- f) Conditional allocations in paragraphs (d) and (e) shall be allocated among the county governments on the basis of a criteria to be determined as follows—
- i. the accounting officer responsible for the grant, shall for each eligible County Government, carry out or cause to be carried out, in accordance with the Intergovernmental agreements between the National Government and each eligible County Government, an assessment to determine the eligible County Government's performance score for purposes of determining the Performance of County Climate Resilience Investment (CCRI) Grant allocation for the Financial Year 2024/25;
 - ii. half of the total envelope will be allocated on the basis of factors that reflect relative expenditure needs for climate action, including the variables of a fixed share (33.3 percent), rural population (30 percent), rural area (13.3 percent), and poverty (23.3 percent), whereby the weights are based on the formula for allocating the share of the national revenue among counties. The other 50 percent of the envelope will be allocated on the basis of the scores for the performance measures, weighted with the basic allocation, such that two counties that have same score will receive the same relative increment as compared to the base allocation; and
 - iii. the Cabinet Secretary shall publish in the *Gazette* the allocations determined in terms of paragraph (ii) above.
- g) Conditional allocations financed by proceeds from an IDA (World Bank) Loan for the Food Systems Resilience Project - FSRP) as set out in Column G of the Third Schedule;
