chief Executive Officer who shall be secretary of the Board	3. Amend further by inserting a new sub clause 4 as follows-;  4) In making the appointments due regard shall be observed to ensure gender balance. 2.	<b>Clause 9 Vacation of office</b>  9. A member of the Board appointed under section 6(1)(d), (e) and (f) may- (a) resign from office by notice in writing to the Cabinet Secretary; (b) be removed from office by the Cabinet Secretary if the member-;  v) is incapacitated by prolonged physical or mental illness; or	Amend clause 9(b)v) by deleting the same without any replacement.	The provision is prejudicial and discriminatory to persons with disabilities.  The Convention on the Rights of Persons with Disabilities (CRPD) and the Persons with Disabilities Act provide for Reasonable Accommodation which means adjusting or modifying the working environment to accommodate an individual with a proven need.

4.	<b>Clause 14</b> Officer administering the Fund.  14. (1) The Chief Executive Officer of the Board shall be the administrator to the Fund and shall be competitively recruited by the Board	Amend by deleting the subtitle "Officer administering the Fund" and substituting it with the following "Administration of the Fund"  Amend further by substituting the words "officer administering the fund" with "the administrator of the fund" whenever the words appear in the Bill.	The Proposed Bill uses the words "administrator of the fund" (7 times) and "Officer administering the fund" (2 times) interchangeably and this brings confusion to the reader.  The use of the single term Administrator of the fund creates consistency in the law

5.	<p><b>Clause 21</b> <b>Project Identification and Implementation Committee</b></p> <p>The County Commissioner of an eligible county shall establish a Project Identification and Implementation Committee comprising of-</p> <p>(a) the Assistant Sub-County Commissioner who shall be the Chairperson;</p> <p>(b) the village administrators of areas defined by the Commission as marginalised;</p> <p>(c) a representative of women, youth and persons with disabilities from marginalised areas;</p> <p>(d) a representative of faith-based groups and non-governmental organisations.</p>	<p>Amend 21(c ) by substituting the words “a representative of” with the following “three persons representing”</p> <p>Amend 21(d) by substituting the words “A representative of” with “two persons representing”</p>	<p>The proposed amendments bring clarity to the membership of the project identification and implementation Committee.</p>
