CONCERNED THAT, the accumulated pending bills in Counties have significantly affected service providers in the counties leading to closure of businesses, stalling of county projects, adversely affecting economic growth in counties, service delivery and ultimately slowing down the country’s economic growth;

FURTHER CONCERNED that most of the service providers in the counties are battling court cases lodged against them by their financiers and suppliers while others are languishing in poverty exacerbated by the increased cost of living, with increased mental health disease incidences and others dying as a result of the effects of colossal amounts of debt owed to them by county governments;

NOW THEREFORE, the Senate-

2. Resolves that-
 - i. pursuant to the provisions of Regulation 41(2) & (3) of the Public Finance Management (County Governments) Regulations, 2015, County Governments prioritize payment of pending bills as a first charge on the County Revenue Fund failure to which the subsequent quotas budget releases will not be done;
 - ii. County Governments shall only pay pending Bills contained in their respective procurement plans pursuant to Regulation 50 (2) & (3) of the Public Finance Management (County Governments) Regulations;
